**2015 Form IG255 Instructions**

For insurance tax laws, see *Minnesota Statutes, Chapter 297I* at [www.leg.state.mn.us](http://www.leg.state.mn.us).

You must complete and file Form IG255, *Statement of Insurance Placed with Nonadmitted Insurers*, if you are a person, firm, corporation or purchasing group buying insurance directly from a nonadmitted company.

**Filing Requirement**

Effective on July 21, 2011, the NRRRA (The Nonadmitted and Reinsurance Reform Act of 2010) permits only the insured's home state to require the payment of premium tax for nonadmitted insurance.

When Minnesota is the home state of the insured, as provided under section 297I.05, subd. 7, 100 percent of the gross premiums are taxable in Minnesota with no allocation of the tax to other states.

"Home state" means the state in which an insured maintains its principal place of business, or in the case of an individual, the individual's principal residence.

If 100 percent of the insured risk is located outside of Minnesota, then the insured's home state is the state to which the greatest percentage of the insured's taxable premium for that insurance contract is allocated.

**Due Date**

You must file Form IG255 and pay any tax due by March 1 of the following year. (*M.S. 297I.30, subd. 1*)

The U.S. postmark date, or date recorded or marked by a designated delivery service, is considered the filing date (private postage meter marks are not valid). When the due date falls on a Saturday, Sunday or legal holiday, returns and payments electronically made or postmarked on the next business day are considered timely. When a return or payment is late, the date it is received at the Department of Revenue is treated as the date filed or paid.

**Extension for Filing Return.** If good cause exists, you may request a filing extension.

You must also pay electronically if you're required to pay *any* Minnesota business tax electronically, such as sales or withholding tax.

To pay electronically, go to the department's website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us) and log in. If you do not have Internet access, call 1-800-570-3329 to pay by phone. You'll need your ID number, and bank routing and account numbers. When paying electronically, you must use an account not associated with any foreign banks.

If you use other electronic payment methods, such as ACH credit method or Fed Wire, instructions are available on our website or by calling our Business Registration Office at 651-282-5225 or 1-800-657-3605.

**Check Payments**

If you're not required to pay electronically and are paying by check, visit our website at [www.revenue.state.mn.us](http://www.revenue.state.mn.us) and click on "Make a Payment" and then "By check" to create a voucher. Print and mail the voucher with a check made payable to Minnesota Revenue.

When you pay by check, your check authorizes us to make a one-time electronic fund transfer from your account, and you may not receive your canceled check.

**Note:** If no amount is due or if you pay electronically, do not send in a voucher.

**Penalties and Interest**

**Late payment.** If you do not pay all the tax due by the due date, a late payment penalty is due. The penalty is 5 percent of the unpaid tax for any part of the first 30 days the payment is late, and 5 percent for each additional 30-day period, up to a maximum of 15 percent.

**Late filing.** Add a late filing penalty to the late payment penalty if your return is not filed by the due date. The penalty is 5 percent of the unpaid tax. When added to the late payment penalty, the maximum combined penalty is 20 percent.

## 2015 Form IG255 Instructions (Cont.)

---

**Payment method.** If you are required to pay electronically and do not, an additional 5 percent penalty applies to payments not made electronically, even if a paper check is sent on time.

**Interest.** You must pay interest on the unpaid tax plus penalty from the due date until the total is paid. The interest rate for calendar year 2016 is 3 percent. The rate may change for future years. To figure how much interest you owe, use the following formula with the appropriate interest rate:

$$\text{Interest} = (\text{tax} + \text{penalty}) \times \# \text{ of days late} \times \text{interest rate} \div 365$$
