Ohio Department of Taxation

A Message From the Ohio Tax Commissioner

Dear Ohio Taxpayers,

Ohio is continuing to make progress. Although there is still more work to be done, our economy is getting stronger, more people are working, and that momentum is affording more opportunities to cut income taxes.

Last year, Ohio had one of the largest tax cuts in the nation. This year it's a pleasure to inform you that most individuals and small business taxpayers will benefit from additional tax reductions. For individuals, a 1% cut that was to take effect Jan. 1, 2015, was moved up, giving Ohio taxpayers a full 10% income tax cut in 2014. That cut was being phased in over three years, but is now occurring in two years. In addition, a tax deduction implemented last year to help strengthen and grow small businesses has been increased from 50% to 75% on the first \$250,000 of net business income for taxable year 2014.

Ohio is also providing additional tax relief for lower- and middle-income taxpayers. The earned income tax credit is doubling from 5% to 10% of the federal credit, and the personal exemption has increased for Ohioans earning less than \$40,000 a year from \$1,700 to \$2,200, and for those with incomes between \$40,000 and \$80,000 a year from \$1,700 to \$1,950.

This year, if you aren't already planning to file online, please consider the benefits of filing electronically. Refunds are issued faster, errors are reduced, and processing costs are cut significantly. We've also made it easier to track your refund anytime, from any device, with our new mobile app. The Ohio Tax App is available for download through Apple or Google Play. Overall, we are committed to adopting technology that helps us improve customer service, reduce costs and make the state tax system more user-friendly.

We expect that this publication will give you all you need to successfully and easily prepare and file your return. However, if you still have questions, please visit our Web site at **tax.ohio.gov** or call 1-800-282-1780 for personal taxpayer assistance. The department also maintains a 24-hour refund hotline at 1-800-282-1784 and a forms request line at 1-800-282-1782.

Together, with your help, we will keep making Ohio a better place to live and work.

Sincerely,

Joe Testa Ohio Tax Commissioner

Go Paperless This Year: Have You Considered Filing Electronically?

Electronic filing has become the preferred method used by taxpayers, with more than 80% of all Ohio income tax returns filed electronically for taxable year 2013. The electronic options available for filing a 2014 income tax return are:

Online Services/Ohio I-File

Use your computer to file your Ohio individual and/or school district income tax returns.

Ohio I-File is a free filing service that guides you through a series of questions and information requests. Based upon the information you provide, I-File computes your refund or balance due, electronically submits the tax information, provides you with a copy, gives you a filing confirmation number and directs you to the electronic payment options. **See Online Services at tax.ohio.gov.**

IRS e-file

Use your tax software to file your tax returns or ask your tax preparer for assistance.

IRS e-file is a way to prepare and file your return electronically with the IRS and Ohio. More information, including a free federal e-filing program for qualified individuals, is available at **www.irs.gov.** You can also e-file through an approved, commercially available software program or you can have your return prepared and transmitted by an authorized tax professional. You may be required to pay fees to use these private services.

Payment Options for Ohio Personal and School District Income Tax

Several options are available for paying your Ohio and/or school district income tax. If you are remitting for both Ohio and school district income taxes, you must remit each payment as a separate transaction.

By law, all tax is due on April 15, 2015 except for certain members of the military.

While the Ohio Department of Taxation is not authorized to set up payment plans, if you submit partial payments they will be applied to the outstanding balance. Partial payments will not stop the imposition of additional interest and penalties. Partial payments will also not stop our billing process from progressing, including possible referral of the account to the Ohio Attorney General's Office for collection; however, partial payments will reduce the amount of interest and penalties that you will be charged.

You may pay by any one of the following three methods:

Credit Card

You may use your Discover, VISA, MasterCard or American Express card to pay your income taxes. You may make the credit card payments by either visiting tax.ohio.gov or calling 1-800-2PAY-TAX (1-800-272-9829). The Ohio jurisdiction code is 6446.

Whether you visit our Web site or pay by telephone, Official Payments Corporation will provide the credit card services. Official Payments Corporation will bill your credit card account a convenience fee equal to 2.5% (or \$1, whichever is greater) of the tax payment. The state of Ohio and your school district do not receive any portion of this fee.

When will my payment be posted? Your payment will be effective the date you charge it.

What happens if I change my mind? If you pay your tax liability by credit card and you subsequently reverse the credit card transaction, you may be subject to penalties, interest and other fees imposed by the Ohio Department of Taxation for nonpayment or late payment of your tax liability.

Whom should I call if I have a problem with my credit card payment? Call Official Payments Corporation toll-free at 1-866-621-4109.

payment option that is available to all taxpayers. If you make a payment using an electronic check, it is the equivalent of using a debit card to withdraw money directly from your checking or savings account.

The authorized amount will be withdrawn from your account within 24 hours unless you elect to delay payment. You can delay payment until the payment deadline of April 15, 2015.

When paying by electronic check, you must first determine your filing method:

- ✓ Ohio I-File Follow the payment instruction prompts that you receive during Ohio I-File.
- ✓ IRS e-file If you are electronically filing your Ohio individual income tax return and/or your school district income tax return using an approved software program, follow the

payment instruction prompts for making payments by electronic check.

✓ Paper Filing – If you are filing by paper (Ohio form IT 1040EZ or IT 1040 and/or Ohio form SD 100), you can still use the electronic check payment option. Go to our Web site at tax.ohio.gov.

You may also <u>file</u> and <u>pay</u> your quarterly <u>2015 Ohio and/or school</u> <u>district estimated income tax</u> with the electronic check method. Go to our Web site at <u>tax.ohio.gov</u>.

▶ Paper Check or Money Order

If you do not want to use a credit card or electronic check to make your payment, you may send in a personal check or money order with the IT 40P payment voucher for your Ohio income tax and/or SD 40P payment voucher for your school district income tax. Both of these youchers can be found on our Web site at tax.ohio.gov.

Where Should I Mail My Return and/or Payment?

See the chart below for mailing information. Be sure to sign your return before mailing. If you are enclosing a payment with your return, be sure to enclose Ohio form IT 40P or SD 40P (found on our Web site at **tax.ohio.gov**) with your check or money order. This will ensure proper crediting of your payment.

Filing Requirements

Who Must File an Ohio Income Tax Return?

Every Ohio resident and every part-year resident (see page 13 for a discussion of "residency status") is subject to the Ohio income tax. Every nonresident having Ohiosourced income must also file. Examples of Ohio-sourced income include the following:

- Wages earned in Ohio (see "Exception" below);
- Ohio lottery winnings;
- · All Ohio casino gaming winnings;
- Income or gain from Ohio property;
- Income or gain from a sole proprietorship doing business in Ohio;
- Income or gain from a pass-through entity doing business in Ohio.

Exception: A full-year nonresident living in a border state does not have to file if the nonresident's only Ohio-sourced income is wages received from an unrelated employer.

NEW On June 26, 2013, the U.S. Supreme Court issued a decision on the constitutionality of section 3 of the federal Defense of Marriage Act (DOMA), which had established a federal definition of marriage. Following the court's decision, the IRS issued Revenue Ruling 2013-17. The ruling provides that a marriage between same-gender individuals performed in a jurisdiction that recognizes such a marriage will now be recognized for **federal** income tax purposes. As a result, same-gender couples who were legally married in a jurisdiction may file federal income tax returns after Sept. 15, 2013 as married taxpavers even if they are domiciled in a jurisdiction whose laws do not recognize a same-gender marriage.

Ohio Guidance: Under Article XV §11 of the Ohio Constitution, Ohio does not recognize marriage between persons of the same gender. Individuals who entered into such a

marriage in another jurisdiction shall not use the filing status of "married filing jointly" or "married filing separately" when filing Ohio form IT 1040.

Each individual of a same-gender marriage who is filing jointly for federal income tax purposes is instructed to do the following to meet their Ohio filing obligation:

- File a separate Ohio income tax return using Ohio form IT 1040 and check the box on page 1 indicating that you are filing Ohio Schedule IT S (explained further below).
- Use the filing status of single or, if qualified, head of household.
- Complete Ohio Schedule IT S Federal Adjusted Gross Income To Be Reported by Same-Gender Taxpayers Filing a Joint or Married Filing Separately Federal Return, which is a supplement to Ohio form IT 1040. This is a schedule on which individuals shall allocate the federal adjusted gross income reported on their joint federal income tax return. The form enables each individual taxpayer to determine federal adjusted gross income using the filing status of single or head of household. One Schedule IT S should be completed and a copy of it should be submitted with each individual's IT 1040 return.
- Please follow the instructions included with Schedule IT S on how to complete and file the form. The schedule is available online at http://www.tax.ohio.gov/ forms.aspx.
- You may not file Schedule IT S using Ohio form IT 1040EZ.

If you are required to file Schedule IT S, you must use line 31c or 31d on the schedule everywhere you are directed to use federal adjusted gross income for purposes of compiling your income tax and school district income tax returns. Further, everywhere you

are directed to use a line item on page 1 of the federal return in these instructions, use the corresponding line item on the Schedule IT S from column C or D.

You do <u>not</u> have to file an Ohio income tax return if...

- you are single <u>and</u> you are not claimed as a dependent on another return <u>and</u> your federal adjusted gross income is less than or equal to \$12,200 <u>and</u> you have no Schedule A adjustments.
- you are married, filing jointly <u>and</u> you are not claimed as a dependent on another return <u>and</u> your federal adjusted gross income is less than or equal to \$14,400 <u>and</u> you have no Schedule A adjustments.
- your exemption amount (line 4) is the same as or more than your Ohio adjusted gross income (line 3) <u>and</u> you have no Schedule A adjustments.
- your only source of income is retirement income that is eligible for the retirement income credit (line 51) <u>and</u> the credit is the same or larger than your tax before credits (line 6).

When Do I Have To File?

For calendar year 2014 most taxpayers must file on or before April 15, 2015 (for exceptions, see "What if I Need More Time To File?" on page 10 and "Income Taxes and the Military" on page 12). Returns for fiscal year filers are due on the 15th day of the fourth month following the close of your taxable year. Even if you are unable to pay the full amount of tax, you must file your return by the due date.

What Tax Records Do I Need To Keep?

Keep a copy of your completed Ohio income tax return. Also keep copies of any documents and/or payment records that you used to prepare your return. Keep these records for at least four years from the later of the filing

due date or the date that you filed the return. If the Ohio Department of Taxation audits your tax return, you must be able to prove all claims and items listed on your return.

What If I Need More Time To File?

If you need more time to file, you can extend the due date for filing. You must first qualify for an IRS extension of time to file. Ohio does not have an Ohio extension request form, but honors the IRS extension. You should include with the Ohio income tax return a copy of your IRS extension or your extension confirmation number or a printed copy of the IRS acknowledgment. An extension of time to file does not extend the time for payment of the tax due. So, except as set forth below, you must make extension payments by April 15, 2015 on Ohio form IT 40P (available on our Web site at tax.ohio.gov). Interest will accrue on any tax not paid by April 15, 2015, and penalties may also apply.

Exception: Certain military personnel may have an additional extension of time to file **and** to pay (see "Income Taxes and the Military" on page 12).

What Form Should I Use To File My Taxes?

We encourage all Ohio taxpayers to file their income tax returns electronically. However, if you choose to file using the paper option you can use either Ohio form IT 1040EZ or IT 1040. See the chart on page 9 to determine which form is right for you.

How Do I Round to the Nearest Dollar?

Ohio law requires you to round to the nearest whole dollar. When completing the Ohio income tax return, drop any cents less than 50 cents and increase amounts from 50 cents to 99 cents to the next highest dollar.

Do Both Nonresident, Married Filing Jointly Taxpayers Have To Sign the Return?

General Rule: If your filing status on your federal income tax return is married filing jointly, then **both** spouses must sign the Ohio income tax return (see "Filing Status" on page 13 for more information about your filing status for your Ohio income tax return).

Exception to the General Rule: Your spouse does not have to sign a married filling jointly return **only** if all three of the following apply:

Your spouse resided outside Ohio for the entire year; AND

- Your spouse did not earn any income in Ohio; AND
- Your spouse did not receive any income in Ohio.

See Ohio Administrative Code (Ohio Rule) 5703-7-18, which is on our Web site at tax.ohio.gov.

Do I Have To File a School District Income Tax Form?

Many Ohio school districts have an additional income tax. These school districts are marked with an asterisk (*) on pages 45-50. If during 2014 you were a full-year or part-year Ohio domiciliary and you either lived in or were domiciled in one of these districts during all or part of the year, then by the due date for filing your Ohio income tax return you must also file an Ohio form SD 100, School District Income Tax Return, with the Ohio Department of Taxation. You can electronically file your school district return or you can get Ohio form SD 100 from our Web site at tax.ohio.gov, from your local school board office or by calling toll-free 1-800-282-1782.

Do I Need To Enclose a Copy of My Federal Income Tax Return?

Enclose a copy of your federal income tax return if the amount shown on line 1 on page 1 of Ohio form IT 1040EZ or IT 1040 is zero or a negative amount.

Does Ohio Follow the Alternative Preparer Signature Procedures?

The Ohio Department of Taxation follows federal Notice 2004-54, which provides for alternative preparer signature procedures for federal income tax paper returns that paid practitioners prepare on behalf of their clients. See Ohio Revised Code sections 5703.262(B) and 5747.08(F).

Exception: The paid preparer should <u>print</u> (rather than sign) his/her name on the form if the taxpayer checks "Yes" to the question, "Do you authorize your preparer to contact us regarding this return?"

Can My Tax Preparer Contact the Tax Department About My Tax Return?

Yes. Just check the "Yes" box below your tax preparer's name on the bottom of page 2 of Ohio form IT 1040EZ or IT 1040. By checking the "Yes" box, you are authorizing your preparer to contact the Ohio Department of Taxation concerning questions that arise during the processing of your Ohio income tax return.

Checking "Yes" also authorizes your preparer to provide the department with information that is missing from the return, to contact the department for information about the processing of the return or the status of your refund or payments, and to respond to mathematical error notices, offsets and return preparation notices that you have received from the department and have shown your preparer.

Should I Make Estimated Tax Payments in 2015?

You have to make estimated Ohio income tax payments for year 2015 only if the sum of (i) your year 2014 overpayment credited to year 2015 (see line 26 on page 2 of form IT 1040) and (ii) your year 2015 Ohio income tax withholding is not equal to or greater than either of the following:

- 100% of the year 2014 Ohio income tax (see page 2 of Ohio form IT 1040: line 17 minus line 24); OR
- 90% of the year 2015 tax.

For purposes of these tests, you must reduce your year 2014 overpayment credited to year 2015 by any year 2014 tax payment that you made after April 15, 2015.

If you don't meet either of the tests above, you must timely pay enough estimated Ohio income tax so that the sum of (i) your year 2014 overpayment credited to year 2015, (ii) your year 2015 withholdings and (iii) your timely made estimated Ohio income tax payments is not less than either of the two tests above.

If you are required to make estimated payments and do not, you may be subject to an interest penalty on your underpayment of estimated taxes.

Quarterly estimated payments can be made electronically on our Web site at **tax.ohio.gov.** Or you can obtain Ohio form IT 1040ES from our Web site at **tax.ohio.gov** or by calling toll-free 1-800-282-1782.

2015 Estimated Tax Payment Due Dates

1st quarter – April 15, 2015 2nd quarter – June 15, 2015 3rd quarter – Sept. 15, 2015 4th quarter – Jan. 15, 2016

TIP – If you don't want to make estimated payments, increase the amount of Ohio tax that your employer withholds from your wages. To do this, file a revised Ohio form IT 4, Employee's Withholding Exemption Certificate (available at **tax.ohio.gov**) with your employer.

For additional information, see the FAQs on our Web site at tax.ohio.gov.

Can Dependent Children Claim Themselves if They File Their Own Tax Return?

No. Children being claimed as dependents on their parents' Ohio income tax return may no longer claim the personal exemption on their own return.

What if a Taxpayer Is Deceased?

The taxpayer's personal representative has to file and sign the return on behalf of the taxpayer who died. A personal representative can be the executor, administrator or anyone who is in charge of the deceased taxpayer's property.

Important:

- Use the same filing status as shown on the federal income tax return.
- Check the "Deceased" box after the applicable Social Security number on page 1 of the return.
- If you are filing on behalf of a deceased taxpayer, you can properly sign on his or her behalf by signing the deceased taxpayer's name on the "Your signature" line. Sign your name on the "Spouse's signature" line and print your title. Also include your daytime telephone number.
- We cannot rewrite a decedent's refund check by making it payable to the estate of the decedent.

How Should Full-Year Nonresidents and Part-Year Residents Engaged in Business in Ohio Apportion Income?

Each full-year nonresident and each partyear resident who is engaged in business (as a sole proprietor or through a partnership, S corporation or limited liability company) in Ohio must apportion his/her business income inside and outside of Ohio. If you file Ohio form IT 1040, use Ohio form IT 2023 (income allocation and apportionment worksheet) from our Web site at tax.ohio.gov to determine the proper amount of credit to claim on Schedule D of Ohio form IT 1040. See page 13 for an explanation of "residency status."

What if I Move After Filing My Tax Return and I'm Due a Refund?

If you move after filing your tax return and are expecting a refund, notify the post office servicing your old address by filling out a change-of-address form. This does not guarantee that your refund will be forwarded because post offices are not required to forward government checks. You should also notify our department of your address change.

What if I Want a Receipt To Prove That I Paid?

Your cancelled check or credit card statement can be used as proof of our receipt of your tax payment. If you make payment with a money order, be sure to keep a copy for your records.

How Do I Correct My Income Tax Return After I Have Already Filed?

Make any correction to your return (Ohio form IT 1040EZ or IT 1040) by filing an amended income tax return (Ohio form IT 1040X) for the year that you are correcting. To speed up the processing of your amended return:

- Include a copy of your W-2(s), W-2G(s) and 1099-R(s) if there was Ohio income tax withheld; AND
- Include documentation to support any adjustments to line items.

Ohio form IT 1040X is available on our Web site at **tax.ohio.gov** or by calling toll-free 1-800-282-1782. If you correct your federal income tax return or if you are audited by the IRS, you must file Ohio form IT 1040X within 60 days of the final determination of the IRS correction.

The IRS tells us about all changes it makes to your federal income tax return. To avoid penalties, be sure to file your amended income

tax return, Ohio form IT 1040X, within 60 days of the final determination of the federal change.

Do I Owe Penalties and Interest?

A <u>failure-to-file</u> penalty, the greater of \$50 per month up to a maximum of \$500, or 5% per month up to a maximum of 50% of the tax, may be charged if you fail to <u>file</u> your Ohio income tax return by the due date.

A <u>failure-to-pay</u> penalty of double the interest charged generally will apply if you do not <u>pay</u> the tax by April 15, 2015.

An additional \$50 bad-check charge may be imposed against any taxpayer whose payment is dishonored by the bank.

Except for certain military servicemembers (see "Income Taxes and the Military" on page 12), interest is due from April 16, 2015 until the date the tax is paid.

If you file your return after the due date and if you paid and/or will pay any tax after the due date, you owe interest <u>unless</u> your refund, if any, is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2015 is 3%.

What Is the Difference Between Income Tax Table 1 and Income Tax Table 2?

Income Tax Table 1, which begins on page 37, shows the tax amount for \$50 increments of income. The tax is calculated on the midpoint income for all of the income in that \$50 range. The tax amount listed on Income Tax Table 1 may be slightly lower or higher than the tax amount computed by using Income Tax Table 2, which is shown on page 43.

How Should Investors in a Pass-Through Entity Report Income?

A pass-through entity is a partnership, S corporation or limited liability company treated as a partnership or an S corporation for federal income tax purposes. Unless the exception below applies, each investor in any pass-through entity doing business in Ohio must file Ohio form IT 1040.

Exception: Such investors do not have to file Ohio form IT 1040 if <u>all</u> of the following apply:

- The investor is a full-year nonresident;
 AND
- The pass-through entity files Ohio form IT 4708, annual composite income tax return, on behalf of the investor; AND
- The investor has no other Ohio-sourced income or, if the investor has other Ohiosourced income, that income is also reported on another Ohio form IT 4708.

What Is a Medical Savings Account and What Are the Qualifications?

A medical savings account is used to pay eligible medical expenses of the accountholder or the account-holder's spouse and/ or dependents. A medical savings account can be opened by or on behalf of a person that participates in a sickness and accident plan, a plan offered by a health maintenance organization or a self-funded, employer-sponsored health-benefit plan pursuant to the federal *Employee Retirement Income Security Act*.

You must designate an administrator for the medical savings account at the time you open the account. Account-holders are generally permitted to withdraw the funds at any time for any reason. However, account administrators cannot return any funds deposited during the year of deposit except for reimbursement of eligible medical expenses.

Any withdrawals for a nonqualifying medical purpose may result in increased Ohio taxes. An "eligible medical expense" includes any expense for a service rendered by or for an article, device or drug prescribed by a licensed health care provider or provided by a Christian Science practitioner. See line 46b on page 29 for a more detailed explanation.

Income Taxes and the Military

State and federal income tax laws contain special provisions for members of the military and their families. Details on some of the major issues facing military families during the income tax filing season can be found below.

For more details regarding income taxes and the military, visit our Web site at tax.ohio.gov.

You can also reach us by e-mail at Military-Info@tax.state.oh.us.

Key Issues

Ohio Resident Military Personnel

Military pay and allowances for Ohio resident servicemembers who are stationed inside Ohio, and their spouses, will continue to be subject to Ohio individual income tax. These amounts will also be subject to school district income tax if the servicemember was domiciled in a taxing school district.

For an additional explanation, see page 25.

Resident Military Personnel Stationed Outside Ohio

Although military pay earned while on active duty and stationed outside of Ohio is exempt from Ohio income tax and may be deducted to the extent that it is included in federal adjusted gross income, you are still required to file an Ohio personal income tax return.

Ohio Revised Code section 5747.01(A) (24) provides that for taxable years beginning on and after Jan. 1, 2007, an Ohio resident servicemember can deduct active duty military pay and allowances that are included in federal adjusted gross income if those amounts are received for active duty service while the servicemember is stationed outside Ohio.

The term "stationed" refers to an Ohio resident servicemember's permanent duty station. For purposes of this exemption, "permanent duty station" has the same meaning as specified in Ohio Revised

Code 5103.20, Article II, Subparagraph (U), that is, it means the military installation where an active duty servicemember - or, concerning this exemption, an Ohio resident servicemember in the Ohio National Guard or military reserve forces - is currently assigned and is physically located under competent orders that do not specify the duty as temporary. Periods of training in which a servicemember, either individually or as part of a unit, departs from his/her permanent place of duty and then returns following the completion of the training, are not included in the definition of "stationed." However, periods of active duty outside Ohio for purposes other than training, or periods of training greater than 30 days outside Ohio, as described on page 24, qualify a servicemember for this exemption.

For an additional explanation, see pages 13 and 25.

Nonresident Military Servicemembers and Their Spouses

A November 2009 federal law exempts military spouses who are not residents of a state where they are living with their spouse from the income taxes of the state, provided they are a resident of the same state as their spouse. However, nonresident military and nonresident spouses serving in Ohio are strongly encouraged to file Ohio form IT 10 each year to avoid a possible billing notice from the state of Ohio. You must also file by June 1, 2015, Ohio form IT DA, Affidavit of Non-Ohio Residency/Domicile for Taxable Year 2014. Ohio form IT 10 and the affidavit are available on our Web site at tax.ohio.gov.

For an additional explanation, see page 24.

Ohio National Guard and Reserves

Ohio resident members of the Ohio National Guard and reserves are entitled to the deduction for military pay received while stationed outside the state, if eligible.

Also, resident members of the Ohio National Guard and reserves are eligible for

certain tax extensions and other benefits, if stationed in a combat zone. The uniformed services military retirement pay received for Ohio National Guard and reserves service is also exempt from Ohio income taxes.

For an additional explanation, see page 27.

Uniformed Services Retirement Income

Retirement pay received for service on military active duty or the Ohio National Guard or reserves, as well as pay received by a surviving spouse through the Survivor Benefit Plan, is exempt from the Ohio income tax.

For an additional explanation, see page 25.

Military Injury Relief Fund

You do not have to include in federal adjusted gross income any military injury relief fund amounts you received on account of physical injuries or psychological injuries, such as post-traumatic stress disorder, if those injuries are a direct result of military action in Operation Iraqi Freedom or Operation Enduring Freedom. But you must include in federal adjusted gross income any other military injury relief fund amounts you received. These amounts are deductible for Ohio adjusted gross income.

For an additional explanation, see page 26.

Ohio Resident Veterans Bonus

You do not have to include in federal adjusted gross income any bonuses that the Ohio Department of Veterans Services paid to, or made on behalf of, resident veterans of the Persian Gulf, Afghanistan and Iraq conflicts during the taxable year.

Payments that the state of Ohio makes under the Ohio Veterans Bonus Program are excludable from the recipient's federal adjusted gross income. Therefore, the tax-payer cannot deduct from Ohio adjusted gross income any portion of the bonus because no portion of the bonus is included in federal adjusted gross income.

Completing the Top Portion of Ohio Forms IT 1040EZ and IT 1040

How To Complete Your Income Tax Return

Ohio forms IT 1040EZ and IT 1040 have been designed for electronic scanning, which allows for faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should use the following guidelines:

- 1. Use black ink ONLY.
- 2. Use this form **ONLY** for the taxable year **2014.**
- 3. Round numbers to the nearest dollar. Do not print over the preprinted zeros in the boxes on the far right of the return, which designate cents (.00).
- 4. Print your numbers and letters (UPPER-CASE only) inside the boxes as shown below:

123 ANY STREET

If the boxes don't appear on your return, do **not** hand-draw the boxes.

Name(s), Address and Social Security Number(s). Enter your name and address on page 1 and your Social Security number on pages 1 and 2 (if applicable, pages 3 and/or 4 of your Ohio form IT 1040) of your return (if married filing jointly, also enter your spouse's name and Social Security number on page 1).

Ohio School District Number. Every Ohio public school district has an identification number. These numbers are listed on pages 45-50. Look up the number for the Ohio school district in which you were domiciled for the majority of the year and write it in the space provided. Nondomiciliaries should enter 9999.

If you were domiciled in a taxing school district during 2014, you are required to file Ohio form SD 100. If you are unsure of your Ohio school district, use The Finder on our Web site as described on page 44.

County

If your home address is an Ohio home address, indicate on page 1 of the return the county for that address.

Ohio Residency Status

If your filing status is married filing jointly, each spouse must indicate his/her residency.

- Resident. Mark this box if you were a resident of Ohio all year. If you were away temporarily, you were a full-year resident of Ohio. Mark this box if you qualify as "resident military personnel stationed outside Ohio" and you are taking the line 39a deduction.
- Part-year Resident. Mark this box if you permanently moved into or out of Ohio during 2014, not counting being away temporarily. Part-year residents should use the nonresident/part-year resident credit in Schedule D for income earned while they were a resident of another state (see page 32).
- Nonresident. Mark this box if you resided outside of Ohio all year. Write the two-letter abbreviation of the state where you resided for 2014 in the space provided. For more information, see our information release 2007-08 entitled "Personal Income Tax: Residency Guidelines," which is available on our Web site at tax.ohio.gov.

Nonresidents who earn and receive all income outside of Ohio will not have an Ohio tax liability. Nonresidents who earn or receive some income within Ohio will be able to claim the nonresident credit with respect to all items of income not earned and not received in Ohio.

Military Personnel. If you are currently a member of the military and you have questions about your residency status, see page 12 for a detailed explanation regarding some of the key issues facing military families during the income tax filing season.

Filing Status

Your filing status must be the same as your federal income tax filing status for 2014 with the following two exceptions:

- If you marked the box labeled "Qualifying widow(er) with dependent child" on your federal income tax return, then mark the "Single, head of household or qualifying widow(er)" box on your Ohio income tax return.
- Under Article XV §11 of the Ohio Constitution, Ohio does not recognize marriage between persons of the same gender. Individuals who entered into

such a marriage in another jurisdiction shall not use the filing status of "married filing jointly" or "married filing separately" when filing form Ohio IT 1040. These individuals must file an Ohio return reflecting the filing status of single or head of household.

For more information, go to **tax.ohio.gov** for Schedule IT S with instructions and the Individual Income Tax Release IT 2013-01 entitled "Filing Guidelines for Taxpayers Filing a Joint Federal Income Tax Return with Someone of the Same Gender," issued Oct. 11, 2013.

If you and your spouse filed a joint federal income tax return, you <u>must</u> file a joint Ohio income tax return. Even if you are both Ohio nonresi-

dents, if you filed a joint federal income tax return, you must file a joint Ohio income tax return, but you may claim the nonresident credit (Schedule D) for income neither earned nor received in Ohio. If you and your spouse filed separate federal income tax returns, you must file separate Ohio income tax returns.

Ohio Political Party Fund

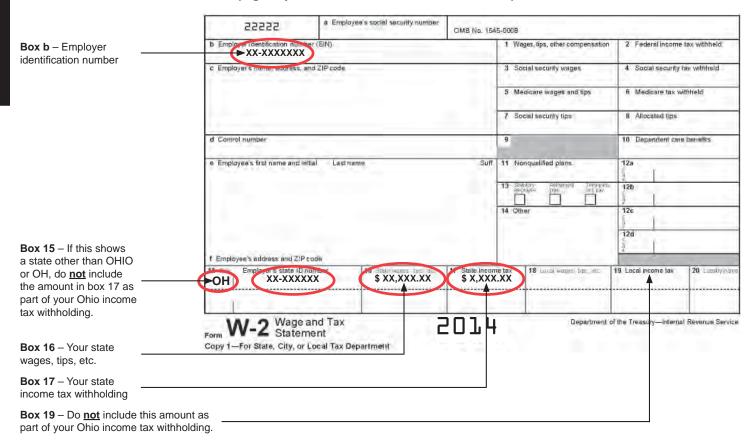

The Ohio General Assembly established this fund to support public financing of Ohio political parties. Monies from this fund can only be used for administrative costs associated with party headquarters and party fund-raising drives, organization of voter registration and get-out-the-vote campaigns not related to any particular candidate or election.

If your filing status is single, head of household, qualifying widow(er) or married filing separately and your tax (line 17 of Ohio form IT 1040EZ or line 20 of IT 1040) is \$1 or more, you can choose to have \$1 go to this fund by checking the "Yes" box on the return. If your filing status is married filing jointly and your tax (line 17 of Ohio form IT 1040EZ or line 20 of IT 1040) is \$2 or more, each of you can choose to have \$1 go to this fund by checking the "Yes" boxes on the return. Checking "Yes" will neither increase the tax due nor reduce the refund shown on your return.

Line Instructions for Ohio Form IT 1040EZ

You cannot use Ohio form IT 1040EZ if (i) you made estimated income tax payments, (ii) you claim a credit carryover from last year, (iii) you were a nonresident or part-year resident during the year, (iv) your federal adjusted gross income exceeds \$999,999,999, (v) you have any income adjustments other than the adjustments for state and local income tax refunds (see pages 23-30), (vi) you claim any credits discussed on pages 30-33 or (vii) you are required to file Ohio Schedule IT S (see page 9).

EZ Line 1 – Federal Adjusted Gross Income

Enter the amount from your 2014 federal income tax return:

Federal form 1040, line 37; **OR** Federal form 1040A, line 21; **OR** Federal form 1040EZ, line 4

In all cases, line 1 of your Ohio income tax return <u>must</u> match your federal adjusted gross income as defined in the Internal Revenue Code. Federal

adjusted gross income includes, but is not limited to, wages, salaries, commissions, gambling income, interest, dividends, business income, capital gains/losses, pensions, rents and miscellaneous income. Failure to report all items of income may result in the application of a penalty.

Zero or Negative Federal Adjusted Gross Income. If you have a zero or negative federal adjusted gross income, you must include a copy of page 1 of federal form 1040, 1040A, 1040EZ or 1042-S or equivalent with your Ohio form IT 1040EZ return.

EZ Line 2 – State or Local Tax Refunds Only

If you have deductions other than state and local income tax refunds, you must file Ohio form IT 1040. To see if you qualify for this deduction, complete the worksheet below.

EZ Line 4 – Personal and Dependent Exemptions

You may claim a personal exemption amount for yourself and, if filing a joint return, your spouse can claim an additional exemption amount.

HB 483 implemented a change to the exemption amount claimed beginning with the 2014 tax return. The personal and dependent exemption is now a graduated amount based on your Ohio adjusted gross income. See chart below:

Ohio Adjusted Gross Income	Personal/ Dependent Exemption
\$40,000 or less	\$2,200
More than \$40,000, but not more than \$80,000	\$1,950
More than \$80,000	\$1,700

Dependent Exemptions. Ohio allows a dependent exemption for dependent children and persons other than yourself and your spouse to whom you provide support and claim on your federal tax return. Note: New to the 2014 tax return filing, you must complete Schedule J to take advantage of the dependent exemption. The form can be found at tax.ohio.gov.

Schedule J. For each dependent claimed, you must complete and enclose Ohio's Schedule J, Dependents Claimed on the Ohio IT 1040EZ or IT 1040 Return, listing every dependent for whom you are claiming this exemption. Enter the first, middle and last name, Social Security number (SSN) and birthdate of each dependent claimed for this exemption. If your dependent has an individual tax identification number (ITIN) or adopted taxpayer identification number (ATIN), enter that number in the boxes for the dependent's Social Secu-

rity number. Please verify the information submitted on Schedule J.

If the dependent information is not provided, incomplete or contains errors, you may be asked for supporting documentation such as a birth certificate or green card before the exemption amount will be allowed.

What Personal and Dependent Exemption Can I Claim?

You must claim the same number of personal and dependent exemptions on your Ohio return that you claimed on your federal income tax return. **Note:** Children being claimed as dependents on their parents' Ohio income tax return may no longer claim the personal exemption on their own return.

Enter the number of your personal and dependent exemptions in the space provided on page 1 of the Ohio IT 1040EZ. Locate your Ohio adjusted gross income on the adjacent chart and multiply the number of dependents by the exemption amount on the table. Enter this number on line 4 of your income tax return.

Example: John and Mary file a joint tax return and claim their 17-year-old son Patrick as an exemption on their federal income tax return. John and Mary's Ohio adjusted gross income is \$75,000. Based on these facts, they claim three exemptions of \$1,950 each on their return, for a total of \$5,850 on line 4. Patrick works at the local grocery after school and will also file his own return. Since Patrick's parents are taking the exemption for him, he will not be eligible for the exemption amount and will report \$0 on line 4.

EZ Line 5 – Ohio Taxable Income

Subtract line 4 from line 3. If the amount on line 3 is less than line 4, enter -0- on line 5. You do not owe any Ohio income tax. If you had Ohio income tax withheld, you <u>must</u> complete the rest of the return to get a refund.

Note: If the amount on this line is \$10,000 or less, you owe no tax. Be sure to enter the \$88 credit on line 7.

EZ Line 6 - Tax on Line 5

Using the income tax tables on pages 37-43, calculate your tax on your Ohio taxable income (line 5).

Worksheet for Line 2 – Deductions for State and Local Income Tax Refunds

If you filed <u>federal form 1040</u>, you may be entitled to a deduction on your Ohio tax return this year for state or local income tax refunds you received in 2014. You are <u>not</u> entitled to a deduction this year if you filed <u>federal form 1040A or 1040EZ</u>. Complete this worksheet to determine if you are entitled to a deduction on line 2 of Ohio form IT 1040EZ.

- a. Did you file a 2014 federal form 1040A or 1040EZ?
 - Yes. STOP and enter -0- on line 2 of Ohio form IT 1040EZ.
 - No. Complete line b below.
- b. Enter here and on line 2 of Ohio form IT 1040EZ the amount from line 10 of your **2014 federal form 1040.** .00

- If your taxable income is less than \$100,000, your tax has been calculated for you as shown on Income Tax Table 1, or you can use Income Tax Table 2.
- If your taxable income is \$100,000 or more, you <u>must</u> use Income Tax Table 2.

Note: Income Tax Table 1 shows the tax amount for \$50 increments of income and is calculated on the midpoint income for all of the income in that \$50 range. The tax amount listed on Income Tax Table 1 may be slightly lower or higher than the tax amount computed by using Income Tax Table 2.

EZ Line 9 – Exemption Credit

For taxable years beginning on or after Jan. 1, 2014, the \$20 personal and dependent exemption credit is only available to taxpayers with Ohio taxable income of less than \$30,000. Ohio taxable income is defined as Ohio adjusted gross income less exemptions. If Ohio taxable income is less than \$30,000, multiply your total number of personal and dependent exemptions by \$20 and enter on line 9.

EZ Line 11 - Joint Filing Credit

To qualify for this credit, you and your spouse must each have qualifying Ohio adjusted gross income of at least \$500 after you have

figured your line 2 adjustments.

If you are a married couple filing a joint Ohio income tax return, you may qualify for a joint filing credit. You can take this credit only if each spouse has qualifying Ohio adjusted gross income of \$500 or more. **Qualifying Ohio adjusted gross income** does not include income from Social Security benefits, most railroad retirement benefits, uniformed services retirement income, interest, dividend and capital gain distributions, royalties, rents, capital gains, and state or local income tax refunds. This credit is limited to a maximum of \$650 (see the following examples).

Example 1: Bob and Sue file a joint return. Sue earned \$200,000 from her current employment. Bob's only source of income is \$500 from his state and municipal income tax refunds included in federal adjusted gross income. This \$500 is deducted on line 2 and is not included in Bob and Sue's Ohio adjusted gross income. Therefore, they do not qualify for Ohio's joint filing credit. However, if Bob had another source of qualifying income of \$500 or more not deducted on line 2, he and Sue would qualify for the credit.

If you do <u>not</u> qualify for the joint filing credit, enter -0- on line 11. If you <u>do</u> qualify for the joint filing credit, calculate it this way:

If your Ohio taxable income (line 5) is:

Your credit is:

\$25,000 or less..... **20% of line 10a**

More than \$25,000, but not more than

\$50,000 **15% of line 10a**

More than \$50,000, but not more than

\$75,000 **10% of line 10a**

More than \$75,000....... 5% of line 10a

This credit is limited to a maximum of \$650.

Example 2: If your Ohio taxable income (line 5) is \$20,000 and the amount on line 10a is \$303, then the joint filing credit will be \$61:

\$303 – from line 10a x .20 – from table above

Joint filing credit = \$61 (rounded)

If you qualify for this credit, but you and your spouse do not each have a W-2 form showing \$500 or more of income, then you **must** include with the return a separate statement explaining the income that qualifies for this credit. You **must** show that each spouse has \$500 or more of qualifying income included in Ohio adjusted gross income (line 3) in order to take the joint filing credit.

EZ Line 13 - Earned Income Credit

For taxable years beginning on or after Jan. 1, 2014, a nonbusiness, nonrefundable earned income credit is available for taxpayers who were eligible for the federal earned income tax credit (EITC) on their federal tax returns. The Ohio earned income credit is equal to 10% of the taxpayer's federal EITC.

However, if the taxpayer's Ohio taxable income (Ohio adjusted gross income less exemptions) exceeds \$20,000 on either an individual or joint tax return, then the credit is limited to 50% of the tax otherwise due after deducting all other credits that precede the credit except for the joint filing credit. See the worksheet on page 20.

EZ Line 15 – Interest Penalty

If line 14 minus the withholding shown on line 18 is \$500 or less, enter -0- on line 15. If line 14 minus the withholding shown on line 18 is greater than \$500, you may owe an interest penalty. You must complete Ohio

form IT/SD 2210 to determine if a penalty is due. This form is available on our Web site at tax.ohio.gov.

EZ Line 16 - Unpaid Use (Sales) Tax

Use line 16 of Ohio form IT 1040EZ to report the amount of unpaid use (sales) tax, if any, that you may owe from out-of-state purchase(s) that you made in 2014 (for example, mail order or Internet purchases). Complete the worksheet on page 35. A detailed explanation of the Ohio use tax is on page 34.

If you did not make any out-of-state purchases during 2014, enter -0- on line 16. If you did make any out-of-state purchase during 2014 and if you paid **no** sales tax on that purchase, then you are required to complete the use tax worksheet on page 35 to determine the amount of Ohio use tax you owe (which is the sales tax on that purchase).

EZ Line 18 - Ohio Income Tax Withheld

Enter the total amount of Ohio income tax withheld. This is normally shown on your tax statement form (W-2, box 17; W-2G, box 15; or 1099-R, box 12). See the sample W-2 and W-2G on page 14 and the sample 1099-R on page 15.

- Place <u>legible state copies</u> of your W-2(s), W-2G(s) or 1099-R(s) after the last page of Ohio form IT 1040EZ. Do not staple or otherwise attach.
- You cannot claim on the Ohio return any taxes withheld for another state, a city or a school district.
- If you are a direct or indirect investor in a pass-through entity, you <u>cannot</u> claim on this line taxes withheld on your behalf by a pass-through entity. For proper reporting of taxes withheld on your behalf by a pass-through entity, use Ohio form IT 1040 and see line 72b on page 33.

EZ Line 20 - Donations

A donation will reduce the amount of the refund that you are due. If you decide to donate,

this decision is final. If you do not want to donate, leave lines 20a-e blank. If you do not have an overpayment on line 19 but you want to donate, you may do so by writing a check and mailing it directly to the fund. See page 36 for more information.

EZ Line 23 – Interest and Penalty Due

Except for certain military servicemembers (see "Income Taxes and the Military" on page 12), interest is due from April 16, 2015 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest <u>unless</u> the refund, if any, shown on line 19 is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2015 is 3%.

Penalty may be due on late-filed returns and/or late-paid tax. For more information, see "Do I Owe Penalties and Interest?" on page 11.

EZ Line 24 – Amount Due Plus Interest and Penalty

Add lines 22 and 23 to calculate the amount you owe.

- Do not mail cash.
- Make payment by electronic check or credit card (see page 7); OR
- Make your paper check or money order payable to Ohio Treasurer of State. Write the last four numbers of your Social Security number on your paper check or money order and include Ohio form IT 40P (see our Web site at tax.ohio.gov) and your payment with Ohio form IT 1040EZ.

If you cannot pay the amount you owe, you still must file the return by April 15, 2015 to avoid the late filing penalty (for an exception, see "Income Taxes and the Military" on page 12). For additional information regarding payments, see page 7.

EZ Line 25 - Your Refund

This is your refund after any reduction on line 23. If line 23 is more than the overpayment shown on line 21, you will have an amount due. Enter this amount on line 24 and follow the instructions.

If you move after filing your tax return and are expecting a refund, notify the post office servicing your old address by filling out a change-of-ad-

dress form. This does not guarantee that your refund will be forwarded because post offices are not required to forward government checks. You should also notify our department of your address change.

Line Instructions for Ohio Form IT 1040

Line 1 – Federal Adjusted Gross Income

Enter the amount from your 2014 federal income tax return:

Federal form 1040, line 37; **OR**Federal form 1040A, line 21; **OR**Federal form 1040EZ, line 4; **OR**Federal form 1040NR, line 36; **OR**Federal form 1040NR-EZ, line 10; **OR**Ohio form IT S, line 31c or 31d

In all cases, line 1 of your Ohio income tax return <u>must</u> match your federal adjusted gross income as defined in the Internal Revenue Code. Federal

adjusted gross income includes, but is not limited to, wages, salaries, commissions, gambling income, interest, dividends, business income, capital gains/losses, pensions, rents and miscellaneous income. Failure to report all items of income may result in the application of a penalty.

Zero or Negative Federal Adjusted Gross Income. If you have a zero or negative federal adjusted gross income, you must include a copy of page 1 of federal form 1040, 1040A, 1040EZ, 1040NR, 1040NR-EZ or 1042-S or equivalent with your Ohio form IT 1040 return.

Nonresident Taxpayers. If you and/or your spouse are not residents of Ohio and your filing status for federal income tax purposes is married filing jointly, then you must show the same adjusted gross income as on your federal income tax return. You must show this amount even if you or your spouse did not earn or receive any income in Ohio. See Ohio Administrative Code (Ohio Rule) 5703-7-18, which is on our Web site at tax.ohio.gov.

Line 2 – Ohio Adjustments

Schedule A (lines 33-50) on page 3 of Ohio form IT 1040 lists the additions and deductions to your federal adjusted gross income. See pages 23-30 to read about the adjustments you must make.

- If you have no additions or deductions to your Ohio income, leave line 2 blank.
- Any additions or deductions listed on line 2 must be supported by the applicable Schedule A line item(s) on page 3 of this return. Copy the net adjustments from line 50 to line 2 of this return (enclose page 3 of Ohio form IT 1040).

Important: If you show any amount on this line other than -0-, you must include page 3 when you mail your return.

Line 4 – Personal and Dependent Exemptions

You may claim a personal exemption amount for yourself and, if filing a joint return, your spouse can claim an additional exemption amount.

HB 483 implemented a change to the exemption amount claimed beginning with the 2014 tax return. The personal and dependent exemption is now a graduated amount based on your Ohio adjusted gross income. See chart below:

Ohio Adjusted Gross Income	Personal/ Dependent Exemption
\$40,000 or less	\$2,200
More than \$40,000, but not more than \$80,000	\$1,950
More than \$80,000	\$1,700

Dependent Exemptions. Ohio allows a dependent exemption for dependent children and persons other than yourself and your spouse to whom you provide support and claim on your federal tax return. **Note:** New to the 2014 tax return filing, you must complete Schedule J to take advantage of the dependent exemption. The form can be found at tax.ohio.gov/forms.

Please multiply the appropriate exemption amount from the chart above by the number of dependents you are claiming on the return.

Schedule J. For each dependent claimed, you must complete and enclose Ohio's Schedule J, Dependents Claimed on the Ohio IT 1040EZ or IT 1040 Return, listing every child for whom you are claiming this exemption. Enter the first, middle and last name, Social Security number (SSN) and birthdate of each child claimed for this exemption. If your dependent has an individual tax identification number (ITIN) or adopted taxpayer identification number (ATIN), enter that number in the boxes for the dependent's Social Security number. Please verify the information submitted on Schedule J.

If the dependent information is not provided, incomplete or contains errors, you may be asked for supporting documentation such as a birth certificate or green card before the exemption amount will be allowed.

What Personal and Dependent Exemption Can I Claim?

You must claim the same number of personal and dependent exemptions on your Ohio return that you claimed on your federal income tax return. **Note:** Children being claimed as dependents on their parents' Ohio income tax return may no longer claim the personal exemption on their own return.

Enter the number of your personal and dependent exemptions in the space provided on page 1 of the Ohio IT 1040. Locate your Ohio adjusted gross income on the adjacent chart and multiply the number of dependents by the exemption amount on the table. Enter this number on line 4 of your income tax return.

Example: John and Mary file a joint tax return and claim their 17-year-old son Patrick as an exemption on their federal income tax return. John and Mary's Ohio adjusted gross income is \$75,000. Based on these facts, they claim three exemptions of \$1,950 each on their return, for a total of \$5,850 on line 4. Patrick works at the local grocery after school and will also file his own return. Since Patrick's parents are taking the exemption for him, he will not be eligible for the exemption amount and will report \$0 on line 4.

Line 5 - Ohio Taxable Income

Subtract line 4 from line 3:

 Your exemption amount on line 4 may be more than your Ohio adjusted gross income on line 3. If so, enter -0- on lines 5 through 18. If you had Ohio income tax withheld or made an estimated or extension payment, you must complete and file this return to receive any overpayment.

Note: If the amount on this line is \$10,000 or less, you owe no tax. Be sure to enter the \$88 credit on line 56 and complete Schedule B. Enter on line 7 the amount you show on line 59 and enclose page 4 of Ohio form IT 1040.

Line 6 – Tax on Line 5

Using the income tax tables on pages 37-43, calculate your tax on your Ohio taxable income (line 5).

- If your taxable income is less than \$100,000, your tax has been calculated for you as shown on Income Tax Table 1, or you can use Income Tax Table 2.
- If your taxable income is \$100,000 or more, you <u>must</u> use Income Tax Table 2.

Note: Income Tax Table 1 shows the tax amount for \$50 increments of income and is calculated on the midpoint income for all of the income in that \$50 range. The tax amount listed on Income Tax Table 1 may be slightly lower or higher than the tax amount computed by using Income Tax Table 2.

Line 7 – Nonbusiness Credits from Schedule B

Schedule B on page 4 of the Ohio form IT 1040 return has a list of the nonbusiness credits that you may be allowed to take. See pages 30-32 to read about the credits for which you may be eligible.

If you can claim any of these credits, you will need to complete Schedule B. Enter on line 7 the total credits from line 59 (enclose page 4 of Ohio form IT 1040).

Important: If you show any amount on this line other than -0-, you must include page 4 when you mail your return.

Line 9 - Exemption Credit

For taxable years beginning on or after Jan. 1, 2014, the \$20 personal and dependent exemption credit is only available to taxpayers with Ohio taxable income of less than \$30,000. Ohio taxable income is defined as Ohio adjusted gross income less exemptions. If Ohio taxable income is less than \$30,000, multiply your total number of

personal and dependent exemptions by \$20 and enter on line 9.

Line 11 – Joint Filing Credit

To qualify for this credit, you and your spouse must <u>each</u> have qualifying Ohio adjusted gross income of at least \$500 after you have figured your

Schedule A adjustments.

If you are a married couple filing a joint Ohio income tax return, you may qualify for a joint filing credit. You can take this credit only if each spouse has qualifying Ohio adjusted gross income of \$500 or more. **Qualifying Ohio adjusted gross income** does not include income from Social Security benefits, most railroad retirement benefits, uniformed services retirement income, interest, dividend and capital gain distributions, royalties, rents, capital gains, and state or local income tax refunds. This credit is limited to a maximum of \$650 (see the following examples).

Example 1: Bob and Sue file a joint return. Sue earned \$200,000 from her current employment. Bob's only source of income is \$500 from his state and municipal income tax refunds included in federal adjusted gross income. This \$500 is deducted on line 40a and is not included in Bob and Sue's Ohio adjusted gross income. Therefore, they do not qualify for Ohio's joint filing credit. However, if

Bob had another source of qualifying income of \$500 or more not deducted on Schedule A, he and Sue would qualify for the credit.

If you **do** <u>not</u> qualify for the joint filing credit, enter -0- on line 11. If you <u>do</u> qualify for the joint filing credit, calculate it this way:

If your Ohio taxable income (line 5) is:	Your credit is:
\$25,000 or less	20% of line 10a
More than \$25,000, but not more than \$50,000	15% of line 10a
More than \$50,000, but not more than \$75,000	10% of line 10a
More than \$75,000	5% of line 10a
This credit is limited of \$650.	d to a maximum

Example 2: If your Ohio taxable income (line 5) is \$20,000 and the amount on line 10a is \$303, then the joint filing credit will be \$61:

\$303 – from line 10a x .20 – from table above

Joint filing credit = \$61 (rounded)

If you qualify for this credit, but you and your spouse do not each have a W-2 form show-

Ohio Earned Income Credit Worksheet

If you do not qualify for the federal earned income tax credit (EITC), you do not qualify for the Ohio earned income credit (EIC).

If you have claimed the low income credit on line 7 on IT 1040EZ or line 56 on Ohio form IT 1040, your tax liability is already \$0, therefore you do not benefit from this nonrefundable EIC. **Stop here.**

12. Enter the lesser of line 3 or line 11 of this worksheet here and on line 13 of IT 1040EZ or line 14 of IT 1040.......12.

ing \$500 or more of income, then you <u>must</u> include with the return a separate statement explaining the income that qualifies for this credit. You <u>must</u> show that each spouse has \$500 or more of qualifying income included in Ohio adjusted gross income (line 3) in order to take the joint filing credit.

Line 14 - Earned Income Credit

For taxable years beginning on or after Jan. 1, 2014, a nonbusiness, nonrefundable earned income credit is available for taxpayers who were eligible for the federal earned income tax credit (EITC) on their federal tax returns. The Ohio earned income credit is equal to 10% of the taxpayer's federal EITC.

However, if the taxpayer's Ohio taxable income (Ohio adjusted gross income less exemptions) exceeds \$20,000 on either an individual or joint tax return, then the credit is limited to 50% of the tax otherwise due after deducting all other credits that precede the credit except for the joint filing credit. See the worksheet on page 20.

Line 15 - Ohio Adoption Credit

You can claim a credit against your tax if you adopted a minor child (under 18 years of age) during the taxable year. The amount of the credit for each minor child legally adopted by the taxpayer shall equal the greater of the following:

- 1. \$1,500 (one-thousand five-hundred dollars):
- The amount of expenses incurred by the taxpayer and the taxpayer's spouse to legally adopt the child, not to exceed \$10,000 (ten-thousand dollars). For the purposes of this division, expenses incurred to legally adopt a child include expenses described in Ohio Revised Code section 3107.055, division (C).

This is a one-time credit per child. Any unused amounts can be carried forward for up to five years. The adoption must be final and recognizable under Ohio law in the year for which you first claim the credit. "Legally adopt" does not include the adoption of a minor child by the child's stepparent.

Line 16 – Manufacturing Equipment Grant

For taxable years ending on or after July 1, 2005, the Ohio Revised Code section 5747.31 manufacturer's credit converts to a grant administered by the Ohio Development Services Agency (DSA). For taxable years ending before July 1, 2005, the credit continues to apply.

The manufacturer's grant applies to each sole proprietor who purchased new manufacturing machinery and equipment during the qualifying purchase period of July 1, 1995 to June 30, 2005. The manufacturer's grant also applies to each taxpayer having an interest in pass-through entities that purchased new manufacturing machinery and equipment during the same period. In all cases, the taxpayer or the pass-through entity must have installed the new manufacturing machinery and equipment in Ohio no later than June 30, 2006.

The grant is claimed as a direct reduction to the taxpayer's 2014 Ohio income tax liability and is nonrefundable. The concepts, definitions and computations that apply to the credit also apply to the grant.

If the taxpayer's taxable year ended on or after July 1, 2005, the grant applies not only to the qualifying new manufacturing machinery and equipment purchased during the period of Jan. 1, 2005 to June 30, 2005, but also to qualifying equipment purchased in 2004 and earlier purchase years. Thus, for each taxpayer whose taxable year ended on or after July 1, 2005, the grant applies to (i) the 1/7 amounts from 2005 qualifying purchases, (ii) the 1/7 amounts from pre-2005 qualifying purchases for which the taxpayer claimed the manufacturer's credit on prior years' income tax returns and (iii) unused credit carryforwards (limited to a three-year carryforward period).

If a C corporation elected S corporation status and at the time of the election the C corporation would have been able to claim the manufacturing credit or grant, then those individuals who owned the stock in the corporation at the time of the election can claim the grant for "unused" manufacturing credits. For purposes of claiming the grant, unused manufacturing credits include both the (i) unused 1/7 amounts that would have been available to the C corporation in each of the next six franchise tax years had the C corporation not made the "S" election and (ii) unused carryforward amounts that would have been available to the C corporation in each of the next three franchise tax years had the C corporation not made the "S" election.

Note: The grant applies only if both of the following conditions are met:

- The taxpayer files a grant request form with the taxpayer's 2014 individual Ohio income tax return. The grant request form is available on our Web site at tax.ohio.gov; AND
- 2. The purchaser of the qualifying new manufacturing machinery and equip-

ment filed a <u>notice of intent</u> with the DSA by the date of the taxpayer's timely filed Ohio tax return, including extensions, for the taxpayer's taxable year that included Sept. 30, 2005. However, a timely filed notice of the intent to claim the credit constitutes a timely filed notice of the intent to claim the grant.

Line 18 - Interest Penalty

If line 17 minus line 21 and your 2013 overpayment credited to 2014 is \$500 or less, enter -0- on line 18. If line 17 minus line 21 and your 2013 overpayment credited to 2014 is greater than \$500, you may owe an interest penalty. You must complete Ohio form IT/SD 2210 to determine if a penalty is due. This form is available on our Web site at tax.ohio.gov.

Line 19 - Unpaid Use (Sales) Tax

Use line 19 of Ohio form IT 1040 to report the amount of unpaid use (sales) tax, if any, that you may owe from out-of-state purchases that you made in 2014 (for example, mail order or Internet purchases). Complete the worksheet on page 35. A detailed explanation of the Ohio use tax is on page 34.

If you did not make any out-of-state purchases during 2014, enter -0- on line 19. If you did make any out-of-state purchase during 2014 and if you paid **no** sales tax on that purchase, then you are required to complete the use tax worksheet on page 35 to determine the amount of Ohio use tax you owe (which is the sales tax on that purchase).

Line 21 - Ohio Income Tax Withheld

Enter the total amount of Ohio income tax withheld. This is normally shown on your tax statement form (W-2, box 17; W-2G, box 15; or 1099-R, box 12). See the sample W-2 and W-2G on page 14 and the sample 1099-R on page 15.

- Place <u>legible state copies</u> of your W-2(s), W-2G(s) or 1099-R(s) after the last page of Ohio form IT 1040. Do not staple or otherwise attach.
- You cannot claim on the Ohio return any taxes withheld for another state, a city or a school district.
- If you are a direct or indirect investor in a pass-through entity, you <u>cannot</u> claim on this line taxes withheld on your behalf by a pass-through entity. For proper reporting of taxes withheld on your behalf by a pass-through entity, see line 72b on page 33.

Line 22 – 2013 Overpayment Credited to 2014, 2014 Estimated Tax Payments and Any Other 2014 Tax Payments

Enter the total estimated income tax payments submitted with your 2014 Ohio form IT 1040ES, extension payment(s) made with Ohio form IT 40P, plus any overpayment you credited to 2014 from your 2013 Ohio form IT 1040, line 26.

- You <u>cannot</u> claim as an estimated payment a prior year's refund that you requested but did not receive. Instead, contact us about any refund you requested but did not receive.
- If you are a direct or indirect investor in a pass-through entity, you <u>cannot</u> claim on this line estimated taxes paid by a pass-through entity. For proper reporting of the amount of tax paid on your behalf by a pass-through entity, see line 72b on page 33.

Line 27 – Donations

A donation will reduce the amount of the refund that you are due. If you decide to donate,

this decision is final. If you do not want to donate, leave lines 27a-e blank. If you do not have an overpayment on line 25 but you want to donate, you may do so by writing a check and mailing it directly to the fund. See page 36 for more information.

Line 30 - Interest and Penalty Due

Except for certain military servicemembers (see "Income Taxes and the Military" on page 12), interest is due from April 16, 2015 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest **unless** the refund, if any, shown on line 25 is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2015 is 3%.

Penalty may be due on late-filed returns and/ or late-paid tax. For more information, see "Do I Owe Penalties and Interest?" on page 11.

Line 31 – Amount Due Plus Interest and Penalty

Add lines 29 and 30 to calculate the amount you owe.

- Do not mail cash.
- Make payment by electronic check or credit card (see page 7); OR

 Make your paper check or money order payable to Ohio Treasurer of State. Write the last four numbers of your Social Security number on your paper check or money order and include Ohio form IT 40P (see our Web site at tax.ohio.gov) and your payment with Ohio form IT 1040.

If you cannot pay the amount you owe, you still must file the return by April 15, 2015 to avoid the late filing penalty (for an exception, see "Income Taxes and the Military" on page 12). For additional information regarding payments, see page 7.

Line 32 - Your Refund

This is your refund after any reduction on line 30. If line 30 is more than the overpayment shown on line 28, you will have an amount due. Enter this amount on line 31 and follow the instructions.

If you move after filing your tax return and are expecting a refund, notify the post office servicing your old address by filling out a change-of-ad-

dress form. This does not guarantee that your refund will be forwarded because post offices are not required to forward government checks. You should also notify our department of your address change.

In addition, each taxpayer having an interest in a qualifying pass-through entity must also enter on this line the taxpayer's proportionate share of expenses and losses that the pass-through entity incurred with respect to the pass-through entity's direct or indirect transactions with the pass-through entity's 40% or more related members. This provision does not apply to the pass-through entity's sales of inventory to such related members to the extent that those losses are calculated in accordance with Internal Revenue Code 482. See Ohio Revised Code section 5733.40(A).

Follow the instructions for items 1 through 3 below for such distributions.

- You do not have to show on this line the amount of distributions relating to the cost of tuition credits or units that you purchased before Jan. 1, 2000.
- 2. If you are the CollegeAdvantage account owner or beneficiary and a portion of the distribution reported to you on your CollegeAdvantage year 2014 form 1099-Q relates to original contributions or purchases by the account owner (or beneficiary) that are not excluded under item 1 above, then the nonearnings portion (usually the original contribution or purchase price unless the account has declined in value below these amounts) related to such portion of the distribution must be included in Ohio adjusted gross income to the extent that either the account owner or the beneficiary has taken an Ohio contribution deduction for such contributions or purchases in this or a prior taxable year. Add this adjustment to the total reported for line 35b.
- 3. Include on line 35b the earnings portion of the distribution reported to you on federal form 1099-Q to the extent that you have not otherwise included these earnings in Ohio adjusted gross income (line 3 on Ohio form IT 1040) for either the current taxable year or for any previous taxable year or years.

Contribution Carryovers: CollegeAdvantage account owners or beneficiaries should also reduce any contribution de-

Also add 5/6 of the excess of the Internal Revenue Code section 179 depreciation expense allowed under the Internal Revenue Code in effect on Dec. 15, 2010 over the amount of section 179 depreciation expense that would have been allowed based upon Internal Revenue Code section 179 in effect on Dec. 31, 2002. Replace "5/6" with "2/3" for employers who increased their

Ohio income taxes withheld by an amount equal to or greater than 10% over the previous year. Replace "5/6" with "6/6" for taxpavers who incur a net operating loss for federal income tax purposes if the loss was a result of the 168(k) and/or 179 depreciation expenses. No add-back is required for employers who increased their Ohio income taxes withheld over the previous year by an amount greater than or equal to the sum of the 168(k) or 179 depreciation expenses. No add-back is required for 168(k) and/or 179 depreciation amounts related to a passthrough entity in which the taxpaver has less than 5% ownership. See Ohio Revised Code section 5747.01(A)(20) as amended by the 129th General assembly in HB 365 and our information release IT 2002-02 entitled "Ohio Bonus Depreciation Adjustments," which is available on our Web site at tax.ohio.gov.

Line 37a – Federal Interest and Dividends

Enter interest and dividend income (included in line 1) from obligations issued by the United States government or its possessions/territories that are exempt from Ohio tax by federal law. Examples include U.S. savings bonds (Series E, EE, H or I), Treasury notes, bills and bonds, and Sallie Maes.

Examples of interest income that are **not** deductible:

- Interest paid by the IRS on a federal income tax refund.
- Interest income from Fannie Maes or Ginnie Maes.

For a more complete listing, see our information release IT 1992-01 entitled

"Exempt Federal Interest Income," which is available on our Web site at tax.ohio.gov.

Line 37b – Depreciation Expense

Deduct 1/5, 1/2 or 1/6 of the Internal Revenue Code sections 168(k) and 179 depreciation adjustments that you added back on your previous Ohio income tax returns. The fraction used depends on the fraction used when the add-back took place. Deduct 1/5 of amounts that resulted from a 5/6 add-back. Deduct 1/2 of amounts that resulted from a 2/3 add-back. Deduct 1/6 of amounts that resulted from a 6/6 add-back. You can take this deduction even if you no longer directly or indirectly own the asset.

Note: These deductions cannot be taken to the extent that your sections 168(k) and 179 depreciation expenses increased a federal net operating loss carryback or carryforward. If a deduction is not available for this reason, you may carry forward the amount not deducted for Ohio purposes and deduct it during a future year. See Ohio Revised Code section 5747.01(A)(20) as amended by the 129th General assembly in HB 365 and our information release IT 2002-02 entitled "Ohio Bonus Depreciation Adjustments," which is available on our Web site at tax.ohio.gov.

Line 38 – Residents of Neighboring States and Nonresident Military Personnel and Their Spouses

Because of reciprocity agreements that Ohio has with the border states of Indiana, Kentucky, West Virginia, Michigan and Pennsylvania, you do not have to file an Ohio income tax return if the following two conditions apply:

- You were a full-year resident of one of these states: AND
- Your only source of income within Ohio was from wages, salaries, tips or other employee compensation.

If Ohio income tax was withheld on this income and you meet the two conditions set forth above, you can file an Ohio income tax return to get a full refund. Enter the amount from line 1 onto line 2 and onto line 38, Schedule A. Be sure to include page 3 of Ohio form IT 1040 when you send in your return.

Exceptions: Nonresidents and part-year residents must enter -0- on line 38 if either of the following circumstances applies:

- You were a part-year resident of Ohio or you had additional sources of income from Ohio or do not meet the two conditions set forth above. If so, you must file Ohio form IT 1040 and claim the nonresident/part-year resident credit on Schedule D; OR
- 2. The reciprocal agreements do not apply. These agreements do not apply to you if you own directly or indirectly at least 20% of a pass-through entity having nexus in Ohio. Ohio Revised Code section 5733.40(A)(7) reclassifies compensation from such pass-through entities to a distributive share of the income from the pass-through entity. You must claim the nonresident/ part-year resident credit on Schedule D. Also, see "How Should Full-Year Nonresidents and Part-Year Residents Engaged in Business in Ohio Apportion Income?" on page 11.

Nonresident Military Personnel and Their Spouses. The Servicemembers Civil Relief Act of 2003, as amended in 2009, is a federal law that provides that a state cannot consider a servicemember or his/her spouse to be a resident or a nonresident simply because he/she is present in the state - or absent from the state - due to military orders of the servicemember. Additionally, the 2009 amendment to the act provides that the wage and salary income of the nonresident spouse of a servicemember is exempt from the income tax of the state in which the servicemember and spouse are stationed and living, provided that the servicemember and spouse are residents of the same state. This provision does not apply to taxable years prior to 2009.

Military payroll authorities will generally withhold income tax for the state of legal residence shown on the servicemember's federal form DD 2058. A servicemember who had state income tax withheld in error should have the military payroll authorities

correct the state of legal residence shown on his/her federal form DD 2058. A service-member's nonresident spouse who had Ohio income tax withheld and who claims exemption under the 2009 amendment to the Servicemembers Civil Relief Act of 2003 should file an Ohio income tax return claiming a refund. Free electronic filing of Ohio income tax forms is available at tax.ohio.gov through our Income Tax Online Services.

Line 39a – Military Pay for Ohio Residents

Ohio Revised Code section 5747.01(A)(24) provides that for taxable years beginning on and after Jan. 1, 2007 an Ohio resident servicemember can deduct active duty military pay and allowances that are included in federal adjusted gross income if those amounts are received for active duty service while the servicemember is stationed outside Ohio. Do not deduct on this line any other types of income such as civilian wages, interest, dividends and capital gains.

Note: The Nov. 11, 2009, amendment to the *Servicemembers Civil Relief Act of 2003* described in line 38 does not apply to Ohio-domiciled spouses of servicemembers who reside with their spouses outside the state. These spouses are presumed to retain their Ohio domicile.

The term "stationed" refers to an Ohio resident servicemember's permanent duty station. For purposes of this exemption, "permanent duty station" has the same meaning as specified in Ohio Revised Code 5103.20, Article II, Subparagraph (U), that is, it means the military installation where an active duty servicemember - or, concerning this exemption, an Ohio resident servicemember in the Ohio National Guard or military reserve forces - is currently assigned and is physically located under competent orders that do not specify the duty as temporary. Periods of training in which a servicemember, either individually or as part of a unit, departs from his/her permanent place of duty and then returns following the completion of the training, are not included in the definition of "stationed." However, periods of active duty outside Ohio for purposes other than training, or periods of training greater than 30 days outside Ohio, as described below, qualify a servicemember for this exemption.

Military pay and allowances for Ohio resident servicemembers who are stationed inside Ohio, and their spouses, will continue to be subject to Ohio individual income tax. These amounts will also be subject to school district income tax if the servicemember was domiciled in a taxing school

district – even if the servicemember did not reside in the school district at any time during the taxable year.

Examples of military pay and allowances that <u>do</u> qualify for this deduction include the following amounts, but only if the tax-payer receives the amounts while he/she is stationed outside Ohio:

- Military pay and allowances received while a member of the active component of the U.S. armed forces and assigned to a permanent duty station outside Ohio.
- Military pay and allowances received while a member of the active component of the U.S. Armed Forces, who is assigned to a permanent duty station inside Ohio, only for periods of duty outside Ohio for purposes other than training, or periods of training greater than 30 days outside Ohio.
- Military pay and allowances received while a member of the Ohio National Guard or the reserve components of the U.S. Armed Forces in an active duty status outside Ohio, or for periods of training greater than 30 days outside Ohio.
- Military pay and allowances received while a member of a unit of the Ohio National Guard or the reserve components of the U.S. Armed Forces under federal mobilization orders under which the unit mobilizes for training at a non-Ohio location followed by an operational deployment to any non-Ohio location.
- · Military pay and allowances received by cadets at the U.S. service academies, specifically the Military Academy, the Air Force Academy, the Coast Guard Academy and by midshipmen at the Naval Academy. Cadets and midshipmen are serving on active duty under the provisions of 38 United States Code section 101(21) and are eligible for this deduction for the pay they receive while stationed at these facilities to the extent that this pay is included in federal adjusted gross income (line 1 of Ohio form IT 1040). However, this deduction is not available for pay received for service in the Reserve Officer Training Corps.

Examples of military pay and allowances that do <u>not</u> qualify for this deduction are explained in our information release IT 2008-02 entitled "Military Taxpayer Guide to Taxable Income and Deductions," which is available on our Web site at tax.ohio.gov.

Line 39b – Uniformed Services Retirement Income and Military Injury Relief Fund

Uniformed Services Retirement Income. Taxpayers who retired from the uniformed

services can deduct their military retirement income to the extent that income is not otherwise deducted or excluded in computing federal or Ohio adjusted gross income. "Uniformed services" includes the active or reserve components of the U.S. Army, Navy, Air Force, Marine Corps, Coast Guard and National Guard, and the commissioned corps of both the National Ocean and Atmospheric Administration and the Public Health Service.

Taxpayers who served in the military and receive a federal civil service retirement pension are also eligible for a limited deduction if any portion of their federal retirement pay is based on credit for their military service. These retirees can deduct only the amount of their federal retirement pay that is attributable to their military service.

If you are eligible for this limited deduction, refer to your federal civil service retirement benefit handbook to determine the number of years of your military service. Divide the number of years of military service by the total number of years of combined military service and civilian employment with the U.S. government. Take this fraction and multiply it by the amount of your federal civil service pension you have included on line 1 of this return. The resulting number is the amount of your federal civil service pension that you can deduct on line 39b.

Example: Included on line 1 of Ohio form IT 1040 is \$60,000, which the taxpayer received as a federal civil service pension. The taxpayer has 15 years of military service and 45 years of combined military service and civilian employment with the U.S. government. The fraction is 15/45 = 1/3. The taxpayer can deduct \$20,000 on line 39b: $1/3 \times 60.000$.

If you do not have your federal civil service retirement handbook, contact the U.S. Office of Personnel Management (OPM) at 1-888-767-6738 or TDD 1-800-878-5707. You can also e-mail OPM at retire@opm.gov or use its Web site at www.opm.gov/retire to request the booklet. It's important that you specify that you want a replacement booklet (there are other types). An OPM customer service representative will tell you how much military and total service time you have in your retirement calculation and can mail you a screen print or short form letter with the information.

The military retirement income also applies to such amounts received by the surviving spouse or the former spouse of each military retiree who is receiving payments under the Survivor Benefit Plan.

We may later ask you for a copy of the divorce agreement and federal form 1099-R as verification for the deduction. **Note:** Child support receipts, regardless of the source, are not included in federal adjusted gross income, so you cannot deduct these amounts.

Military Injury Relief Fund. Also enter on this line military injury relief fund amounts that you reported on line 1 (federal adjusted gross income). You do not have to include in federal adjusted gross income, and you cannot enter on line 39b, those military injury relief fund amounts you received on account of physical injuries or psychological injuries, such as post-traumatic stress disorder, if those injuries are a direct result of military action in Operation Iraqi Freedom or Operation Enduring Freedom. But you must include on lines 1 and 39b any other military injury relief fund amounts you received.

Line 40a – State or Municipal Income Tax Overpayments

Did you file a 2014 federal form 1040A or 1040EZ? If "Yes," you do not qualify for this deduction.

If you filed a federal form 1040, then you may be eligible for the state or local income tax refund deduction on line 40a.

Refer to line 10 of your 2014 federal form 1040 and enter this amount. If line 10 is blank, you are not entitled to this deduction.

Line 40b – Refund or Reimbursement for Itemized Deductions

Deduct refunds or reimbursements of expenses you originally deducted on a prior year federal income tax return if the following conditions are met:

- The refund or reimbursement was included in your federal adjusted gross income on your 2014 federal income tax return, form 1040, line 21; AND
- The expense for which you were refunded or reimbursed was deducted as an itemized deduction on Schedule A of a prior year federal income tax return.

Example: Sue claimed an itemized deduction of \$500 for medical expenses on her 2013 federal income tax return. In 2014 she received a medical expense reimbursement for \$200 from her insurance company, and she reported the \$200 on line 21 of her 2014 federal income tax return. Sue is entitled to deduct the \$200 reimbursement on line 40b of this return.

Line 40c – Repayment of Income Reported

Enter on this line any amount of income that you paid back in a subsequent year if that amount meets the following three requirements:

- For federal income tax purposes you claimed either (i) an itemized deduction on Schedule A of your 2014 federal income tax return for the amount repaid OR (ii) a tax credit on your 2014 federal income tax return based upon the amount repaid; AND
- You do not deduct this amount on any other line on your Ohio tax return for this year or any other year; AND
- In the year you received the income, the income did not qualify for either the resident or nonresident/part-year resident credits on Schedules C or D of your Ohio income tax return.

For information about miscellaneous federal tax adjustments, see our Web site at tax.ohio.gov.

Line 41 – Small Business Investor Income Deduction

For taxable years beginning on or after Jan. 1, 2014, an individual taxpayer filing the Ohio form IT 1040 is allowed a deduction amounting to 75% of the taxpayer's Ohio small business investor income up to \$250,000. The deduction cannot exceed \$93,750 for each spouse filing separately or \$187,500 for all other taxpayers.

"Ohio small business investor income" means the portion of a taxpayer's adjusted gross income that is business income re-

duced by deductions from business income and apportioned or allocated to Ohio under Ohio Revised Code 5747.21 and 5747.22 to the extent not otherwise deducted or excluded in computing federal or Ohio adjusted gross income for the taxable year. As such, business income as reported on the taxpayer's federal 1040 Schedules C, E and F will be used in calculating the deduction. The deduction will be available on Schedule A of the Ohio form IT 1040. In order to take this deduction, you must complete the IT SBD - Small Business Investor Income Deduction Schedule (available at tax.ohio.gov). Note: The deduction will not impact the calculation of a taxpayer's school district income tax liability. Instead, it will be added back to Ohio taxable income for school district income tax purposes.

Line 42 – Disability and Survivorship Benefits

You **may** deduct the following:

- Benefits from an employee's disability plan paid as the result of a permanent physical or mental disability. Note: The disability must be (or presumed to be) permanent. "Disability" means a permanent physical or mental impairment that makes you unable to work for pay in jobs for which you are qualified by training and experience.
- Survivorship benefits paid from a qualified survivorship plan as the result of the death of a covered employee.

You may not deduct the following:

Payments that otherwise qualify as retirement or pension benefits. Upon reaching your plan's minimum retirement age, the disability benefits received under that plan

become retirement or pension benefits and are no longer deductible as disability or survivorship. If you are uncertain of the minimum retirement age under your plan, contact your plan administrator for this information.

- Temporary wage-continuation plans.
- Payments for temporary illnesses or injuries (for example, sick pay provided by an employer or third party).
- Pension payments that another individual was receiving but he/she died and you are now receiving these payments (pension continuation benefits). These amounts are not deductible survivorship benefits.

See Ohio Administrative Code (Ohio Rule) 5703-7-08 on our Web site at tax.ohio.gov.

Line 43 – Social Security and Certain Railroad Retirement Benefits

Deduct the following benefits only to the extent that they are included in your federal adjusted gross income:

- Social Security benefits
- Tier I and Tier II railroad retirement benefits
- Supplemental railroad retirement benefits
- Dual railroad retirement benefits
- Railroad disability

Line 44a – Tuition Investments in Ohio CollegeAdvantage Savings Plan

Contribution Deduction. You may deduct purchases of tuition units and contributions to the Ohio Tuition Trust Authority's CollegeAdvantage 529 Savings Plan, up to \$2,000 per beneficiary per year if these amounts do not qualify as a deduction on page 1 of federal form 1040. Qualifying purchases exceeding the \$2,000 limitation may be deducted on future years' returns, subject to the annual \$2,000-per-beneficiary limitation. Married taxpayers may deduct up to a maximum of \$2,000 per beneficiary whether their filing status is married filing jointly or married filing separately. For information on contribution carryovers, see page 23, line 35b.

Adjustment for Earnings on Certain Distributions. The earnings portion of distributions from Internal Revenue Code section 529 programs can generally be excluded from federal adjusted gross income if the distribution is used solely to fund qualified higher-education expenses. If the earnings portion of a 2014 distribution from Ohio's CollegeAdvantage program is excluded from federal adjusted gross income (line 1 on Ohio form IT 1040), then no further adjustment is allowed on line 44a.

For federal income tax purposes, however, there are certain situations where, due to the coordination of benefits from an Internal Revenue Code 529 program with other federal tax benefits for higher-education expenses (such as the federal American Opportunity Tax Credit), the earnings on a distribution from the CollegeAdvantage program that are actually used to pay qualified higher-education expenses cannot be excluded from federal adjusted gross income. If any portion of the earnings reported to you on your 2014 federal form 1099-Q from the CollegeAdvantage program is used to pay qualified higher-education expenses, and if because of certain federal tax limitations such earnings are not excluded from your federal adjusted gross income, you can exclude such portion by adding it to the total included on line 44a.

Adjustment for Distributions at a Loss. If a distribution reported to you on 2014 federal form 1099-Q reflects a loss (the earnings in box 2 is negative), you can add this loss to your total on line 44a as a positive number if this loss is not deducted in computing federal adjusted gross income (line 1 of Ohio form IT 1040).

For more information, call 1-800-AFFORD-IT (1-800-233-6734) or visit the tuition trust Web site at www.collegeadvantage.com.

Line 44b – Portion of Certain College Grants Used To Pay Room and Board

Deduct the federally taxable portion of a federal Pell Grant and/or Ohio College Opportunity Grant used to pay room and board.

You qualify for this deduction if you, your spouse or your dependent was a student enrolled in a post-secondary educational institution, used a portion of a Pell Grant and/or an Ohio College Opportunity Grant to pay room and board expenses, and this portion was included in your federal adjusted gross income. The room and board, including meal plans, must have been furnished at the facilities of the educational institution for which the grant was awarded. See the worksheet on page 26.

Line 45 – Ohio National Guard Reimbursements and Benefits

Deduct on line 45 the following amounts, but only if (i) these amounts are in your federal adjusted gross income (line 1 of Ohio form IT 1040) and (ii) you have not already deducted these amounts elsewhere on Schedule A:

 Receipt of Ohio Adjutant Generalauthorized Ohio National Guard re-

- imbursement for group life insurance premiums paid; AND
- Receipt of Ohio Adjutant Generalauthorized payment of death benefits received as a beneficiary of an active duty member of the Ohio National Guard who died while performing active duty.

Line 46a – Unreimbursed Long-Term Care Insurance Premiums, Unsubsidized Health Care Insurance Premiums and Excess Health Care Expenses

There are several deductions for unreimbursed medical expenses included:

- Excess medical care expenses and subsidized medical care insurance premiums for dental, vision and health;
- Unsubsidized medical care insurance premiums for dental, vision and health;
- Unsubsidized long-term care insurance premiums; AND
- Accident and health insurance premiums paid for qualifying dependent relatives.

Line 1

Select on line 1 of the worksheet on page 28 your eligibility status to participate in any subsidized health plan/Medicare.

A subsidized health plan is a plan for which your current or former employer or your spouse's current or former employer pays for any part of the plan's costs and reimburses you or your spouse for any portion of the plan's cost. Most people who receive wage or salary income from an employer participate in one or more subsidized plans; such plans are not unsubsidized health plans. If you are participating in a subsidized health plan, pre-tax premiums may be reflected on your pay stub or W-2, box 12. If you are unsure, check with your employer. If you were not eligible to participate in a subsidized plan for any part of the year, check box B on line 1. Otherwise, check box A or C. See Note 1 on the worksheet.

Line 2

Enter on line 2 of the worksheet the costs for qualifying medical care expenses. Some examples of qualifying expenses include unreimbursed costs for the following:

- Prescription medicine or insulin;
- Hospital costs and nursing care;
- Medical, dental and vision examinations and treatment by a certified health professional;
- Eyeglasses, hearing aids, braces, crutches and wheelchairs; AND
- Subsidized premiums for medical care insurance, to include Medicare premiums and supplemental Medicare insurance.

Refer to IRS publication 502 for allowable items and expenses.

Example 1: Sue has a health care insurance plan through her employer. The health care insurance premium for this coverage is \$265 every two weeks, of which \$100 is deducted from Sue's post-tax pay and \$165 is paid by her employer. The taxpayer can include on line 2 of the worksheet the \$100 insurance premiums that she paid.

Line 2a – Unsubsidized Medical Care Insurance Premiums

If you were eligible to participate in a subsidized health care plan, enter on line 2a of the worksheet the costs for unsubsidized medical care insurance premiums you paid for dental, vision and health insurance for you, your spouse and dependents. If you or your spouse were eligible to participate in a subsidized plan for part of the year, enter on this line the unsubsidized premiums for the portion of the year during which you or

your spouse were eligible to participate in a Medicare and/or a subsidized health insurance plan.

Note: You must reduce the unsubsidized medical care insurance premium amount you enter on line 2a of the worksheet by the amount of the self-employed health insurance deduction that you claimed on line 29 of federal form 1040.

Example 1: Sue has a health care insurance plan through her employer. She has \$50 deducted from her paycheck (post-tax) each month to pay for her portion of her health care insurance premium costs. Her employer contributes \$450 each month toward the health care insurance premium costs that total \$500 each month. This is a subsidized plan, so Sue is not participating in an unsubsidized health care insurance

plan. Sue cannot use her \$50 monthly payment on line 2a of the worksheet, but she can include this amount on Line 2.

Example 2: Sue is retired and qualifies for Medicare for the entire year. She pays \$50 each month for unsubsidized supplemental health insurance and \$20 each month for Medicare B premiums. Sue can include her \$50 monthly premium payments on line 2a of the worksheet as she is eligible for a subsidized plan through Medicare; Also, she can include the \$20 Medicare B premium payments amounts on line 2.

Note: If you are eligible for Medicare coverage, you can use line 2a of the worksheet to report any unsubsidized medical care insurance premiums paid while you were eligible for Medicare coverage.

Line 7 – Unreimbursed Long-Term Care Insurance Premiums

Enter on line 7 of the worksheet on page 28 the amounts paid during 2014 for unreimbursed long-term care insurance premiums for you, your spouse and your dependents that covers nursing home care, home care or adult day care.

Line 8 – Unsubsidized Medical Care Insurance Premiums

If you were not eligible to participate in a subsidized health care plan, enter on line 8 of the worksheet the costs for unsubsidized medical care insurance premiums you paid for dental, vision and health insurance for you, your spouse and dependents. If you selected C for line 1, refer to Example 3.

Line 9 – Accident and Health Insurance Plan and Medical Expense Reimbursement for Qualifying Relatives

You may be able to take a deduction for contributions made by your employer for accident and health insurance for "qualifying relatives." You are permitted to deduct income included in your federal adjusted gross income on the basis of an employer-paid plan covering a "qualifying relative." See the definition below of a qualifying relative for this deduction.

You are also permitted to deduct amounts received as an employee through an accident and health insurance plan that are paid, directly or indirectly, to you to reimburse you for expenses incurred for the medical care of the same qualifying relatives. See the definition below of a qualifying relative for this deduction.

This deduction is only available for "qualifying relatives" who are not eligible to participate in any subsidized medical care insurance plan offered by their employer and who are not eligible for Medicare or Medicaid. A subsidized health insurance plan is a plan where your employer, your spouse's employer, a retirement plan or Medicare pays any portion of the total premium for health insurance coverage. The deduction

is not available to self-employed taxpayers because such taxpayers deduct all of their family accident and health insurance premiums on federal form 1040 before arriving at federal adjusted gross income.

If you answer "Yes" to either of questions below, you are not eligible to take these deductions:

- 1. Did you claim the self-employed health insurance deduction on Line 29 of federal form 1040? \square Yes \square No
- 2. During the year, was your qualifying relative eligible for medical care coverage through Medicare or Medicaid? \square Yes \square No

For line 9 only, the definition of "qualifying relative" is expanded to include those who would be a qualifying relative under the Internal Revenue Code definition, without regard to the gross income test or the support test. For purposes of this deduction only, a "qualifying relative" is a citizen or national of the United States or a resident of the United States, Mexico or Canada that also bears one of the following relationships to the taxpayer:

- A child or a descendent of a child.
- A brother, sister, stepbrother or stepsister.
- The father or mother, or an ancestor of either
- A stepfather or stepmother.
- A son or daughter of a brother or sister of the taxpayer.
- A brother or sister of the father or mother of the taxpayer.
- A son-in-law, daughter-in-law, fatherin-law, mother-in-law, brother-in-law or sister-in-law.
- An individual (other than an individual who at any time during the taxable year was the spouse of the taxpayer) who, for the taxable year of the taxpayer, has the same principal place of abode as the taxpayer and is a member of the taxpayer's household.

Below are a few examples of a taxpayer who can or cannot take this deduction:

Example 1: Sue who is a self-employed independent contractor purchases an accident and health insurance plan for herself, her husband and her 25-year-old daughter. Sue is a sole proprietor and earns a net profit of \$100,000. She pays accident and health insurance premiums of \$10,000 a year. The company does not offer health insurance coverage for her employees. Her daughter works with her and is paid an annual salary of \$25,000, lives in her own home and is self-supporting. Sue cannot include the \$10,000 on line 9 of the worksheet because she took the deduction on line 29 of the federal return for health insurance premiums paid

by self-employed individuals. For additional information, visit the Ohio Department of Insurance's Web site at **insurance.ohio.gov**.

Example 2: Sue's employer offers a health insurance plan that offers coverage for children up to the age of 29. Sue enrolls in coverage to cover her 28-year-old son. Sue's son earns \$25,000 per year, lives on his own and pays for his own support. Sue's son is not eligible for any subsidized health plan through his employer, nor is he eligible for Medicare or Medicaid. Sue's employer pays \$5,000 in health insurance premiums on behalf of her son. Under federal law, Sue's son is not a dependent because he fails to meet the income and support test of a qualifying relative. Thus, the \$5,000 paid on behalf of Sue's son is imputed as income and included in her federal adjusted gross income. However, in Ohio, Sue can deduct the \$5,000 from gross income on line 9 of the worksheet on page 28 because her son meets the definition of a qualifying relative and thus qualifies for this deduction.

Line 46b - Medical Savings Account

You may be able to deduct the amount of funds you deposited into a medical savings account. If filing a joint return, your spouse may also be able to deduct his/her funds deposited into his/her medical savings account. For 2014 the maximum amount of deposited funds you may be able to deduct is \$4,569. If filing a joint return, each spouse may deduct up to \$4,569 of funds deposited into his/her account for a maximum joint deduction of \$9,138. Any investment income or interest earned on the funds deposited into a medical savings account is also deductible if the income or interest is included in your federal adjusted gross income (line 1 of your Ohio form IT 1040). Note: You must reduce the amount of this deduction by any amount that you claimed on line 25 of your federal form 1040.

To determine if you are eligible for this deduction, complete the medical savings account worksheet on page 24. For further information, see "What Is a Medical Savings Account and What Are the Qualifications?" on page 11.

Example: Bob and Sue file a joint tax return. Bob contributed \$2,000 to his medical savings account while Sue contributed \$5,000 to hers. Bob's account earned \$120 in interest and Sue's earned \$300, which were included in their federal adjusted gross income. These amounts are not deductible in arriving at federal adjusted income. They are entitled to a medical savings account deduction of \$6,989 (\$2,000 for Bob's contribution, \$4,569 for Sue's

contribution and the combined interest income of \$420).

Line 46c – Qualified Organ Donor Expenses

Deduct on this line up to \$10,000 of qualified organ donation expenses you incurred during the taxable year. If your filing status is married filing jointly, each of you can deduct on this line up to \$10,000 of qualified organ donation expenses you each incurred during the taxable year. "Qualified organ donation expenses" means unreimbursed travel and lodging expenses that you incur in connection with your donation, to another human being, of your human liver, pancreas, kidney, intestine, lung or any portion of your human bone marrow.

You can claim this deduction only once for all taxable years. If you claim the deduction for this year, you cannot claim this deduction in any subsequent year. If your filing status is married filing jointly and if you and your spouse both claim the deduction for this year, both you and your spouse cannot claim this deduction in any subsequent year. However, if your filing status is married filing jointly but only one spouse claims this deduction for this year, the other spouse can claim the deduction in a subsequent year, regardless of your spouse's filing status in that subsequent year.

You can also deduct matching contributions that you made to another person's Individual Development Account when the account has been established by a county department of human services. For further information, contact your local county department of human services.

Line 47 – Wage Expense

Deduct the amount of employer wage and salary expenses that you did not deduct for federal income tax purposes because you instead claimed the federal work opportunity tax credit.

Line 48 – Interest Income from Ohio Public Obligations

Deduct interest income earned from Ohio public obligations and Ohio purchase obligations if the interest income was included in your federal adjusted gross income. You can also deduct any gains resulting from the sale or disposition of Ohio public obligations to the extent that the gain was included in your federal adjusted gross income.

Deduct income from providing public services under a contract through an Ohio state project (including highway services) if the income was included in your federal

adjusted gross income. You can also deduct income from a certain transfer agreement or an enterprise transferred under that agreement if the income was included in your federal adjusted gross income. See Ohio Revised Code section 4313.02.

Schedule B – Nonbusiness Credits

Line 51 - Retirement Income Credit

To qualify for the Ohio retirement income credit, you <u>must</u> meet all of the following:

- You received retirement benefits, annuities or distributions that were made from a pension, retirement or profit-sharing plan; AND

- This income is included in your Ohio adjusted gross income on line 3. Note: Uniformed services retirement income required to be shown on line 39b and Social Security and certain railroad retirement benefits required to be shown on line 43 do <u>not</u> qualify for this credit.

The Amount of the Credit is as Follows: Amount of qualifying Line 51 retirement income retirement during the taxable income credit for taxable year: year: \$500 or less......\$ **0** More than \$500. but not more than \$1,500...... \$ 25 More than \$1,500, but not more than \$3,000 \$ 50 More than \$3,000, but not more than \$5,000 \$ 80 More than \$5,000, but not more than \$8,000 \$130 More than \$8.000 \$200

The Maximum Credit Per Return is \$200. If you are filing a joint return, combine the total qualifying retirement income for both spouses to determine the credit from the table above.

If the taxpayer has previously taken a lump sum retirement income credit, they cannot take the retirement income credit on this year's return or any future year's return to which this taxpayer is a party.

Note: Retirement buy-out amounts, attrition buy-out amounts and other similar amounts reported on federal form W-2 qualify for this credit **only** if the amounts are paid under a retirement plan.

Example: Bob and Sue are retired and file a joint return. Bob has \$5,000 in qualifying retirement income included in Ohio adjusted gross income on line 3. Sue has \$2,000 in qualifying retirement income included in Ohio adjusted gross income on line 3. The total of the two qualifying retirement incomes is \$7,000. The table above shows a credit of \$130 for retirement income of more than \$5,000, but not more than \$8,000. They are entitled to claim on line 51 an Ohio retirement income credit of \$130.

Line 52 – Senior Citizen Credit

If you received a lump sum distribution from a pension, retirement or profit-sharing plan, whether on account of retirement or separation from employment, and if you are 65 or older, you may be able to take advantage of a special tax treatment that uses the \$50 senior citizen tax credit multiplied by your expected remaining life years.

Ohio law provides a \$500 maximum credit per taxpayer for amounts you pay for qualified displaced worker training during the 12-month period after you lose your job. Qualified displaced worker training is job training or education that improves your ability to perform a new job after you have lost your previous job. Displaced worker training includes apprenticeships, internships and educational classes. Complete the worksheet on page 31.

It does <u>not</u> include amounts paid for computer purchases or upgrades, professional organizational fees, meals, mileage, transportation or outplacement firms that help you to develop skills used to find a new job – for example, career planning, profile analysis, skills assessment, resume writing, marketing action plan, etc., that are paid in one's endeavor to find a new job. These training classes are not to improve the skills that one would use in performing the functions or tasks associated with a new job.

Unpaid Use (Sales) Tax Explanation and Instructions for Ohio Forms IT 1040EZ and IT 1040

TIP: This line will be -0- if you made no catalog, Internet or out-of-state purchases. If you do have catalog, Internet or out-of-state purchases, many out-of-state retailers already collect use (sales) tax on your purchase. Your receipt will show it as a sales tax amount. If the retailer charges you sales tax on your purchase, you do <u>not</u> have to use the Ohio income tax return to pay additional use tax to Ohio.

Use line 16 of Ohio form IT 1040EZ or line 19 of IT 1040 to report the amount of unpaid use (sales) tax (if any) on out-of-state purchases that you made if you used, stored or consumed in Ohio the item or service you purchased (for example, Internet, television/radio ads, catalog purchases or purchases made directly from an out-of-state company) and for which you paid <u>no</u> sales tax on that purchase(s). Complete the use tax worksheet on page 35 to determine if you owe this tax.

Note: Any unpaid portion of the Ohio use tax is subject to collection, including penalty and interest, under Ohio Revised Code Chapter 5747. If you previously paid your Ohio use tax by filing Ohio form VP USE, then you do not have to report the use tax on line 16 of Ohio form IT 1040EZ or line 19 of IT 1040.

Ohio's Use Tax

Ohio's use tax has been part of our tax laws since 1936. The use tax rate is equal

to the sales tax rate in your county. Every state with a sales tax also has a companion use tax. The use tax laws were passed to eliminate the disadvantage to Ohio retailers when Ohio shoppers buy from out-of-state sellers who do not collect Ohio sales tax.

Who Benefits From the Tax?

- ✓ You and Our Schools: One-third of Ohio's sales and use tax supports our elementary and secondary schools. The remaining two-thirds pays for state services – higher education, parks, public safety, etc.
- ✓ County Governments and Transit Authorities: The sales and use tax is the largest source of financing for the local criminal justice system and public transportation systems.
- Ohio Retailers: The use tax protects Ohio jobs and helps Ohio retailers by keeping prices competitive with out-of-state merchants who don't collect sales tax.

Can You Give Me an Example?

If you buy a taxable item or service from an out-of-state retailer and pay no sales tax, Ohio requires you to pay the Ohio use tax if you will use, store or consume the item or service in Ohio. The use tax applies when you buy from catalog or Internet retailers. The use tax rate is equal to the sales tax rate in the Ohio county where you will use, store or consume the item or service.

Example: Rita lives in Tuscarawas County. She orders a new bedspread from the Catalog Linen Company based in New York. The price is \$125. The catalog company collects no sales tax. Rita is liable for paying Ohio's use tax:

Taxable purchase: \$125

Ohio + Tuscarawas County use tax rate = 6.75%

Use tax: $$125 \times .0675 = 8.44

Round this \$8.44 use tax amount to the nearest whole dollar: \$8

Rita would enter \$8 on line 16 of Ohio form IT 1040EZ or line 19 of IT 1040.

What if I Have Already Paid Tax on My Out-of-State Purchase?

If you previously paid to another state sales tax on the purchase or if you have previously paid your Ohio use tax by filing Ohio form VP USE, then you do not have to report on line 16 of Ohio form IT 1040EZ or line 19 of IT 1040 any use tax on that purchase.

I Owe Ohio Use Tax – How Do I Pay It?

You can pay your use tax when you file your Ohio income tax return. Complete the worksheet on page 35.

If you do not have to file an Ohio income tax return (see page 9) but you owe Ohio use tax, you must file Ohio form VP USE to pay the tax. This form is on our Web site at tax.ohio.gov.

General Information for Ohio Form SD 100

Do I Have To File a School District Income Tax Return?

No, if ...

- you were neither a resident of, nor domiciled in, a school district with an income tax in effect during 2014; AND
- you had no school district income tax withheld.

Yes, if ...

- you were a resident of, or were domiciled in, a school district with an income tax in effect for 2014 and either (i) had any income for a <u>traditional</u> tax base school district or (ii) had earned income for an <u>earned income only</u> tax base school district (see "Tax Type" discussion below). Taxpayers residing in <u>traditional</u> tax base school districts must file Ohio form SD 100 even if none of their income is subject to the tax; OR
- you received a W-2 with erroneous school district withholding tax taken out of your pay for 2014. If you are not liable for school district income tax, but had school district tax withheld in error, you must complete an Ohio form SD 100 for that school district number in order to request a refund. If you are liable for tax in one school district, but you had withholding tax taken for another school district, you must file separate Ohio SD 100 returns under each school district number (see listings on pages SD 7-8).

Tax Type

<u>Traditional</u> Tax Base School District Method – Ohio Revised Code sections

5748.01(E)(1)(a) and 5748.01(E)(2) provide that the voters in each school district can vote to enact a school district income tax based upon income and deductions shown on the Ohio income tax return. Under these provisions of the law, individuals pay the school district income tax based upon Ohio taxable income (Ohio adjusted gross income less the exemption amount) as shown on line 5 of Ohio form IT 1040EZ or IT 1040, and estates pay the school district income tax based upon Ohio taxable income as shown on line 3 of Ohio form IT 1041. Taxpayers filing an Ohio income tax return and residing in traditional tax base school districts must file Ohio form SD 100 even if none of their income is subject to the tax.

Earned Income Only Tax Base School District Method – Ohio Revised Code section 5748.01(E)(1)(b) provides that voters in a school district can approve a school district income tax that will apply only to individuals – not to estates – and will apply only to each individual's earned income without any deductions. This method of taxation is an alternative to the traditional tax base school district method. For a listing of earned income only tax base school districts, see page SD 7.

"Earned income" is defined as wages, salaries, tips, other employee compensation, and self-employment income from sole proprietorships and partnerships.

Under this alternative tax base, each taxpayer in the <u>earned income only</u> tax base school district does <u>not</u> pay school

district income tax on any other types of income such as retirement income, unemployment compensation, worker's compensation, lottery winnings, interest, dividends, capital gains, profit from rental activities, distributive shares of profit from S corporations, alimony received, distributions from trusts and estates and all other types of income that are not earned income but that are part of Ohio adjusted gross income.

Taxpayers in <u>earned income only</u> tax base school districts cannot claim any deductions such as the alimony paid deduction or the capital loss deduction. In addition to these limitations, taxpayers in the <u>earned income only</u> tax base school districts are not allowed a deduction for personal or dependency exemptions.

I Don't File an Ohio Income Tax Return. Must I File an Ohio Form SD 100?

Yes, if you have a school district tax liability. To determine this liability, you should start with what your Ohio taxable income would be if you were filing an Ohio income tax return. Then, if you show an amount on line 6 of Ohio form SD 100, you must file the school district income tax return.

I'm Retired. Am I Liable for School District Tax?

Yes, if you show any amount of tax on Ohio form SD 100, line 6. Note that taxpayers who are 65 or older before Jan. 1, 2015 may claim on line 3 a senior citizen credit of \$50 **per return.**

Are My Children Liable for the School District Tax?

Your children are liable if they have school district taxable income (see line 1 of Ohio form SD 100). There is no age limit.

Filing Due Date

- Generally, you must file this return and make all payments by April 15, 2015. If you choose a paperless method and use direct deposit, most likely you will receive your refund in 10 to 15 business days.
- For due date exceptions that may apply, see "I Can't File My Ohio Form..." and "I'm Not Able to Pay..." below.
- If you were in a combat zone, see "Income Taxes and the Military" on page 12.

Can I e-File My School District Return?

Yes. Residents, part-year residents and nonresidents of the school district for which you are filing may e-File. You also must file an electronic Ohio income tax return at the same time.

I Can't File My Ohio Form SD 100 By April 15, 2015. Can I Get an Extension?

Yes, if you have an extension of time to file your federal form 1040, 1040A or 1040EZ. Ohio does not have its own extension request form, but honors the federal extension of time to file. When you file Ohio form SD 100, you must include a copy of your federal extension or extension confirmation number. However, there is no extension of time for paying your tax. You will owe interest and penalty on any payment you make after April 15, 2015.

Exception to the General Rule: Certain members of the military have an extended time to pay as well as an extended time to file. For more information see "Income Taxes and the Military" on page 12.

I'm Not Able To Pay By April 15, 2015. What Should I Do?

By law all tax is due on this date except for certain members of the military (see "Exception to the General Rule" above). Whatever amount you pay by the required due date will reduce the amount of interest and late-payment penalty you will be charged. Even if you are unable to pay the full amount of tax, you <u>must</u> file your return by the due date.

Do I Owe Penalties and Interest?

A <u>failure-to-file</u> penalty, the greater of \$50 per month up to a maximum of \$500, or 5% per month up to a maximum of 50% of the tax, may be charged if you fail to <u>file</u> your Ohio school district income tax return by the due date.

A <u>failure-to-pay</u> penalty of double the interest charged generally will apply if you do not <u>pay</u> the tax by April 15, 2015.

An additional \$50 bad-check charge may be imposed against any taxpayer whose payment is dishonored by the bank.

Except for certain military servicemembers (see "Income Taxes and the Military" on page 12), interest is due from April 16, 2015 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest <u>unless</u> your refund, if any, is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2015 is 3%.

How Can I Be Sure of the School District in Which I Live or Am Domiciled?

If you are not sure of the school district in which you live, the Ohio Department of Taxation has an online resource called **The Finder** to assist you. Instructions for using The Finder are on page 44.

I Lived or Was Domiciled Only Part-Year in a Taxable School District. What Must I Do?

You must file Ohio form SD 100 for each taxing school district in which you lived during the year.

What if I Am a Part-Year Resident or a Part-Year Domiciliary of Two Taxing School Districts?

You must file a separate Ohio form SD 100 for <u>each</u> taxing school district. Be sure to include the correct school district number on each return.

Can I Apply My Refund Against Any Other Balance Due?

No. You can't apply a refund against any of the following:

- A balance due for another school district's tax:
- A school district tax that has expired;
- Another person's tax;

- Any prior year's tax; OR
- Your Ohio individual income tax.

What if I Received a W-2 With School District Income Tax Withheld, But I Am Not Domiciled in a School District With a Tax?

You are not subject to the school district income tax. In order to get a full refund of the school district income tax withheld for a school district in which you were not domiciled at any time during the year, you must complete Ohio form SD 100.

On the front page of the return be sure to (i) enter in the boxes provided the school district number shown on your W-2(s) and (ii) check the "full-year nonresident" box.

If school district income tax was withheld for a <u>traditional</u> tax base school district (see listings on pages SD 7-8), complete Schedule A (lines 17-21) on page 2 of Ohio form SD 100. Complete lines 17 through 19, and enter on line 20 the same amount that you entered on line 19. Then enter a -0- on line 21 and on lines 1, 2, 4, 5 and 6. Enter the amount of school district income tax withheld on lines 7, 9, 10, 12 and 16.

If school district income tax was withheld for an **earned income only** tax base school district (see listings on page SD 7), complete Schedule B (lines 22-25) on page 2 of Ohio form SD 100 by entering a -0- on lines 22, 23 and 25. Then enter a -0- on lines 1, 2, 4, 5 and 6. Enter the amount of school district income tax withheld on lines 7, 9, 10, 12 and 16.

When you mail us your return, you must include a copy of the W-2(s) showing the school district income tax withheld for the school district number that you entered in the boxes in the upper right-hand corner on page 1 of your return.

My W-2 Does Not Show My School District Withholding. What Should I Do?

You should ask your employer for either a corrected W-2 or a letter showing both the school district withholding amount and the four-digit school district number.

What Should I Do if My Employer Is Not Withholding Enough Tax or Any Tax?

Employer withholding requirements are found in Ohio Revised Code section 5747.06(E). If your employer is not withholding either enough or any school district income tax and you will owe combined

state and school district income tax of at least \$500, you are required to file a school district estimated income tax voucher (Ohio form SD 100ES), which is on our Web site at tax.ohio.gov.

If your employer is not withholding <u>any</u> tax, provide us with the facts in writing along with a copy of last year's W-2 (if you were with the employer then) and submit them to Employer Withholding Unit, P.O. Box 2476, Columbus, OH 43216-2476.

How to Complete the 2014 Ohio Form SD 100

The 2014 Ohio form SD 100 has been designed for electronic scanning, which allows for faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should use the following guidelines:

- 1. Use black ink ONLY.
- 2. Use this form **ONLY** for the taxable year **2014.**
- 3. Round numbers to the nearest dollar. Do not print over the preprinted zeros in the boxes at the far right of the return, which designate cents (.00).
- Print your numbers and letters (UPPER-CASE only) inside the boxes as shown below:

123 ANY STREET

If the boxes don't appear on your return, do **not** hand-draw the boxes.

Name(s), Address and Social Security Number(s). Enter your name and address on page 1 and your Social Security number on pages 1 and 2 of your return (if married filing jointly, also enter your spouse's name and Social Security number on page 1).

Ohio School District Number: Enter the school district number for which you are filing this return in the school district number box in the upper right-hand corner on page 1 of the return and in the school district number box in the upper left-hand corner on page 2 of the return. Pages SD 7-8 list each taxing school district and its school district number.

School District Domicile: Check the appropriate box ("full-year resident," "part-

year resident" or "full-year nonresident") for the school district number that you have indicated on the return.

Do Both Married Filing Jointly Taxpayers Have To Sign the Return?

Both married filing jointly spouses must sign unless one of the spouses was not domiciled in the school district for the entire year. In this case the nondomiciled, married filing jointly spouse does not have to sign.

Preparer's Name

The Ohio Department of Taxation follows federal Notice 2004-54. For more information, see the section entitled "Does Ohio Follow the Alternative Preparer Signature Procedures?" on page 10.

How Do I Correct My Ohio Form SD 100 After I Have Already Filed?

Make any correction to your return by filing an amended school district income tax return (Ohio form SD 100X) for the year that you are correcting. To speed up the processing of your amended return:

- Include a copy of your W-2(s), W-2G(s) and/or 1099-R(s) if there was any school district income tax withheld; AND
- Include documentation to support any adjustments to line items; AND
- If changing school district residency status to part-year or full-year nonresident, include documentation to support your claim.

Ohio form SD 100X is available on our Web site at **tax.ohio.gov** or by calling toll-free 1-800-282-1782. If you correct your federal income tax return or if you are audited by the IRS, you must file Ohio form SD 100X within 60 days of the final determination of the IRS correction.

The IRS tells us about all changes it makes to your federal income tax return. To avoid penalties, be sure to file your amended school district

income tax return, Ohio form SD 100X, within 60 days of the final determination of the federal change.

Do I Have To Make School District Estimated Income Tax Payments for 2015?

Except as discussed below, you must make school district estimated income tax payments if you will owe more than \$500 in combined state and local school district income tax for 2015 after subtracting your Ohio and school district income tax withholding amounts and overpayment carryforward from 2014 to 2015.

Even if you will owe more than \$500, you do not have to make estimated school district income tax payments if either (i) your 2015 combined Ohio and school district income tax withholding amounts and overpayment carryforwards from 2014 to 2015 are at least 90% of your 2015 combined state and school district income tax or (ii) your 2015 combined state and school district income tax withholding amounts and overpayment carryforwards from 2014 to 2015 are equal to or greater than your 2014 combined Ohio and school district income tax. For purposes of these tests, your year 2014 overpayment credited to year 2015 does not include any year 2014 tax payment that you made after April 15, 2015.

Estimated payments can be made electronically on our Web site at **tax.ohio.gov**. Or you can obtain Ohio form SD 100ES from our Web site at **tax.ohio.gov** or by calling toll-free 1-800-282-1782.

Where Can I Find the Ohio Law References About School District Taxes?

To see the sections of the Ohio Revised Code that relate to the line items on Ohio form SD 100, go to our Web site at:

http://tax.ohio.gov/lawreferences/2014sdlaw references.stm.

Line Instructions for Ohio Form SD 100

Be sure to keep a copy of this return for your records. If during 2014 you resided in or had school district income tax withheld for more than one of the school districts listed on pages SD 7-8, you must complete a <u>separate</u> return for each of those school districts.

Line 1 – <u>Traditional</u> Tax Base School District Filer

Complete Schedule A (lines 17-21) on page 2 of Ohio form SD 100 and enter on line 1 the amount you show on line 21.

Line 1 – <u>Earned Income Only</u> Tax Base School District Filer

Complete Schedule B (lines 22-25) on page 2 of Ohio form SD 100 and enter on line 1 the amount you show on line 25.

Line 3 - Senior Citizen Credit

To claim the senior citizen credit (limit \$50 per return), you or your spouse, if married filing jointly, must be 65 or older before Jan. 1, 2015. If you are filing a joint return, only one credit of \$50 is allowed even if you and your spouse are both 65 or older.

Line 5 - Interest Penalty

Except as set forth below, if the tax on line 4 minus the amount on line 9 is more than \$500, complete and enclose Ohio form IT/SD 2210, which can be found on our Web site at **tax.ohio.gov.** Enclose the corresponding worksheet only if you annualize. Last year's overpayment credited to this year and timely paid estimated taxes reduce the interest penalty you might otherwise owe.

Exception: You do not need to complete Ohio form IT/SD 2210 if the sum of (i) line 7 of Ohio form SD 100 and (ii) your 2013 school district income tax overpayment credited to 2014 is equal or greater than one of the following:

- 90% of your 2014 school district income tax (line 6, 2014 SD 100); OR
- 100% of your 2013 school district income tax (line 6, 2013 SD 100).

Note: For purposes of this exception, you must reduce your 2013 school district income tax overpayment credited to 2014 by any 2013 income tax you paid after April 15, 2014.

Line 7 – School District Income Tax Withheld

Enter <u>only</u> the school district withholding tax that is identified on your W-2(s), W-2G(s) and/or 1099-R(s) for the school district for which you are filing this return (see the upper right-hand corner on page 1 of Ohio form SD 100).

- Place <u>legible state copies</u> of your W-2(s), W-2G(s) and/or 1099-R(s) after the last page of Ohio form SD 100. Do not staple or otherwise attach.
- Confirm that the withholding reported is for school district withholding and not local withholding. Generally, school district withholding appears directly below the local income tax in box 19 and the school district four-digit number or school district name appears in box 20. On occasion, the school district withholding may appear in box 14.
- If you have W-2(s), W-2G(s) and/or 1099-R(s) for more than one taxing school district, you must file a separate Ohio form SD 100 for <u>each</u> taxing school district. Be sure to include the correct school district number on each return.

Line 8 – 2014 Estimated and Extension Payments and 2013 Overpayment Credited to 2014

Amounts carried over or paid for one school district cannot be used for any other school district.

Line 11 – Overpayment Credited to Year 2015

Indicate the amount of line 10 that you want us to credit to your 2015 school district tax liability. You can't apply a credit against a balance due for any of the following: another school district's tax, a school district tax that has expired, another person's tax, any prior year's tax or your Ohio income tax.

Line 14 – Interest and Penalty Due

Except for certain military servicemembers (see "Income Taxes and the Military" on page 12), interest is due from April 16, 2015 until the date the tax is paid.

If you file your return after the due date and you paid and/or will pay any tax after the due date, you owe interest **unless** the refund, if any, shown on line 10 is greater than any tax you paid after the due date. Interest is due on late-paid tax even if the IRS has granted you a filing extension. The interest rate for calendar year 2015 is 3%.

Include Ohio form SD 40P (see our Web site at tax.ohio.gov) and your payment with Ohio form SD 100.

If you cannot pay the amount you owe, you still must file the return by April 15, 2015 to avoid the late filing penalty (for an exception, see "Income Taxes and the Military" on page 13). For additional information regarding payments, see page 7.

Line 16 - Your Refund

This is your refund after any reduction on line 14. If line 14 is more than the overpayment shown on line 12, you have an amount due. Enter this amount on line 15 and follow the instructions.

If you move after filing your tax return and are expecting a refund, notify the post office servicing your old address by filling out a change-of-address

form. This does not guarantee that your refund will be forwarded because post offices are not required to forward government checks. You should also notify our department of your address change.

Schedule A – Traditional Tax Base School District (Lines 17, 18, 19, 20 and 21)

Complete Schedule A on Ohio form SD 100 only if you entered on page 1 of Ohio form SD 100 a <u>traditional income only</u> tax base school district number (see listings on pages SD 7-8).

Note: If your filing status is married filing jointly, then complete Schedule A for both you and your spouse.

Line 17 - Ohio Taxable Income

If you filed your Ohio income tax return using Ohio form IT 1040EZ or IT 1040, enter the amount from line 5.

Line 18 – Small Business Investor Income Deduction Add-Back

If you took the small business investor income deduction on line 41 of Ohio form IT 1040, enter on line 18 the amount you show on line 41 of Ohio form IT 1040.

Line 20 – Adjustments for Part-Year Residents and Full-Year Nonresidents of <u>Traditional</u> Tax Base School Districts

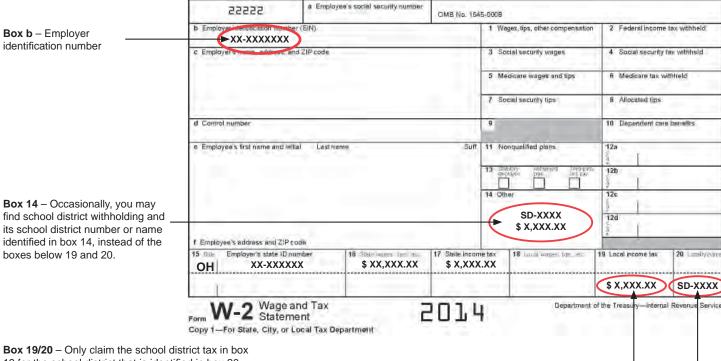

Complete this line only if you were either a part-year resident or a full-year nonresident of a **traditional** tax base school district.

Enclose with this return a detailed explanation telling us why you are entering an amount on this line. Common reasons include the following:

Sample W-2 – This form reports taxpayers' wages and withholding

See "School District Income Tax Withheld" on page SD 4 (Ohio form SD 100)

Place all W-2 documents after the last page of your Ohio school district income tax return. Do not staple or otherwise attach.

Box 19/20 – Only claim the school district tax in box 19 for the school district that is identified in box 20 (which will show "SD" and a four-digit code or "SD" and the abbreviated name of the school district).

- Part-year resident of the <u>traditional</u> tax base school district.
- Full-year nonresident of the **traditional** tax base school district.
- An individual not domiciled in the <u>traditional</u> tax base school district but merely using a mailing address located within that school district.

If you claim that you are domiciled outside the school district, include in your explanation the full address where you claim to be domiciled.

Note: Be sure that your explanation includes your full name, your Social Security number and the phrase "2014 SD 100."

Show on this line the portion of your Ohio taxable income (line 5 of Ohio form IT 1040EZ or IT 1040) that you earned while you were a resident of another school district. The amount you show on this line must be "net" of all related deductions that you claimed on the front page of your federal income tax return and on Schedule A of your Ohio form IT 1040 (see example that follows).

Example: For only part of the year Lee was a resident of the Reynoldsburg City School District, which imposes a school district income tax and is **not** an **earned income only** tax base school district. Lee lived in Columbus for the remainder of the year. There is no Columbus school district income tax.

While Lee was residing in the Reynoldsburg City School District, she earned \$39,000 in wages and \$5,000 in interest from bonds issued by another state (this interest is not subject to federal income tax, but is subject to Ohio income tax and to Reynoldsburg City School District income tax). While Lee was residing in the Columbus City School District she earned \$31,000 in wages and dividends, paid \$10,000 in alimony, incurred

a \$3,000 capital loss and paid \$2,000 into a medical savings account she established on Dec. 31 (the \$2,000 contribution qualifies for the medical savings account deduction on Schedule A of Ohio form IT 1040).

For a detailed example, see page SD 4.

Schedule B – Earned Income Only Tax Base (Lines 22, 23, 24 and 25)

Taxpayers domiciled in any of the <u>earned</u> <u>income only</u> tax base school districts pay school district income tax only on qualifying earned income, which is generally limited to wages and self-employment income. For additional information, see the "Tax Type" discussion on page SD 1.

Complete Schedule B on Ohio form SD 100 only if you entered on page 1 of Ohio form SD 100 an **earned income only** tax base school district number (see listings on page SD 7).

Note: If your filing status is married filing jointly, then complete Schedule B for both you and your spouse.

Line 22 – Wages and Other Compensation

Show on this line the amount you reported on federal form 1040, line 7; 1040A, line 7; or 1040EZ, line 1 that you earned while you were a resident of an <u>earned income only</u> tax base school district.

Note: Do not include military pay and allowances, if any, that you received while you were stationed outside Ohio for active duty service in the U.S. Army, Air Force, Navy, Marine Corps, Coast Guard or Reserve components thereof, or the National Guard. The term "stationed" refers to an Ohio resident servicemember's permanent duty station, as defined in the Joint Federal Travel Regulations, Appendix A. This refers

to the place where the servicemember performs his military duty. Periods of training in which a servicemember, either individually or as part of a unit, departs from his/her permanent place of duty and then returns following the completion of the training, is not included in the definition of "stationed."

Line 23 – Net Earnings from Self-Employment

Show on this line your net earnings from self-employment (see federal form 1040, Schedule SE, Section A, line 4 or Section B, line 6) that (i) you earned while you were a resident of an **earned income only** tax base school district and (ii) are included in Ohio taxable income (line 5 on Ohio form IT 1040). Do not include on this line minister housing allowances that are not part of line 5 of Ohio form IT 1040 even though they do constitute net earnings from self-employment.

Enter on this line only the portion of your net earnings while you were a resident of the <u>earned income only</u> tax base school district. Enclose with this return a copy of federal form 1040, Schedule SE. Be sure to enter the date of nonresidency on Ohio form SD 100.

Line 24 – Depreciation Expense Adjustment

This depreciation expense adjustment might be used if Ohio were not in conformity with the IRS based on entries from the Ohio IT 1040, lines 35e/f. At the time of this publication, Ohio was in conformity with the IRS, therefore all entries on this line would be "0." For more information, see **tax.ohio.gov** for our notice concerning Ohio Revised Code section 5701.11 and miscellaneous federal tax adjustments.

For information on where to mail your return, see page 8.
