Nonvoting stock which is limited and preferred as to dividends should not be shown, but information relative to the nature of the limitation and preference as to dividends should be furnished on back under "Remarks" regarding all classes of nonvoting stock not shown.

If more than one class of nonvoting stock is outstanding, the number of shares of each class should be shown.

List all corporations which at any time during the taxable year were members of the affiliated group. If any corporation was not in existence at the beginning of the year, show the stock outstanding at date issued.

An affiliated group of corporations, within the meaning of section 235-92(2), HRS, (IRC section 1504) is formed at the time that the common parent corporation which is an includible corporation becomes the owner directly of stock possessing at least 80 percent of the voting power of all classes of stock and at least 80 percent of each class of the nonvoting stock (not including nonvoting stock which is limited and preferred as to dividends) of another includible corporation. A corporation becomes a member of such an affiliated group at the time that one or more members of such group become the owners directly of stock possessing at least 80 percent of the voting power of all classes of its stock and at least 80 percent of each class of its nonvoting stock (not including nonvoting stock which is limited and preferred as to dividends). A corporation ceases to be a member of such an affiliated group at the time the members of such group cease to own directly stock possessing at least 80 percent of the voting power of all classes of its stock, or at least 80 percent of each class of its nonvoting stock (not including stock which is limited and preferred as to dividends).
