GROW NEW JERSEY ASSISTANCE TAX CREDIT**

PURPOSE OF THIS FORM - This schedule must be completed by any taxpayer that claims a tax credit as provided for in the Grow New Jersey Assistance Tax Credit Act, N.J.S.A. 34:1B-242 et seq. If the taxpayer claims this credit on Form CBT-100, Form CBT100S, or Form BFC-1, a completed Form 320 must be attached to the return to validate the claim.

The Grow New Jersey Assistance tax credit is available to businesses creating or retaining jobs in New Jersey and making a qualified capital investment at a qualified business facility in a qualified incentive area as defined in the Grow New Jersey Assistance Act. This includes affiliates of the business located in the qualified business facility and tenants which are businesses in the qualified business facility. The capital investment requirements, employment requirements, and amount of the credit vary by qualified investment area and industry type.

Partnerships are not allowed the credit directly, but the amount of credit of each partner shall be determined by allocating to each partner of the partnership that proportion of the credit of the business that is equal to the partner of the partnership's share, whether or not distributed, of the total distributive income or gain of the partnership for its tax period ending within or with the partner's tax period, or that proportion that is allocated by a partnership agreement.

The tax credit can be applied to 100% of the tax liability. The unused amount of the annual credit can be used during a 20 year carry forward. The business may also apply for a tax credit transfer certificate with the Division of Taxation to transfer unused tax credits from the Grow New Jersey Assistance Program from any year to sell the unused tax credits to another business. The tax credits must be sold for no less than 75% of the value of the tax credits, and the purchaser is subject to the same limitations and conditions of the seller of the tax credits.
