## **General Information**

**File this form with the county auditor together with completed tax release(s) (estate tax form 14).**

Ohio Revised Code section (R.C.) 5731.39 provides a penalty of the amount of the tax and up to \$5,000 if a corporation, safe-deposit box company, bank, savings and loan association, trust company or similar institution transfers more than a three-fourths interest in property belonging to or standing in the name or joint name of a decedent or in trust for a decedent without obtaining a consent to transfer from the tax commissioner. It is necessary for such institutions to request a consent to transfer for the entire amount of any such interest prior to final transfer from the decedent's name. The county auditor is the tax commissioner's agent for these purposes.

The fact that a consent to transfer is issued does not in itself establish tax liability nor does it relieve from tax liability. Tax

liability on any property transferred will be determined by the tax commissioner upon audit of the estate tax return. An estate tax return may be required to be filed pursuant to R.C. section 5731.21. Failure to timely file may subject the taxpayer to a penalty pursuant to R.C. section 5731.22.

The tax release estate tax form 14 must accompany this form to obtain a release. Since the tax release, estate tax form 14, will reflect only the last entry balance posted prior to death, this entry may or may not reflect the entire date of death value with the accrued interest due.
