Line 1

Credit for Long-Term Care Insurance Premiums Paid (Schedule M1LTI)

You may be able to claim a credit against tax based on premiums you paid in 2014 for a qualified long-term care insurance policy for which you did not receive a full federal tax benefit.

To qualify, your long-term care insurance policy must:

- qualify as a federal deduction (see federal Schedule A of Form 1040), disregarding the 7.5 or 10 percent income test; and
- have a lifetime long-term care benefit limit of \$100,000 or more.

The maximum credit is \$100 per person.

Part-year residents and nonresidents may also be eligible for the credit based on the percentage of income taxable to Minnesota.

If you qualify, complete Schedule M1LTI, *Long-Term Care Insurance Credit*. Enter the credit on line 1 of Schedule M1C, and include both schedules with your Form M1.

Line 2

Credit for Past Military Service

If you (and/or your spouse if filing a joint return) are a veteran of the military, including the National Guard and Reserves, you may each qualify for a credit of up to \$750 for past service.

You may qualify if you have been separated from service and:

- were honorably discharged and receive a military pension or other retirement pay for your service in the military;
- had served in the military for at least 20 years; or
- have a service-related disability rated by the U.S. Department of Veterans' Affairs as being 100 percent total and permanent.

To qualify for the full credit, your federal adjusted gross income (from line 37 of federal Form 1040, line 21 of Form 1040A, line 4 of Form 1040EZ) must be \$30,000 or less. If

your federal adjusted gross income is over \$30,000, the credit is reduced by 10 percent of the amount over \$30,000. Veterans with income over \$37,500 are not eligible.

If your federal adjusted gross income is:

- \$30,000 or less, enter \$750 on line 2 of Schedule M1C. (If you and your spouse both qualify for the credit and you are filing a joint return, enter \$1,500.)
- between \$30,000 and \$37,500, use the worksheet on this page to determine your credit amount.
- more than \$37,500, you do not qualify for this credit.
