Instructions

General instructions

Purpose of Form ET-130

Form ET-130 should only be used to make a tentative payment of estate tax. Be sure to use Form ET-130 that is applicable to the date of death.

Extension of time to file and/or pay the estate tax

If you need an extension of time to file the estate tax return or pay the estate tax, or both, file Form ET-133, *Application for Extension of Time to File and/or Pay Estate Tax*. You must file Form ET-133 within nine months after the decedent's date of death. The estate may also make a tentative payment of the estate tax with Form ET-133, when it requests an extension of time to file the return or an extension of time to pay the tax.

Interest and penalty

Interest

Underpayment of tax — To avoid the assessment of interest, you must pay the total tax as finally determined within nine months of the date of death, even if you received an extension of time to file the return. Interest is compounded daily, and the rate is adjusted quarterly.

Penalty

Late payment penalty — If you do not pay the tax when due, you will be charged a penalty of ½% of the unpaid portion of the total tax shown on the return for each month or part of a month the tax remains unpaid. It will be computed from the due date to the date of payment, up to a maximum of 25% (New York State Tax Law sections 990 and 685(a)(2)). This penalty is in addition to the interest charged for late payments, and may be waived if you attach an explanation showing reasonable cause for paying late.

Decedent information

Enter the name of the decedent (last name first), home address at the time of death, social security number, date of death (month, date, and year), and county of residence. If you have not submitted a copy of the death certificate, mark an X in the box and attach a copy. If the decedent was not a resident of New York State at the time of death, mark an X in the box and attach a completed Form ET-141, if one was not submitted previously.

Attorney/representative information

If the estate is represented by an attorney, accountant, or other authorized representative, and a Form ET-14, *Estate Tax Power of Attorney*, has not been submitted previously, you may submit one at this time by attaching it to this form and marking an X in the POA box next to the attorney's/representative's name above.

Instructions *(continued)*

Executor information

Enter the name (last name first) and other information for the executor of the estate. The term *executor* includes executrix, administrator, administratrix, or personal representative of the decedent's estate; if no executor is appointed, qualified, and acting within the United States, *executor* means any person in actual or constructive possession of any property of the decedent with sufficient knowledge to file an accurate return.

If an executor has not been appointed, this form may be filed by a person having knowledge of all the assets in the decedent's estate. This person must also enter his or her name, address, and social security number in the area provided for the executor.

If the estate has **more than one executor**, mark an **X** in the box, enter the name and other information for the primary executor (preferably a person residing in New York State) in the area provided, and attach a list of each of the other executors with their mailing address and social security number.

Note: If *Letters Testamentary* or *Letters of Administration* have been obtained from surrogate's court but not submitted, attach them to this form and indicate in the space provided the type of letters you are submitting.
