## Form EXT-FID Instructions

### Does a fiduciary need to complete this worksheet?

A fiduciary does not need to complete this worksheet if any of the following applies to an estate or trust:

- The estate's or trust's 2014 tax liability as reported on Form FID-3, line 36 is \$200 or less.
- The estate or trust paid 100% of its 2013 tax liability as reported on the 2013 Form FID-3, line 36.
- The estate or trust paid at least 90% of its 2014 tax liability as reported on the 2014 Form FID-3, line 36.
- The estate or trust is a first-time filer.
- The estate or trust had zero or negative taxable income for 2013.

### How can a fiduciary of an estate or trust receive an extension to file a Montana tax return?

Fiduciaries can be granted an automatic extension of time of up to six months for filing a Montana income tax return if:

- The estate or trust's 2014 tax liability is \$200 or less.
- The fiduciary paid 100% of the estate or trust's 2013 Montana income tax liability through estimated tax payments, withholding, or a combination of both by April 15, 2015.
- The fiduciary paid 90% of the estate or trust's 2014 Montana income tax liability through estimated tax payments, withholding, or a combination of both by April 15, 2015.
- The estate or trust is a first time filer.
- The estate or trust had zero or negative taxable income for 2013.

### An estate or trust has a valid Montana extension but did not pay the entire 2014 income tax liability by April 15, 2015. Is the outstanding Montana income tax liability subject to penalties and interest?

It may be.

***If an estate or trust qualifies for an extension because its 2014 tax liability is \$200 or less,*** the estate or trust also qualifies for an extension to pay and will not be subject to penalties and interest if the 2014 income tax liability is paid by the extended due date of the return.

***If an estate or trust qualifies for an extension for any other reason,*** but the estate or trust has not paid its entire 2014 income tax liability by April 15, 2015, the estate or trust is relieved of the late file penalty but is not relieved of the late payment penalty and interest on the outstanding Montana income tax liability.

If a fiduciary does not pay the full amount of the 2014 income tax liability by April 15, 2015, an estate or trust will be charged a late payment penalty. This penalty is equal to 1.2% per month or fraction of a calendar month on the unpaid tax. This penalty cannot exceed 12% of the tax due.

If the fiduciary does not pay the tax liability by April 15, 2015, the estate or trust will be charged interest at a rate of 8% per year, accruing daily and beginning on the due date of the return and continuing until the tax is paid.

### How does a fiduciary make an extension payment?

A fiduciary will need to complete this form to determine the amount of the extension payment for an estate or trust. If there is more than \$1 on line 9, please pay the amount on line 9 on or before April 15, 2015. If an estate or trust is a fiscal year taxpayer, the payment is due on or before the 15th day of the fourth month after the close of the tax year.
