Important Notes:

Note 1: Instructions for page 1, Schedule A, line 3. If this pass-through entity or trust has invested in a partnership or limited liability company that also filed Ohio form IT 1140, this pass-through entity or trust is **not** entitled to any payment or credit for this pass-through entity's or this trust's proportionate share of tax paid by that investee partnership or investee limited liability company.

Furthermore, this pass-through entity or trust **cannot** claim such payment as an estimated payment for this pass-through entity's or trust's taxable year. However, the pass-through entity or trust can "pass through" (via the K-1s it will issue) to its qualifying investors or to its qualifying beneficiaries the pass-through entity's or trust's proportionate share of such tax payment that the investee partnership or investee limited liability company paid on behalf of this pass-through entity or trust.

Note 2: Instructions for page 2, line 4. "Related member" is defined in R.C. 5733.042(A)(6) but is modified by R.C. 5733.40(P). For purposes of the line 4 adjustment, a related member is any business entity or person directly or indirectly related to the taxpayer if the direct and indirect ownership interests equals or exceeds 40% of all ownership interests.

Note 3: Instructions for page 2, line 4. Include on this line all compensation paid to or for family member employees if the pass-through entity owner who is a member of family directly, indirectly and/or by attribution owns at least 40% of the pass-through entity. See R.C. 5733.40(A)(3). Do not show on line 6 any amount you show on line 4.

Note 4: Instructions for page 3, line 10, column (B). For those qualifying corporate investors that are **not** listed below, the tax rate for the taxable year beginning in 2015 is 0%; therefore the pass-through entity should pay no tax with respect to these corporations. For those qualifying corporate investors that are listed below and for qualifying investors that are estates, trusts and pass-through entities, compute the tax at the rate of 8.5%. See R.C. 5733.41.

- Financial holding companies as defined in the federal "Bank Holding Company Act."
- Bank holding companies as defined in the federal "Bank Holding Company Act."

- Savings and loan holding companies as defined in the federal "Home Owners Loan Act" that are engaging only in activities permissible under 12 United States Code (U.S.C.) 1843(k).
- Persons, other than persons held pursuant to merchant banking authority under 12 U.S.C. 1843(k)(4)(H) or 12 U.S.C. 1843(k)(4)(I), directly or indirectly "owned" by one or more financial institutions, financial holding companies, bank holding companies, or savings and loan holding companies, but only if those persons are engaged in activities permissible for a financial holding company under 12 U.S.C. 1843(k).
- Persons directly or indirectly "owned" by one or more insurance companies, but only if those persons are authorized to conduct the business of insurance in this state.
- Persons that solely facilitate or service one or more "securitizations" or similar transactions for financial institutions, financial holding companies, bank holding companies, savings and loan holding companies, insurance companies, or persons directly or indirectly "owned" by such businesses.

Definition of "owned" for this purpose: a person "owns" another entity if the person:

- owns at least 50% of the entity's voting stock (corporations);
- owns at least 50% of the entity's membership interests (LLCs); OR
- has a beneficial interest in the entity's profits, surpluses, losses or distributions (partnerships, trusts or other business interests).

Definition of "securitization" for this purpose: Transferring one or more assets to one or more persons and then issuing securities backed by the right to receive payment from the asset or assets so transferred.

If you use multiple rates for column B, attach a schedule reflecting the computation of tax for each type of investor.

Fiscal filers: Use the rate in effect on the last day of the taxable year.

Note 5: Amount of tax credits that will pass through from the qualifying pass-through entity or qualifying trust to each qualifying investor or qualifying beneficiary.
