

**PARTNERSHIP APPLICATION FOR EXTENSION OF TIME TO FILE FORM NJ-1065**  
**General Instructions**

---

**PURPOSE OF THE PART-200-T**

Use Form PART-200-T to apply for a five (5) month extension of time to file Form NJ-1065 that has a filing fee due.

**QUALIFYING FOR THE EXTENSION**

To be eligible for an extension you must have paid, by the original due date of your return, either through an installment payment, or a payment made with this form, at least 80% of the filing fee and installment payment reported on New Jersey Form NJ-1065 when filed. If the 80% requirement is not met, or you do not file Form NJ-1065 by the extended due date, the extension will be denied. Penalty and interest charges will be imposed from the original due date of the return.

Requests to extend the time to file Form NJ-1065 that has a filing fee due must use Form PART-200-T. Filing Form PART-200-T does not satisfy a partnership's obligation to file Form NJ-1065 nor does it extend the time for payment of the filing fee due on the return. The New Jersey Division of Taxation will not send you confirmation that the extension has been received and/or approved. You will be notified by the Division of Taxation only if your extension is denied, however not until after your Form NJ-1065 is actually filed.

**WHEN TO FILE PART-200-T**

**HOW TO FILE PART-200-T**

**Electronic Filing Mandate** - Beginning with tax year 2011, Partnerships subject to the provisions of the Corporation Business Tax Act (that is partnerships that remit tax based on any nonresident corporate and nonresident noncorporate partner's allocable share of NJ partnership income) that utilize the services of a paid preparer must file all their returns completed by that practitioner via electronic means. Payments of the partnership liabilities along with the submission of payment related returns (NJ-1065-V and PART-200-T) must also be made electronically either by the partnership or by a paid tax practitioner. In addition, partnerships with 10 or more partners must file all returns electronically regardless of whether or not they utilize the services of a paid tax preparer.

PART-200-T extension requests, along with payment, may be filed online until 11:59 p.m. on or before the original due date of your return (April 15 for calendar year filers) at <http://www.njtaxation.org>.
