File Electronically

Electronic filing is fast and easy. Last year, 84 percent of Missouri Individual Income Tax Returns were filed electronically. See page 2 for details about how you can file electronically this year.

Tax Deadline is April 17. See page 4 for extensions.

Electronic Filing Options for Federal and State E-File - Missouri, in cooperation with the Internal Revenue Service (IRS), offers a joint federal and state filing of individual income tax returns. There are two ways that you may e-file your federal and state income tax returns:

- 1) You can electronically file your federal and state returns online from websites provided by approved software providers. Many providers offer free filing if you meet certain conditions. A list of approved providers can be found at <http://dor.mo.gov/personal/individual/>.
- 2) You can have a tax preparer (if approved by the IRS) electronically file your federal and state returns for you, usually for a fee. A list of approved tax preparers can be found at <http://dor.mo.gov/personal/individual/>.

Benefits of Electronic Filing

Convenience: You can electronically file 24 hours a day, 7 days a week. If you electronically file **DO NOT** mail a copy of your return.

Security: Your tax return information is encrypted and transmitted over secure lines to ensure confidentiality.

Accuracy: Electronically filed returns have fewer errors than paper returns.

Direct Deposit: You can have your refund directly deposited into your bank account.

Proof of Filing: An acknowledgment is issued when your return is received and accepted.

Assistance with Preparing Your Tax Return

There are a large number of volunteer groups around Missouri providing tax assistance to elderly or lower income taxpayers. To locate a volunteer group near you that offers return preparation assistance:

- Call 800-906-9887 or 888-227-7669; or
- visit <http://www.irs.gov/Individuals/Free-Tax-Return-Preparation-for-You-by-Volunteers>.

You will find a larger volume of volunteer centers open during the filing season, which is typically January through April.

2-D Barcode Returns - If you plan to file a paper return, you should consider 2-D barcode filing. The software encodes all your tax information into a 2-D barcode, which allows your return to be processed with fewer errors compared to traditional paper returns. If you use software to prepare your return, check our website for approved 2-D barcode software companies. Also, check out the Department's fill-in forms that calculate and have a 2-D barcode. You can have your refund directly deposited into your bank account when you use the Department's fill-in forms.

If your form has a 2-D barcode, mail your return to the Department of Revenue address as indicated below:

You must file Form MO-1040 if at least one of the following applies:

- You or your spouse claim or file:
 - a. a pension or social security/social security disability or military exemption or property tax credit and you also have other special filing situations. (If you do not have any other special filing situations described in this section, you can use the Missouri Individual Income Tax Return and Property Tax Credit Claim/Pension Exemption (Form MO-1040P) to file your taxes and claim the property tax credit/pension exemption.);

Important Filing Information

This information is for guidance only and does not state the complete law.

Filing Requirements

You do not have to file a Missouri return if you are not required to file a federal return. If you are required to file a federal return, you may not have to file a Missouri return if you:

- are a resident and have less than \$1,200 of Missouri adjusted gross income;
- are a nonresident with less than \$600 of Missouri income; or
- have Missouri adjusted gross income less than the amount of your standard deduction plus the exemption amount for your filing status.

Note: If you are not required to file a Missouri return, but you received a Form W-2 stating you had Missouri tax withheld, you must file your Missouri return to get a refund of your Missouri withholding. If you are not required to file a Missouri return and you do not anticipate an increase in income, you may change your Employee Withholding Allowance Certificate (Form MO W-4) to "exempt" so your employer will not withhold Missouri tax.

When to File

Calendar year taxpayers must file no later than **April 17, 2018**. Late filing will subject taxpayers to charges for interest and addition to tax. Fiscal year filers must file no later than the 15th day of the fourth month following the close of their taxable year.

Extension of Time to File

You are not required to file an extension if you do not expect to owe additional income tax or if you anticipate receiving a refund.

If you wish to file a Missouri extension, and do not expect to owe Missouri income tax, you may file an extension by filing Form MO-60, Application for Extension of Time to File. An automatic extension of time to file will be granted until October 15, 2018.

If you receive an extension of time to file your federal income tax return, you will automatically be granted an extension of time to file your Missouri income tax return, provided you do not expect to owe any additional Missouri income tax. Attach a copy of your federal extension (Federal Form 4868) with your Missouri income tax return when you file.

If you expect to owe Missouri income tax, file Form MO-60 with your payment by the original due date of the return.

Remember: An extension of time to file does not extend the time to pay. A 5 percent addition to tax will apply if the tax is not paid by the original return's due date.

Late Filing and Payment

Simple interest is charged on all delinquent taxes. The rate will be updated annually and can be found on our website at <http://dor.mo.gov/personal/individual/>.

For timely filed returns, an addition to tax of 5 percent (of the unpaid tax) is added if the tax is not paid by the return's due date.

For returns not filed by the due date, an addition to tax of 5 percent per month (of the unpaid tax) is added for each month the return is not filed. The addition to tax cannot exceed 25 percent.

If you are unable to pay the tax owed in full on the due date, please visit <http://dor.mo.gov/personal/individual/> for your payment options. If you are mailing a partial payment, please use the

Individual Income Tax Payment Voucher (Form MO-1040V) found on page 48.

Where to Mail Your Return

If you are due a **refund** or have **no amount due**, mail your return and all required attachments to:

Department of Revenue
P.O. Box 500
Jefferson City, MO 65106-0500.

If you have a **balance due**, mail your return, payment, and all required attachments to:

Department of Revenue
P.O. Box 329
Jefferson City, MO 65107-0329.

2-D barcode returns, see page 2.

Dollars and Cents

Rounding is required on your tax return. Zeros have been placed in the cents columns on your return. For 1 cent through 49 cents, round down to the previous whole dollar amount. For 50 cents through 99 cents, round up to the next whole dollar amount.

Example: Round \$32.49 down to \$32.00
Round \$32.50 up to \$33.00

Report of Changes in Federal Taxable Income

When your federal taxable income or federal tax liability is changed as a result of an audit or notification by the Internal Revenue Service, or if you file an amended federal income tax return, you must report such change by filing an amended Missouri income tax return with the Department of Revenue within 90 days of the change. Failure to notify the Department of Revenue within the 90 day period extends the statute of limitations to one year after the Department of Revenue becomes aware of such determination. You will be subject to interest and addition to tax if you owe additional tax to Missouri.

Amended Return

To file an amended individual income tax return, use Form MO-1040. Select the box at the top of the form. Complete Forms MO-1040 and the Individual Income Tax Adjustments (Form MO-A), pages 1-4, using corrected figures. **Attach all schedules along with a copy of your federal changes and your Federal Form 1040X.** If you are due a refund, mail to: Department of Revenue, P.O. Box 500, Jefferson City, MO 65106-0500. If you have an amount due, mail to Department of Revenue, P.O. Box 329, Jefferson City, MO 65107-0329.

Composite Return

Businesses filing a composite return on behalf of their nonresident partners or shareholders should use Form MO-1040. Attach a schedule listing the name, address, identification number, and amount of each nonresident partner or shareholder's income from Missouri sources to Form MO-1040. Select the composite return box at the top of Form MO-1040. Refer to Missouri Regulation 12 CSR 10-2.190 and the Instructions for Composite Individual Return for Nonresident Partners or Shareholders (Form 5677) at <http://dor.mo.gov/forms> for complete filing instructions. **Note: The tax rate for a composite return is 6 percent.**

Exception: An individual domiciled in Missouri who did not maintain permanent living quarters in Missouri, did maintain permanent living quarters elsewhere, and spent 30 days or less of the taxable year in Missouri is not a resident.

Domicile: The place an individual intends to be his or her permanent home; a place that he or she intends to return to when absent. A domicile, once established, continues until the individual moves to a new location with the true intention of making his or her permanent home there. An individual can have only one domicile at a time.

Nonresident

A nonresident is an individual who does not meet the definition of resident. If required to file, nonresidents with income from another state must use the Missouri Income Percentage (Form MO-NRI) to determine income percentages.

Part-Year Resident

All income earned while living in Missouri is taxable to Missouri. A part-year resident may determine to be taxed as a resident for the entire year by using the Credit for Income Taxes Paid to Other States or Political Subdivisions (Form MO-CR) to claim a credit for taxes paid to another state on the income earned while living in Missouri. Or a part-year resident may use Form MO-NRI to determine their income percentage based on the income earned while living in Missouri.

Military Personnel

The Servicemembers Civil Relief Act prevents military personnel from being taxed on military income by any state other than their home of record state. The Military Spouses Residency Relief Act prevents income earned by service-members' spouses from being taxed by any state other than their state of residence. If you are a member of any active duty component of the Armed Forces of the United States you may be eligible for an income deduction. See Line 20 instructions for more information.

Missouri Home of Record - If you entered the Armed Forces in Missouri, your home of record is presumed to be Missouri and you are presumed to be domiciled in Missouri.

Missouri Home of Record (Stationed Outside Missouri) - If you: (a) maintained no permanent living quarters in Missouri during the year; (b) maintained permanent living quarters elsewhere; and (c) did not spend more than 30 days of the year in Missouri, you are considered a *nonresident* for tax purposes and your military pay, interest, and dividend income are not taxable to Missouri. Complete Form MO-NRI and attach to Form MO-1040.

Note: If your spouse remains in Missouri more than 30 days while you are stationed outside Missouri, your total income, including your military pay, is taxable to Missouri. If you are the spouse of a military servicemember, are living outside of Missouri and Missouri is your state of residence, any income you earn is taxable to Missouri. If you earn more than \$1,200 you must file Form MO-1040.

Missouri Home of Record (Stationed in Missouri) - If your home of record is Missouri and you are stationed in Missouri due to military orders, all of your income, including your military pay, is taxable to Missouri.

Missouri Home of Record (Entering or Leaving the Military) - If you are entering or leaving the military, Missouri is your home of record, and you spend more than 30 days in Missouri, your total income, including your military pay, is taxable to Missouri.

Non-Missouri Home of Record (Stationed in Missouri) - The military pay of nonresident military personnel stationed in Missouri due to military orders is not taxable to Missouri. If you are a servicemember and earned only military income while stationed in Missouri, complete a No Return Required-Military Online Form by visiting <http://dor.mo.gov/personal/individual/>.

If you are a military servicemember and earned \$600 or more in Missouri in non-military income, this non-military income is taxable to Missouri and cannot be subtracted from your federal adjusted gross income on your Form MO-1040.

If you are the spouse of a military servicemember, are in Missouri because the military servicemember is stationed in Missouri on military orders, and your state of residence is another state, any income earned by you is not taxable to Missouri. However, if you earn more than \$600 you must file Form MO-1040 and provide verification of your state of residence. Acceptable verification may include any of the following from your state of residence: a copy of your 2017 state income tax return, 2017 property tax receipts, current driver license, vehicle registration, or voter identification card. You must report the military pay of the servicemember and your income on Form MO-A, Part 1, Line 10, as a "Military (Nonresident)" subtraction to your

federal adjusted gross income. For additional information visit <http://dor.mo.gov/personal/individual/>.

Other State Income

You must begin Form MO-1040 with your total federal adjusted gross income, as reported on your federal return. Lines 1 through 28 of the return are computed as if you are a full-year resident. Tax (Line 28) is computed on all your income, and may then be reduced by a resident credit (Line 29), or by a Missouri income percentage (Line 30). The result is a prorated Missouri tax liability (Line 31) based only on the income earned in Missouri. See page 9, Lines 29 and 30.

Declaration of Estimated Tax

Residents and nonresidents are required to make a declaration of estimated tax if their Missouri estimated tax is expected to be at least \$100. If you are required to make estimated tax payments, you must do so by remitting your tax payment along with an Estimated Tax Declaration for Individuals (Form MO-1040ES).

Address Change

Visit <http://dor.mo.gov/personal/individual/> to obtain an official address change form to change your address with the Department. Address change requests should be mailed to: **Department of Revenue, P.O. Box 2200, Jefferson City, MO 65105-2200**. This will help forward any refund check or correspondence to your new address.

You may complete our online address change form by visiting <http://dor.mo.gov/personal/individual/>.

Consumer's Use Tax

Use tax is imposed on the storage, use or consumption of tangible personal property in this state. The state use tax rate is 4.225 percent. Cities and counties may impose an additional local use tax. Use tax does not apply if the purchase is subject to Missouri sales tax or otherwise exempt. A purchaser is required to file a use tax return if the cumulative purchases on which tax was not paid to the state exceeds \$2,000 in a calendar year. You can use the Individual Consumer's Use Tax Return (Form 4340), located on page 47. The due date for Form 4340 is April 16, 2018.

Non-Obligated Spouse

You may select the **non-obligated spouse** box if your spouse owes the state of Missouri any child support payments, back taxes, student loans, etc., and you do not want your portion of the refund used to pay the amounts owed by your spouse. Debts owed to the Internal Revenue Service (IRS) are **excluded** from the non-obligated spouse apportionment.

Figure Your Missouri Adjusted Gross Income

Missouri requires the division of income between spouses. Taxpayers filing a combined return pay less tax by dividing the income between spouses and then determining the tax amount for each person's income. You must begin your Missouri return with your total federal adjusted gross income, even if you have income from a state other than Missouri.

Line 1 - Federal Adjusted Gross Income

If your filing status is "**married filing combined**" and both spouses are reporting income, use the worksheet on page 7 to split income between you and your spouse. The combined income for you and your spouse must equal the total federal adjusted gross income you reported on your federal return. For **all other filing statuses**, use the chart below to determine your federal adjusted gross income.

If you include loss(es) of \$1,000 or more on Line 1, you must attach a copy of Federal Form 1040 (pages 1 and 2).

Worksheet for Line 1 - Instructions for Completing the Adjusted Gross Income Worksheet

Missouri law requires a combined return for married couples filing together. A combined return means taxpayers are required to split their total federal adjusted gross income (including other state income) between spouses when beginning the Missouri return.

Splitting the income can be as easy as adding up your separate Forms W-2 and 1099. Or it may require allocating to each spouse the percentage of ownership in jointly held property, such as businesses, farm operations, dividends, interest, rent, and capital gains or losses. State refunds should be split based on each spouse's 2016 Missouri tax withheld, less each spouse's 2016 tax liability. The result should be each spouse's portion of the 2016 refund. Taxable social security benefits must be allocated by each spouse's share of the benefits received for the year.

The worksheet below lists income that is included on your federal return, along with federal line references. Find the lines that apply to your federal return, split the income between you and your spouse, and enter the amounts on the worksheet. When you have completed the worksheet, transfer the amounts from Line 18 to Form MO-1040, Lines 1Y and 1S.

Note: Remember, the incomes listed separately on Line 18 of this worksheet must equal your total federal adjusted gross income when added together.

Figure Your Tax

Line 28 - Missouri Tax

Calculate your tax by using your taxable income from Form MO-1040, Line 27Y and 27S, the Tax Rate Chart (page 20, Section A), and Tax Calculation Worksheet (page 20, Section B).

Lines 29 and 30 - Resident Credit or Missouri Income Percentage

A taxpayer filing as a resident who paid taxes to another state or political subdivision may take a credit for tax paid by using Form MO-CR. A taxpayer filing as a nonresident may calculate their Missouri income percentage by using the Form MO-NRI. A Form MO-CR and a Form MO-NRI may not be used by the same taxpayer on Form MO-1040. (If filing a combined return, one spouse may use Form MO-NRI and the other spouse may elect to use Form MO-CR). See Lines 29 and 30. For more information and

examples, visit <http://dor.mo.gov/personal/individual/>. **Attach a copy of your other state or political subdivision's return.**

Line 29 - Missouri Resident(s)

You should take the resident credit (Form MO-CR) if:

- you are a full-year Missouri resident; and
- you paid income tax to other state(s) or political subdivisions.

Line 30 - Nonresident(s)

You should determine your Missouri income percentage (Form MO-NRI) if:

- you are a nonresident; and
- you had income from other state(s) or political subdivisions.

The amount on Line 30 should be 100 percent unless you use Form MO-NRI and determine a lesser percentage. If you do not enter a percentage on Line 30, your tax will be based on all of your income, regardless of where it was earned.

Line 29 or 30 - Part-Year Resident(s)

You may take either the resident credit **or** the Missouri income percentage. Complete both Forms MO-CR and MO-NRI and use the one that is to your advantage. All income earned while living in Missouri is taxable to Missouri. **Attach a copy of your other state or political subdivision's return.**

Line 32 - Tax on Lump Sum Distributions and Recapture Tax on Missouri Low Income Housing Credits

Lump Sum Distributions. A taxpayer who receives a lump sum distribution may be required to file Federal Form 4972. Because this income is not included in your Missouri adjusted gross income, a separate calculation must be made to compute the Missouri tax on this distribution. You are subject to the tax if your state of legal residence was Missouri at the time you received the lump sum distribution. The amount of tax is 10 percent of your federal tax liability on the distribution received in 2017. You must compute this tax by multiplying the amount shown as tax on a Lump Sum Distribution (Federal Form 4972) by 10 percent. For example, if your Federal Form 1040, Line 44 includes \$1,000 tax as a result of a Lump Sum Distribution (Federal Form 4972), the amount of tax on Form MO-1040, Line 32, would be \$100. Select the Lump Sum Distribution box on Line 32. **Attach a copy of Federal Form 4972.**

Recapture Tax. If you are required to recapture a portion of any federal low income housing credits taken on a low income housing project, you are also required to recapture a portion of any state credits taken. The state recapture amount is the proportion of the state credit that equals the proportion the federal recapture amount bears to the original federal low income housing credit amount. **Attach a copy of your federal return (pages 1 and 2) and Federal Form 8611.**

Information to Complete Form MO-A, Part 1

Missouri Modifications to Federal Adjusted Gross Income

Form MO-A, Part 1, computes Missouri modifications to federal adjusted gross income. Modifications on Lines 1 through 6 **include income** that is exempt from federal tax, but taxable for state tax purposes. Modifications on Lines 8 through 16 **exclude income** that is exempt from state tax, but taxable for federal tax purposes. If after reviewing the instructions for Part 1, you have no modifications, enter on Form MO-1040, Lines 3 and 5, the same amount(s) entered on Form MO-1040, Line 1.

Line 1 - Interest on State and Local Obligations

If you received income from an obligation of a state or political subdivision **other than Missouri**, enter the amount of that income, reduced by the related expenses incurred (management fees, trustee fees, interest, etc.) if the expenses are more than \$500.

Line 2 - Partnership, Fiduciary, S Corporation, Other

Enter positive adjustments (additions) reported from partnerships, fiduciaries, S corporations, or other sources. The partnership, fiduciary, or S corporation must notify you of the amount of any such adjustment (addition) to which you are entitled. Select the boxes applicable on Line 2 and attach a copy of the notification received.

Net Operating Loss - Carryback/Carryforward: In the year of your net operating loss (NOL), enter on Form MO-A, Part 1, Line 2 the amount of your eligible NOL to be carried back or carried forward from the loss year. Enter the sum of the current year's NOL (as a positive number), plus any unused NOL from prior years. If your NOL carries forward from the carryback year, enter the unused portion of your NOL as computed on Federal Form 1045, Schedule B, Line 10. Please attach Federal Form 1045, Schedules A and B, or the calculation of your NOL carryback/carryforward. **Amended returns only:** If your federal adjusted gross income includes an NOL (other than a farming loss) of more than two years, enter the loss amount as a positive number.

Non-medical Withdrawal from Individual Medical Account (IMA): Any monies you withdraw from your Individual Medical Account (IMA) for non-medical purposes are taxable to Missouri. The interest earned on such monies is also taxable to Missouri. The amount subject to tax is reported on a statement provided by the administrator of the IMA.

Non-qualified Withdrawal from Family Development Account: The amount of annual deposits previously subtracted must be added to your federal adjusted gross income if the withdrawal from the account was not for a qualified use.

Line 3 - Nonqualified Distribution from a Qualified 529 Plan

Any distribution made by the Missouri Savings for Tuition Program (MOST), the 529 plan administered by the Missouri Higher Education Deposit Program, or any other qualified 529 plan, not used for qualified higher education expenses, must be added to federal adjusted gross income of the taxpayer who made contributions to the plan. The amount of the distribution that must be added includes contributions previously exempt from state tax and earnings generated from the program (if the earnings are not already included in federal adjusted gross income). If the taxpayer who made the contribution is deceased, the beneficiary of the savings program must **add** the nonqualified taxable distribution to federal adjusted gross income on the Missouri income tax return.

Line 4 - Food Pantry Contributions included on Schedule A

If you are claiming the Food Pantry Tax Credit (Form MO-FPT) and you included your donations as an itemized deduction on your Federal Schedule A, enter the amount of your donations, as noted on Form MO-FPT.

Line 5 - Nonresident Property Tax

If you are a nonresident or part-year resident and you reported property taxes paid to another state or political subdivision on Line 9 of your Federal Schedule A, you must report that amount on Line 5 of Form MO-A, unless that state or political subdivision allows a subtraction to income for Missouri property taxes. Visit <http://dor.mo.gov/faq/personal/nonresident.php> for a list of states that allow a subtraction for Missouri property taxes.

Line 6 - Nonqualified Distribution from a Qualified Achieving a Better Life Experience Program (ABLE)

Any distribution made by the ABLE program administered by the Missouri Achieving a Better Life Experience board, not used for qualified disability expenses or not held for the minimum length of time established by the board must be added to the federal adjusted gross income of the taxpayer who made the contributions to the plan. The amount of the distribution that must be added includes contributions previously exempt from state tax and earnings generated from the program (if the earnings are not already included in federal adjusted gross income). If the taxpayer who made the contribution is deceased, the beneficiary must **add** the nonqualified distribution to federal adjusted gross income on the Missouri income tax return.

Line 7 - Total Additions

Add Lines 1 through 6. Enter the totals on Form MO-A, Part 1, Line 7 and on Form MO-1040, Line 2.

Line 8 - Interest on Exempt Federal Obligations

Interest from **direct obligations** of the U.S. Government, such as U.S. savings bonds, U.S. treasury bills, bonds, and notes is exempt from state taxation under the laws of the United States. **Attach a detailed list or all Federal Forms 1099.** Taxpayers who claim exclusion for interest from direct U.S. obligations must identify the specific securities owned, e.g., "U.S. savings bond". A general description such as "interest on U.S. obligation" or "U.S. Government securities" **is not acceptable.** (See Regulation 12 CSR 10-2.150 for the taxability of various U.S. Government related obligations.) **Failure to identify the specific security will result in the disallowance of the deduction.**

A federally taxed distribution received from a mutual fund investing exclusively in direct U.S. Government obligations is exempt. If the mutual fund invests in both exempt (direct) and non-exempt (indirect) federal obligations, the deduction allowed will be the distribution received from the mutual fund attributable to the interest on the direct U.S. Government obligations, as determined by the mutual fund. **Attach a copy of the year-end statement** received from the mutual fund showing either the amount of money received or the percentage of funds received from direct U.S. Government obligations, or a summary statement received from the mutual fund which clearly identifies the exempt and non-exempt portions of the U.S. Government obligation interest. The statement does not need to list each obligation separately. **Failure to attach the requested document will result in the disallowance of the deduction.**

Reduce the amount claimed by related expenses, if expenses were over \$500. To arrive at the amount of related expenses, you may use actual expenses or a reasonable estimate. In general, you should use the same or similar method used to compute related expenses for federal income tax purposes, provided that the method reasonably reflects related expenses for Missouri-exempt income.

If you fail to compute reasonable related expenses, the Director of Revenue will make an adjustment based on the best information available. If sufficient information is not available or if your records do not provide sufficient information, the Director of Revenue will use the following formula to compute related expenses:

$$\frac{\text{Exempt income}}{\text{Total Income}} \times \text{Expense Items} = \text{Reduction to Exempt Income}$$

The principal expense item in this formula is interest expense; however, the Director of Revenue may include other expense items because of their direct relationship to the production of exempt income. You may propose an alternative method provided that it properly reflects the amount of related expenses.

Line 9 - State Income Tax Refund

Enter the amount of any state income tax refund included in your federal adjusted gross income on Form MO-1040, Line 1 (from Federal Form 1040, Line 10). **Attach a copy of Federal Form 1040 (pages 1 and 2).**

Line 10 - Partnership, Fiduciary, S Corporation, Railroad Retirement Benefits, Other

Enter subtractions, reported from partnerships, fiduciaries, and S corporations. The partnership, fiduciary, and S corporation must notify you of the amount of any such subtraction to which you are entitled. Select the boxes applicable on Line 10 and attach a copy of the notification received. **Failure to attach a copy of the notification furnished to you will result in the disallowance of the subtraction.**

Railroad Retirement Benefits Administered by the Railroad Retirement Board, such as all Tier I and Tier II benefits and any railroad retirement sick pay, disability, and unemployment benefits, included in federal adjusted gross income (Form MO-1040, Line 1), are exempt from state taxation. Enter any such benefits received on Line 10.

If you have other subtractions, indicate the source on Line 10. Other subtractions include:

1. **Military Income of Nonresident Military Personnel.** Enter the amount of any military income received by nonresident military personnel stationed in Missouri. Nonresident active duty military servicemembers who are required to file a Missouri return may subtract the military income received from their federal adjusted gross income. Nonresident servicemembers' spouses who are in Missouri due to military orders, and have declared another state as their state of residence may subtract their income from their

federal adjusted gross income. **Attach a copy of the Form W-2 reporting your military income.**

2. **Combat Pay Included in Federal Adjusted Gross Income Earned by Military Personnel with a Missouri Home of Record.** The IRS allows enlisted members, warrant officers and commissioned warrant officers to exclude their military pay received while serving in a combat zone, or while hospitalized as a result of injuries incurred while serving in a combat zone. The exclusion of combat pay received by a commissioned officer, other than a commissioned warrant officer, is limited to the highest rate of enlisted pay. Subtract all military income received while serving in a combat zone, which is included in Federal Adjusted Gross Income (FAGI) and is not otherwise excluded. In most cases combat pay is not included in Box 1, Wages, of Form W-2 and therefore is not included in FAGI. However if Box 1 includes combat pay, the portion consisting of combat pay may be taken as a subtraction for Missouri purposes.

Example 1: A resident of Missouri, is an enlisted member of the military. He enters a combat zone in July and is there through December. He earns \$12,000 January through June, and earns \$20,000 July through December. Box 1 of his Form W-2 should only indicate the \$12,000 he received prior to entering the combat zone. He is not entitled to a subtraction, as his combat pay is not included in his FAGI.

Example 2: A resident of Missouri, is a high-ranking commissioned officer. He enters a combat zone in July and is there through December. He earns \$50,000 January through June, and earns \$70,000 July through December. The IRS limits his exclusion to \$40,000, causing Box 1 of his Form W-2 to indicate \$80,000. He is entitled to a subtraction of \$30,000, which represents the portion of Box 1 of Form W-2 attributable to combat pay that is included in his FAGI.

3. **Build America Bonds and Recovery Zone Bonds Interest.** Enter any interest received from Build America or Recovery Zone Bonds that is included in your federal adjusted gross income. **Attach a copy of your Form 1099-INT or any other applicable documentation.**
4. **Missouri Public-Private Transportation Act.** Enter any income received in connection with the Missouri Public-Private Transportation Act, that is included in your federal adjusted gross income.
5. **Net Operating Loss.** Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of up to 20 years from the year of the initial loss. **Attach Federal Form 1045, Schedule A and B, and the calculation of your net operating loss carryback/ carryforward.**
6. **Contributions into a Missouri Individual Medical Account (IMA).** Contributions that were made by your employer into an Individual Medical Account (IMA) and used to pay your health care expenses are exempt from Missouri income tax. The interest income earned on the IMA account is also exempt from Missouri income tax. The IMA contribution is identified in Box 14 of your Form W-2, Wage and Tax Statement. Reduce the amount of contributions by the amount of medical and dental expenses deducted on Federal Form 1040, Schedule A, Line 4, but paid for by the IMA and included in Missouri itemized deductions.
7. **Accumulation Distribution.** If during the taxable year, you received a distribution as beneficiary of a trust that was made from accumulated earnings of prior years and you filed Federal Form 4970, the amount of the distribution may be excluded

from Missouri income to the extent that it was reported in your federal adjusted gross income.

8. **Capital Gain Exclusion on Sale of Low Income Housing.** If during the taxable year, you sold a federally subsidized (HUD) low income housing project to a nonprofit or governmental organization, and at least 40 percent of the units are occupied by persons or families having incomes of 60 percent or less of the median income, you may exclude 25 percent of the capital gain from Missouri tax. However, the buyer of the property must agree to preserve or increase the low income occupancy of the project. To use this exclusion, enter 25 percent of the capital gain reported on your Federal Form 1040. **Attach a copy of your Federal Form 1040 (pages 1 and 2) and Federal Form 4797.**
9. **Family Development Account.** A family development account holder may subtract the amount of annual deposits made to the account (not to exceed \$2,000). Approved withdrawals from the family development account are also exempt from state tax. Interest earned by a family development account is exempt from state taxation and may be subtracted from an account holder's federal adjusted gross income. Any money withdrawn for an unapproved use is subject to tax. **Attach proper certification and a copy of your Form 1099.**
10. **Federally Taxable - Missouri Exempt Obligations.** Income from any bond issued by the Missouri Higher Education Loan Authority (MOHELA), including interest or proceeds resulting from the sale of the bond, is exempt from Missouri tax. Enter the amount of such income included in federal adjusted gross income on Line 10.
11. **Condemnation of Property.** If you included in your Federal Adjusted Gross Income any gain arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof, you may exclude that gain from Missouri tax. **Attach a copy of your Federal Form 1040, Schedule D, and Federal Form 4797.**
12. **Employee Stock Ownership Plan (ESOP) Capital Gain Deduction.** Enter 50 percent of the net capital gain from the sale or exchange of employer securities of a Missouri corporation to a qualified Missouri employee stock ownership plan if, upon completion of the transaction, the qualified Missouri employee stock ownership plan owns at least 30 percent of all outstanding employer securities issued by the Missouri corporation. **Attach Form(s) 1099 and Schedule K-1.**

Filing an Estimated Tax Payment and Paying the Tax for Calendar Year Taxpayers** - If you file returns on a calendar year basis and are required to file Form MO-1040ES, you are generally required to file an estimated tax payment by April 15, and to pay the tax in four installments. (If you are not required to file an estimated tax payment until later in the year because of a change in your income or exemptions, you may be required to pay fewer installments.) The chart below shows the due date for estimated tax payments and the maximum number of installments required for each.

<u>Period Requirements First Met</u>	<u>Due Date of Estimated Tax Payments</u>	<u>Maximum Number of Installments Required</u>
Between Jan. 1 and Apr. 1	Apr. 15	4
Between Apr. 2 and Jun. 1	Jun. 15	3
Between Jun. 2 and Sept. 1	Sept. 15	2
After Sept. 1	Jan. 15	1

When the due date falls on a Saturday, Sunday, or legal holiday, the estimated tax payment will be considered timely if filed on the next business day.

- C. Fiscal Year Taxpayers** - Fiscal year taxpayers should substitute for the due dates above, the 15th day of the first and last months of the second quarter of your fiscal year; the 15th day of the last month of the third quarter; and the 15th day of the first month of your next fiscal year.
- D. Exception to the Penalty** - You will not be liable for a penalty if your 2017 tax payments (amounts shown on Line 20) equal or exceed any amount determined for the same period under the following exception provisions. You may apply a different exception to each underpayment. Please enclose a separate computation page for each payment. If none of the exceptions apply, complete Lines 15 through Line 29.

The percentages shown on Lines 21, 22, and 23, for the April 15, June 15, and Sept. 15 installment dates, are for calendar year taxpayers required to pay installments on four dates.

Exception 1 - Prior Year's Tax - This exception applies if your 2017 tax payments equal or exceed the tax shown on your 2016 tax return. The 2016 return must cover a period of 12 months and show a tax liability.

Exception 2 - Tax on Prior Year's Income using 2017 Rates and Exemptions - This exception applies if your 2017 tax withheld and estimated tax payments equal or exceed the tax that would have been due on your 2016 income if you had computed it at 2017 rates. To determine if you qualify for this exception, use the personal exemptions allowed for 2017, but use the other facts and law applicable to your 2016 return.

Exception 3 - Tax on Annualized 2017 Income - This exception applies if your 2017 tax payments equal or exceed 90 percent of the tax on your annualized taxable income for periods from the first of the year to the end of the month preceding that in which an installment is due. To annualize your taxable income, follow these four steps.

- (a) Figure your adjusted gross income less itemized deductions from the first of your tax year up to and including the month prior to that in which an installment is due; or, if you use the standard deduction, figure your adjusted gross income for that period.
- (b) Divide the result of step (a) by the number of months in your computation period.
- (c) Multiply the result of step (b) by 12.
- (d) Subtract the deduction for personal exemptions, federal tax and, if you did not itemize, subtract the standard deduction. The result is your annualized taxable income.

Exception 3 may not be used for the fourth installment period.

Example I (Combined return with one dependent)

1. Wages, received during Jan., Feb., and Mar	\$6,000
2. Self-employment income during Jan., Feb., and Mar.	\$4,000
3. Adjusted gross income	\$10,000
4. Annualized income ($\$10,000 \div 3 \times 12$)	\$40,000
5. Less:	
(a) Standard deduction	\$12,700
(b) Exemptions (2 x \$2,100) + (1 x \$1,200)	\$5,400
(c) Federal tax (joint return)	\$1,513
6. Annualized taxable income	\$20,387
7. Income Tax (from Missouri tax chart)	\$994

1700000001

If your tax withheld and estimated tax payment for the first installment period of 2017 were at least \$224 (22.5 percent of \$994) you do not owe a penalty for that period.

Exception 4 - Tax on 2017 Income Over Periods of 3, 5, and 8 months - This exception applies if your 2017 tax payments equal or exceed 90 percent of the tax on your taxable income for periods starting from the first of the year to the end of the month preceding that in which an installment is due. This exception does not apply to the fourth quarter. To determine if this exception applies for the first three quarters, figure your taxable income from January 1, 2017 to the end of the month preceding that in which an installment is due. Then compute your tax on that amount as though it represented your taxable income for 2017.

Example II (Combined return with one dependent, using standard deduction)

(1) <u>Computation Period</u>	(2) <u>Income</u>	(3) <u>Tax</u>	(4) <u>90 percent of Tax</u>	(5) <u>Tax Withheld</u>
Jan. 1 to Mar. 31	\$15,000	\$0	\$0	\$275
Jan. 1 to May 31	\$21,665	\$76	\$68	\$458
Jan. 1 to Aug. 31	\$31,665	\$544	\$490	\$733

Since the amounts in column (5) are greater than those in column (4) for each of the first three computation periods, there is no penalty for the first three installment periods.

E. Figure the Addition to Tax - For Line 27a, enter the number of days from the due date of the installment to the date of payment or December 31, 2017, whichever is earlier. If the payment date on Line 26 is December 31, 2017, or later and the due date of the installment is April 15, 2017, then enter 260 days; for June 15, 2017, 199 days; and for September 15, 2017, 107 days.

For Line 27b, enter the number of days from January 1, 2018, or the 2018 installment due date to date of payment or appropriate due date of return, whichever is earlier. If the payment date is April 15, 2018, enter 105 days for the first, second, and third quarters and 90 days for the fourth quarter.

F. Tax Withheld - You may consider an equal part of the income tax withheld during the year as paid on each required installment date, unless you establish the dates on which the withholding occurred and consider it paid on those dates.

G. Overpayment - Apply as credit against the next installment any installment overpayment shown on Line 19a that is greater than all prior underpayments.

H. Installment Payments - If you made more than one payment for any installment, enclose a separate computation for each payment. If you filed your return and paid the balance of tax due on or before January 31, 2018, consider the balance paid as of January 15, 2018.

I. Exception from the Addition to Tax for Service in a Combat Zone - You may be exempt from a penalty for underpayment of estimated tax if you served in the U.S. Armed Forces in an area designated by the President as a combat zone under conditions which qualified you for hostile fire pay. If you are exempt for this reason, write on Line 19, for the applicable installment dates, "Exempt, combat zone."

J. Farmers - If (1) your Missouri gross income from farming is at least two-thirds of your total Missouri gross income and (2) you filed a Missouri Individual Income Tax Return and paid tax on or before March 1, 2018, you are exempt from charges for underpayment of estimated tax. If so, write on Line 1, "Exempt, farmer".

If you meet this gross income test but did not file a return or pay the tax when due, complete this form with respect to the last quarter only. Qualified farmers would enter all of Line 14 in the fourth quarter and calculate the appropriate underpayment.

14. Enter the required annual payment, as computed on Part I, Line 6.
15. Divide the required annual payment (Line 14) by the number of required installments. Otherwise, divide the required annual payment by four and place the amount in each column. (See instructions for farmers.)
16. Enter the amount of tax paid during the installment period. (The tax withheld throughout the year may be considered as paid in four equal parts on the due date of the installment, unless a different date is established.)
17. Enter the amount, if any, of overpayment reported on Line 19c from the previous installment period.
18. Enter the sum of Line 16 and Line 17.

Enter the additional depreciation created by the Job Creation and Worker Assistance Act previously added back in prior years to the extent allowable by Section 143.121, (RSMo). This amount is computed by figuring the allowable depreciation prior to the Job Creation and Worker Assistance Act less the depreciation taken on your federal return. If you have previously taken an addition modification for a qualifying property, but have sold or disposed of the property during the taxable year, select the box on Line 13 and take a subtraction for the amount not previously recovered. A military pension is a pension received for your service in a branch of the armed services of the United States, including the Missouri Army Reserve and Missouri National Guard. You must reduce your military pension exemption by any portion of your military pension that is included in the calculation of your public pension exemption. Therefore, if you qualify for the public pension, make sure you complete the Public Pension Calculation (Section A) before you calculate your military pension exemption.

Form MO-PTS

Information to Complete Form MO-PTS

If you qualify for the Property Tax Credit you must attach your Form MO-PTS to your Form MO-1040 and mail to: Missouri Department of Revenue, P.O. Box 2800, Jefferson City, MO 65105-2800.

Important: You must complete Form MO-1040, Line 1 through Line 40, before you complete Form MO-PTS.

Note: If your filing status on Form MO-1040 is married filing combined, but you and your spouse lived at different addresses the entire year, you may file a separate Property Tax Credit Claim (**Form MO-PTC**). Do not include spouse name or social security number if you selected married filing separate. (**Example:** One spouse lives in a nursing home or residential care facility while the other spouse remains in the home the entire year.) If filing a separate **Form**

MO-PTC, you cannot take the \$2,000 or \$4,000 deduction on Line 7 and you cannot calculate your Property Tax Credit on the Form MO-PTS.

Qualifications

Select the applicable box to indicate under which qualification you are filing the Form MO-PTS. You must select a qualification box to be eligible for the credit. Select **only** one box. **Attach the appropriate documentation to verify your qualification.** (The required documentation is listed behind each qualification on Form MO-PTS.)

Helpful Hints

If you are married and living together, you must file married filing combined and include all household income. Please use the social security number of the person filing the claim.

Line 2 - Social Security Benefits

Enter the amount of nontaxable social security benefits before any deductions and the amount of social security equivalent railroad retirement benefits. See the following to determine nontaxable benefits:

- Federal Form 1040, Line 20a less Line 20b
- Federal Form 1040A, Line 14a less Line 14b
- Form SSA-1099 and RRB-1099, total amount before deductions (if you did not include an amount on Federal Forms 1040 or 1040A)

Lump sum distributions from Social Security Administration and other agencies must be claimed in the year in which they are received. **Attach Form(s) SSA-1099 or RRB-1099 (TIER I).**

Helpful Hints

Wait to file your return until you receive your Form SSA-1099 in January 2018. This form will list your benefits for the entire 2017 year. See the sample Form SSA-1099 on page 46.

If you are receiving railroad retirement benefits, you should get two Forms RRB-1099. Form RRB-1099R shows annuities and pensions. Form RRB-1099 shows your social security equivalent railroad retirement benefits. Include the amount from Form RRB-1099 that states social security equivalent (usually Tier I benefits) on Line 2.

Line 3 - Exempt Interest and Pension Income

Enter the amount of pensions, annuities, rental income, dividends, or exempt interest income not included on Form MO-PTS, Line 1. (Do not include amount of excludable costs of pensions or annuities.) See the following to determine the amount of your pension or exempt interest:

- Forms 1099-R or W-2P - Total amount before deductions not included on Form MO-1040, Line 6 (Missouri adjusted gross income).
- Forms 1099-INT - Total amount not included on Form MO-1040, Line 6 (Missouri adjusted gross income). Include tax exempt interest from Form MO-A, Part 1, Line 8.

If grants or long-term care benefits are made payable to a nursing facility, do not include as income or rent.

Line 4 - Railroad Retirement Benefits

Enter railroad retirement benefits **before deductions** for medical premiums or withholdings of any kind from Form MO-A, Part 1, Line 10. **Attach a copy of your Form RRB-1099-R.** (Do not include social security equivalent railroad retirement included on Line 2.)

Line 5 - Veteran Benefits

If a veteran is 100 percent disabled, **not due to military service**, payments and benefits are included in the Property Tax Credit household income. Veteran payments and benefits include education or training allowances, disability compensation, grants, and insurance proceeds. A letter from the Veterans Administration detailing the amount of your benefits needs to be attached to the Property Tax Credit Schedule (Form MO-PTS).

If a veteran is 100 percent disabled, **as a result of military service**, you are not required to include your veteran payments and benefits on Form MO-PTS. A letter from the Veterans Administration confirming the disability is 100 percent from military service needs to be attached to Form MO-PTS.

Note: To request a copy of the letter, call the Veterans Administration at (800) 827-1000.

If you are a surviving spouse receiving social security and your spouse was 100 percent disabled, as a result of military service, all veteran payments and benefits must be included.

Line 6 - Public Assistance

Include the amount of public assistance, Supplemental Security Income (SSI), child support, unemployment compensation, and Temporary Assistance payments received by you and your minor children. Temporary Assistance payments include Temporary Assistance for Needy Families (TANF) payments. In Missouri, the program is referred to as Temporary Assistance (TA).

Helpful Hints

Supplemental Security Income (SSI) is paid by the Social Security Administration. You have to request an SSI form indicating total benefits received either through a my Social Security account at www.socialsecurity.gov/myaccount, by calling 1-800-772-1213, or contacting your local Social Security office. If you have minor children who receive SSI benefits, the children do not qualify for a credit. However, if you qualify for a credit, you must include the children's SSI benefits on Line 6.

If you receive temporary assistance from the Children's Division (CD) or Family Support Division (FSD), you must include **all** cash benefits received for your **entire** household. The Department of Revenue verifies this information and failure to include total benefits may delay your refund.

This includes any payments received from the government. Do not include the value of commodity foods, food stamps, or heating and cooling assistance. **Attach a letter from the Social Security Administration that includes the total amount of assistance received and Form 1099 from Employment Security, if applicable.**

Line 7 - Nonbusiness Loss(es)

Complete Line 7 only if nonbusiness losses reduced the amount reported on Form MO-PTS, Line 1. If Line 1 was reduced by nonbusiness losses, add back the amount of the loss on Line 7. A nonbusiness loss is a loss of income that did not result from a trade or business. (Losses from Federal Form 1040, Schedule F and Schedule C are considered business losses and should not be included here.)

Line 9 - Filing Deduction

If you are **Single or Married Living Separate**, enter \$0 on Line 9.

If you are **Married and Filing Combined**, see below to determine the amount to enter on Line 9.

- If you **RENTED** or **did not** own your home for the **entire year**, enter \$2,000 on Line 9.
- If you **OWNED** and **OCCUPIED** your home for the **entire year**, enter \$4,000 on Line 9.

Line 10 - Net Household Income

Subtract Line 9 from Line 8 and enter amount on Line 10.

- If you **RENTED** or **did not** own and occupy your home for the **entire year**, the amount you enter on Line 10 cannot exceed \$27,500. If the amount of your net household income on Line 10 is above \$27,500, and you are **not eligible** for the credit. There is no need to complete and submit the form.
- If you **OWNED** and **OCCUPIED** your home for the **entire year**, the amount you enter on Line 10 cannot exceed \$30,000. If the amount of your net household income on Line 10 is above \$30,000, you are **not eligible** for the credit. There is no need to complete and submit the form.

Note: Your home or dwelling is the place in which you reside in Missouri, whether owned or rented, and the surrounding land, not to exceed five acres, as is reasonably necessary for use of the dwelling as a home. A home may be part of a larger unit such as a farm or building partly rented or used for business.

Line 11 - Own Your Home

If you owned and occupied your home, include the amount of real estate tax you paid for 2017 only, or \$1,100, whichever is less. **Do not include special assessments (sewer lateral), penalties, service charges, and interest listed on your tax receipt.** You can only claim the taxes on your **primary** residence that you occupy. Secondary homes are not eligible for the credit.

Attach a copy of paid real estate tax receipts from the county and city collectors office. Mortgage and financial institution statements are not acceptable.

If you submit more than one receipt from a city or county for your residence, please submit a letter of explanation.

If your home or farm has more than five acres or you own a mobile home that is classified as personal property, an Assessors Certification (Form 948) must be attached with a copy of your paid personal or real property tax receipt. If you own a mobile home and it is classified as real property, a Form 948 isn't needed. In such cases, you can claim property tax for the mobile home and if applicable, rent for the lot. A credit **will not** be allowed on vehicles and other items listed on the personal property tax receipt.

If you share a home, report only the portion of real estate tax that was actually paid by you.

If you use your home for business purposes, the percentage of your home that is used for business purposes must be subtracted from your real estate taxes paid. If you need to use a Form 948 to calculate the amount of real estate tax, you must subtract the percentage of your home that is used for business purposes from allowable real estate taxes paid.

Example: Ruth has 10 acres surrounding her house. She needs to use a Form 948, because she is only entitled to receive credit for 5 acres. By her calculations, she enters \$500 on Form 948, Line 6. Ruth also uses 15 percent of her house for her business. She will multiply \$500 by 85 percent and enter this figure (\$425) on Form MO-PTS, Line 11.

Line 12 - Rent Your Home

Complete one Certification of Rent Paid (Form MO-CRP) for **each** rented home (including mobile home or lot) you occupied during 2017. The Form MO-CRP is on the back of the Form MO-PTS.

Helpful Hints

If you receive low income housing assistance, the rent you claim may not exceed 40 percent of your income. Please claim only the amount of rent you pay or your refund will be delayed or denied.

You cannot claim returned check fees, late fees, security and cleaning deposits, or any other deposits.

Helpful Hints

If you rent from a facility that does not pay real estate taxes, you are not eligible for a Property Tax Credit.

If your gross rent paid exceeds your household income, you must attach a detailed statement explaining how the additional rent was paid or the claim will be denied.

Add the totals from Line 9 on all Forms MO-CRP completed, and enter the amount on Line 12, or \$750, whichever is less. Attach rent receipt(s) or a signed statement from your landlord for any rent you are claiming, along with Form MO-CRP. The rent receipt(s) or statement, must be signed by the landlord and include his or her tax identification or social security number and phone number. Copies of canceled checks (front and back) will be accepted if your landlord will not provide rent receipts or a statement. A bank image is acceptable if it is identified to be from the banking institution.

If you have the same address as your landlord, please verify the number of occupants and living units.

Line 13 - Total Real Estate Tax/Rent Paid

Add amounts from Form MO-PTS, Lines 11 and 12 and enter amount on Line 13, or \$1,100, whichever is less.

Example: Ester owns her home for three months and pays \$100 in property taxes. For nine months she rents an apartment and pays \$4,000 in rent. The amount on Line 9 of the Form MO-CRP is \$800 (\$4,000 x 20%). Form MO-PTS, Line 11, is \$100; Line 12 is \$750; and Line 13 is \$850. The \$800 for rent is limited on Line 12 to \$750.

Helpful Hints

Real estate tax paid for a prior year cannot be claimed on this form. To claim real estate taxes for a prior year, you must file a claim for that year.

Example: If you paid your 2016 real estate tax in calendar year 2017, you must file a 2016 Property Tax Credit Claim

Line 14 - Property Tax Credit

Apply Lines 10 and 13 to the Property Tax Credit Chart on pages 49, 50, and 51 to determine the amount of your property tax credit. If you have another income tax or property tax credit liability, this property tax credit may be applied to that liability in accordance with Section 143.782, RSMo. You will be notified if your credit is offset against any debts.

Information to Complete Form MO-CRP

Form MO-CRP must be completed by taxpayers who rented their home and are submitting a Property Tax Credit Claim.

If you rent from a tax exempt facility, you do not qualify.

Step 1: Enter all information requested on Lines 1-5. If rent is paid to a relative, the relationship to the landlord must be indicated on Line 1. **Your claim may be delayed if you fail to enter all required information.**

Step 2: Enter on Line 6 the gross rent paid. Exclude rent paid for any portion of your home used in the production of income, and the rent paid for surrounding land with attachments not necessary nor maintained for homestead purposes. **Also, exclude any rent paid to your landlord on your behalf by any organization.**

Step 3: If you were a resident of a nursing home or boarding home during 2017, use the applicable percentage on Line 7. If you live in a hotel and meals are included in your rent payment, enter 50 percent; otherwise enter 100 percent. If two or more unmarried individuals over 18 years of age share a residence and each pay part of the rent, enter the total rent on Form MO-CRP, Line 6 and select the appropriate percentage on box G of Line 7. If the rent receipt is for the total rent amount, then the percentage on box G of the Form MO-CRP must be used to determine your credit.

If none of the reductions apply to you, enter 100 percent on Line 7.

Step 4: Multiply Line 6 by the percentage on Line 7. Enter this amount on Form MO-CRP, Line 8.

Step 5: Multiply Line 8 by 20 percent and enter the result on Line 9. Add the totals from Line 9 on all completed Forms MO-CRP and enter the amount on Line 12 of Form MO-PTS.

Helpful Hints

An apartment is a room or suite of rooms with separate facilities for cooking and other normal household functions.

A boarding home is a house that provides meals, lodging, and the residents share common facilities.

Instructions

What is Consumer's Use Tax? - Use tax is imposed on the storage, use, or consumption of tangible personal property in this state. You must pay consumer's use tax on tangible personal property stored, used, or consumed in Missouri unless you paid tax to the seller or the property is exempt from tax. If an out-of-state seller does not collect use tax from the purchaser, the purchaser is responsible for remitting the use tax to Missouri. A purchaser is required to file a use tax return if the cumulative purchases subject to use tax exceed \$2,000 in a calendar year. Use tax is computed on the purchase price of the goods. Please refer to the Department's website for additional information: <http://dor.mo.gov/personal/consumer>.

Taxable Purchases - Compile a list of all purchases you made during the calendar year and didn't previously pay Missouri sales or use tax. You can find this information from invoices, bills, credit card statements, and canceled checks. Examples are purchases you made from the Internet, catalogs, food purchases, TV, or telephone marketing, goods from foreign countries, and aircraft. The total of all purchases during the year that were not previously taxed must be used in computing the amount of use tax due.

Due Date - The due date each year is April 15. When the due date falls on a Saturday, Sunday, or a legal holiday, the return and payment are considered timely if made on the next business day.

Line by Line Instructions

1. Enter your Missouri Tax ID Number. If you do not have a number, leave blank.
2. Enter your full name, Social Security Number, and complete address.
3. Enter your spouse's full name, Social Security Number, and complete address.
4. List each address where the property purchased is stored, used, or consumed.

5. Select the box "Yes" if your address is inside the city limits. This information is used to determine the correct tax rate.
6. Enter the jurisdiction code for your address. These codes can be found at <http://dor.mo.gov/business/sales/rates>.
7. Enter the taxable purchases for each reporting location during the tax period. Enter zero if you made no taxable purchases at a location during the tax period.
8. Enter the tax rate found at <http://dor.mo.gov/business/sales/rates>. Select the use tax rate where you reside unless you are storing, using, or consuming tangible personal property at a different location. For qualifying food purchases you will use the food use tax rate. For aircraft purchases the tax rate is calculated based on where the aircraft is hangared.
9. Enter the amount of tax by multiplying taxable purchases times the tax rate.
10. Enter total taxable purchases.
11. Enter total tax due.
12. Enter interest for late payment. The interest rate is subject to change each year. Refer to the Department's website <http://dor.mo.gov/calculators/interest/> to calculate the amount of interest due.

15. Enter a description of the purchases you made subject to use tax.
