Common Errors and How to Prevent Them

Help us process your tax return quickly and accurately. When we find an error, it requires us to stop to verify the information on the tax return, which slows processing. The most common errors consist of:

- Claiming the wrong amount of estimated tax payments.
- Claiming the wrong amount of standard deduction or itemized deductions.
- Making tax computation errors.
- Entering the amounts on the wrong line.
- Claiming the wrong amount of withholding by incorrectly totaling or transferring the amounts from your W-2.
- Failing to transfer amounts correctly.
- Failing to enter all required information or attach required schedules.
- Claiming the wrong amount of withholding tax credit by incorrectly totaling or transferring the amounts from your withholding documents.

To avoid errors and help process your tax return faster, use these helpful hints when preparing your tax return.

Claiming estimated tax payments:

- Verify the amount of estimated tax payments claimed on your tax return matches what you sent to the Franchise Tax Board (FTB) for that year. Go to ftb.ca.gov and search for **myftb account** to view your total estimated tax payments before you file your tax return.
- Verify the overpayment amount from your 2014 tax return you requested to be applied to your 2015 estimated tax.
- If the FTB records do not match the amount of estimated tax payments claimed, a "Return Information Notice" will be sent explaining the difference.

Claiming state disability insurance:

- Verify the amount of State Disability Insurance (SDI) used to figure the amount of excess SDI claimed on Form 540, line 74, matches amounts from your W-2's.

Claiming standard deduction or itemized deductions:

- Verify the adjusted gross income amount on Form 540, line 17 is calculated correctly.
- See Form 540, line 18 instructions and worksheets for the amount of standard deduction or itemized deductions you can claim.

Computing your tax:

- Verify the total tax amount on Form 540, line 64 is calculated correctly.
- Go to ftb.ca.gov and search for **tax calculator** to compute your tax with the tax calculator or with the tax tables.
- Locate the correct tax amount from the tax table (page 75) and transfer it to your tax return correctly.
- Verify any affected schedule to ensure that the total tax amount is correctly transferred over.

Use e-file:

- By using e-file, you can eliminate many common errors. Go to ftb.ca.gov and search for **efile options**.

By using the helpful hints above, you assist in preventing delays in processing your tax return and unnecessary account adjustments.

Do I Have to File?

Steps to Determine Filing Requirement

Step 1: Is your gross income (all income received from all sources in the form of money, goods, property, and services that are not exempt from tax) more than the amount shown in the California Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

Requirements for Children with Investment Income

California law conforms to federal law which allows parents' election to report a child's interest and dividend income from children under age 19 or a student under age 24 on the parent's tax return. For each child under age 19 or student under age 24 who received more than \$2,100 of investment income in 2015, complete Form 540 and form FTB 3800, Tax Computation for Certain Children with Investment Income, to figure the tax on a separate Form 540 for your child.

If you qualify, you may elect to report your child's income of \$10,500 or less (but not less than \$1,050) on your tax return by completing form FTB 3803, Parents' Election to Report Child's Interest and Dividends. To make this election, your child's income must be **only** from interest and/or dividends. To get forms FTB 3800 or FTB 3803, see "Order Forms and Publications" or go to ftb.ca.gov.

Other Situations When You Must File

If you have a tax liability for 2015 or owe any of the following taxes for 2015, you must file Form 540.

- Tax on a lump-sum distribution.
- Tax on a qualified retirement plan including an Individual Retirement Arrangement (IRA) or an Archer Medical Savings Account (MSA).
- Tax for children under age 19 or student under age 24 who have investment income greater than \$2,100 (see paragraph above).
- Alternative minimum tax.
- Recapture taxes.
- Deferred tax on certain installment obligations.
- Tax on an accumulation distribution from a trust.

Filing Status

Use the same filing status for California that you used for your federal income tax return, unless you are a registered domestic partnership (RDP). If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal purposes, you may file head of household for California purposes only if you meet the requirements to be considered unmarried or considered not in a domestic partnership.

Exception: If you file a joint tax return for federal purposes, you may file separately for California if either spouse was:

- An active member of the United States armed forces or any auxiliary military branch during 2015.
- A nonresident for the entire year and had no income from California sources during 2015.

Community Property States: If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 3.

Step 3: If your income is less than the amounts on the chart you may still have a filing requirement. See "Requirements for Children with Investment Income" and "Other Situations When You Must File." Do those instructions apply to you? If yes, you have a filing requirement. If no, go to Step 4.

Step 4: Are you married/registered domestic partner (RDP) filing separately with separate property income? If no, you do not have a filing requirement. If yes, prepare a tax return. If you owe tax, you have a filing requirement.

If you had no federal filing requirement, use the same filing status for California that you would have used to file a federal income tax return.

If you filed a joint tax return and either you or your spouse/RDP was a nonresident for 2015, file the Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.

Single

You are single if any of the following was true on December 31, 2015:

- You were not married or an RDP.
- You were divorced under a final decree of divorce, legally separated under a final decree of legal separation, or terminated your registered domestic partnership.
- You were widowed before January 1, 2015, and did not remarry or enter into another registered domestic partnership in 2015.

Married/RDP Filing Jointly

You may file married/RDP filing jointly if any of the following is true:

- You were married or an RDP as of December 31, 2015, even if you did not live with your spouse/RDP at the end of 2015.
- Your spouse/RDP died in 2015 and you did not remarry or enter into another registered domestic partnership in 2015.
- Your spouse/RDP died in 2016 before you filed a 2015 tax return.

Married/RDP Filing Separately

- Community property rules apply to the division of income if you use the married/RDP filing separately status. For more information, get FTB Pub. 1031, Guidelines for Determining Resident Status, FTB Pub. 737, Tax Information for Registered Domestic Partners, FTB Pub. 1051A, Guidelines for Married/RDP Filing Separate Returns, or FTB Pub. 1032, Tax Information for Military Personnel. To get forms see "Order Forms and Publications" or go to ftb.ca.gov.
- You cannot claim a personal exemption credit for your spouse/RDP even if your spouse/RDP had no income, is not filing a tax return, and is not claimed as a dependent on another person's tax return.
- You may be able to file as head of household if your child lived with you and you lived apart from your spouse/RDP during the entire last six months of 2015.

Head of Household

For the specific requirements that must be met to qualify for head of household (HOH) filing status, get FTB Pub. 1540, California Head of Household Filing Status. In general, head of household filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You may be entitled to use head of household filing status if **all** of the following apply:

- You were unmarried and not in a registered domestic partnership, or you met the requirements to be considered unmarried or considered not in a registered domestic partnership on December 31, 2015.

- You paid more than one-half the cost of keeping up your home for the year in 2015.
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for head of household filing status.
- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for head of household purposes, the child must either be placed with you by an authorized placement agency or by order of a court.

California requires taxpayers who use head of household filing status to file form FTB 3532, Head of Household Filing Status Schedule to report how the HOH filing status was determined.

For more information, get FTB Pub. 1540 at ftb.ca.gov or see code **934** on page 83 to order FTB Pub.1540 by telephone.

- Your spouse/RDP died in 2013 or 2014 and you did not remarry or enter into another registered domestic partnership in 2015.
- You have a child, stepchild, adopted child, or foster child whom you claim as a dependent.
- This child lived in your home for all of 2015. Temporary absences, such as for vacation or school, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint tax return with your spouse/RDP the year he or she died, even if you actually did not do so.

What's New and Other Important Information for 2015

Differences between California and Federal Law

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Conformity – For updates regarding federal acts, go to ftb.ca.gov and search for **conformity**.

2015 Tax Law Changes/What's New

Voluntary Contributions – You may contribute to the following new funds:

- State Children's Trust Fund for the Prevention of Child Abuse
- Prevention of Animal Homelessness & Cruelty Fund

Earned Income Tax Credit – For taxable years beginning on or after January 1, 2015, the refundable California Earned Income Tax Credit (EITC) is available to taxpayers who earned wage income within California. This credit is similar to the federal Earned Income Credit (EIC). This credit is available to taxpayers with earned income of less than \$13,870. Additional information can be found on California Form FTB 3514 - California Earned Income Tax Credit.

Payments and Credits Applied to Use Tax – For taxable years beginning on or after January 1, 2015, if a taxpayer includes use tax on their personal income tax return, payments and credits will be applied to use tax first, then towards income tax, interest, and penalties. Additional information can be found in the instructions for California Form 540.

Dependent Social Security Number (SSN) – For taxable years beginning on or after January 1, 2015, taxpayers claiming an exemption credit must write each dependent's SSN in the spaces provided within Line 10 for the California Form 540 and California Form 540NR (long and short).

Financial Incentive for Seismic Improvement – For taxable years beginning on or after January 1, 2015, taxpayers can exclude from gross income any amount received as loan forgiveness, grant, credit, rebate, voucher, or other financial incentive issued by the California Residential Mitigation Program or the California Earthquake Authority to assist a residential property owner or occupant with expenses paid, or obligations incurred, for earthquake loss mitigation. Additional information can be found in the instructions for California Schedule CA (540 and 540NR).

Natural Heritage Preservation Credit – For qualified contributions made on or after January 1, 2015, the credit carryover period has been extended to 15 years or until exhausted, whichever occurs first. Any unused credits remaining before January 1, 2015, will remain subject to an eight-year carryover provision. In addition, the period for when a qualified contribution is made, for which a tax credit will be allowed, has been extended to June 30, 2020.

Disaster Losses – For taxable years beginning on or after January 1, 2014, and before January 1, 2024, taxpayers may deduct a disaster loss for any loss sustained in any city, county, or city and county in California that is proclaimed by the Governor to be in a state of emergency. For these Governor-only declared disasters, subsequent state legislation is not required to activate the disaster loss provisions. Additional information can be found in the instructions for California form FTB 3805V, Net Operating Loss (NOL) Computation and NOL and Disaster Loss Limitations – Individuals, Estates, and Trusts.

Slain Officer Family Support Contribution – California does not conform to the federal Slain Officer Family Support Act of 2015, enacted April 1, 2015. For federal, taxpayers can choose to treat cash contributions for the relief of the families of slain New York Police Department detectives made between January 1, 2015 and April 15, 2015, as if made on December 31, 2014. Eligible contributions can be claimed on either a 2014 or 2015 federal tax return, but not both. Contributions made after April 14, 2015, but on or before December 31, 2015, can only be claimed on a 2015 federal tax return. For California purposes, contributions may only be claimed on your 2015 tax return. If you claimed contributions under the Slain Officer Family Support Act on your 2014 federal tax return, make an adjustment to your 2015 California tax return to add the amount of the contribution to your charitable deductions. If you erroneously deducted the contribution on your 2014 California tax return, you will need to amend your 2014 tax return to reduce the contribution.

Head of Household – For taxable years beginning on or after January 1, 2015, California requires taxpayers who use head of household (HOH) filing status to file form FTB 3532 – Head of Household Filing Status Schedule, to report how the HOH filing status was determined.

In addition, an **annual certification of employment** is required with respect to each qualified full-time employee hired in a previous taxable year. In order to be allowed a credit, the qualified taxpayer must have a net increase in the total number of full-time employees in California. Any credits not used in the taxable year may be carried forward up to five years. If a qualified employee is terminated within the first 36 months after beginning employment, the employer may be required to recapture previously taken credits. The CEFA will provide a copy of each credit certificate issued, to the Franchise Tax Board (FTB). Any credits not used in the taxable year may be carried forward up to six years. For more information, go to treasurer.ca.gov/cefa or get form FTB 3592, College Access Tax Credit.

Cancellation of Debt Income (CODI) – For taxable years beginning on or after January 1, 2014, and before January 1, 2019, California did not conform to the federal recognition of business debt reacquisition CODI under IRC Section 108(i). If you recognized the CODI for federal tax purposes, then you must deduct the federal CODI amount. See Sch. CA (540/540NR) line 12 instructions for more information.

Net Operating Loss (NOL) Carryback – NOLs incurred in taxable years beginning on or after January 1, 2013, shall be carried back to each of the preceding two taxable years.

The allowable NOL carryback percentage varies. For an NOL incurred in a taxable year beginning on or after:

- January 1, 2013, and before January 1, 2014, the carryback amount shall not exceed 50% of the NOL.
- January 1, 2014, and before January 1, 2015, the carryback amount shall not exceed 75% of the NOL.
- January 1, 2015, the carryback amount shall be 100% of the NOL.

Individuals, Estates, and Trusts compute the NOL carryback in Part IV of form FTB 3805V. For more information, get form FTB 3805V.

Election to Waive Carryback – Any taxpayer entitled to a carryback period pursuant to Internal Revenue Code (IRC) Section 172(b)(3) may elect to relinquish/waive the entire carryback period with respect to an NOL incurred in the 2013 taxable year. By making the election, the taxpayer is electing to carry an NOL forward instead of carrying it back in the previous two years.

To make the election, check the box in Part I under Section C – Election to Waive Carryback, of form FTB 3805V, and attach form FTB 3805V to the tax return. For more information, get form FTB 3805V.

Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

For more information or to obtain the waiver form, go to ftb.ca.gov and search for **mandatory e-pay**. Electronic payments can be made using Web Pay on FTB's website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card.

Estimated Tax Payments – Taxpayers are required to pay 30% of the required annual payment for the 1st required installment, 40% of the required annual payment for the 2nd required installment, no installment is due for the 3rd required installment, and 30% of the required annual payment for the 4th required installment.

Taxpayers with a tax liability less than \$500 (\$250 for married/RDP filing separately) do not need to make estimated tax payments.

Mortgage Forgiveness Debt Relief – California law does not conform to federal law regarding the discharge of indebtedness from the disposition of your principal residence occurring on or after January 1, 2014. For more information, get Schedule CA (540).

Backup Withholding – With certain limited exceptions, payers that are required to withhold and remit backup withholding to the Internal Revenue Service (IRS) are also required to withhold and remit to the FTB on income sourced to California. If the payee has backup withholding, the payee must contact the FTB to provide a valid taxpayer identification number, before filing the tax return. Failure to provide a valid taxpayer identification number may result in a denial of the backup withholding credit. For more information, go to ftb.ca.gov and search for **backup withholding**.

Registered Domestic Partners (RDP) – Under California law, RDPs must file their California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status.

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

2015 Instructions for Form 540 — California Resident Income Tax Return

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and the California Revenue and Taxation Code (R&TC).

Before You Begin

Complete your federal income tax return (Form 1040, Form 1040A, or Form 1040EZ) before you begin your California Form 540. Use information from your federal income tax return to complete your Form 540. Complete and mail Form 540 by April 18, 2016. Due to the Emancipation Day holiday on April 16, 2016, tax returns filed and payments mailed or submitted on April 18, 2016, will be considered timely. If unable to mail your tax return by this date, see page 2.

You may qualify for the federal earned income credit. See page 2 for more information.

Note: The lines on Form 540 are numbered with gaps in the line number sequence. For example, lines 20 through 30 do not appear on Form 540, so the line number that follows line 19 on Form 540 is line 31.

Caution: Form 540 has five sides. When filing Form 540, you must send all five sides to the Franchise Tax Board (FTB).

Filling in Your Tax Return

- Use black or blue ink on the tax return you send to the FTB.
- Enter your social security number(s) (SSN) or individual taxpayer identification number(s) (ITIN) at the top of Form 540, Side 1.
- Print numbers and CAPITAL LETTERS between the combed lines. Be sure to line up dollar amounts.
- If you do not have an entry for a line, leave it blank unless the instructions for a line specifically tell you to enter -0-. **Do not** enter a dash, or the word "NONE."

Name(s) and Address

Print your first name, middle initial, last name, and street address in the spaces provided at the top of the form.

Suffix

Use the Suffix field for generational name suffixes such as "SR", "JR", "III", "IV". Do not enter academic, professional, or honorary suffixes.

Additional Information

Use the Additional Information field for "In-Care-Of" name and other supplemental address information only.

Foreign Address

If you have a foreign address, follow the country's practice for entering the city, county, province, state, country, and postal code, as applicable, in the appropriate boxes. **Do not** abbreviate the country name.

Principal Business Activity (PBA) Code

For federal Schedule C (Form 1040), Profit or Loss From Business (Sole Proprietorship) business filers, enter the numeric PBA code from federal Schedule C (Form 1040), line B.

Date of Birth (DOB)

Enter your DOBs (mm/dd/yyyy) in the spaces provided. If your filing status is married/RDP filing jointly or married/RDP filing separately, enter the DOBs in the same order as the names.

Prior Name

If you or your spouse/RDP filed your 2014 tax return under a different last name, write the last name **only** from the 2014 tax return.

Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN)

Enter your SSN in the spaces provided. If filing a joint tax return, enter the SSNs in the same order as the names.

If you do not have an SSN because you are a nonresident or resident alien for federal tax purposes, and the Internal Revenue Service (IRS) issued you an ITIN, enter the ITIN in the space for the SSN. An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. It is a nine-digit number that always starts with the number 9.

Filing Status

Line 1 through Line 5 – Filing Status

Check only one box for line 1 through line 5. Enter the required additional information if you checked the box on line 3 or line 5. For filing status requirements, see page 3.

Use the same filing status for California that you used for your federal income tax return.

Exception: If you file a joint tax return for federal, you may file separately for California if either spouse was:

- An active member of the United States armed forces or any auxiliary military branch during 2015.
- A nonresident for the entire year and had no income from California sources during 2015.

Caution – Community Property States: If the spouse earning the California source income is domiciled in a community property state, community income will be split equally between the spouses. Both spouses will have California source income and they will not qualify for the nonresident spouse exception.

If you had no federal filing requirement, use the same filing status for California you would have used to file a federal income tax return.

Registered domestic partners (RDPs) who file single for federal **must file** married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal purposes, you may file head of household for California purposes only if you meet the requirements to be considered unmarried or considered not in a domestic partnership.

If you filed a joint tax return and either you or your spouse/RDP was a nonresident for 2015, you **must file** the Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return.

RDPs who file a California tax return as married/RDP filing jointly and no RDP adjustments between federal and California, combine their individual AGIs from their federal tax returns filed with the IRS. Enter the combined AGI on line 13.

Transfer the amount from the California RDP Adjustments Worksheet, line 37, column D, or federal pro forma Form 1040, line 37, to Form 540, line 13.

Line 14 – California Adjustments – Subtractions [from Schedule CA (540), line 37, column B]

If there are no differences between your federal and California income or deductions, do not file a Schedule CA (540), California Adjustments — Residents.

If there are differences between your federal and California income or deductions, complete Schedule CA (540). Follow the instructions for Schedule CA (540). Enter on line 14 the amount from Schedule CA (540), line 37, column B. If a negative amount, see Schedule CA (540), line 37 instructions.

Line 15 – Subtotal

Subtract the amount on line 14 from the amount on line 13. Enter the result on line 15. If the amount on line 13 is less than zero, combine the amounts on line 13 and line 14 and enter the result in parentheses. For example: “(12,325).”

Line 16 – California Adjustments – Additions [from Schedule CA (540), line 37, column C]

If there are differences between your federal and California income or deductions, complete Schedule CA (540). Follow the instructions for Schedule CA (540). Enter on line 16 the amount from Schedule CA (540), line 37, column C. If a negative amount, see Schedule CA (540), line 37 instructions.

Line 18 – California Itemized Deductions or California Standard Deduction

Decide whether to itemize your charitable contributions, medical expenses, mortgage interest paid, taxes, etc., or take the standard deduction. Your California income tax will be less if you take the **larger** of:

- Your California itemized deductions.
- Your California standard deduction.

California itemized deductions may be limited based on federal AGI. To compute limitations, use Schedule CA (540). RDPs use your recalculated federal AGI to figure your itemized deductions.

On federal tax returns, individual taxpayers who claim the standard deduction are allowed an additional deduction for net disaster losses. For California, deductions for disaster losses are only allowed for those individual taxpayers who itemized their deductions.

If married or an RDP and filing separate tax returns, you and your spouse/RDP must either both itemize your deductions (even if the itemized deductions of one spouse/RDP are less than the standard deduction) or both take the standard deduction.

If someone else can claim you as a dependent, you may claim the greater of the standard deduction or your itemized deductions. To figure your standard deduction, use the Form 540 – California Standard Deduction Worksheet for Dependents.

Itemized deductions. Figure your California itemized deductions by completing Schedule CA (540), Part II, line 38 through line 44. Enter the result on Form 540, line 18.

If you did not itemize deductions on your federal income tax return but will itemize deductions for your Form 540, first complete federal Schedule A (Form 1040), Itemized Deductions. Then complete Schedule CA (540), Part II, line 38 through line 44. Attach both the federal Schedule A (Form 1040) and California Schedule CA (540) to the back of your tax return.

Standard deduction. Find your standard deduction on the California Standard Deduction Chart for Most People. If you checked the box on Form 540, line 6, use the California Standard Deduction Worksheet for Dependents.

- In the **custody** of a California public agency or a California political subdivision.

Treat a prior unsuccessful attempt to adopt a child (even when the costs were incurred in a prior year) and a later successful adoption of a different child as one effort when computing the cost of adopting the child. Include the following costs if directly related to the adoption process:

- Fees for Department of Social Services or a licensed adoption agency.
- Medical expenses not reimbursed by insurance.
- Travel expenses for the adoptive family.

Note:

- This credit does not apply when a child is adopted from another country or another state, or was not in the custody of a California public agency or a California political subdivision.
- Any deduction for the expenses used to claim this credit must be reduced by the amount of the child adoption costs credit claimed.

Use the worksheet below to figure this credit **using whole dollars only**. If more than one adoption qualifies for this credit, complete a separate worksheet for each adoption. The maximum credit is limited to \$2,500 per minor child.

1. Enter qualifying costs for the child	1	_____	
2. Credit percentage — 50%	2	_____	x .50
3. Credit amount. Multiply line 1 by line 2. Do not enter more than \$2,500	3	_____	

Your allowable credit is limited to \$2,500 for 2015. Carry over the excess credit to future years until the credit is used.

Line 46 – Nonrefundable Renter’s Credit

If you paid rent for at least six months in 2015 on your principal residence located in California you may qualify to claim the nonrefundable renter’s credit which may reduce your tax. Complete the qualification record on page 21.

Line 48

Subtract the amount on line 47 from the amount on line 35. Enter the result on line 48. If the amount on line 47 is more than the amount on line 35, enter -0-.

Other Taxes

Attach the specific form or statement required for each item below.

Line 61 – Alternative Minimum Tax (AMT)

If you claim certain types of deductions, exclusions, and credits, you may owe AMT if your total income is more than:

- \$87,627 married/RDP filing jointly or qualifying widow(er)
- \$65,721 single or head of household
- \$43,812 married/RDP filing separately

A child under age 19 or a student under age 24 may owe AMT if the sum of the amount on line 19 (taxable income) and any preference items listed on Schedule P (540) and included on the return is more than the sum of \$7,400 and the child’s earned income.

AMT income does not include income, adjustments, and items of tax preference related to any trade or business of a qualified taxpayer who has gross receipts, less returns and allowances, during the taxable year of less than \$1,000,000 from **all** trades or businesses.

Get Schedule P (540) for more information. See “Order Forms and Publications.”

Line 62 – Mental Health Services Tax

If your taxable income is more than \$1,000,000, compute the Mental Health Services Tax **using whole dollars only**:

1. Taxable income from line 19	1	_____	
2. Less	2	_____	\$(1,000,000)
3. Subtotal	3	_____	
4. Tax rate – 1%	4	_____	x .01
5. Mental Health Services Tax – Multiply line 3 by line 4. Enter this amount here and on line 62.	5	_____	

Line 63 – Other Taxes and Credit Recapture

If you received an early distribution of a qualified retirement plan and were required to report additional tax on your federal tax return, you may also be required to report additional tax on your California tax return. Get form FTB 3805P, Additional Taxes on Qualified Plans (including IRAs) and Other Tax-Favored Accounts. If required to report additional tax, report it on line 63 and write “FTB 3805P” to the left of the amount.

California conforms to federal law for income received under IRC Section 409A on a nonqualified deferred compensation (NQDC) plan and discounted stock options and stock appreciation rights. Income received under IRC Section 409A is subject to an additional 5% tax of the amount required to be included in income plus interest. Include the additional tax, if any, on line 63. Write “NQDC” on the dotted line to the left of the amount.

If you owe interest on deferred tax from installment obligations, include the additional tax, if any, in the amount you enter on line 63. Write “IRC Section 453A interest” and the amount on the dotted line to the left of the amount on line 63.

If you used form(s):

- FTB 3540, Credit Carryover and Recapture Summary
- FTB 3554, New Employment Credit
- FTB 3805Z, Enterprise Zone Deduction and Credit Summary
- FTB 3807, Local Agency Military Base Recovery Area Deduction and Credit Summary
- FTB 3808, Manufacturing Enhancement Area Credit Summary
- FTB 3809, Targeted Tax Area Deduction and Credit Summary

Include the additional tax for credit recapture, if any, on line 63. Write the form number and the amount on the dotted line to the left of the amount on line 63.

Line 71 – California Income Tax Withheld

Enter the total California income tax withheld from your:

- Form(s) W-2, Wage and Tax Statement, box 17
- Form(s) W-2G, Certain Gambling Winnings, box 15
- Form(s) 1099-DIV, Dividends and Distributions, box 14

Do not include withholding from Forms 592-B, Resident and Nonresident Withholding Tax Statement, or Form 593, Real Estate Withholding Tax Statement, on this line. For more details, see instructions for line 73.

Generally, tax should not be withheld on federal Form 1099-MISC. If you want to pre-pay tax on income reported on federal Form 1099-MISC, use Form 540-ES, Estimated Tax for Individuals.

Line 72 – 2015 CA Estimated Tax and Other Payments

Enter the total of any:

- California estimated tax payments you made using 2015 Form 540-ES, electronic funds withdrawal, Web Pay, or credit card.
- Overpayment from your 2014 California income tax return that you applied to your 2015 estimated tax.
- Payment you sent with form FTB 3519, Payment for Automatic Extension for Individuals.
- California estimated tax payments made on your behalf by an estate, trust, or S corporation on Schedule K-1 (541) or Schedule K-1 (100S).

To view payments made or get your current account balance, go to ftb.ca.gov and search for **myftb account**.

If you and your spouse/RDP paid joint estimated taxes but are now filing separate income tax returns, either of you may claim the entire amount paid, or each may claim part of the joint estimated tax payments. If you want the estimated tax payments to be divided, notify the FTB before you file the tax returns so the payments can be applied to the proper account. The FTB will accept in writing, any divorce agreement (or court-ordered settlement) or a statement showing the allocation of the payments along with a notarized signature of both taxpayers.

Send statements to:

JOINT ESTIMATED CREDIT ALLOCATION MS F225
TAXPAYER SERVICES CENTER
FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO, CA 94240-0040

If you or your spouse/RDP made separate estimated tax payments, but are now filing a joint income tax return, add the amounts you each paid. Attach a statement to the front of Form 540 explaining that payments were made under both SSNs.

You do not have to make estimated tax payments if you are a nonresident or new resident of California in 2016 and did not have a California tax liability in 2015.

Line 73 – Withholding (Form 592-B and/or 593)

Enter the total of California withholding from Form 592-B, Resident and Nonresident Withholding Tax Statement and Form 593, Real Estate Withholding Tax Statement. Attach a copy of Form(s) 593 and 592-B to the lower front of Form 540, Side 1.

If your marital or filing status has changed after escrow closed and before filing your California tax return, please contact us at 888.792.4900, prior to filing your California tax return, for instructions on how to claim your withholding credit.

Caution: Do not include withholding from federal Form(s) W-2, W-2G, or 1099, or NCNR member’s tax from Schedule K-1 (568), line 15e on this line.

Line 74 – Excess California SDI (or VPD) Withheld

You may claim a credit for excess State Disability Insurance (SDI) or Voluntary Plan Disability Insurance (VPDI) if you meet **all** of the following conditions:

- You had **two or more** California employers during 2015.
- You received more than \$104,378 in social security wages. (Box 3 on your Form W-2) from California sources. If you have no social security wages (Box 3) then use total wages (Box 16).
- The amounts of SDI (or VPD) withheld appear on your Form(s) W-2. Be sure to attach your Form(s) W-2 to the lower front of your Form 540.

If SDI (or VPD) was withheld from your wages by a single employer, at more than 0.9% of your social security wages, you may not claim excess SDI (or VPD) on your Form 540. Contact the employer for a refund.

To determine the amount to enter on line 74, complete the Excess SDI (or VPD) Worksheet below. If married/RDP filing jointly, figure the amount of excess SDI (or VPD) separately for each spouse/RDP.

Excess SDI (or VPD) Worksheet			
Use whole dollars only.			
Follow the instructions below to figure the amount of excess SDI to enter on Form 540, line 74. If you are married/RDP and file a joint return, you must figure the amount of excess SDI (or VPD) separately for each spouse/RDP.			
	You	Your Spouse/RDP	
1. Add amounts of SDI (or VPD) withheld shown on your Forms W-2. Enter the total here	1		
2. 2015 SDI (or VPD) limit.	2	\$939.40	\$939.40
3. Excess SDI (or VPD) withheld. Subtract line 2 from line 1. Enter the results here. Combine the amounts on line 3 and enter the total, in whole dollars only on line 74 . . .	3		
If zero or less, enter -0- on line 74.			

Line 75 – Earned Income Tax Credit (EITC)

Enter your Earned Income Tax Credit from form FTB 3514, California Earned Income Tax Credit.

Line 76

For the Claim of Right credit, follow the reporting instructions in Schedule CA (540), line 41 under the Claim of Right.

Claim of Right: If you are claiming the tax credit on your California tax return, include the amount of the credit in the total for this line. Write in “IRC 1341” and the amount of the credit to the left of the amount column.

To determine if you are entitled to this credit, refer to your prior year California Form 540, Form 540NR (Long or Short), or Schedule CA (540 or 540NR) to verify the amount was included in your CA taxable income. If the amount repaid under a “Claim of Right” was not originally taxed by California, you are not entitled to claim the credit.

Use Tax

Line 91 – Use Tax. This is not a total line.

You may owe use tax if you make purchases from out-of-state retailers (for example, purchases made by telephone, online, by mail, or in person) where sales or use tax was not paid and you use those items in California. If you have questions about whether a purchase is taxable, go to the Board of Equalization’s website at boe.ca.gov, or call its Customer Service Center at 1.800.400.7115 or (TTY) 711 (for hearing and speech disabilities.)

Some taxpayers are required to report business purchases subject to use tax directly to the Board of Equalization. However, they may report certain personal purchases subject to use tax on the FTB income tax return.

You may not report use tax for business purposes on your income tax return if you:

- Have or are required to have a California seller’s permit.
- Are a business not required to hold a California seller’s permit, but that received at least \$100,000 per year in gross receipts.
- Are otherwise required to be registered with the Board of Equalization for sales or use tax purposes.

Note: You may not report use tax on your income tax return for certain types of transactions. These types of transactions are described in detail below in the instructions.

The Use Tax Worksheet and Estimated Use Tax Lookup Table will help you determine how much use tax to report. If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the Board of Equalization. For information on how to report use tax directly to the Board of Equalization, go to their website at boe.ca.gov and click on **Find Information About Use Tax** under the heading **How Do I**.

Failure to report and pay timely may result in the assessment of interest, penalties, and fees.

See page 22 for a general explanation of California use tax.

Use Tax Worksheet

You must use the Use Tax Worksheet to calculate your use tax liability, if any of these apply:

- You prefer to calculate the amount of use tax due based upon your actual purchases subject to use tax, rather than based on an estimate.
- You owe use tax on any item purchased for use in a trade or business not registered with the Board of Equalization.
- You owe use tax on purchases of individual items with a purchase price of \$1,000 or more each.

Example 1: You purchased a television for \$2,000 from an out-of state retailer that did not collect tax. You must use the Use Tax Worksheet to calculate the tax due on the price of the television, since the price of the television is \$1,000 or more.

Example 2: You purchased a computer monitor for \$300, a rare coin for \$500, and designer clothing for \$250 from out-of-state retailers that did not collect tax. Although the total price of all the items is \$1,050, the price of each item is less than \$1,000. Since none of these individual items are \$1,000 or more, you are not required to use the Use Tax Worksheet and may choose to use the Estimated Use Tax Lookup Table.

If you have a combination of individual items purchased for \$1,000 or more, and/or items purchased for use in a trade or business not registered with the Board of Equalization, and individual, non-business items purchased for less than \$1,000, you may either:

- Use the Use Tax Worksheet to compute use tax due on all purchases, or
- Use the Use Tax Worksheet to compute use tax due on all individual items purchased for \$1,000 or more plus items purchased for use in a trade or business. Use the Estimated Use Tax Lookup Table to estimate the use tax due on individual, non-business items purchased for less than \$1,000, then add the amounts and report the total use tax on line 91.

Example 3: The total price of the items you purchased from out-of-state retailers that did not collect use tax is \$2,300, which includes a \$1,000 television, a \$900 painting, and a \$400 table for your living room.

- You may choose to calculate the use tax due on the total price of \$2,300 using the Use Tax Worksheet, or
- You may choose to calculate the use tax due on the \$1,000 price of the television using the Use Tax Worksheet and estimate your use tax liability for the painting and table by using the Estimated Use Tax Lookup Table, then add the amounts and report the total use tax on line 91.

Use Tax Worksheet (See Instructions Below)
Use whole dollars only

1. Enter purchases from out-of-state sellers made without payment of California sales/use tax. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, only enter purchases of items with a purchase price of \$1,000 or more plus items purchased for use in a trade or business not registered with the Board of Equalization. \$ _____ .00
2. Enter the applicable sales and use tax rate. _____
3. Multiply line 1 by the tax rate on line 2.
Enter result here \$ _____ .00
4. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, enter the use tax amount due from the Estimated Use Tax Lookup Table. If all of your purchases are included in line 1, enter -0-. \$ _____ .00
5. Add lines 3 and 4. This is your total use tax \$ _____ .00
6. Enter any sales or use tax you paid to another state for purchases included on line 1.
See worksheet instructions below. \$ _____ .00
7. Subtract line 6 from line 5. This is the total use tax due.
Enter the amount due on line 91. If the amount is less than zero, enter -0-. \$ _____ .00

Worksheet, Line 1, Purchases Subject to Use Tax

Report purchases of items that would have been subject to sales tax if purchased from a California retailer unless your receipt shows that California tax was paid directly to the retailer. For example, generally, you would include purchases of clothing, but not purchases of food products or prescription medicine. For more information on nontaxable and exempt purchases, you may visit the Board of Equalization's website at boe.ca.gov.

- Include handling charges.
- Do not include any other state's sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and hand carried items back to California, generally use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less an \$800 per-person exemption. For the hand carried items, you should report the amount of purchases in excess of the \$800 per person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier. For goods sent or shipped, you should report the entire amount of the purchases.
- If your filing status is "married/RDP filing separately," you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP may report the remaining half on his or her income tax return or on the individual use tax return available from the Board of Equalization.

Note: You must report and pay any use tax you owe on the following purchases directly to the Board of Equalization, not on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.
- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Leases of machinery, equipment, vehicles, and other tangible personal property.
- Cigarettes and tobacco products when the purchaser is registered with the Board of Equalization as a cigarette and/or tobacco products consumer.

Worksheet, Line 2, Sales and Use Tax Rate

Enter the sales and use tax rate applicable to the place in California where the property was used, stored, consumed, or given away. To find your sales and use tax rate using your computer or mobile device, please go to the Board of Equalization's website at boe.ca.gov. Look under the heading, **Popular Topics**, then click on **Latest Sales and Use Tax Rates**. You may also call their Customer Service Center at 800.400.7115 or (TTY) 711 (for hearing and speech disabilities.)

Worksheet, Line 6, Credit for Tax Paid to Another State

This is a credit for tax paid to other states on purchases reported on Line 1. You can claim a credit up to the amount of tax that would have been due if the purchase had been made in California. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

Estimated Use Tax Lookup Table

You may use the Estimated Use Tax Lookup Table to estimate and report the use tax due on individual non-business items you purchased for less than \$1,000 each. This option is only available if you are permitted to report use tax on your income tax return and you are not required to use the Use Tax Worksheet to calculate the use tax owed on all your purchases. Simply include the use tax liability that corresponds to your California Adjusted Gross Income (found on line 17) and enter it on line 91. You will not be assessed additional use tax on the individual non-business items you purchased for less than \$1,000 each.

You may not use the Estimated Use Tax Lookup Table to estimate and report the use tax due on purchases of items for use in your business or on purchases of individual non-business items you purchased for \$1,000 or more each. See the instructions for the Use Tax Worksheet if you have a combination of purchases of individual non-business items for less than \$1,000 each and purchases of individual non-business items for \$1,000 or more.

\$150,000 to \$174,999	\$57
\$175,000 to \$199,999	\$66
More than \$199,999 – Multiply AGI by 0.035% (x0.00035)	

Enter your use tax liability on Line 4 of the worksheet, or if you are not required to use the worksheet, enter the amount on Line 91 of your income tax return.

Overpaid Tax or Tax Due

To avoid delay in processing of your tax return, enter the correct amounts on line 94 through line 97.

Line 94 – Overpaid Tax

If the amount on line 92 is more than the amount on line 64, your payments and credits are more than your tax. Subtract the amount on line 64 from the amount on line 92. Enter the result on line 94.

Choose e-file and Direct Deposit and get your refund faster.

Line 95 – Amount You Want Applied to Your 2016 Estimated Tax

Apply all or part of the amount on line 94 to your estimated tax for 2016. Enter on line 95 the amount of line 94 that you want applied to your 2016 estimated tax.

An election to apply an overpayment to estimated tax is binding. Once the election is made, the overpayment cannot be applied to a deficiency after the due date of the tax return.

Line 96 – Overpaid Tax Available This Year

If you entered an amount on line 95, subtract it from the amount on line 94. Enter the result on line 96. Choose to have this entire amount refunded to you or make voluntary contributions from this amount. See “Voluntary Contribution Fund Descriptions” for more information.

Line 97 – Tax Due

If the amount on line 92 is less than the amount on line 64, subtract the amount on line 92 from the amount on line 64. Enter the result on line 97. Your tax is more than your payments and credits.

There is a penalty for not paying enough tax during the year. You may have to pay a penalty if:

- The tax due on line 97 is \$500 or more (\$250 or more if married/RDP filing separately).
- The amount of state income tax withheld on line 71 is less than 90% of the amount of your total tax on line 64.

If this applies to you, see instructions on line 113.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee’s Withholding Allowance Certificate, and give it to your employer’s appropriate payroll staff. Get this form from your employer or by calling EDD at **888.745.3886**. Download the DE 4 at edd.ca.gov or to use the online calculator, go to ftb.ca.gov and search for **de 4**.

Form DE 4 specifically adjusts your California state withholding and is not the same as the federal Form W-4, Employee’s Withholding Allowance Certificate.

Contributions

You can make voluntary contributions to the funds listed on Side 4. See “Voluntary Contributions Fund Descriptions” for more information.

You may also contribute any amount to the **State Parks Protection Fund/Parks Pass Purchase**. To receive a single annual park pass, your contribution must equal or exceed \$195. When applicable, FTB will forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will **not** be forwarded to DPR. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information go to parks.ca.gov/annualpass/ or email info@parks.ca.gov.

Amount You Owe

Add or subtract correctly to figure the amount you owe.

Line 111 – Amount You Owe

If you do not have an amount on line 96, add the amount on line 93, line 97, and line 110, if any. Enter the result on line 111.

If you have an amount on line 96 and the amount on line 110 is more than line 96, subtract line 96 from line 110 and enter the difference on line 111.

To avoid a late filing penalty, file your Form 540 by the extended due date even if you cannot pay the amount you owe.

Mandatory Electronic Payments. You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals that do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

Electronic payments can be made using Web Pay on FTB’s website, electronic funds withdrawal (EFW) as part of the e-file return, or your credit card. For more information or to obtain the waiver form, go to ftb.ca.gov and search for **mandatory e-pay**.

Payment Options

- **Electronic Funds Withdrawal** – Instead of paying by check or money order, use this convenient option if you e-file. Simply provide your bank information, amount you want to pay, and the date you want the balance due to be withdrawn from your account. Your tax preparation software will offer this option.
- **Web Pay** – Pay the amount you owe using our secure online payment service. Go to ftb.ca.gov for more information.
- **Credit Card** – Use your Discover, MasterCard, Visa, or American Express card to pay your tax. If you pay by credit card, do not mail form FTB 3519 to us. - **Check or Money Order** – Using black or blue ink, make your check or money order payable to the “Franchise Tax Board.” **Do not send cash.** Write your SSN or ITIN and “2015 Form 540” as applicable on the check or money order. Enclose, but **do not** staple, your payment with your tax return.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution. **Do not** combine your 2015 tax payment and any 2016 estimated tax payment in the same check. Prepare two separate checks and mail each in a separate envelope.

If you e-filed your tax return, mail your check or money order with form FTB 3582, Payment Voucher for Individual e-filed Returns. **Do not** mail a copy of your e-filed tax return.

A penalty may be imposed if your check is returned by your bank for insufficient funds.

Paying by Credit Card – Whether you e-file or file by mail, use your Discover, MasterCard, Visa, or American Express card to pay your personal income taxes (tax return balance due, extension payment, estimated tax payment, or tax due with bill notice). **There is a convenience fee for this service.** This fee is paid directly to Official Payments Corp. based on the amount of your tax payment.

Convenience Fee

- 2.30% of the tax amount charged (rounded to the nearest cent)
- Minimum fee: \$1

Example:

Tax Payment = \$753.56 Convenience Fee = \$17.33

When will my payments be effective?

Your payment is effective on the date you charge it.

What if I change my mind?

If you pay your tax liability by credit card and later reverse the credit card transaction, you may be subject to penalties, interest, and other fees imposed by the FTB for nonpayment or late payment of your tax liability.

How do I use my credit card to pay my income tax bill?

Once you have determined the type of payment and how much you owe, have the following ready:

- Your Discover, MasterCard, Visa, or American Express card

Interest and Penalties

If you file your tax return or pay your tax after the due date, you may owe interest and penalties on the tax due.

Do not reduce the amount on line 94 or increase the amount on line 97 by any penalty or interest amounts. Enter on Form 540, line 112 the amount of interest and penalties.

Line 112 – Interest and Penalties

Interest. Interest will be charged on any late filing or late payment penalty from the original due date of the return to the date paid. In addition, if other penalties are not paid within **15** days, interest will be charged from the date of the billing notice until the date of payment. Interest compounds daily and the interest rate is adjusted twice a year. The FTB website has a chart of interest rates in effect since 1976. Go to ftb.ca.gov and search for **interest rates**.

Late Filing of Tax Return. If you do not file your tax return by October 17, 2016, you will incur a late filing penalty plus interest from the original due date of the tax return. The maximum total penalty is 25% of the tax not paid if the tax return is filed after October 17, 2016. The minimum penalty for filing a tax return more than 60 days late is \$135 or 100% of the balance due, whichever is less.

Late Payment of Tax. If you fail to pay your total tax liability by April 18, 2016, you will incur a late payment penalty plus interest. The penalty is 5% of the tax not paid when due plus 1/2% for each month, or part of a month, the tax remains unpaid. We may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax shown on the return is paid by the original due date of the return. However, the imposition of interest is mandatory. If, after April 18, 2016, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest.

Penalties. To avoid late payment penalties for use tax, you must report and pay the use tax with a timely filed income tax return, or California Individual Use Tax return.

Other Penalties. We may impose other penalties if a payment is returned for insufficient funds. We may also impose penalties for negligence, substantial understatement of tax, and fraud.

Line 113 – Underpayment of Estimated Tax

You may be subject to an estimated tax penalty if any of the following is true:

- Your withholding and credits are less than 90% of your current tax year liability.
- Your withholding and credits are less than 100% of your prior year tax liability (110% if AGI is more than \$150,000 or \$75,000 if married/RDP filing separately).
- You did not pay enough through withholding to keep the amount you owe with your tax return under \$500 (\$250 if married/RDP filing separately).

The FTB can figure the penalty for you when you file your tax return and send you a bill.

Is line 97 less than \$500 (\$250 if married/RDP filing separately)?

Yes Stop. You are not subject to an estimated payment penalty.

No Continue. You may be subject to an estimated payment penalty.

Is line 97 less than 10% of the amount on line 48? Form 540 filers: this excludes the tax on lump-sum distributions on Form 540, line 34.

Yes Stop. You are not subject to an estimated payment penalty.

No You may be subject to an estimated payment penalty; get form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries (or form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen).

The underpayment of estimated tax penalty shall not apply to the extent the underpayment of an installment was created or increased by any provision of law that is chartered during and operative for the taxable year of the underpayment. To request a waiver of the underpayment of estimated tax penalty, get form FTB 5805 or form FTB 5805F. See "Where To Get Income Tax Forms and Publications."

If you complete one of these forms, attach it to the back of your Form 540. Enter the amount of the penalty on line 113 and check the correct box on line 113. Complete and attach the form if you claim a waiver, use the annualized income installment method, or pay tax according to the schedule for farmers and fishermen, even if you do not owe a penalty.

See "Important Dates" for more information on estimated tax payments and how to avoid the underpayment penalty.

See the instructions for Form 540, line 114 for information about figuring your payment, if any.

Line 114 – Total Amount Due

Is there an amount on line 111?

Yes Add line 111, line 112, and line 113. Enter the result on line 114. For payment options, see line 111 instructions.

No Go to line 115.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

Refund or No Amount Due**Line 115 – Refund or No Amount Due**

Did you report amounts on line 110, line 112, or line 113?

No Enter the amount from line 96 on line 115. This is your refund amount. If it is less than \$1, attach a written statement to your Form 540 requesting the refund.

Yes Combine the amounts from line 110, line 112, and line 113. If the result is:

- Less than line 96, subtract the sum of line 110, line 112, and line 113 from line 96 and enter on line 115. This is your refund amount.
- More than line 96, subtract line 96 from the sum of line 110, line 112, and line 113 and enter the result on line 114. This is your total amount due. For payment options, see line 111 instructions.

Want a fast refund? Get your refund in 10 days or less when you e-file your tax return.

Direct Deposit (Refund Only)

Line 116 and Line 117 – Direct Deposit of Refund

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on line 116 and line 117. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration below.

Individual taxpayers may request that their refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

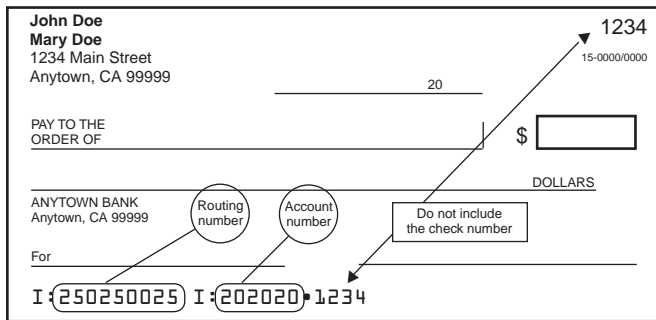

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. Do not check more than one box for each line.

Enter the portion of your refund you want directly deposited into each account. Each deposit must be at least \$1. The total of line 116 and line 117 must equal the total amount of your refund on line 115. If line 116 and line 117 do not equal line 115, the FTB will issue a paper check.

Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

Direct Deposit for ScholarShare 529 College Savings Plans – If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account.

Fill in the routing number, account type and account number. To obtain the nine-digit routing number go to scholarshare.com or call 800.544.5248. Check “Checking” as type of account. Sign Your Tax Return

You must sign your tax return in the space provided on Form 540, Side 5. If you file a joint tax return, your spouse/RDP must sign the tax return also.

Include your phone number and email address in case the FTB needs to contact you for information needed to process your tax return. By providing this information the FTB will be able to process your tax return or issue your refund faster.

Joint Tax Return. If you file a joint tax return, both you and your spouse/RDP are generally responsible for the tax and any interest or penalties due on the tax return. This means that if one spouse/RDP does not pay the tax due, the other may be liable. See “Innocent Joint Filer Relief.”

Paid Preparer’s Information. If you pay a person to prepare your Form 540, that person signs and completes the area at the bottom of Side 5 including an identification number. The IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

Third Party Designee. If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2015 tax return with the FTB, check the “Yes” box in the signature area of your tax return. Also print the designee’s name and telephone number.

If you check the “Yes” box you, and your spouse/RDP, if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and tax return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee’s authorization, go to ftb.ca.gov and search for **poa**.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2016 tax return. This is April 15, 2017, for most people. If you wish to revoke the authorization before it ends, notify us by telephone at 800.852.5711 or by writing to Franchise Tax Board, PO Box 942840, Sacramento, CA 94240-0040, include your name, SSN, and the designee’s name.

Power of Attorney. If another person prepared your tax return, he or she is not automatically granted access to your tax information in future dealings with us. At some point, you may wish to designate someone to act on your behalf in matters related or unrelated to this tax return (e.g., an audit examination). To protect your privacy, you must submit to us a legal document called a “Power of Attorney” (POA) authorizing another person to discuss or receive personal information about your income tax records.

For more information, go to ftb.ca.gov and search for **poa**.

Filing Your Tax Return

Attach all the Form(s) W-2 and W-2G you received to the lower front of your tax return. Also, attach any Forms(s) 1099, 592-B, and 593 showing California income tax withheld.

If you do not receive your Form(s) W-2 by January 31, 2016, contact your employer or go to ftb.ca.gov and search for **myftb account**. Only your employer can issue or correct a Form W-2. Additional Information

California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases of merchandise for use in California from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the Board of Equalization, you may be able to report and pay the use tax due on your state income tax return. See the information below and the instructions for line 91 of your income tax return.

In general, you must pay California use tax on purchases of merchandise for use in California made from out of state sellers, for example, by telephone, over the Internet, by mail, or in person.

You must pay California use tax on taxable items if:

- The seller does not collect California sales or use tax, and
- You use, give away, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax on the purchase.

However, not all purchases require you to pay use tax. For example, you would include purchases of clothing, but not purchases of food products or prescription medicine. For more information on nontaxable and exempt purchases, you may refer to Publication 61, *Sales and Use Taxes: Exemptions and Exclusions*, on the Board of Equalization's website at boe.ca.gov.

For information about California use tax, please refer to the Board of Equalization's website at boe.ca.gov. Under the heading **How Do I**, click on **Find Information About Use Tax**.

Complete the Use Tax Worksheet or use the Use Tax Lookup Table on page 15, to calculate the amount due.

Extensions to File. If you request an extension to file your income tax return, wait until you file your tax return to report your purchases subject to use tax and make your use tax payment.

Interest, Penalties and Fees. Failure to timely report and pay the use tax due may result in the assessment of interest, penalties, and fees.

Application of Payments. The application of payments and credits for use tax reported on an income tax return has changed. Beginning with taxable years starting on or after January 1, 2015, payments and credits will be applied first to the use tax liability, instead of income tax liabilities, penalties, and interest.

Changes in Use Tax Reported. Do not file an Amended Income Tax Return (Form 540X) to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original return contact the Board of Equalization.

For assistance with your use tax questions, go to the Board of Equalization's website at boe.ca.gov or call their Customer Service Center at 800.400.7115 or (TTY) 711 (for hearing and speech disabilities). For California income tax information, contact the Franchise Tax Board at ftb.ca.gov.

Collection Fees

The FTB is required to assess collection and filing enforcement cost recovery fees on delinquent accounts.

Deceased Taxpayers

A final return must be filed for a person who died in 2015 if a tax return normally would be required. The administrator or executor, if one is appointed, or beneficiary must file the tax return. Print "deceased" and the date of death next to the taxpayer's name at the top of the tax return.

If you are a surviving spouse/RDP and no administrator or executor has been appointed, file a joint tax return if you did not remarry or enter into another registered domestic partnership during 2015. Indicate next to your signature that you are the surviving spouse/RDP.

You may also file a joint tax return with an administrator or executor acting on behalf of the deceased taxpayer.

If you file a tax return and claim a refund due to a deceased taxpayer, you are certifying under penalty of perjury either that you are the legal representative of the deceased taxpayer's estate (in this case, attach certified copies of the letters of administration or letters testamentary) or that you are entitled to the refund as the deceased's surviving relative or sole beneficiary under the provisions of the California Probate Code. You must also attach a copy of federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer, or a copy of the death certificate when you file a tax return and claim a refund due.

Innocent Joint Filer Relief

If you file a joint tax return, both you and your spouse/RDP are generally responsible for paying the tax and any interest or penalties due on the tax return. However, you may qualify for relief of payment on all or part of the balance as an innocent joint filer. For more information, get FTB Pub. 705, *Innocent Joint Filer - Relief From Paying California Income Taxes*, at ftb.ca.gov or call 916.845.7072, Monday - Friday between 8 a.m. to 5 p.m. except holidays.

Military Personnel

If you are a member of the military and need additional information on how to file your tax return, get FTB Pub. 1032, *Tax Information for Military Personnel*. See "Order Forms and Publications."

Requesting a Copy of Your Tax Return

The FTB keeps personal income tax returns for three and one-half years from the original due date. To get a copy of your tax return, write a letter or complete form FTB 3516, *Request for Copy of Personal Income Tax or Fiduciary Return*. In most cases, a \$20 fee is charged for each taxable year you request. However, no charge applies for victims of a designated California or federal disaster; or you request copies from a field office that assisted you in completing your tax return. See "Where To Get Tax Forms and Publications" to download or order form FTB 3516.

Local Benefits

You cannot deduct the amounts you pay for local benefits that apply to property in a limited area (construction of streets, sidewalks, or water and sewer systems). You must look at your real estate tax bill to determine if any nondeductible itemized charges are included in your bill. For more information, go to ftb.ca.gov and search for **real estate tax** or get federal Publication 17, *Your Federal Income Tax-For Individuals*, Chapter 22.

Vehicle License Fees for Federal Schedule A

On your federal Schedule A (Form 1040), you may deduct the California motor vehicle license fee listed on your Vehicle Registration Billing Notice from the Department of Motor Vehicles. The other fees listed on your billing notice such as registration fee, weight fee, and county fees are not deductible.

Voting Is Everybody's Business

You may register to vote if you meet these requirements:

- You are a United States citizen.
- You are a resident of California.
- You will be 18 years old by the date of the next election.
- You are not in prison or on parole for the conviction of a felony.

You need to re-register every time you move, change your name, or wish to change political parties. In order to vote in an election, you must be registered to vote at least 15 days before that election. If you need to get a Voter Registration Card, call the California Secretary of State's voter hotline at 800.345.VOTE or go to sos.ca.gov.

If You File Electronically

If you e-file your tax return, make sure all the amounts entered on the paper copy of your California return are correct before you sign form FTB 8453, *California e-file Return Authorization for Individuals*, or form FTB 8879, *California e-file Signature Authorization for Individuals*. If you are requesting direct deposit of a refund, make sure your account and routing information is correct. Your tax return can be transmitted to FTB by your preparer or electronic e-file service only after you sign form FTB 8453 or form FTB 8879. The preparer or electronic e-file service must provide you with:

- A copy of forms FTB 8453 or FTB 8879.
- Any original Forms W-2, 592-B, 593, 1099-G, and other Forms 1099 that you provided.
- A paper copy of your California tax return showing the data transmitted to the FTB.

You cannot retransmit an e-filed tax return once we've accepted the original. You can correct an error only by completing Form 540X, *Amended Individual Income Tax Return*, and mailing the paper copy to us. See "Where To Get Income Tax Forms and Publications."

Frequently Asked Questions

(Go to ftb.ca.gov for more frequently asked questions.)

1. What if I can't file by April 18, 2016, and I think I owe tax?

You must pay 100% of the amount you owe by April 18, 2016, to avoid interest and penalties. If you cannot file because you have not received all your Form(s) W-2, estimate the amount of tax you owe by completing form FTB 3519, Payment for Automatic Extension for Individuals. Mail it to the FTB with your payment by April 18, 2016 or pay online at ftb.ca.gov. Then, when you receive all your Form(s) W-2, complete and mail your tax return by October 17, 2016 (you must use Form 540).

2. I never received a Form W-2. What should I do?

204

If all of your Form(s) W-2 were not received by January 31, 2016, contact your employer. Only an employer issues or corrects a Form W-2. For more information, call 800.338.0505, select "Personal Income Tax," then "Frequently Asked Questions," and enter code **204** when instructed.

If you e-file, you get the fastest possible refund. Your refund check generally is mailed within seven to ten calendar days (or if you request direct deposit, the refund generally posts to your checking or savings account within five to seven banking days) from the time the FTB receives your e-filed return. For more information about e-filing, go to ftb.ca.gov and search for **efile** or call 800.338.0505, select "Personal Income Tax," then select "Frequently Asked Questions," and enter code **112** when instructed.

If you do not e-file your tax return, you will generally receive your refund check within six to eight weeks after you file your tax return. If you request direct deposit, the refund posts to your account within six to eight weeks after you file your tax return.

6. I expected my refund by now. How can I check on the status?

Go to ftb.ca.gov and search for **refund status**. You will need your social security number (SSN) or individual taxpayer identification number (ITIN) and the refund amount from your tax return.

You can also call our automated phone service. See page 83 for more information.

7. I discovered an error on my tax return. What should I do?

908

If you discover that you made an error on your California income tax return after you filed it (paper or e-filed), use Form 540X, Amended Individual Income Tax Return, to correct your return. Get Form 540X at ftb.ca.gov or call 800.338.0505 and enter code **908**. You cannot e-file an amended return.

8. The Internal Revenue Service (IRS) made changes to my federal tax return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. Either use Form 540X to correct the California income tax return you already filed, or send a copy of the federal changes to:

ATTN RAR/VOL MS F310
FRANCHISE TAX BOARD
PO BOX 1998
RANCHO CORDOVA CA 95741-1998

or Fax the information to 916.843.2269.

If you have a question relating to the IRS audit adjustment call 916.845.4028.

For general tax information or questions, call 800.852.5711.

Regardless of which method you use to notify the FTB, you must include a copy of the final federal determination along with all data and schedules on which the federal adjustment was based. Get FTB Pub. 1008, Federal Tax Adjustments and Your Notification Responsibilities to California, for more information. See "Order Forms and Publications."

File Form 540X only if the change affected your California tax liability.

9. How long should I keep my tax information?

Requests for information regarding your California income tax return usually occurs within the California statute of limitations period, which is usually the later of four years from the due date of the tax return or four years from the file date of the tax return. (**Exception:** An extended statute of limitations period applies for California or federal tax returns related or subject to a federal audit.)

Keep a copy of your tax return and the records that verify the income, deductions, adjustments, or credits reported on your return. Some records should be kept longer. For example, keep property records as long as needed to figure the basis of the property or records needed to verify carryover items (i.e., net operating losses) or records needed to track deferred gains on a 1031 exchange.

10. I will be moving after I file my tax return. How do I notify the FTB of my new address?

Notify the FTB of your new address by using form FTB 3533, Change of Address. This form is available at ftb.ca.gov. You may also go to ftb.ca.gov and search for **myftb account** or call 800.852.5711, select "Personal Income Tax," then select option 6 to report a change of address. If you change your address online or by phone, you do not need to file form FTB 3533.

After filing your tax return, report a change of address to us for up to four years, especially if you leave the state and no longer have a requirement to file a California tax return.

11. Are all domestic partners required to file joint or separate tax returns?

No, only domestic partners who are registered with the California Secretary of State are required to file using the married/RDP filing jointly or married/RDP filing separately filing status.

Voluntary Contribution Fund Descriptions

Make voluntary contributions of \$1 or more in whole dollar amounts to the funds listed below. To contribute to the California Seniors Special Fund, use the instructions for code 400 below. The amount you contribute either reduces your overpaid tax or increases your tax due. You may contribute only to the funds listed and cannot change the amount you contribute after you file your tax return. For more information, go to ftb.ca.gov and search for **voluntary contributions**.

Code 400, California Seniors Special Fund – If you and/or your spouse/RDP are 65 years of age or older as of January 1, 2016, and claim the Senior Exemption Credit on line 7, you may make a combined total contribution of up to \$218 or \$109 per spouse/RDP. Contributions made to this fund will be distributed to the Area Agency on Aging Councils (TACC) to provide advice on and sponsorship of Senior Citizens issues. Any excess contributions not required by TACC will be distributed to senior citizen service organizations throughout California for meals, adult day care, and transportation.

Code 401, Alzheimer's Disease/Related Disorders Fund – Contributions will be used to provide grants to California scientists to study Alzheimer's disease and related disorders. This research includes basic science, diagnosis, treatment, prevention, behavioral problems, and caregiving. With almost 600,000 Californians living with the disease and another 2 million providing care to a loved one with Alzheimer's, our state is in the early stages of a major public health crisis. Your contribution will ensure that Alzheimer's disease receives the attention, research, and resources it deserves. For more information go to cdph.ca.gov and search for **Alzheimer**.

Code 403, Rare and Endangered Species Preservation Program – Contributions will be used to help protect and conserve California's many threatened and endangered species and the wild lands that they need to survive, for the enjoyment and benefit of you and future generations of Californians.

Code 405, California Breast Cancer Research Fund – Contributions will fund research toward preventing and curing breast cancer. Breast cancer is the most common cancer to strike women in California. It kills 4,000 California women each year. Contributions also fund research on prevention and better treatment, and keep doctors up-to-date on research progress. For more about the research your contributions support, go to cbcrp.org. Your contribution can help make breast cancer a disease of the past.

Code 406, California Firefighters' Memorial Fund – Contributions will be used for the repair and maintenance of the California Firefighters' Memorial on the grounds of the State Capitol, ceremonies to honor the memory of fallen firefighters and to assist surviving loved ones, and for an informational guide detailing survivor benefits to assist the spouses/RDPs and children of fallen firefighters.

Code 407, Emergency Food for Families Fund – Contributions will be used to help local food banks feed California's hungry. Your contribution will fund the purchase of much-needed food for delivery to food banks, pantries, and soup kitchens throughout the state. The State Department of Social Services will monitor its distribution to ensure the food is given to those most in need.

Code 408, California Peace Officer Memorial Foundation Fund – Contributions will be used to preserve the memory of California's fallen peace officers and assist the families they left behind. Since statehood, over 1,300 courageous California peace officers have made the ultimate sacrifice while protecting law-abiding citizens. The non-profit charitable organization, California Peace Officers' Memorial Foundation, has accepted the privilege and responsibility of maintaining a memorial for fallen officers on the State Capitol grounds. Each May, the Memorial Foundation conducts a dignified ceremony honoring fallen officers and their surviving families by offering moral support, crisis counseling, and financial support that includes academic scholarships for the children of those officers who have made the supreme sacrifice. On behalf of all of us and the law-abiding citizens of California, thank you for your participation.

Code 410, California Sea Otter Fund – The California Coastal Conservancy and the Department of Fish and Wildlife will each be allocated 50% of the contributions. Contributions allocated to the California Coastal Conservancy will be used for research, science, protection, projects, or programs related to the Federal Sea Otter Recovery Plan or improving the nearshore ocean ecosystem, including, program activities to reduce sea otter mortality. Contributions allocated to the Department of Fish and Wildlife will be used to establish a sea otter fund within the department's index coding system for increased investigation, prevention, and enforcement action.

Code 413, California Cancer Research Fund – Contributions will be used to conduct research relating to the causes, detection, and prevention of cancer and to expand community-based education on cancer, and to provide prevention and awareness activities for communities that are disproportionately at risk or afflicted by cancer.

Code 419, Child Victims of Human Trafficking Fund – Contributions will be used to fund, through grants, eligible community-based organizations that agree to provide services to minors who are victims of human trafficking.

Code 422, School Supplies for Homeless Children Fund – Contributions will be used to provide school supplies and health-related products to homeless children.

Code 423, State Parks Protection Fund/Parks Pass Purchase – Contributions will be used for the protection and preservation of California's state parks and for the cost of a Vehicle Day Use Annual Pass valid at most park units where day use fees are collected. The pass is not valid at off-highway vehicle units, or for camping, oversized vehicle, extra vehicle, per-person, or supplemental fees. If a taxpayer's contribution equals or exceeds \$195 the taxpayer will receive a single Vehicle Day Use Annual Pass. Amounts contributed in excess of the parks pass cost may be deducted as a charitable contribution for the year in which the voluntary contribution is made. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information go to parks.ca.gov/annualpass/ or email info@parks.ca.gov.

In its 35+ years, over 198 CSL bills have been signed by the California Governor. 2015 Instructions for Schedule CA (540)

References to these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and the California Revenue and Taxation Code (R&TC).

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Conformity

For updates regarding federal acts, go to ftb.ca.gov and search for **conformity**.

Registered Domestic Partners (RDP) – RDPs will compute their limitations based on the combined federal adjusted gross income (AGI) of each spouse's or partner's individual tax return filed with the Internal Revenue Service (IRS).

For column A, line 7 through line 21, and line 23 through line 35, combine your federal amounts from each spouse's or partner's individual federal tax return. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

The combined federal AGI used to compute limitations is different from the recalculated federal AGI used on Form 540, California Resident Income Tax Return, line 13. In situations where RDPs have no RDP adjustments, these amounts may be the same.

Military Personnel – Servicemembers domiciled outside of California, and their spouses/RDPs, may exclude the servicemember's military compensation from gross income when computing the tax rate on nonmilitary income. Requirements for military servicemembers domiciled in California remain unchanged. Military servicemembers domiciled in California must include their military pay in total income. In addition, they must include their military pay as California source income when stationed in California. However, military pay is not California source income when a servicemember is permanently stationed outside of California. Beginning 2009, the federal Military Spouses Residency Relief Act may affect the California income tax filing requirements for spouses of military personnel. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

Purpose

Use Schedule CA (540), California Adjustments – Residents, to make adjustments to your federal adjusted gross income and to your federal itemized deductions using California law.

Specific Line Instructions

Part I Income Adjustment Schedule

Column A — Federal Amounts

Line 7 through Line 21

Enter on line 7 through line 21 the same amounts you entered on your federal Form 1040, U.S. Individual Income Tax Return, line 7 through line 21; Form 1040A, U.S. Individual Income Tax Return, line 7 through line 14b; or Form 1040EZ, Income Tax Return for Single and Joint Filers With No Dependents, line 1, line 2, and line 3.

Line 22 – Total

Combine the amounts on line 7 through line 21.

Line 23 through Line 30 and Line 32 through Line 35

Enter the same amounts entered on your federal Form 1040, line 23 through line 30 and line 32 through line 35 or Form 1040A, line 16 through line 19.

Line 31a and Line 31b

Enter on line 31a the same amount entered on your federal Form 1040, line 31a. Enter on line 31b the social security number (SSN) or individual taxpayer identification number (ITIN) and last name of the person to whom you paid alimony.

Line 36

Add line 23 through line 31a and line 32 through line 35. However, if you made any of the adjustments described in the instructions for federal Form 1040, line 36 or if you claimed the foreign housing deduction from federal Form 2555, Foreign Earned Income, or Form 2555-EZ, Foreign Earned Income Exclusion, enter the amount from Form 1040, line 36 on this line.

Line 37 – Total

Subtract line 36 from line 22. This amount should match the amount entered on federal Form 1040, line 37.

Column B and Column C — Subtractions and Additions

Use these columns to enter subtractions and additions to the federal amounts in column A that are necessary because of differences between California and federal law. Enter all amounts as positive numbers unless instructed otherwise.

You may need one or more of the following FTB publications to complete column B and column C:

- 1001, Supplemental Guidelines to California Adjustments
- 1005, Pension and Annuity Guidelines
- 1031, Guidelines for Determining Resident Status
- 1032, Tax Information for Military Personnel
- 1100, Taxation of Nonresidents and Individuals Who Change Residency

To get forms and publications, go to ftb.ca.gov.

Line 7 – Wages, Salaries, Tips, etc.

Generally, you will not make any adjustments on this line. If you did not receive any of the following types of income, make no entry on this line in either column B or column C.

Active duty military pay. Special rules apply to active duty military taxpayers. Get FTB Pub. 1032 for more information.

Sick pay received under the Federal Insurance Contributions Act and Railroad Retirement Act. California excludes this item from income. Enter in column B the amount of these benefits included in the amount in column A.

Ridesharing fringe benefit differences. Under federal law, qualified transportation benefits are excluded from gross income. Under the R&TC, there are no monthly limits for the exclusion of these benefits and California's definitions are more expansive. Enter the amount of ridesharing benefits received and included in federal income on line 7, column B.

Exclusion for compensation from exercising a California Qualified Stock Option (CQSO). To claim this exclusion:

- Your earned income is \$40,000 or less from the corporation granting the CQSO.
- The market value of the options granted to you must be less than \$100,000.
- The total number of shares must be 1,000 or less.
- The corporation issuing the stock must designate that the stock issued is a CQSO at the time the option is granted.

If you included an amount qualifying for this exclusion in federal income, enter that amount in column B.

Employer health savings account (HSA) contribution. Enter the amount of any employer HSA contribution from federal Form W-2, box 12, code W on line 7, column C.

Income exclusion for In-Home Supportive Services (IHSS) supplementary payments – If you are an IHSS provider who received IHSS supplementary payments that were included in federal wages, enter the IHSS supplementary payments on line 7, column B. IHSS providers only receive a supplementary payment if they paid a sales tax on the IHSS services they provide. The supplementary payment is equal to the sales tax paid plus any increase in the federal payroll withholding paid due to the supplementary payment.

Line 8 – Taxable Interest

If you did not receive any of the kinds of income listed below, make no entry on this line in either column B or column C.

Enter in column B the interest you received from:

- U.S. savings bonds (except for interest from series EE U.S. savings bonds issued after 1989 that qualified for the Education Savings Bond Program exclusion).
- U.S. Treasury bills, notes, and bonds.
- Any other bonds or obligations of the United States and its territories.
- Interest from Ottoman Turkish Empire Settlement Payments.
- Interest income from children under age 19 or students under age 24 included on the child's federal tax return and reported on the California tax return by the parent. For more information, get form FTB 3803, Parents' Election to Report Child's Interest and Dividends

Certain mutual funds pay "exempt-interest dividends." If the mutual fund has at least 50% of its assets invested in tax-exempt U.S. obligations and/or in California or its municipal obligations, that amount of dividend is exempt from California tax. The proportion of dividends that are tax-exempt will be shown on your annual statement or statement issued with Form 1099-DIV, Dividends and Distributions.

Enter in column C the interest you identified as tax-exempt interest on your federal Form 1040 (or Form 1040A), line 8b, **and** which you received from:

- The federally exempt interest dividends from other states, or their municipal obligations and/or from mutual funds that do not meet the 50% rule above.
- Non-California state bonds.
- Non-California municipal bonds issued by a county, city, town, or other local government unit.
- Obligations of the District of Columbia issued after December 27, 1973.
- Non-California bonds if the interest was passed through to you from S corporations, trusts, partnerships, or Limited Liability Companies (LLCs).
- Interest or other earnings earned from a Health Savings Account (HSA) are not treated as taxed deferred. Interest or earnings in a HSA are taxable in the year earned.
- Interest on any bond or other obligation issued by the Government of American Samoa.
- Interest income from children under age 19 or students under age 24 included on the parent's federal tax return and reported on the California tax return by the child.

Make no entries in either column B or column C for interest you earned on Federal National Mortgage Association (Fannie Mae) Bonds, Government National Mortgage Association (Ginnie Mae) Bonds, and Federal Home Loan Mortgage Corporations (FHLMC) securities, or grants paid to low income individuals.

Get FTB Pub. 1001 if you received interest income from the items listed above passed through to you from S corporations, trusts, estates, partnerships, or LLCs.

Line 9 – Ordinary Dividends

Generally, no difference exists between the amount of dividends reported in column A and the amount reported using California law. However, California taxes dividends derived from other states and their municipal obligations.

Add dividends received from the following and enter in column B:

- Dividend income from children under age 19 or students under age 24 included on the parent's or child's federal tax return and reported on the California tax return by the opposite taxpayer. For more information, get form FTB 3803.

Add dividends received from the following and enter in column C:

- Controlled foreign corporation (CFC) dividends in the year distributed.
- Regulated investment company (RIC) capital gains in the year distributed.
- Distributions of pre-1987 earnings from an S corporation.
- Dividend income from children under age 19 or students under age 24 excluded on the parent's or child's federal tax return and reported on the California tax return by the opposite taxpayer. For more information, get form FTB 3803.

Get FTB Pub. 1001 if you received dividends from:

- Non-cash patronage dividends from farmers' cooperatives or mutual associations.
- A CFC.
- Distributions of pre-1987 earnings from S corporations.
- Undistributed capital gains for RIC shareholders.

Line 10 – Taxable Refunds, Credits, or Offsets of State and Local Income Taxes

California does not tax the state income tax refund received in 2015. Enter in column B the amount of state tax refund entered in column A.

Line 11 – Alimony Received

If you are a nonresident alien and received alimony not included in your federal income, enter the alimony on this line in column C. Otherwise, make no entry on this line.

Line 12 – Business Income or (Loss)

Adjustments to federal business income or loss you reported in column A generally are necessary because of the difference between California and federal law relating to depreciation methods, special credits, and accelerated write-offs. As a result, the recovery period or basis used to figure California depreciation may be different from the amount used for federal purposes.

Adjustments are figured on form FTB 3885A, Depreciation and Amortization Adjustments, and are most commonly necessary because of the following:

- **Before January 1, 1987**, California did not allow depreciation under the federal accelerated cost recovery system. Continue to figure California depreciation for those assets in the same manner as prior years.
- **On or after January 1, 1987**, California provides special credits and accelerated write-offs that affect the California basis of qualifying assets. Refer to the bulleted list below.

Use form FTB 3801, Passive Activity Loss Limitations, to figure the total adjustment for line 12 if you have:

- One or more passive activities that produce a loss.
- One or more passive activities that produce a loss **and** any nonpassive activity reported on federal Schedule C (Form 1040), Profit or Loss From Business.

Use form FTB 3885A to figure the total adjustment for line 12 if you have:

- Only nonpassive activities which produce either gains or losses (or combination of gains and losses).
- Passive activities that produce gains.

Penalty Assessed by Professional Sports League – For taxable years beginning on or after January 1, 2014, California does not allow a business expense deduction for any fine or penalty paid or incurred by an owner of a professional sports franchise assessed or imposed by the professional sports league that includes that franchise. If the fine or penalty was deducted for federal purposes, enter this amount in column C.

Cancellation of Debt Income (CODI). California **did not** conform to the federal election under IRC Section 108(i) to defer the recognition of CODI in connection with the reacquisition of an applicable debt instrument after December 31, 2008, and before January 1, 2011. The deferral period is five taxable years for CODI generated in 2009, or four taxable years for CODI generated in 2010.

For federal tax purposes, at the end of the deferral period (taxable years beginning on or after January 1, 2014, and before January 1, 2019), the income is reported ratably over five years. If for California purposes, the CODI had been included in income during previous taxable years and you recognized the CODI for federal tax purposes in the current year, enter the federal CODI amount on line 12, column B.

Get FTB Pub. 1001 for more information about:

Line 13 – Capital Gain or (Loss)

Generally, no adjustments are made on this line. California taxes long and short term capital gains as regular income. No special rate for long term capital gains exists. However, the California basis of the assets listed below may be different from the federal basis due to differences between California and federal laws. If there are differences, use Schedule D (540), California Capital Gain or Loss Adjustment, to calculate the amount to enter on line 13.

- Gain on sale of qualified small business stock under IRC Section 1045 and IRC Section 1202.
- Basis amounts resulting from differences between California and federal law in prior years.
- Gain or loss on stock and bond transactions.
- Installment sale gain reported on form FTB 3805E, Installment Sale Income.
- Gain on the sale of personal residence where depreciation was allowable.
- Pass-through gain or loss from partnerships, fiduciaries, S corporations, or LLCs.
- Capital loss carryover from your 2014 California Schedule D (540).
- Capital gain from children under age 19 or students under age 24 included on the parent's or child's federal tax return and reported on the California tax return by the opposite taxpayer. For more information, get form FTB 3803.

Get FTB Pub. 1001 for more information about:

- Disposition of S corporation stock acquired before 1987.
- Capital gain exclusion for sale of principal residence by a surviving spouse.
- Gain on sale or disposition of qualified assisted housing development to low-income residents or to specified entities maintaining housing for low-income residents.
- Undistributed capital gain for RIC shareholders.
- Gain or loss on the sale of property inherited before January 1, 1987.
- Capital loss carrybacks.

Line 14 – Other Gains or (Losses)

Generally, no adjustments are made on this line. However, the California basis of your other assets may differ from your federal basis due to differences between California and federal law. Therefore, you may have to adjust the amount of other gains or losses. Get Schedule D-1, Sales of Business Property.

Line 15 – IRA Distributions

Generally, no adjustments are made on this line. However, there may be significant differences in the taxable amount of a distribution (including a distribution from conversion of a traditional IRA to a Roth IRA), depending on when you made your contributions to the IRA. Differences also occur if your California IRA deductions were different from your federal deductions because of differences between California and federal self-employment income.

If the taxable amount using California law is:

- Less than the amount taxable under federal law, enter the difference in column B.
- More than the amount taxable under federal law, enter the difference in column C.

Get FTB Pub. 1005 for more information and worksheets for figuring the adjustment to enter on line 15, if any.

If you have an IRA basis and were a nonresident in prior years, you may need to restate your California IRA basis. Get FTB Pub. 1100 for more information.

Coverdell Education Savings Account (ESA) formerly known as Education (ED) IRA

– If column A includes a taxable distribution from an ED IRA, you may owe additional tax on that amount. Get form FTB 3805P, Additional Taxes on Qualified Plans (Including IRAs) and Other Tax-Favored Accounts. Report only the taxable amount of the distribution on line 21f.

Line 16 – Pensions and Annuities

Generally, no adjustments are made on this line. However, if you received Tier 2 railroad retirement benefits or partially taxable distributions from a pension plan, you may need to make the following adjustments.

If you received a federal Form RRB-1099-R, Annuities or Pensions by the Railroad Retirement Board, for railroad retirement benefits and included all or part of these benefits in taxable income in column A, enter the taxable benefit amount in column B.

If you began receiving a retirement annuity between July 1, 1986, and January 1, 1987, and elected to use the three-year rule for California purposes and the annuity rules for federal purposes, enter in column C the amount of the annuity payments you excluded for federal purposes.

You may have to pay an additional tax if you received a taxable distribution from a qualified retirement plan before reaching age 59½ and the distribution was not rolled over into another qualified plan. See Form 540, line 63 instructions; or form FTB 3805P.

Line 17 – Rental Real Estate, Royalties, Partnerships, S Corporations, Trusts, etc.

Adjustments to federal income or loss you reported in column A generally are necessary because of the difference between California and federal law relating to depreciation methods, special credits, and accelerated write-offs. As a result, the recovery period or basis used to figure California depreciation may be different from the recovery period or amount used for federal. For more information, see the instructions for column B and column C, line 12.

California law does not conform to federal law for material participation in rental real estate activities. Beginning in 1994, and for federal purposes only, rental real estate activities conducted by persons in real property business are not automatically treated as passive activities. Get form FTB 3801 for more information.

Use form FTB 3801 to figure the total adjustment for line 17 if you have:

- One or more passive activities that produce a loss.
- One or more passive activities that produce a loss **and** any nonpassive activity reported on federal Schedule E (Form 1040), Supplemental Income and Loss.

Use form FTB 3885A to figure the total adjustment for line 17 if you have:

- Only nonpassive activities which produce either gains or losses (or combination of gains and losses).
- Passive activities that produce gains.

LLCs that are classified as partnerships for California purposes and limited liability partnerships (LLPs) are subject to the same rules as other partnerships. LLCs report distributive items to members on Schedule K-1 (568), Member's Share of Income, Deductions, Credits, etc. LLPs report to partners on Schedule K-1 (565), Partner's Share of Income, Deductions, Credits, etc.

Get FTB Pub. 1001 for more information about accumulation distributions to beneficiaries for which the trust was not required to pay California tax because the beneficiary's interest was contingent.

Line 18 – Farm Income or (Loss)

Adjustments to federal income or loss you report in column A generally are necessary because of the difference between California and federal law relating to depreciation methods, special credits, and accelerated write-offs. As a result, the recovery period or basis you use to figure California depreciation may be different from the amount used for federal purposes, and you may need to make an adjustment to your farm income or loss. For more information, see the instructions for column B and column C, line 12.

Use form FTB 3801 to figure the total adjustment for line 18 if you have:

- One or more passive activities that produce a loss.
- One or more passive activities that produce a loss **and** any nonpassive activity reported on federal Schedule F (Form 1040), Profit or Loss From Farming.

Use form FTB 3885A to figure the total adjustment for line 18 if you have:

- Only nonpassive activities which produce either gains or losses (or combination of gains and losses).
- Passive activities that produce gains.

Line 19 – Unemployment Compensation

California excludes unemployment compensation from taxable income. Enter on line 19, column B the amount of unemployment compensation shown in column A.

Paid Family Leave Insurance (PFL) benefits, also known as Family Temporary Disability Insurance. Payments received from the PFL Program are reported on Form 1099-G, Certain Government Payments. Enter on line 19, column B the amount of PFL payments shown in column A. For more information, get FTB Pub. 1001.

Line 20 – Social Security Benefits

California excludes U.S. social security benefits or equivalent Tier 1 railroad retirement benefits from taxable income. Enter in column B the amount of taxable U.S. social security benefits or equivalent Tier 1 railroad retirement benefits shown in column A, line 20(b).

Line 21 – Other Income

a. California Lottery Winnings. California excludes California lottery winnings from taxable income. Enter in column B the amount of California lottery winnings included in the federal amount on line 21 in column A.

Make no adjustment for lottery winnings from other states. They are taxable by California. California and federal laws allow gambling losses only to the extent of reported gambling income. If you reduced gambling income for California lottery income, you may need to reduce the losses included in the federal itemized deductions on line 38. Enter these losses on line 41 as a negative number.

b. Disaster Loss Deduction. If you have a California disaster loss carryover deduction and there is income in the current taxable year, enter the total amount from your 2014 form FTB 3805V, Net Operating Loss (NOL) Computation and NOL and Disaster Loss Limitations – Individuals, Estates, and Trusts, Part III, line 6, as a positive number in column B.

NOL Attributable to a Qualified Disaster – If you deduct a 2015 disaster loss in the 2015 taxable year that results in an NOL, then the NOL must be carried back or elected to be carried forward. Get FTB 3805V for more information.

California allows a deduction for medical and dental expenses that exceed 7.5% of federal AGI. To determine the amount of the itemized deduction adjustment:

- Calculate the medical and dental expense deduction for California.
- Calculate the medical and dental expense deduction for federal.
- Subtract the federal amount from the California amount. Enter the amount on line 41, as a positive number.

College Access Tax Credit – If you deducted a charitable contribution amount for the College Access Tax Credit Fund on your federal Schedule A (Form 1040) and are claiming the College Access Tax Credit on your Form 540, enter the amount used to calculate the College Access Tax Credit on line 41 as a negative number.

Nontaxable Income Expenses – If, on federal Schedule A (Form 1040), you claim expenses related to producing income taxed under federal law but not taxed by California, enter the amount as a negative number on line 41.

You may claim expenses related to producing income taxed by California law but not taxed under federal law by entering the amount as a positive number on line 41.

Employee Business Expense – If you completed federal Form 2106 or Form 2106-EZ, prepare a second set of forms reflecting your employee business expense using California amounts (i.e., following California law).

Generally, California law conforms with federal law and no adjustment is needed. However, differences occur when:

- Assets (requiring depreciation) were placed in service before January 1, 1987. Figure the depreciation based on California law.
- Federal employees who were on temporary duty status. California does not conform to the federal provision that expanded temporary duties to include prosecution duties, in addition to investigative duties. Therefore, travel expenses paid or incurred in connection with temporary duty status (exceeding one year), involving the prosecution (or support of the prosecution) of a federal crime, should not be included in the California amount.

Compare federal Form 2106, line 10 or Form 2106-EZ, line 6 and the form completed using California amounts. If the federal amount is larger, enter the difference as a negative number on line 41. If the California amount is larger, enter the difference as a positive number on line 41.

State Legislator's Travel Expenses – Under California law, deductible travel expenses for state legislators include only those incurred while away from their place of residence overnight. Figure the difference between the amount allowed using federal law and the amount allowed using California law. Enter the difference as a negative number on line 41.

Qualified Charitable Contributions – Your California deduction may be different from your federal deduction. California limits the amount of your deduction to 50% of your federal adjusted gross income. Figure the difference between the amount allowed using federal law and the amount allowed using California law. Enter the difference as a negative number on line 41.

Federal law has no equivalent deduction. Enter the amount as a positive number on line 41.

Private Mortgage Insurance (PMI) – If you took the deduction on federal Schedule A (Form 1040), line 13, then subtract the same amount on line 41.

Claim of Right – If you had to repay an amount that you included in your income in an earlier year, because at the time you thought you had an unrestricted right to it, you may be able to deduct the amount repaid from your income for the year in which you repaid it. Or, if the amount you repaid is more than \$3,000, you may take a credit against your tax for the year in which you repaid it, whichever results in the least tax.

If the amount repaid was not taxed by California, then no deduction or credit is allowed.

If you claimed a credit for the repayment on your federal tax return and are deducting the repayment for California, enter the allowable deduction as a positive amount on Schedule CA (540), line 41. Deductions of \$3,000 or less are subject to the 2% federal AGI limit.

If you deducted the repayment on your federal tax return and are taking a credit for California, enter the amount of the federal deduction as a negative amount on Schedule CA (540), line 41. To help you determine whether to take a credit or deduction, see the Repayment section of federal Publication 525, Taxable and Nontaxable Income. Remember to use the California tax rate in your computations. If you choose to take the credit instead of the deduction for California, add the credit amount on line 75, the total payment line, of the Form 540. To the left of the total, write "IRC 1341" and the amount of the credit.

Line 43 – California Itemized Deductions

Is the amount on Form 540, line 13 more than the amount shown below for your filing status?

NO Transfer the amount from line 42 to line 43. Do not complete the worksheet.

YES Complete the Itemized Deductions Worksheet below.

Note:

- If married or an RDP and filing a separate tax return, you and your spouse/RDP must either both itemize your deductions (even if the itemized deductions of one spouse/RDP are less than the standard deduction) or both take the standard deduction.
- Also, if someone else can claim you as a dependent, claim the greater of the standard deduction or your itemized deductions. See the instructions for "California Standard Deduction Worksheet for Dependents" within the Form 540 Personal Income Tax Booklet to figure your standard deduction.

2015 Instructions for California Schedule D (540)

California Capital Gain or Loss Adjustment

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2015, and to the California Revenue and Taxation Code (R&TC).

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the IRC as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California registered domestic partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Purpose

Use California Schedule D (540), California Capital Gain or Loss Adjustment, **only** if there is a difference between your California and federal capital gains and losses.

Get FTB Pub. 1001, for more information about the following:

- Disposition of property inherited before 1987.
- Gain on the sale or disposition of a qualified assisted housing development to low-income residents or to specific entities maintaining housing for low-income residents.
- Capital loss carryback.

Installment Sales. If you sold property at a gain (other than publicly traded stocks or securities) and you will receive a payment in a tax year after the year of sale, report the sale on the installment method unless you elect not to do so. Get form FTB 3805E, Installment Sale Income. Also, use that form if you received a payment in 2015, for an installment sale made in an earlier year.

You may elect not to use the installment sale method for California by reporting the entire gain on Schedule D (540) (or Schedule D-1, Sales of Business Property, for business assets) in the year of the sale and filing your return on or before the due date.

At-Risk Rules and Passive Activity Limitations. If you dispose of (1) an asset used in an activity to which the at-risk rules apply, or (2) any part of your interest in an activity to which the at-risk rules apply, and the amounts in the activity for which you are not at risk, get and complete federal Form 6198, At-Risk Limitations, using California amounts to figure your California deductible loss under the at-risk rules. Once a loss becomes allowable under the at-risk rules, it becomes subject to the passive activity rules. Get form FTB 3801, Passive Activity Loss Limitations.

Specific Line Instructions

Line 1 – List each capital asset transaction.

Column (a) – Description of Property. Describe the asset you sold or exchanged.

Column (b) – Sales Price. Enter in this column either the gross sales price or the net sales price. If you received a Form 1099-B, Proceeds From Broker and Barter Exchange Transactions; Form 1099-S, Proceeds From Real Estate Transactions; or similar statement showing the gross sales price, enter that amount in column (b). However, if box 2a of Form 1099-B indicates that gross proceeds less commissions and option premiums were reported to the IRS, enter that net amount in column (b). If you entered the net amount in column (b), **do not** include the commissions and option premiums in column (c).

Column (c) – Cost or Other Basis. In general, the cost or other basis represents the cost of the property plus purchase commissions and improvements, minus depreciation, amortization, and depletion. Enter the cost or adjusted basis of the asset for California purposes. Use your records and California tax returns for years before 1987 to determine the California amount to enter in column (c). If you used an amount other than cost as the original basis, your federal basis may be different from your California basis. Other reasons for differences include:

- **Depreciation Methods and Property Expensing** – Before 1987, California law disallowed the use of accelerated cost recovery system and disallowed the use of an asset depreciation range 20% above or below the standard rate. California has different limits on the expensing of property under IRC Section 179. California law permits rapid write-off of certain property such as solar energy systems, pollution control devices, and property used in an Enterprise Zone, Local Agency Military Base Recovery Area, Targeted Tax Area, or Los Angeles Revitalization Zone.
- **Inherited Property** – The California basis of property inherited from a decedent is generally the fair market value at the time of death.
- **S Corporation Stock** – Prior to 1987, California law did not recognize S corporations; therefore, your California basis in S corporation stock may differ from your federal basis. In general, your California basis will be cost-adjusted for income, loss, and distributions received after 1986, while your stock was California S corporation stock. Your federal basis will be cost-adjusted for income, loss, and distributions received during the time your stock qualified for federal S corporation treatment. Effective for taxable years beginning on or after January 1, 2002, any corporation with a valid federal S corporation election is considered an S corporation for California purposes. Existing law already requires federal C corporations to be treated as C corporations for California purposes.
- **Special Credits** – California law authorizes special tax credits not allowed under federal law or computed differently under federal law. In many instances if you claimed special credits related to capital assets, you must reduce your basis in the assets by the amount of credit.
- **Qualified Small Business Stock** – California does not conform to the qualified small business stock deferral and gain exclusion under IRC Section 1045 and IRC Section 1202. Enter the entire gain realized in column (e).

Other adjustments may apply differently to the federal and California basis of your capital assets. Figure the original basis of your asset using the California law in effect when the asset was acquired, and adjust it according to provisions of California law in effect during the period of your ownership.

Line 2 – Net Gain or (Loss) Shown on California Schedule(s) K-1 (100S, 541, 565, and 568). Combine gain(s) and loss(es) from all California Schedule(s) K-1 (100S, 541, 565, and 568), Share of Income, Deductions, Credits, etc. See California Schedule K-1 (100S, 541, 565, and 568) instructions for more information on capital gains and losses. Enter the net loss on line 2, column (d), or the net gain on line 2, column (e).

Line 3 – Capital Gain Distributions. If you receive federal Form 2439, Notice to Shareholder of Undistributed Long-Term Capital Gains, from a mutual fund, do not include the **undistributed** capital gain dividends on Schedule D (540). If you receive federal Form 1099-DIV, Dividends and Distributions, enter the amount of **distributed** capital gain dividends.

Line 6 – 2014 California Capital Loss Carryover. If you were a resident of California for all prior years, enter your California capital loss carryover from 2014. However, if you were a nonresident of California during any taxable year that generated a portion of your 2014 capital loss carryover, recalculate your 2014 capital loss carryover as if you resided in California for all prior years. Get FTB Pub. 1100, Taxation of Nonresidents and Individuals Who Change Residency, for more information. Enter your California capital loss carryover amount from 2014 on line 6.

Line 8 – Net Gain or Loss. If the amount on line 4 is more than the amount on line 7, subtract line 7 from line 4. Enter the difference as a gain on line 8.

If the amount on line 7 is more than the amount on line 4, subtract line 4 from line 7 and enter the difference as a negative amount on line 8.

Use the worksheet on this page to figure your capital loss carryover to 2016.

Line 9 – If line 8 is a net capital loss, enter the smaller of the loss on line 8 or \$3,000 (\$1,500 if you are married or an RDP filing a separate return).

Line 12a – Compare the amounts entered on line 10 and line 11 to figure the adjustment to enter on Schedule CA (540), line 13, column B.

For example:

Loss on line 10 is less than loss on line 11.

Federal loss on line 10 is (\$1,000)
 California loss on line 11 is (\$2,000)
 Difference between line 10 and line 11 \$1,000

Gain on line 10 and loss on line 11.

Federal gain on line 10 is \$3,000
 California loss on line 11 is (\$3,000)
 Difference between line 10 and line 11 \$6,000

Line 12b – Compare the amounts on line 10 and line 11 to figure the adjustment to enter on Schedule CA (540), line 13, column C.

For example:

Loss on line 10 is more than loss on line 11.

Federal loss on line 10 is (\$2,000)
 California loss on line 11 is (\$1,000)
 Difference between line 11 and line 10 \$1,000

Loss on line 10 and gain on line 11.

Federal loss on line 10 is (\$2,000)
 California gain on line 11 is \$5,000
 Difference between line 10 and line 11 \$7,000

Instructions for Form FTB 3885A
Depreciation and Amortization Adjustments

References in these instructions are to the Internal Revenue Code (IRC) as of January 1, 2015, and to the California Revenue and Taxation Code (R&TC).

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for conformity. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets. The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Purpose

Use form FTB 3885A, Depreciation and Amortization Adjustments, only if there is a difference between the amount of depreciation and amortization allowed as a deduction using California law and the amount allowed using federal law. California law and federal law have not always allowed the same depreciation methods, special credits, or accelerated write-offs. As a result, the recovery periods or the basis on which the depreciation is figured for California may be different from the amounts used for federal purposes. You will probably have reportable differences if all or part of your assets were placed in service:

- Before January 1, 1987. California disallowed depreciation under the federal accelerated cost recovery system (ACRS). Continue to figure California depreciation for those assets in the same manner as in prior years for those assets.
• On or after January 1, 1987. California provides special credits and accelerated write-offs that affect the California basis of qualifying assets. California did not conform to all changes to federal law enacted in 1993; therefore, the California basis or recovery periods may be different for some assets.
• On or after September 11, 2001. If you claimed the 30% additional depreciation for federal purposes, California has not conformed to the

federal Job Creation and Worker Assistance Act of 2002 which allows taxpayers to take an additional first year depreciation deduction and Alternative Minimum Tax depreciation adjustment for property placed in service after September 10, 2001.

Get FTB Pub. 1001 for more information on differences between California and federal law for the following items:

- Amortization of certain intangibles (IRC Section 197)
- Qualified Indian Reservation property
- Grapevines subject to Phylloxera or Pierce's disease
- Additional depreciation (IRC Section 168(k))
- Startup expenses (IRC Section 195)
- Asset expense election (IRC Section 179)

California generally conforms to the federal 2003 increase (IRC Section 280F) for the limitation on luxury automobile depreciation. In addition, SUVs and minivans built on a truck chassis are included in the definition of trucks and vans when applying the 6,000 pound gross weight limit. However, California does not conform to the federal increase to first-year depreciation for qualified vehicles placed in service in 2010.

Differences may also occur for other less common reasons, and the instructions for Schedule CA (540 or 540NR) list them on the line for the type of income likely to be affected. Get FTB Pub. 1001 for more information about figuring and reporting these adjustments.

If reporting a difference for assets related to a passive activity, get form FTB 3801, Passive Activity Loss Limitations, for more information about passive activities.

Do not use form FTB 3885A to report depreciation expense from federal Form 2106, Employee Business Expenses. Instead, see the instructions for Schedule CA (540 or 540NR), line 41.

Specific Line Instructions

Prepare and file a separate form FTB 3885A for each business or activity on your tax return that has a difference between California and federal depreciation or amortization. Enter the name of the business or activity in the space provided at the top of the form. If you need more space, attach additional sheets. However, complete Part II, Election to Expense Certain Tangible Property (IRC Section 179), only once.

Part I Identify the Activity as Passive or Nonpassive

Line 1 – Check the box to identify the activity as passive or nonpassive. A passive activity is any activity involving the conduct of any trade or business in which you did not materially participate. Get form FTB 3801 for more information.

If the activity is passive, use this form as a worksheet to figure the depreciation adjustment to carry to form FTB 3801. Beginning in 1994, and for federal purposes only, rental real estate activities of persons in real property business are not automatically treated as passive activities. California did not conform to this provision.

Part II Election To Expense Certain Tangible Property

If you qualify, you may elect to expense part of the cost of depreciable personal property used in your trade or business and certain other property described in federal Publication 946, How to Depreciate Property. To qualify, you must have purchased property, as defined in the IRC Section 179(d)(2), and placed it in service during 2015, or have a carryover of unused cost from 2014. If you elect this deduction, you must reduce your California depreciable basis by the IRC Section 179 expense.

Federal limitation amounts may be different than California limitation amounts. For California purposes, the maximum IRC Section 179 expense deduction allowed for 2015 is \$25,000.

Complete the worksheet in the next column to figure IRC Section 179 expense for California. Include all assets qualifying for the deduction because the limit applies to all qualifying assets as a group rather than to each asset individually. **Refer to federal Form 4562, Depreciation and Amortization, for more information.**

2015 Instructions for Form FTB 3519

Payment for Automatic Extension for Individuals

General Information

Mandatory Electronic Payments – You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically will be subject to a 1% noncompliance penalty. For more information or to obtain the waiver form, go to ftb.ca.gov and search for **mandatory epay**. Electronic payments can be made using Web Pay on the Franchise Tax Board's (FTB's) website, electronic funds withdrawal (EFW) as part of the e-file tax return, or your credit card.

Use form FTB 3519, Payment for Automatic Extension for Individuals, **only** if both of the following apply:

- You cannot file your 2015 tax return by April 18, 2016. Due to the Emancipation Day holiday on April 16, 2016, tax returns filed and payments mailed or submitted on April 18, 2016, will be considered timely.
Note: Fiscal Year Filers, your tax return is due the 15th day of the 4th month following the close of your fiscal year.
- You owe tax for 2015.

When you file your 2015 tax return, you can **e-file** or **CalFile**. Go to ftb.ca.gov and search for **e-file options**. If you use form FTB 3519, you **may not** file Form 540 2EZ or Short Form 540NR.

Use the worksheet below to determine if you owe tax. If you **do not** owe tax, **do not** complete or mail form FTB 3519. However, file your tax return by October 17, 2016. If you owe tax, choose one of the following payment options:

- Web Pay:** Individuals can make payments online using Web Pay for Individuals. After a one-time online registration, taxpayers can make an immediate payment or schedule payments up to a year in advance. Go to ftb.ca.gov for more information. **Do not** mail form FTB 3519 to the FTB.

- Credit Card:** Use your major credit card. Call 800.272.9829 or go to officialpayments.com, use code 1555. Official Payments Corp. charges a convenience fee for using this service. **Do not** mail form FTB 3519 to the FTB.
- Check or Money Order:** Using black or blue ink, complete your check or money order and the payment form below and mail both to the "Franchise Tax Board." Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

Penalties and Interest

If you fail to pay your total tax liability by April 18, 2016, you will incur a late payment penalty plus interest. We may waive the late payment penalty based on reasonable cause. Reasonable cause is presumed when 90% of the tax is paid by the original due date of the tax return. However, the imposition of interest is mandatory. If, after April 18, 2016, you find that your estimate of tax due was too low, pay the additional tax as soon as possible to avoid or minimize further accumulation of penalties and interest. Pay your additional tax with another form FTB 3519. If you do not file your tax return by October 17, 2016, you will incur a late filing penalty plus interest from the original due date of the tax return. For Fiscal Year Filers, your tax return is due the 15th day of the 10th month following the close of your fiscal year.

Taxpayers Residing or Traveling Outside the USA

If you are residing or traveling outside the USA on April 18, 2016, the deadline to file your tax return and pay the tax is June 15, 2016. Interest will accrue from the original due date until the date of payment. If you need additional time to file, you will be allowed a six-month extension without filing a request. To qualify for the extension, file your tax return by December 15, 2016. To avoid any late-payment penalties, pay your tax liability by June 15, 2016. When filing your tax return, write "**Outside the USA on April 18, 2016**" at the top of your tax return in **RED INK**, or include it according to your software's instructions.

2016 Instructions for Form 540-ES Estimated Tax For Individuals

General Information

Installment Payments – Installments due shall be 30% of the required annual payment for the 1st required installment, 40% of the required annual payment for the 2nd required installment, no installment is due for the 3rd required installment, and 30% of the required annual payment for the 4th required installment.

You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000. Once you meet the threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. Individuals who do not send the payment electronically will be subject to a 1% noncompliance penalty. For more information go to ftb.ca.gov and search for **mandatory epay**. Electronic payments can be made using Web Pay on the Franchise Tax Board's (FTB's) website, electronic funds withdrawal (EFW) as part of the e-file tax return, or your credit card.

A Purpose

Use Form 540-ES, Estimated Tax for Individuals, and the 2016 CA Estimated Tax Worksheet, to determine if you owe estimated tax for 2016 and to figure the required amounts. Estimated tax is the tax you expect to owe in 2016 after subtracting the credits you plan to take and tax you expect to have withheld.

If you need to make a payment for your 2015 tax liability or make a separate payment for any balance due on your 2015 tax return, use form FTB 3519, Payment for Automatic Extension for Individuals.

Certain taxpayers are limited in their use of the prior year's tax as a basis for figuring their estimated tax. See Section C below for more information. Check for estimated payments we've received at ftb.ca.gov and search for **myftb account**.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete Employment Development Department (EDD) Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer, or by calling EDD at **888.745.3886**. You can download the Form DE 4 from EDD's website at edd.ca.gov or go to ftb.ca.gov and search for **de 4**.

Form DE 4 specifically adjusts your California state withholding and is not the same as the federal Form W-4, Employee's Withholding Allowance Certificate.

B Who Must Make Estimated Tax Payments

Generally, you must make estimated tax payments if you expect to owe at least \$500 (\$250 if married/RDP filing separately) in tax for 2016 (after subtracting withholding and credits) and you expect your withholding and credits to be less than the **smaller** of:

- 90% of the tax shown on your 2016 tax return; or
- 100% of the tax shown on your 2015 tax return including Alternative Minimum Tax (AMT).

Note:

- You do not have to make estimated tax payments if you are a nonresident or new resident of California in 2016 and did not have a California tax liability in 2015, see Section C for more information.
- If you are a military servicemember not domiciled in California, do not include your military pay in your computation of estimated tax payments. If you are the nonmilitary spouse of a servicemember you may or may not need to include your pay in your computation of estimated tax payments. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

If you and your spouse/RDP paid joint estimated tax payments, but are now filing separate income tax returns, either of you may claim all of the amount paid, or you may each claim part of the joint estimated payments. If you want the estimated tax payments to be divided, notify the FTB before you file the income tax returns so that the payments can be applied to the proper account. The FTB will accept in writing, any divorce agreement (or court ordered settlement) or a statement showing the allocation of the payments along with a notarized signature of both taxpayers. The statements should be sent to:

JOINT ESTIMATE CREDIT ALLOCATION MS F225
TAXPAYER SERVICES CENTER
FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

C Limit on the Use of Prior Year's Tax

Individuals who are required to make estimated tax payments, and whose 2015 California adjusted gross income is more than \$150,000 (or \$75,000 if married/RDP filing separately), must figure estimated tax based on the lesser of 90% of their tax for 2016 or 110% of their tax for 2015 including AMT. This rule does not apply to farmers or fishermen.

Taxpayers with 2016 California adjusted gross income equal to or greater than \$1,000,000 (or \$500,000 if married/RDP filing separately), must figure estimated tax based on their tax for 2016.

D When to Make Your Estimated Tax Payments

Pay your estimated payments by the dates shown below:

1st payment April 18, 2016 2nd payment June 15, 2016
3rd payment September 15, 2016 4th payment January 17, 2017

*Due to the federal Emancipation Day holiday on April 16, 2016, tax returns and payments received on April 18, 2016 will be considered timely.

Filing an Early Tax Return in Place of the 4th Installment. If you file your 2016 tax return by January 31, 2017, and pay the entire balance due, you do not have to make your last estimated tax payment. In addition, you will not owe a penalty for the fourth installment.

Annualization Option. If you do not receive your taxable income evenly during the year, it may be to your advantage to annualize your income. This method allows you to match your estimated tax payments to the actual period when you earned the income. You may use the annualization schedule included with the 2015 form FTB 5805, Underpayment of Estimated Tax by Individuals and Fiduciaries.

Farmers and Fishermen. If you are a farmer or fisherman, and at least two-thirds of your 2015 and 2016 gross income is from farming or fishing, you may do either of the following:

- Pay all of your estimated tax by January 17, 2017.
- File your tax return for 2016 on or before March 3, 2017, and pay the total tax due. In this case, you need not make estimated tax payments for 2016. Use the 2015 form FTB 5805F, Underpayment of Estimated Tax by Farmers and Fishermen, to determine if you paid the required estimated tax. If the estimated tax is underpaid, attach the completed form FTB 5805F to the back of your tax return.

Fiscal Year. If you file your tax return on a fiscal year basis, your due dates will be the 15th day of the 4th, 6th, and 9th months of your fiscal year and the 1st month of the following fiscal year. If the due date falls on a weekend, or legal holiday, use the next business day.

Mental Health Services Tax. If your taxable income or nonresident CA source taxable income is more than \$1,000,000, complete the worksheet below.

A. Taxable income from Form 540, line 19, or Long Form 540NR, line 35	
B. Less:	\$(1,000,000)
C. Subtotal	
D. Tax rate – 1%	x .01
E. Mental Health Services Tax – Multiply line C by line D. Enter this amount here and on line 17 of the 2016 CA Estimated Tax Worksheet, on the next page.	

E How to Use Form 540-ES Payment Form

Use the CA Estimated Tax Worksheet and your 2015 California income tax return as a guide for figuring your 2016 estimated tax. Be sure that the amount shown on line 21 of the CA Estimated Tax Worksheet has been reduced by any overpaid tax on your 2015 tax return which you chose to apply toward your 2016 estimated tax payment.

Note:

- If you filed Form 540 2EZ for 2015, **do not** use the Form 540 2EZ instructions to figure amounts on this worksheet. Instead, get the 2015 California 540 Personal Income Tax Booklet.

- Complete the Record of Estimated Tax Payments on the next page for your files.
- Paying your tax:

Make all checks and money orders payable in U.S. dollars and drawn against a U.S. financial institution.

F Failure to Make Estimated Tax Payments

If you do not make the required estimate payments, if you pay an installment after the date it is due, or if you underpay any installment, a penalty may be assessed on the portion of estimated tax that was underpaid from the due date of the installment to the date of payment or the due date of your tax return, whichever is earlier. Get the 2015 form FTB 5805 for more information.

2015 Instructions for Form FTB 3506

Child and Dependent Care Expenses Credit

General Information

Attach the completed form FTB 3506, Child and Dependent Care Expenses Credit, to your Form 540, California Resident Income Tax Return, or Long Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, if you claim the child and dependent care expenses credit.

For taxable years beginning on and after January 1, 2011 the child and dependent care expenses credit is **nonrefundable**.

Registered Domestic Partners (RDP) – For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP, they refer to both a California registered domestic “partner” and a California registered domestic “partnership,” as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

A Purpose

You may qualify to claim the 2015 credit for child and dependent care expenses, if you (and your spouse/RDP) paid someone in California to care for your child or other qualifying person while you worked or looked for employment. You must have earned income to do so. If you qualify to claim the credit, use form FTB 3506 to figure the amount of your credit.

If you received dependent care benefits for 2015 but do not qualify to claim the credit, you are not required to complete form FTB 3506. For additional definitions, requirements, and instructions, get federal Form 2441, Child and Dependent Care Expenses.

B Differences in California and Federal Law

The differences between California and federal law are as follows:

- California allows this credit only for care provided in California.
- If you were a nonresident, you must have earned wages from working in California or earned self-employment income from California business activities.
- The California credit is a percentage of the federal credit.
- RDPs may file a joint California return and claim this credit. For more information, get FTB Pub. 737.

C Qualifications

You may take the credit if **all eight** of the following apply.

1. If you are married or an RDP, you must file a joint tax return. For an exception, see Section E, Married Persons or RDPs Filing Separate Returns.
2. Care must be provided in California for one or more qualifying persons. See Section D, Qualifying Person Defined.
3. You paid for care so you (and your spouse/RDP) could work or look for work. However, if you did not find a job and have no earned income, you do not qualify for the credit. If your spouse/RDP was a student or disabled, see the instructions for Part III, line 5.
4. You (and your spouse/RDP) must have earned income (wages or self-employment income) during the year. See the instructions for Part III, line 4, for more information on earned income.
5. You and the qualifying person(s) live in the same home for more than half the year.
6. The person who provided care was not your spouse/RDP, the parent of your qualifying child, or a person for whom you can claim a dependent exemption. If your child provided the care, the child must have been age 19 or older by the end of 2015.
7. You report the required information about the care provider(s) in Part II, line 1, and the information about the qualifying person(s) in Part III, line 2.
8. Your federal adjusted gross income is \$100,000 or less.

D Qualifying Person Defined

Rules for Most People	
A qualifying person is:	
1. A child under age 13 who meets the requirements to be your dependent as a Qualifying Child. A child who turned 13 during the year qualifies only for the part of the year when he or she was 12 years old; or	
2. Your spouse/RDP who was physically or mentally incapable of self-care ; or	
3. Any person who was physically or mentally incapable of self-care and either:	
a. Was your dependent.	
b. Would have been your dependent except that:	
i. He or she received gross income of \$4,000 or more.	
ii. He or she filed a joint tax return.	
iii. You, or your spouse/RDP if filing a joint tax return, could be claimed as a dependent on someone else's 2015 tax return.	

Qualifying Child

A Qualifying Child is a child who meets **all** of the following tests:

- **Relationship Test** – The child must be your son, daughter, stepchild, adopted child, eligible foster child, brother, sister, half-brother, half-sister, stepbrother, stepsister, or a descendant of one of these. An adopted child includes a child who has been lawfully placed with you for legal adoption even if the adoption is not yet final. An eligible foster child must be placed with you by an authorized placement agency or by a court.
- **Age Test** – For the purposes of qualifying for the Child and Dependent Care Expenses Credit, the child must be under 13.
- **Residency Test** – The child must live with you for more than half the year.
- **Support Test** – The child must not have provided more than half of his or her own support.
- **Joint Return Test** – The child must not have filed a joint federal or state income tax return with his or her spouse/RDP.
- **Citizenship Test** – The child must be a citizen or national of the U.S. or a resident of the U.S., Canada, or Mexico.

Tie-Breaker Rules: Qualifying Child of More Than One Person*	
If an individual may be claimed as a qualifying child by two or more taxpayers for the same taxable year, the following rules apply:	
If...	Then the child will be treated as the qualifying child of the...
Only one of the persons is the child's parent	Parent.
Both of the persons are the child's parent but they do not file a joint return	Parent with whom the child lived for the longer period of time during the year. If the child lived with both parents for the same amount of time, the parent who had the higher adjusted gross income for the year.
The child's parents can claim the child as a qualifying person but neither parent does	Person with the highest adjusted gross income (AGI) of all persons claiming the child, but only if that person's AGI is higher than the highest AGI of any of the child's parents.
No parent can claim the child as a qualifying child	Person with the highest adjusted gross income of all persons claiming the child.

*These rules assume all other qualifying child requirements are satisfied.

Divorced, RDP Terminated, Separated, or Never-Married Parents

For divorced, RDP terminated, separated, or never-married parents, special rules apply in determining if your child meets the requirements to be your qualifying person. When parents file separate returns, only one parent qualifies to claim a child as a qualifying person.

Even if both parents pay for child care for the same child, both parents cannot qualify for the credit. Some custody agreements designate which parent is entitled to the credit. However, the designated parent must meet all the qualifications in Section C, Qualifications, to claim the credit. To verify that your child meets the requirements to be your qualifying person, use the table below.

RULES FOR DIVORCED, RDP TERMINATED, SEPARATED, OR NEVER-MARRIED PARENTS		
IF	AND	THEN
ALL four of the following apply: 1. Your child was under 13 and/or physically or mentally incapable of self-care when the care was provided. Children turning 13 during the year qualify only for the part of the year they were 12 years old. 2. One of the following applies a. You are divorced, legally separated, or have terminated a registered domestic partnership. b. You are separated under a written separation agreement. c. You and the other parent lived apart at all times during the last 6 months of the year. (This includes parents never married to each other.) 3. One or both parents had custody of the child for more than half the year. 4. One or both parents provided more than half the child's support for the year.	You were the custodial parent and you can claim the dependent exemption credit for the child.	The child is your qualifying person.
	You were the custodial parent and under the provisions of a decree of divorce, legal separation, termination of registered domestic partnership, or a written separation agreement, the noncustodial parent claimed the dependent exemption credit, or you signed a statement releasing the dependent exemption credit to the noncustodial parent.	The child is your qualifying person.
	You are not the custodial parent.	The child is not your qualifying person.
One or more of the four statements above do not apply.		Use the "Rules for Most People" in Section D.

Custodial Parent and Noncustodial Parent. The custodial parent is the parent with whom the child lived for the greater number of nights during the year. The other parent is the noncustodial parent. If the child lived with each parent for an equal number of nights during the year, the custodial parent is the parent with the higher adjusted gross income.

Parent Works at Night. If, due to a parent's night-time work schedule, a child lives for a greater number of days, but not nights, with the parent who works at night, that parent is treated as the custodial parent. On a school day, the child is treated as living at the primary residence registered with the school.

E Married Persons or RDPs Filing Separate Tax Returns

Generally, if you are married or an RDP, you must file a joint tax return to claim the credit. However, you can take the credit on your separate tax return if:

- You meet all three requirements below:
 - You lived apart from your spouse/RDP at all times during the last six months of 2015.
 - The qualifying person(s) lived in your home more than half of 2015.
 - You provided over half the cost of keeping up your home.
- You meet all the other qualifications in Section C, Qualifications.

F Nonresidents and Part-Year Residents

- You must complete and attach Schedule CA (540NR), California Adjustments – Nonresidents or Part-Year Residents, to your tax return, Long Form 540NR. If Part I of Schedule CA (540NR) is not fully completed, we may disallow your credit.
- Nonresidents must have earned income from California sources to qualify for the credit. A nonresident servicemember's military wages are considered earned income from a California source for the purpose of qualifying for the credit.
- Part-year residents must have earned income while a California resident or earned income from California sources while a nonresident to qualify for the credit.

G Military Personnel

For the purposes of this credit, active duty pay is considered earned income from California sources, regardless of whether the servicemember is domiciled in California. The federal Military Spouses Residency Relief Act may affect the credit requirements for spouses of military servicemembers. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

Specific Line Instructions

Part I, Unearned Income and Other Funds Received in 2015

List the source and amount of **any** money you received in 2015 that is not included in your earned income (Part III, line 4 and line 5) but that was used to support your household. Include child support, property settlements, public assistance benefits, court awards, inheritances, insurance proceeds, pensions and annuities, social security payments, workers' compensation, unemployment compensation, interest, and dividends.

Part II, Persons or Organizations Who Provided the Care in California

Line 1

Complete line 1a through line 1g for each person or organization that provided the care in California. Only care provided in California qualifies for the credit. Use federal Form W-10, Dependent Care Provider's Identification and Certification, or any other source listed in the instructions for federal Form W-10 to get the information from your care provider. If your provider does not give you the information, complete as much of the information as possible and explain that your provider did not give you the information you requested.

If you do not give correct and complete information, we may disallow your credit unless you can show you used due diligence in trying to get the required information.

Lines 1a through Line 1c

Enter your California care provider's complete name (or business name), address, and telephone number (including the area code). If you do not give complete information, we may disallow your credit. We may contact your care provider to verify the information you provide.

If you were covered by your employer's dependent care plan and your employer furnished the care (either at your workplace or by hiring a care provider), enter your employer's name on line 1a. Next, enter "See W-2" on line 1b. Complete line 1c through line 1f. Then leave line 1g blank. But, if your employer paid a third party (not hired by your employer) on your behalf to provide care, you must provide information on the third party on line 1a through line 1g.

Line 1d

For each care provider, check one box indicating whether the care provider is a person or organization.

Line 1e

If your care provider is	Then enter on line 1e
An individual	The provider's social security number (SSN) or Individual Taxpayer Identification Number (ITIN).
Not an individual	The provider's federal employer identification number (FEIN).
A tax-exempt organization	"Tax-exempt."

Line 1f

Enter the complete physical address where the care was provided. A post office box is not acceptable. If you do not provide correct or complete information, your credit may be disallowed. Only care provided in California qualifies for the credit.

Line 1g

Enter the total amount you **actually paid** in 2015 to your care provider for care provided in California. Also include amounts your employer paid to a third party on your behalf. It does not matter when the expenses were incurred. **Do not** reduce this amount by any reimbursement you received.

We may ask you to provide proof of payment. Cash payments without verifiable documentation may not be accepted.

Part III, Credit for Child and Dependent Care Expenses

Line 2

Complete column (a) through column (e) for each qualifying person for whom care was provided in California. If claiming more than three qualifying persons, attach a sheet of paper to your tax return with the required information and write "see attached." Write your name and SSN or ITIN on the sheet.

Column (a)

Enter each qualifying person's name.

Column (b)

Enter each qualifying person's SSN. Verify that the name and SSN match the qualifying person's social security card to avoid the reduction or disallowance of your credit. If the person was born in, and later died in, 2015, and does not have a SSN, enter "Deceased" in column (b) and attach a copy of the person's birth and death certificates.

Column (c)

Enter the qualifying person's date of birth (mm/dd/yyyy) in the space provided or if the qualifying person is disabled (physically or mentally incapable of self-care), check the "Yes" box. Incomplete information could result in a delay or disallowance of your credit.

Column (d)

If you shared custody of the qualifying person(s), enter the percentage of time you possessed physical custody during 2015. If you have 50% or less physical custody of your child, you **do not** qualify for the credit.

Column (e)

Enter the qualified expenses you incurred and paid in 2015 for the qualifying person(s). Include only the qualified expenses for care provided in California. If the child turned 13 years old during the year, include only the qualified expenses for the part of the year the child was 12 years old.

Do not include in column (e) qualified expenses:

- You incurred in 2015 but did not pay until 2016. You may be able to use these expenses to increase your 2016 credit.
- You incurred in 2014 but did not pay until 2015. Instead, see instructions for line 11.
- You prepaid in 2015 for care to be provided in 2016. These expenses may only be used to figure your 2016 credit.

A qualified expense does not include the amount you paid for education (school tuition) or the amount you received through a subsidy program.

Qualified Expenses are amounts paid for the care of your qualifying person while you worked or looked for work.

Qualified expenses include:	Qualified expenses do not include:

Line 5

Spouse/RDP Who Was a Student or Disabled

Your spouse/RDP was a **student** if he or she was enrolled as a full-time student at a school during any 5 months of 2015. A school does not include a night school or correspondence school.

Your spouse/RDP was **disabled** if he or she was not capable of self-care. Figure your spouse's/RDP's earned income on a monthly basis.

For each month your spouse/RDP was a full-time student or disabled, enter on line 5 the larger of the following:

- Your spouse's/RDP's actual earned income for that month.
- \$250 (\$500, if you have 2 or more qualifying persons).

If, in the same month, both you and your spouse/RDP qualified as either full-time students or disabled, only one of you receive treatment as having earned income of \$250 (or \$500) in that month. For any month that your spouse/RDP was not a full-time student or disabled, use your spouse's/RDP's actual earned income for that month.

Line 7

Use the chart below to determine the decimal amount to enter on line 7. Your federal adjusted gross income (AGI) is on Form 540, line 13 or Long Form 540NR, line 13. For military personnel domiciled outside of California, use your federal AGI less your military pay to determine the decimal amount to enter on line 7.

Line 9

Use the chart below to determine the decimal amount to enter on line 9. For military personnel domiciled outside of California, use your federal AGI less your military pay to determine the decimal amount to enter on line 9.

If your federal AGI from Form 540, line 13 or Long Form 540NR, line 13 is:	The decimal amount to enter on Line 9 is:

Over \$100,000	Stop. You do not qualify for this credit.

Line 11

If you had qualified expenses for care that was provided in 2014 that you paid for in 2015, you may be able to increase your credit for 2015. Complete the Worksheet on Side 2 of form FTB 3506. See Worksheet instructions on this page.

Part IV, Dependent Care Benefits

Line 13

Dependent care benefits are:

- Amounts an employer paid directly to you (or your spouse/RDP), or to your care provider for the care of your qualifying person(s), while you worked.
- A day-care facility provided by your employer.
- Generally deducted from your salary.
- Shown in box 10 of your 2015 Form(s) W-2.

Line 14

Enter the amount from federal Form 2441, line 13.

Line 15

If you had a flexible spending account, any amount included on line 13 that you did not receive because you did not incur the expense is considered forfeited. **Do not** include amounts you expect to receive at a future date.

Line 17

Enter the total of all qualified expenses incurred in 2015. It does not matter when the expenses were paid.

A qualified expense does not include the amount you paid for education (school tuition) or the amount you received through a subsidy program.

Example: You received \$2,000 cash under your employer's dependent care plan for 2015. The \$2,000 is shown in box 10 of your Form W-2. You incurred \$900 of qualified expenses in 2015 for the care of your 3-year-old dependent child. Enter \$900 on line 17, but report the entire \$2,000 on line 13.

For all other lines, follow specific line instructions on the form. For additional information, get federal Form 2441 or federal Publication 503, Child and Dependent Care Expenses.

Line 20

If you are married or an RDP filing a separate return and you meet the requirements of Section E, Married Persons Filing Separate Returns, item 1, then enter your earned income from line 19. On line 22, enter \$5,000.

If you were married or an RDP and filed a separate return but did not meet the requirements of Section E, Married Persons Filing Separate Returns, item 1, then enter **your spouse's/RDP's earned income**. If your spouse/RDP was a student or disabled in 2015, see the instructions for line 5. On line 22, enter \$2,500.

Line 12

Enter the decimal amount from the chart in the line 7 instructions of the **2014** form FTB 3506 that corresponds to your **2014** federal adjusted gross income.

Line 14

2015 Instructions for Form FTB 3514

California Earned Income Tax Credit

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and to the California Revenue and Taxation Code (R&TC).

What's New

For taxable years beginning on or after January 1, 2015, the refundable California Earned Income Tax Credit (EITC) is available to taxpayers who earned wage income in California. This credit is similar to the federal Earned Income Credit (EIC) but with different income limitations. EITC reduces your California tax obligation, or allows a refund if no California tax is due. You may qualify if you have earned income of less than \$13,870. You do not need a child to qualify, but must file a California tax return to claim the credit and attach a completed form FTB 3514.

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the IRC as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Registered Domestic Partners (RDPs)

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California registered domestic partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

A Purpose

You may qualify to claim the 2015 California EITC if you (and your spouse/RDP) earned wage income in California. You do not need a child to qualify. Use form FTB 3514 to determine whether you qualify to claim the credit, provide information about your qualifying children, if applicable, and to figure the amount of your credit.

B Differences in California and Federal Law

The differences between California and federal law are as follows:

- California allows this credit for wage income earned in California (wages, salaries, tips and other employee compensation) that is subject to California withholding.
- California does not allow the credit for self-employment income.
- If you were a nonresident, you must have earned income from working in California.
- Both your earned income and federal adjusted gross income (AGI) must be less than \$53,267 to qualify for the federal credit, and less than \$13,870 to qualify for the California credit.
- You may elect to include all of your (and/or all of your spouse/RDP's if filing jointly) nontaxable military combat pay in earned income for California purposes, whether or not you elect to include it for federal purposes. Get FTB Pub. 1032, Tax Information for Military Personnel, for special rules that apply to military personnel claiming the EITC.

Specific Instructions

If certain requirements are met, you may claim the EITC even if you do not have a qualifying child. The amount of the credit is greater if you have a qualifying child, and increases with each child that qualifies, up to a maximum of three children. Follow Step 1 through Step 6 below to determine if you qualify for the credit and to figure the amount of the credit.

Attach the completed form FTB 3514, California Earned Income Tax Credit, to your Form 540 or 540 2EZ, California Resident Income Tax Return; or Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, if you claim the California EITC.

Qualifying Child Definition

A qualifying child for the EITC is a child who meets the following conditions:

- Is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, half brother, half sister, or a descendant of any of them (for example, your grandchild, niece, or nephew).
- Is under age 19 at the end of 2015 and younger than you (or your spouse/RDP, if filing jointly), or under age 24 at the end of 2015, a student, and younger than you (or your spouse/RDP, if filing jointly), or any age and permanently and totally disabled.
- Is not filing a joint return for 2015 or is filing a joint return for 2015 only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596, Earned Income Credit, for examples.
- Lived with you in California for more than half of 2015. If the child did not live with you for the required time, see exceptions in the instructions for line 11.

Note. If the child was married or meets the conditions to be a qualifying child of another person (other than your spouse/RDP if filing a joint return), special rules apply. Get federal Publication 596 for more information.

Qualifying Child Questionnaire

- a. Do you have at least one child who meets the conditions to be your qualifying child?

Yes Continue.
No Go to Step 4.

- b. Are you filing a joint return for 2015?

Yes Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.
No Continue.

- c. Could you be a qualifying child of another person for 2015? (Answer "No" if the other person is not required to file, and is not filing, a 2015 tax return or is filing a 2015 return only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596 for examples.)

Yes Stop here, you cannot take the credit.
No Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.

Line 7 – SSN

The child must have a valid SSN, as defined below, unless the child was born and died in 2015. If your child was born alive and died in 2015 and did not have an SSN, enter "Died" on this line and attach a copy of the child's birth certificate, death certificate, or hospital medical records.

Valid SSN. For the EITC, a valid SSN is a number issued by the Social Security Administration unless "Not Valid for Employment" is printed on the social security card and the number was issued solely to allow the recipient of the SSN to apply for or receive a federally funded benefit. However, if "Valid for Work Only With DHS Authorization" is printed on the social security card, the SSN is valid for EITC purposes only as long as the DHS authorization is still valid.

An ITIN, Individual Taxpayer Identification Number or ATIN, Adoption Taxpayer Identification Number cannot be used to claim EITC. If you or your child has an ITIN or ATIN and later gets a SSN that is valid for employment, you may be able to file an amended return. Use Form 540X, Amended Individual Income Tax Return, to correct your return. Get Form 540X at ftb.ca.gov.

If you did not have an SSN by the due date of your 2015 return (including extensions), you cannot claim the EITC on either your original or an amended 2015 return, even if you later get an SSN. Also, if a child did not have an SSN by the due date of your return (including extensions), you cannot count that child as a qualifying child in figuring the EITC on either your original or an amended 2015 return, even if that child later gets an SSN.

Line 9a – Student

A student is a child who during any part of 5 calendar months of 2015 was enrolled as a full-time student at a school, or took a full-time, on-farm training course given by a school or a state, county, or local government agency. A school includes a technical, trade, or mechanical school. It does not include an on-the-job training course, correspondence school, or school offering courses only through the Internet.

Line 9b – Permanently and totally disabled

A person is permanently and totally disabled if, at any time in 2015, the person could not engage in any substantial gainful activity because of a physical or mental condition and a doctor has determined that this condition (a) has lasted or can be expected to last continuously for at least a year, or (b) can be expected to lead to death.

Line 10 – Child's relationship to you

If the child did not live with you for the required time, temporary absences may count as time lived at home. For more information get federal Publication 596.

Line 12 – Child's physical address

Enter the physical address where the child resided during 2015. This should be the address of the principal place of residence in California where the child lived with you for more than half of 2015. 2015 Instructions for Form FTB 3532

Head of Household Filing Status Schedule

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and to the California Revenue and Taxation Code (R&TC).

What's New

For taxable years beginning on or after January 1, 2015, California requires taxpayers who use head of household (HOH) filing status to file form FTB 3532, Head of Household Filing Status Schedule to report how the HOH filing status was determined.

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the IRC as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets. The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the tax booklets. Taxpayers should not consider the tax booklets as authoritative law.

Attach the completed form FTB 3532, to your Form 540, California Resident Income Tax Return, Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, or Form 540 2EZ, California Income Tax Return, if you claim head of household filing status.

Registered Domestic Partners (RDPs) For purposes of California income tax, references to a spouse, husband, or wife also refer to a California registered domestic partner (RDP), unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

A Purpose

Use form FTB 3532 to report how the HOH filing status was determined for taxable year 2015.

B Qualifications

You may qualify for HOH filing status if all of the following apply.

- You were unmarried and not an RDP, or met the requirements to be considered unmarried or considered not in a registered domestic partnership on the last day of the year.
- You paid more than one-half the costs of keeping up your home for the year.
- Your home was the main home for you and a qualifying person who lived with you for more than half the year.
- The qualifying person was related to you and met the requirements to be a qualifying child or qualifying relative. (For a qualifying relative see Gross Income.)
- You were entitled to a Dependent Exemption Credit for your qualifying person. However, you do not have to be entitled to a Dependent Exemption Credit for your qualifying child if you were unmarried and not an RDP, and your qualifying child was also unmarried and not an RDP.
- You were not a nonresident alien at any time during the year.

- You paid more than half the cost of a qualifying person's total support.
- Your qualifying person is a citizen or national of the United States, or a resident of the U.S., Canada, or Mexico.

If you, your spouse/RDP, or your qualifying person who lived with you was absent from your home during the year, see the definition for temporary absence in FTB Pub. 1540, California Head of Household Filing Status. If your qualifying person is your father or mother, see the definition for Parent/Stepparent (Father or Mother) in FTB Pub. 1540.

Specific Line Instructions

The law allowing HOH filing status has very specific requirements that the taxpayer must meet. Get FTB Pub. 1540 for more information.

Part I – Marital Status

Line 1

To qualify for HOH filing status, you must be either unmarried or considered unmarried on the last day of the year. You are considered unmarried on the last day of the year if you meet all of the following tests.

Considered Unmarried or Considered Not in a Registered Domestic Partnership

If you were married or an RDP as of the last day of the tax year or if your spouse/RDP died during the tax year, you may be considered unmarried or considered not in a registered domestic partnership for head of household purposes if you meet all of the following requirements:

- Your spouse/RDP did not live in your home at any time during the last six months of the year (see Temporary Absence in FTB Pub. 1540).
- Your qualifying person is your birth child, stepchild, adopted child, or eligible foster child.
- You paid more than one-half the cost of keeping up your home for the year.
- Your home was the main home for you and your birth child, stepchild, adopted child, or eligible foster child for more than half the year.
- You must be entitled to claim a Dependent Exemption Credit for your child; that is, your child must meet the requirements to be either a qualifying child or qualifying relative and meet the joint return and citizenship tests. You cannot claim a Dependent Exemption Credit for your child if you could be claimed as a dependent by another taxpayer. You can still meet this requirement if the only reason you cannot claim a Dependent Exemption Credit for your child is because either of the following applies, as provided in a decree of divorce, legal separation, or termination of registered domestic partnership, or a written separation agreement that applies to the tax year at issue:
 - The noncustodial parent is entitled to the Dependent Exemption Credit for the child.
 - The custodial parent signed a written statement that he or she will not claim the Dependent Exemption Credit for the child. (The custodial parent may sign federal Form 8332, Release of Claim to Exemption for Child of Divorced or Separated Parents, or a similar statement. The custodial parent can revoke their federal Form 8332 or similar statement by providing written notice to the other parent.) The noncustodial parent must attach a copy of the statement to his or her income tax return.

If either of the above provisions was contained in a pre-1985 decree or agreement, the noncustodial parent must have provided more than \$600 in support for the child during the year.

Part II – Qualifying Person

Line 2

For the purposes of HOH filing status, you must have a qualifying person who is related to you to qualify for head of household filing status. Your qualifying person must meet the requirements to be either a qualifying child or qualifying relative. You must also pay more than half the cost of keeping up your home in which you and the qualifying child or qualifying relative lived for more than half the year. You may not claim yourself, or your spouse/RDP as your qualifying person.

Part III – Qualifying Person Information

Line 3

Enter the qualifying person's name.

Enter the qualifying person's SSN. Verify that the name and SSN match the qualifying person's social security card to avoid disallowance of your HOH filing status. If the person was born in, and later died in, 2015, and does not have a SSN, enter "Deceased" and attach a copy of the person's birth and death certificates.

Enter the qualifying person's date of birth (mm/dd/yyyy) in the space provided. Incomplete information could result in a disallowance of your HOH filing status.

Line 4

Gross Income

Your qualifying relative's gross income must be less than the federal exemption amount for the year in question. Generally, gross income for head of household purposes only includes income that is taxable for federal income tax purposes. It does not include nontaxable income such as welfare benefits or the nontaxable portion of social security benefits.

If your qualifying relative was married or an RDP, you must consider the qualifying relative's community interest in the spouse's/RDP's income in applying the gross income test. For the federal allowable exemption amount, see the federal instruction booklet for that particular tax year. For more information, go to irs.gov and search for **17** to find Publication 17, Your Federal Income Tax For Individuals.

Line 5

More Than Half the Year

Just because someone lived with you for six months does not mean that the person lived with you for more than half the year. A year has 365 days, and more than half the year is 183 days. (A leap year has 366 days, and more than half a leap year is 184 days.)

To determine how many days your home was your qualifying person's main home follow these guidelines:

- If you were not married and not an RDP at any time during the year, count all of the days that your qualifying person lived with you in your home.
- If you were married or an RDP at any time during the year and received a final decree of divorce, legal separation or your registered domestic partnership was legally terminated by the last day of the year, add together:
 - Half the number of days that you, your spouse/RDP, and your qualifying person lived together in your home.
 - All of the days that you and your qualifying person lived together in your home without your spouse/RDP (ex-spouse/ex-RDP).
- If you were married or an RDP as of the last day of the year, and you did not live with your spouse/RDP at any time during the last six months of the year, add together:
 - Half the number of days that you, your spouse/RDP, and your qualifying person lived together in your home.
 - All of the days that you and your qualifying person lived together in your home without your spouse/RDP.
- If you were married or an RDP as of the last day of the year, and you lived with your spouse/RDP at any time during the last six months of the year, you cannot qualify for the head of household filing status.

When calculating the above, you may include days when your qualifying person was temporarily absent from your home. Temporary absences include vacations, illness, business, school, or military service.

How to Figure Tax Using the 2015 California Tax Rate Schedules

Example: Chris and Pat Smith are filing a joint tax return using Form 540. Their taxable income on Form 540, line 19 is \$125,000.

Step 1: Using Schedule Y, they find the taxable income range that includes their taxable income of \$125,000.

	Example	Your Income
Step 2: They subtract the amount at the beginning of their range from their taxable income.	$\begin{array}{r} \$125,000 \\ - 103,060 \\ \hline \$ 21,940 \end{array}$	$\begin{array}{r} \$ \\ - \\ \hline \$ \end{array}$
Step 3: They multiply the result from Step 2 by the percentage for their range.	$\begin{array}{r} \$ 21,940 \\ \times .0930 \\ \hline \$2,040.42 \end{array}$	$\begin{array}{r} \$ \\ \times \\ \hline \$ \end{array}$
Step 4: They round the amount from Step 3 to two decimals (if necessary) and add it to the tax amount for their income range. After rounding the result, they will enter \$6,578 on Form 540, line 31.	$\begin{array}{r} \$4,537.60 \\ + 2,040.42 \\ \hline \$6,578.02 \end{array}$	$\begin{array}{r} \$ \\ + \\ \hline \$ \end{array}$
