Line instructions

Line 2 — Enter the amount of the estate's or trust's previous income tax overpayment that was credited to its current estimated tax account, as finally determined. If there was an adjustment to the estate's or trust's previous tax return, the amount requested may differ from the amount actually credited. The estate or trust should have received a notice of adjusted credit to advise you of the proper amount.

Lines 3 through 7 — Enter the date, document locator number, and amount of each payment the estate or trust made. The document locator number is a 12-character entry beginning with PT, and it appears on the back of the estate's or trust's canceled check or money order. If the estate or trust paid by money order, contact the issuing agent for this information.

Note: Line 7 is the amount of estimated tax paid with Form IT-2663, Nonresident Real Property Estimated Income Tax Payment Form and/or Form IT-2664, Nonresident Cooperative Unit Estimated Income Tax Payment Form.

Line 8 — If line 8 is the **same** as line 1, the estate's or trust's records agree with ours; claim the line 1 amount as estimated tax paid on its fiduciary income tax return, Form IT-205. If line 8 is different from line 1, fax or mail this completed form immediately as instructed above. We will review our records and reply to the estate or trust in time for the estate or trust to file its return, provided we receive the estate's or trust's Form IT-2106.1 by April 1.
