Who Must Complete this Form

Form 2015 PIT-8453 must be completed when a tax preparer, electronic return originator (ERO), or other third-party transmitter electronically transmits a 2015 New Mexico Personal Income Tax (PIT-1) return to the Department.

IMPORTANT: Form 2015 PIT-8453 must also be completed by individuals who electronically transmit (file) their own returns, **but only when supporting documentation is required to be submitted to the Department in paper form.**

Form PIT-8453 can only be submitted to the Department in paper format. See *Who Must Submit This Form to the Department* (below), for further details.

Taxpayers who submit 2015 personal income tax returns through the Federal/State e-file program (a third-party software program) may now be able to attach or include supporting documentation with the electronic file. If all supporting documents are submitted with the electronic file, Form PIT-8453 is not required to be submitted to the Department.

Who Must Submit this Form to the Department

Generally, Form PIT-8453 is not required to be submitted to the Department. Form PIT-8453 is only required to be submitted to the Department if the electronically filed return requires supporting forms, schedules, and other paper documentation required to support the return data, exemptions, deductions, or credits, and the supporting documentation is not attached or included with the electronically filed return. See the list of supporting documentation on page 2 of these instructions.

Do not submit copies of Form PIT-1 or Schedules PIT-S, PIT-ADJ, PIT-RC, PIT-B, PIT-D, or PIT-CR. You are required to submit Form PIT-8453 only if you have one or more supporting documents that are not electronically submitted with the return.

Individuals electronically filing their own return through the New Mexico WebFile application are instructed by the program when required to complete and submit Form PIT-8453.

Special Instructions for a Paid Tax Preparer, Electronic Return Originator, or Other Third-Party Transmitter

When a 2015 New Mexico personal income tax return is electronically transmitted through a paid tax preparer, electronic return originator, or other third-party transmitter, the tax preparer or transmitter must complete Form PIT-8453 and obtain a signature(s) from the taxpayer(s), even if the form is not required to be submitted to the Department. Form PIT-8453

authorizes a tax preparer or other third party to electronically transmit (file) the tax return on behalf of the taxpayer and authenticates the electronic portion of the return.

After Form PIT-8453 has been completed and signed, paid tax preparers and other third-party transmitters must provide the taxpayer a copy of the prepared return and Form PIT-8453. The electronic return transmitter must advise the taxpayer of the taxpayer's responsibility for keeping all documentation related to the tax filing for 10 years from the end of the calendar year when the return was due or filed. The electronic return transmitter also must retain Form PIT-8453 and all supporting documents for a period of three years from the end of the calendar year when the return was due or filed.

How to Complete this Form

Complete the taxpayer name(s), address, social security number(s), residency status, and filing status information as reported on Form PIT-1. Mark the residency status box for the primary taxpayer and the spouse exactly as it is marked on PIT-1 return, with **R** for resident, **N** for non-resident, **P** for part-year resident, and **F** for first-year resident.

PART I Tax Return Information. Complete lines 1 through 5 with the information from the taxpayer's return data. The numbers on these lines must match the entries on the corresponding lines of the electronic return.

PART II Declaration of Taxpayer. The taxpayer and spouse, if married filing separately, must sign PART II authorizing the electronic transmission of their return and declaring that the taxpayer information provided on Form PIT-8453 is true, correct, and complete. A blank Form PIT-8453 must be treated the same as a blank tax return in that a tax preparer, electronic return originator, or other third-party transmitter must not allow any taxpayer to sign a blank Form PIT-8453 or tax return. The taxpayer may review the completed tax return on a display terminal.

PART III Declaration of Preparer/Transmitter. The tax preparer, electronic return originator, or other third-party transmitter must complete PART III. Individuals who electronically transmitted their own returns leave Part III blank. If a person other than the transmitter prepares the return, the paid preparer's signature is also required. Instead of obtaining the paid preparer's signature on the PIT-8453, the ERO may attach to Form PIT-8453 a copy of the return bearing the paid preparer's signature.
