## Schedule AMTI Instructions

---

*Unitary businesses: Complete only one Schedule AMTI.*

### Who Should File

The following are **not** subject to alternative minimum tax and are not required to complete Form AMTI:

- regulated investment companies (RICs);
- real estate investment trusts (REITs);
- real estate mortgage investment conduits (REMICs);
- cooperatives; and
- small corporations exempt from federal AMT under IRC section 55(e).

If you do not fit the categories above and your Minnesota net income (from Form M4I, line 7), combined with your adjustments and tax preferences (including adjusted current earnings), exceeds \$40,000 or your allowable exemption amount, you must file Schedule AMTI. Federal Form 4626 must be filled out before you can complete Schedule AMTI.

### Line 2

Do not include any adjustments on line 2 that have already been made on Form M4I to determine Minnesota net income.

### Lines 5 and 6

Enter the amounts from the appropriate lines of your federal ACE worksheet. In computing Minnesota ACE, no adjustment is to be made for subtractions listed on Form M4I, lines 4a or 4d.

### Line 10

#### Excess of Prior ACE Increases Over Reductions

See instructions for federal Form 4626, line 4d, for an example of how to compute this amount. You must enter an amount on line 10 even if line 8 is positive.

Minnesota pre-adjustment AMTI equals the amount on line 3 of Schedule AMTI. Minnesota ACE equals the sum of lines 3 and 8 of Schedule AMTI.
