

Certificate of Exemption for Pass-through Withholding Payments

Read this information first

Owners:

Form IL-1000-E should be completed by any owner (partner, shareholder, or beneficiary) that elects to make its own tax payments on income from a pass-through entity (partnership, S corporation, or trust). **Individuals may not make the exemption election.**

Pass-through entities:

In order to accept Form IL-1000-E, make sure that the certificate is completed and signed by the owner, officer, fiduciary, or authorized representative. Keep the certificates in your files. **Do not send them to us unless we specifically request them from you.**

In the event that we notify you that the certificate has been revoked, the certificate remains valid for 60 days after the date of notification, and you must then begin withholding for income distributable to the owner.

If the certificate has been revoked, you may not accept another certificate from the owner until we notify you.

Specific information for both owners and pass-through entities:

Form IL-1000-E must only be completed, signed, and submitted once to the pass-through entity. It does not need to be resubmitted on an annual basis. **Do not send Form IL-1000-E to us unless we specifically request it from you.**
