INSTRUCTIONS FOR SCHEDULE K-87

GENERAL INFORMATION

K.S.A. 79-32,262 provides an income, privilege or premiums tax credit for tax years 2008, 2009 and 2010 for any taxpayer who makes a capital investment in a business that is located in the city limits, or within one mile of, the following Kansas cities: Chanute, Coffeyville, Erie, Fredonia, Greensburg, Independence, Iola, Neodesha or Osawatomie. The investment must be made within three years of the date of the disaster's occurrence which is the subject of major disaster declaration DR 1699 or DR 1711. The credit shall not exceed 10% of the investment. The total amount of credit allowed for any one taxpayer shall not exceed \$100,000. In no event shall the total amount of credits or refunds exceed \$5,000,000 for any one fiscal year.

The amount of credit shall be reduced by an amount equal to any assistance payment received by the taxpayer from the Southeast Kansas Business Restoration Assistance Program, or from the Kiowa County Business Assistance Program. No taxpayer shall claim more than one credit for the same investment, except that nothing shall prevent a taxpayer from making a claim for and being allowed credit in a subsequent tax year when such taxpayer was not allowed the credit in a previous tax year. If the amount of this tax credit exceeds the income, privilege or premium tax liability for the taxpayer for any taxable year in which the qualified investment is made, the excess credit may be carried over for deduction from such taxpayer's tax liability in the next succeeding year or years until the total amount of the credit has been deducted from the tax liability, except that no such credit shall be carried over for deduction after the 10th taxable year succeeding the taxable year in which the qualified investment was made.

A taxpayer may receive a refund in lieu of the above described nonrefundable credit. The refund shall be 50% of the computed credit. The amount of refund shall also be reduced by an amount equal to any assistance payments received by the taxpayer. Should the taxpayer elect to receive the cash in lieu of the credit, the remaining portion of the tax credit shall be lost. Any refund shall be allowed against the tax liability in the tax year the qualified investment is placed into service.

IMPORTANT: Before you can claim this credit on Form K-87, the amount of credit **MUST BE APPROVED** by KDOR (Kansas Department of Revenue). An on-line application can be found at: ksrevenue.org
