General Information

Use Form CO-422 to direct a payment for Corporate Income tax accounts.

Do not include Form CO-422 if you are making payments with another return or form such as:

- CO-411 - Corporate Income Tax Return
- CO-414 - Corporate Estimated Tax Payment Voucher
- BA-403 - Application for Extension of Time

CO-422 may be used, for example, if:

- You mailed your form or payment coupon, but forgot to include a check.
- You or your tax preparer filed your documents electronically, and you want to send a check separately.

Do not use CO-422 for Business income tax accounts. Business income tax filers should use Form WH-435 to make estimated payments on behalf of non-resident owners, or Form BI-470 in lieu of this form.
