# Instructions for PA-20S/PA-65 Schedule CP

Corporate Partner CNI Withholding

PA-20S/PA-65 Schedule CP (05-16)

## GENERAL INFORMATION

### Purpose of Schedule

The PA-20S/PA-65 Schedule CP is completed by a partnership to determine the corporate net income tax withholding for nonfiling corporate partners (C corporations only) that are required to file an RCT-101, PA Corporate Tax Report. A separate schedule must be completed for each nonfiling corporate partner. Before completing this schedule, complete the PA-20S/PA-65 Schedule H-Corp to apportion business income (loss) for the corporate partner(s). The partnership should use federal Form 1065 Schedule K-1 to calculate withholding for any corporate partner that did not file an RCT-101, PA Corporate Tax Report. Corporate net income tax withholding is based on federal Form 1065 Schedule K-1 income. Each entity partner should receive a copy of PA-20S/PA-65 Schedule H-Corp.

**TIP** All PA-20S/PA-65 Schedules CP must be filed with the PA-65 Corp, Directory of Corporate Partners and provided to the corporate partners for filing their RCT-101, PA Corporate Tax Report. Partnerships that are 100 percent corporate owned must list all corporate partners on the PA-65 Corp Directory whether the corporation is compliant or not, based on filing requirements for the RCT-101, PA Corporate Tax Report. However, a Schedule CP only needs to be completed for noncompliant corporate partners and is not required for compliant partners who file the RCT-101 and no corporate net income tax withholding payment is calculated.

A nonfiling corporate partner is a corporation as defined in 72 P.S. §7401,

which has not filed an RCT-101, PA Corporate Tax Report, and paid corporate net income tax for the previous taxable year. Apportionment rules apply.

### CORPORATE PARTNERS

The amount on Line 16 of PA-20S/PA-65 Schedule CP is remitted by the issuing partnership on the corporation's behalf for payment of corporate net income tax withholding. The partnership is permitted to adjust federal Form 1065 Schedule K-1 income for expenses or deductions.

**TIP** Do not submit nonresident individual partner withholding payments with PA-20S/PA-65 Schedule CP. This schedule is only used to report C corporation, nonfiler corporate net income tax withholding.

## COMPLETING PA SCHEDULE CP

### FOREIGN ADDRESS STANDARDS

If the PA S corporation, partnership or entity formed as a limited liability company that is classified as a partnership or PA S corporation for federal income tax purposes is located outside the U.S., it is important to write the foreign address on the PA-20S/PA-65 Schedule CP, according to U.S. Postal Service standards.

Failure to use these standards may delay processing of correspondence necessary to complete the processing of the return.

To comply with foreign address standards, use the following rules when completing the address portion of the PA-20S/PA-65 Schedule CP:

- Eliminate apostrophes, commas, periods and hyphens. Write the

address in all uppercase letters. Addresses should have no more than five lines and must be written in ink or typewritten. Pencil is unacceptable.

- Write the name of the entity in the spaces provided. Mail may not be addressed to a person in one country "in care of" a person in another country. The address of items sent to general delivery must indicate the addressee's full legal name.
- Write the address in the space provided, including street and building name and number, apartment or suite numbers, city name and city or provincial codes. All lines of the delivery address should appear in all capital letters. The house number and street address or box number must appear when mail is addressed to towns or cities.
- Write only the name of the country in the space provided for the city or post office.
- **Do not** include any entries in the state field other than "OC" for Out-of-Country. The ZIP code spaces should remain blank on the PA-20S/PA-65 Schedule CP.

Providing the address in this format will better ensure that the department is able to contact the entity if we need additional information.
