- If you have income and/or losses from two or more states, you must separately calculate lines 10 through 16 for each state, regardless of whether any tax was paid on such income. If you do not file electronically, you must submit the DR 0104CR for each state. Then, enter "Combined" on line 9 and complete lines 10 through 16 to disclose the combined total for each line. A summary schedule is not acceptable. **The Department strongly recommends electronic filing for taxpayers with credits for more than one state. Failure to file electronically may result in delays processing your return.**
