### GENERAL INSTRUCTIONS

---

#### Who Must File Form 64

1. Every incorporated bank, banking association, savings bank that is a member of the federal reserve system, or trust company organized by or under the authority of the laws of the Commonwealth; and
2. Every bank or banking association organized by or under the authority of the laws of the United States or any other state, which is doing business or has an office in the Commonwealth, or whose charter designates any place within the Commonwealth as the place of business of its principal office, whether or not such bank or banking association is authorized to transact business as a trust company; and
3. Every joint stock land bank or other bank organized under the authority of the laws of the United States upon which the Commonwealth is authorized to impose a tax.

Every entity that is a bank (as defined above) as of January 1, 2015, must file a return.

#### Merging Banks

If any banks merged into the filing bank during the tax year, a schedule should be included showing the U.S. obligations for the individual bank reports of condition filed by the filing bank prior to the merger.

#### Branch Banks

Each bank that has as of the beginning of any tax year a bank located in any locality other than the locality in which such bank's principal office is located must maintain a record of the deposits made through such branch.

#### Interstate Branch Banks

Legislation enacted by the 1995 General Assembly allows Virginia to "opt-in" to interstate branch banking as authorized by federal legislation. It also amends the definition of "bank" for Bank Franchise Tax purposes to recognize that an out-of-state bank with a branch in Virginia will be subject to the same tax as Virginia banks.

In the event that a multi-state bank becomes subject to the Bank Franchise Tax, the Department permits multi-state banks that are accepting deposits at branch offices in another state, including the District of Columbia, to apportion net capital based on a deposit oriented methodology similar to that currently specified by the General Assembly for apportionment among Virginia localities. However, for purposes of interstate apportionment, the existing statutory method must be modified to reflect "core" deposits and exclude time certificates of deposit of \$100,000 or more.

Those that do not accept deposits must request permission from the Tax Commissioner to use an alternative method of apportionment. In order to request an alternative method, the bank must:

- file a return using an alternative method of apportioning capital;
- provide a statement regarding why the statutory method is inapplicable or inequitable as applied to the taxpayer; and
- submit an explanation of the proposed method of apportionment in sufficient detail for the Department to make a meaningful review.

In Public Document 11-182 (11/3/11), the Department developed an alternative method of apportioning a bank's capital subject to Bank Franchise Tax based on Va. Code § 58.1-409. This single property factor is a fraction, the numerator of which is the value of real and tangible property owned by the bank on December 31 plus annualized rents for 12 months immediately preceding December 31 used in Virginia, and the denominator of which is the value of real and tangible property owned by the bank on December 31 plus annualized rents for 12 months immediately preceding December 31 used everywhere.

The single property factor is only applicable when a bank, which meets the definition of "bank" under Va. Code § 58.1-1201, has one or more branches, offices or facilities in Virginia but no deposits attributed to any branch, office or facility in Virginia. This alternative method will not cause an out-of-state bank that merely owns property in Virginia (such as foreclosed homes), but does not transact a banking business at any of its Virginia properties, to be subject to the Bank Franchise Tax in lieu of the

corporate income tax. See Title 23 of the Virginia Administrative Code (VAC) 10-120-20 B 2.

### **Banks in Receivership or Liquidation**

When the affairs of any bank are being finalized under Va. Code § 6.2-912 et seq. or under comparable provisions of the National Banking Act, a return of the assets on hand as of January 1 of each year shall be made by those having custody or control of the assets. No tax will be assessed during the period of liquidation. If any surplus remains after payment of all creditors and depositors, the liquidating officers shall ascertain the net capital of the bank just prior to each January 1 during the period of liquidation and pay the appropriate tax before any distribution of surplus. No penalty for late payment will be assessed on such payments.

### **When to File**

On or before March 1 of each tax year. There are no provisions for an extension of time.

### **Where to File**

Form 64 and all accompanying schedules (Schedules C - H) must be filed in DUPLICATE with the Commissioner of the Revenue for the city or county in which the principal office of the bank or trust company is located. Mailing addresses for the Commissioners of the Revenue are listed on the last page of the instructions. A bank that was formerly headquartered in Virginia should continue to file with the locality in which its principal office was located. Banks that move into Virginia should file with the locality where the first branch is established. Banks that move into Virginia via the purchase of a Virginia bank should file in the locality of the former Virginia bank's principal office. In addition, the bank must file copies of Schedules C and H with the assessing officer of each locality imposing tax on the filing bank. No payment should be submitted with Form 64.

For additional information, call or write to:

Virginia Department of Taxation

### **Assessment of Tax**

The Department will issue a Notice of Assessment to each bank on or about May 1 of the taxable year.

### **Payment of Tax**

Payment must be made on or before June 1 of the taxable year. The local tax should be paid directly to the Treasurer or designated official of each city, county or incorporated town imposing the tax. Banks are not required to file local tax payment receipts with the Department.

### **Penalty**

Any bank which fails to file a return and pay the state tax shall be subject to a penalty of 5% of the tax due.

### **Interest**

Interest at the rate established by Va. Code § 58.1-15 will be added to the tax if it is not paid by the due date. The interest rate is the federal "underpayment rate" plus two percent.

### **Official Report of Condition and Income**

You must attach to Form 64, when filed, a complete copy of the official Report of Condition and Income (Call Report) required by the Comptroller of the Treasury, U.S. Department of the Treasury or the Bureau of Financial Institutions, State Corporation Commission, for the December 31 immediately preceding the current tax year. No other reports, newspaper copies or other

financial statements are acceptable.

Line 7 - Goodwill Deduction: Banks are allowed to take a Bank Franchise Tax deduction of up to 90% of goodwill created in connection with the acquisition or merger of a bank on or after July 1, 2001, for purposes of determining a bank's capital subject to the Bank Franchise Tax. The deduction is available for Bank Franchise Tax that is payable on or after January 1, 2002. The Goodwill Deduction may be claimed on Line 7 of Form 64. A separate schedule (not provided) indicating the amount of goodwill and showing the deduction computation must be attached.

Line 8 - Interest Related to Intangible Assets of Affiliates: When a bank receives interest from an affiliated corporation in connection with the acquisition, ownership, use, or disposition of patents, trademarks, copyrights and similar property by the affiliate, the deduction of interest may be disallowed on the affiliate's Corporate Income Tax return. The bank would be allowed a deduction from its gross capital for any portion of the interest that the affiliate must add back under Va. Code § 58.1-402 B(9) provided that: (i) the interest added back by the affiliate was paid to the bank by the affiliate, (ii) at the time of the payment to the bank the affiliate was a "related member" as that term is defined in Va. Code § 58.1-302, and (iii) the interest has not otherwise been deducted or excluded from the bank's gross capital. Report such interest on Line 8 of Form 64 and attach a statement providing the name, federal employer identification number, and Virginia account number of the affiliate together with a detailed explanation of the transaction generating the interest, the taxable year or years for which the addback was made by the affiliate, and the date on which the affiliate's liability for the addback was finally determined.

Line 16 - Tax Rate Schedule: Rates are provided for new banks that have not been in business for a full year before the January 1 date for valuing the taxable capital. The prorated tax rates are as follows:

- Transacting business on or before March 31, 2015, \$1 of tax per \$100 of net taxable capital.
- Transacting business as of June 30, 2015, but not before April 1, 2015, \$.75 of tax per \$100 of net taxable capital.
- Transacting business as of September 30, 2015, but not before July 1, 2015, \$.50 of tax per \$100 of net taxable capital.
- Transacting business as of December 31, 2015, but not before October 1, 2015, \$.25 of tax per \$100 of net taxable capital.

For purposes of the Tax Rate Schedule, "transacting business" means accepting deposits from customers in the regular course of doing business. A bank shall be eligible for the prorated tax rate with respect to the first return it is

required to file after accepting deposits. A bank shall not be eligible for the prorated tax rate if it was organized or created as a part of a reorganization within the meaning of Internal Revenue Code § 368(a).

Line 19-25 - Tax Credits: The following rules apply when claiming credits on Form 64, Lines 19 through 25.

- A credit may only be claimed against the state Bank Franchise Tax due on Line 18 of the return.
- Tax credits should be claimed in the order in which they provide the maximum benefit, regardless of the order shown on the form.
- Claim only as much credit as can be used to offset tax liability and keep accurate records of the carryover available for each credit.

Line 19 - Neighborhood Assistance Act Tax Credit: The Virginia Neighborhood Assistance Tax Act provides tax credits to businesses that donate money, marketable securities, property, limited professional services and contracting services directly to pre-approved Neighborhood Assistance Program organizations whose primary function is to provide educational or other qualified services for the benefit of low-income families. Licensed veterinarians, physicians, dentists, nurses, nurse practitioners, physician assistants, optometrists, dental hygienists, pharmacists, professional counselors, clinical social workers, clinical psychologists, marriage and family therapists, physical therapists, chiropractors, pharmacists and physician specialists who donate their services for an approved clinic, and mediators certified by the Judicial Council of Virginia may also be eligible for tax credits. In addition, a trust, or a fiduciary for a trust, may receive a tax credit for a donation made to an approved organization. The amount of credit attributable to a partnership, S corporation or limited liability company must be allocated to the partners, shareholders, or members in proportion to their ownership or interest in the partnership S corporation, or limited liability company. Any unused tax credits may be carried forward for the next five taxable years. To claim the tax credit, a certificate from the Department of Social Services or the Department of Education must be attached to your return. For a list of approved organizations or additional information, contact:

Line 20 - Enterprise Zone Act Credit: Qualified banks located within an Enterprise Zone that have initiated the use of the Enterprise Zone General Income Tax Credit or have a signed agreement with the Commonwealth regarding the use of such credits in place by July 1, 2005, may be eligible based on job creation to take a credit against the tax due on zone taxable income in an amount equal to

80% of the tax due for the first year and 60% of the tax due for the second through the tenth years. Excess general tax credit, if any, may not be carried forward. Such credits are authorized through Fiscal Year 2019.

In addition, qualified banks located within an Enterprise Zone that have initiated the use of the Enterprise Zone Investment Tax Credit or have a signed agreement with the Commonwealth regarding the use of such credits that is in place by July 1, 2005, may be eligible for a credit against zone taxable income. The Enterprise Zone Investment Tax Credit can be carried forward until the full amount is used. Such credits are authorized through Fiscal Year 2019. If the amount of credits requested by taxpayers during the taxable year exceeds the annual appropriation, the Virginia Department of Housing and Community Development (DHCD) will issue a proportionate amount of credits to each qualified business firm requesting the credits.

To claim this credit, complete Form 301 and transfer the computed amount to Form 64, Line 20. Banks qualified by the state prior to July 1, 1995, are required to include a copy of each Certification of State Unemployment Tax Credit from the Virginia Employment Commission and the Certificate of Qualification from the Virginia Department of Housing and Community Development. Banks qualifying after July 1, 1995, must attach the Certificate of Qualification to their return. To obtain the forms necessary to qualify for this credit and additional information, contact:

Line 21 - Major Business Facility Job Tax Credit: Individuals, estates, trusts, corporations, banks, insurance companies, and telecommunications companies may claim a Virginia tax credit if the taxpayer creates at least 50 new full-time jobs in connection with the establishment or expansion of a major business facility, or if the company is engaged in a qualifying industry in Virginia and creates at least 50 new full-time jobs in Virginia. If a taxpayer is located in an enterprise zone or in an economically distressed area (as defined by the Virginia Economic Development Partnership), the threshold is reduced from 50 to 25. Credits will be recaptured proportionately if employment decreases during the five years following the initial credit year.

This nonrefundable credit is equal to \$1,000 per qualifying new job in excess of the 50/25 job threshold and is spread over two years for taxpayers whose initial credit year begins on or after January 1, 2009. The credit only applies to facilities where an announcement to expand or establish such a facility was made on or after January 1, 1994. The credit must be claimed ratably over three taxable years, beginning with the taxable year following the year in which the facility is established or expanded, or the new qualifying jobs are added. Unused credits may be carried forward for the next ten taxable years.

To apply for this credit, complete Form 304. All applications must be submitted to the Department of

Taxation, Tax Credit Unit, PO Box 715, Richmond, VA 23218-0715, 90 days prior to the due date of your return. A letter will be sent to certify the credit. This letter must be attached to the return.

All pass-through entities must complete Form PTE at least 60 days before the participants file their income tax return. If the participants' income tax return is due before the Form 502 is filed, they must file an amended return to claim the credit or file for an extension.

Effective for taxable years beginning on and after January 1, 2012, taxpayers may qualify for the Major Business Facility Job Tax Credit even if they have also received an enterprise zone grant. However, any qualified business firm receiving a Major Business Facility Job Tax Credit is not eligible to receive both an Enterprise Zone Job Creation Grant and a Major Business Facility Job Tax Credit for the same jobs.

To claim this credit, transfer the certified credit amount to Form 64, Line 21. Attach the letter of certification from the Department authorizing the credit.

Line 22 - Historic Rehabilitation Credit: A bank or trust company incurring eligible expenses in the rehabilitation of a certified historic structure is entitled to claim a credit against the tax imposed by Va. Code § 58.1-1202. The credit is equal to 25% of eligible rehabilitation expenses for projects. To qualify, the cost of the rehabilitation must equal at least 50% (25% if the building is an owner occupied residence) of the assessed value of the building for local real estate tax purposes in the year preceding the start of the rehabilitation. Unused credits may be carried forward for ten years. The rehabilitation work must be certified by the Virginia Department of Historic Resources as consistent with the Secretary of the Interior's Standards for Rehabilitation. Line 23 - Barge and Rail Usage Tax Credit: For taxable years beginning on and after January 1, 2011, but before January 1, 2015, a business may receive an income tax credit for the usage of barge and rail to move cargo containers throughout the Commonwealth rather than using trucks or other motor vehicles on the Commonwealth's highways.

The amount of the credit is \$25 per 20-foot equivalent unit (TEU) or 16 tons of noncontainerized cargo or one unit of roll-on/roll-off cargo moved by barge or rail. To receive this credit, an international trade facility is required to apply to the Department. No more than \$500,000 in tax credits can be issued in any fiscal year. The Department will determine the allowable credit amount for the taxable year and provide a written certification of the credit amount to each taxpayer. Taxpayers can claim this credit against the Individual Income Tax, the Corporate Income Tax, the Tax on Estates and Trusts, the Bank Franchise Tax, the Insurance Premiums License Tax, and the Tax on Public Service Corporations. Any unused tax credits may be carried over for five taxable years.

The business must apply by April 1st using Form BRU. Submitting a late application will disqualify you from the credit. All applications must be sent to:

**Virginia Department of Taxation  
Tax Credit Unit  
P.O. Box 715  
Richmond, VA 23218-0715.**

This credit requires certification from the Tax Credit Unit to be claimed on your tax return. A letter will be sent to you to certify the credit. This letter must be attached to your return.

For assistance, contact the Tax Credit Unit at 804-786-2992.

Line 24 - Worker Retraining Tax Credit: The Worker Retraining Tax Credit allows an employer to claim a tax credit for the costs of providing retraining to qualified employees. "Eligible worker retraining" includes noncredit courses that are approved by the **Virginia Economic Development Partnership (VEDP)** and that are provided by any of the Commonwealth's community colleges or private schools. "Eligible worker retraining" programs also include courses (credit and noncredit) undertaken through an apprenticeship agreement approved by the Virginia Apprenticeship Council.

The credit is 30% of all expenditures paid or incurred by the employer during the taxable year, subject to certain limitations. For taxable years beginning prior to January 1, 2013, if the eligible worker retraining consists of courses conducted at a private school, the credit cannot exceed \$100 per qualified employee annually. For taxable years beginning on or after January 1, 2013, if the eligible working retraining consists of courses conducted at a private school, the credit cannot exceed \$200 per qualified employee annually, or \$300 per qualified employee annually if the eligible training includes retraining in a STEM or STEAM discipline. A STEM or STEAM discipline is defined as a science, technology, engineering, mathematics or applied mathematics related discipline as determined by the DBA. A STEM or STEAM discipline also includes a health care related discipline.

Employers must apply for certification of the amount of allowable credit using Form WRC by April 1 of the year following the year the training expenses were paid or incurred before claiming the credit on their income tax return. All businesses filing a timely Form WRC will be notified of their allowable credit by June 30, 2013. The maximum Worker Retraining Tax Credits granted to all employers is limited to \$2,500,000 annually. If the total amount of approved credits exceeds this amount, each taxpayer's claim will be prorated. The credit is allowable against Individual Income Tax, Estate and Trust Tax, Corporation Income Tax and the Bank Franchise Tax. The credit is also allowable against taxes imposed upon insurance companies and utility companies (under Va. Code §§ 58.1-2500 et seq. and 58.1-2620 et seq.). This credit is nonrefundable, but excess credits may be carried forward for the next three taxable years.

Line 26 - Education Improvement Scholarships Tax Credit: For taxable years beginning on or after January 1, 2014, but before January 1, 2028, a bank franchise tax credit may be claimed for monetary or marketable securities donations made to scholarship foundations included on an approved list published by the Virginia Department of Education. The credit is equal to 65 percent of the monetary or marketable securities donation made to the scholarship foundation.

Credits may be earned in taxable years beginning on or after January 1, 2013, but before January 1, 2028. Tax credits earned during Taxable Year 2013 must be claimed in the subsequent taxable year. Tax credits earned during Taxable Year 2014 and thereafter should be claimed in the year during which they were earned. Accordingly, Education Improvement Scholarships Tax Credits earned during both Taxable Years 2013 and 2014 should be claimed on the Taxable Year 2014 tax return.

Tax credits will be awarded to taxpayers on a first-come, first-served basis in accordance with procedures established by the Virginia Department of Education. The total amount of credits available in any fiscal year is capped at \$25 million. Any unused tax credits may be carried over for the next five succeeding taxable years or until the total amount of credit has been taken, whichever is sooner.
