 You are not entitled to a Montana tax credit for taxes paid to a foreign country to the extent you claimed these taxes as a foreign tax credit on your federal income tax return.

- If you claim this credit for an income tax paid by your S corporation or partnership, see the instructions for Form 2, Schedule V, line 1 on page 32.
- Your credit is limited to a tax liability paid on income that is also taxed by Montana.
- Your income tax paid includes your share of any excise or franchise taxes paid by your S corporation or partnership if they are imposed on the entity itself and measured by the entity's net income.
- This is a nonrefundable credit and cannot reduce your Montana tax liability below zero.
- This is a nonrefundable single-year credit. No unused credit amount can be carried forward.
- You need to complete a separate Schedule VI for each state or country to which you have paid an income tax liability. You cannot combine payments on one schedule.
- If you are a part-year resident, you need to allocate your income on Form 2, Schedule IV before completing Form 2, Schedule VI.
