

## 2014 FID-EXT Fiduciary Income Tax Extension Payment Voucher

**Purpose of this form.** Use this 2014 FID-EXT payment voucher to make an extension payment towards a 2014 fiduciary income tax liability. An extension payment requires a federal automatic extension or a New Mexico extension; a payment towards a potential tax liability with FID-EXT avoids accrual of interest. By obtaining an extension of time to file your return, penalty for failure to file and pay is waived through the extension period, provided you file the return and pay the tax shown on the return by the extended due date. Interest accrues even if you obtain an extension of time to file and pay the return. Interest is assessed daily at the quarterly rate established by the U.S. Internal Revenue Code on the amount of tax due. The Department posts annual and daily interest rates for each quarter at [www.tax.newmexico.gov](http://www.tax.newmexico.gov). Click **Businesses** and then under **Popular Information**, click **Penalty and Interest Rates**.

If you expect to owe more tax when you file your 2014 return and you obtained an extension of time to file, make a payment using the 2014 FID-EXT payment voucher to avoid the accrual of interest on the principal tax due. Submit the payment voucher at the bottom with your check or money order.

### About the Application for Extension of Time to File.

- **Federal automatic extension filed.** New Mexico recognizes and accepts an Internal Revenue Service (IRS) automatic extension of time to file. If you obtain the federal automatic extension by filing Form 7004, *Application for Automatic Extension of Time to File Certain Business Income Tax, Information, and Other Returns* for tax year 2014, you have the federal automatic extension period allowed by the IRS to file your New Mexico return. You do not need to file Form RPD-41096, *Application for Extension of Time to File*. Detach the voucher at the bottom and submit it to the Department with your extension payment.
- **New Mexico extension request filed.** If you expect to file your federal return by the original due date or by the federal automatic extension of time to file allowed by the IRS, but you need additional time to file your New Mexico return, you must obtain approval through the state. To request approval, you must submit Form RPD-41096, *Application for Extension of Time to File*, on or before the due date of the return or the extended due date of the return. You may submit RPD-41096 at the same time you submit your extension payment. Detach the voucher at the bottom and submit it to the Department with your extension payment.

You may submit your payment with the payment voucher below or pay online at no charge by electronic check. You can pay online through Taxpayer Access Point (TAP) at <https://tap.state.nm.us>. Under **FOR BUSINESSES**, click **Make a Payment** and then in **Account Type**, select **Fiduciary Income Tax**. The electronic check authorizes the Department to debit your checking account in the amount and on the date you specify. You may also use any of these credit cards—Visa, MasterCard, American Express, or Discover Card—for your online payment. A convenience fee of 2.40% is applied for using a credit card. The State of New Mexico uses this fee, calculated on the transaction amount, to pay charges from the credit card companies. To file a New Mexico application for extension of time to file and pay, you must submit Form RPD-41096.

**NOTE:** When you provide a check as payment, you authorize the Department either to use information from your check to make a one-time electronic fund transfer from your account, or to process the payment as a check transaction.

**SUBMIT ONLY A HIGH-QUALITY PRINTED, ORIGINAL FORM AND FOLLOW THESE INSTRUCTIONS.** With the high-speed scanners the Department uses when processing payment vouchers, a quality form helps ensure accuracy. Do not use a photocopy of the voucher. Because the scanners can read only one page size to process vouchers, it is important to **cut on the dotted line only**. When printing the voucher from the Department website or a software product, prevent resizing by setting the printer's page scaling function to **None**. If your payment voucher has a scanline (a very long row of numbers) within the bottom 1 and 1/2-inch of the voucher, do not write in the area around the scanline.

**IMPORTANT:** Please make sure you submit the payment with the payment voucher.
