# School District Year 2015 Estimated Income Tax Payments

## Worksheet #2: Earned Income Only Tax Base

SD 100ES  
Rev. 11/14

Use this worksheet to determine your liability for school district income tax due to an earned income only tax base school district as shown in the list on page 3.

If you filed a school district income tax return for year 2014 and if you will be making estimates based on the "last year's tax" method, skip lines 1 through 5 and enter on line 6 below 100% of the tax shown on line 4 of the 2014 Ohio form SD 100.

**Note 1:** If you move during the year and you will be residing in more than one school district that assesses the school district income tax, then you will need to complete a separate worksheet for each school district.

**Note 2:** You can avoid paying school district estimated income tax if the sum of (i) your 2015 Ohio income tax withholding and (ii) your 2015 school district income tax withholding and (iii) \$500 is equal to or greater than the sum of your 2015 Ohio income tax and your 2015 school district income tax.
