INFORMATION YOU NEED TO KNOW BEFORE SUBMITTING THE APPLICATION FOR SETTLEMENT OF TAX LIABILITY

WHAT ARE THE GROUNDS FOR REQUESTING A SETTLEMENT OF TAX LIABILITY?

The Oklahoma Tax Commission, as authorized by Oklahoma Statutes, Title 68, Section 219.1, will consider a Settlement of Tax Liability when it is determined that:

- A. Collection of the tax, and interest and penalties accruing thereto, would reasonably result in the taxpayer declaring bankruptcy and the settlement amount offered reasonably reflects collection potential;
- B. The tax is uncollectible due to insolvency of the taxpayer resulting from factors beyond the control of the taxpayer or for other similar cause beyond the control of the taxpayer and the settlement amount offered reasonably reflects collection potential;
- C. The tax liability is attributable to actions of a person other than the taxpayer and it would be inequitable to hold the taxpayer liable for the tax liability; or
- D. In cases of nonpayment of trust fund taxes, the taxes were not collected by the taxpayer from its customer and the taxpayer had a good faith belief that collection of the taxes was not required;

Administrative rules for the settlement process are found at 710:1-5-80 et. seq. of the Oklahoma Administrative Code.

AM I ELIGIBLE?

Taxpayers are eligible to file an application for settlement if they believe they qualify for settlement on one or more of the grounds referenced above and the following eligibility requirements are met:

- 1) The tax liability must be final;
- 2) All administrative remedies and appeals must be exhausted;
- 3) The taxpayer must be current with all tax return filing requirements of the Commission;
- 4) The taxpayer must not be the subject of an open bankruptcy proceeding
- 5) The taxpayer must not be the subject of a State tax related criminal investigation or prosecution.

WHEN AM I NOT ELIGIBLE?

- 1) Settlement of liability is not available if the taxpayer does not meet one of the four grounds for settlement listed above and all of the eligibility requirements.
- 2) Trust fund taxes collected, but not remitted to the Tax Commission, can not be settled for less than the amount of tax collected.
- 3) Appointed or elected officials are not eligible to seek relief.

MAKING AN OFFER FOR SETTLEMENT OF TAX LIABILITY

- ◆ An “Application for Settlement of Tax Liability”, OTC-600, must be submitted to the Oklahoma Tax Commission.
- ◆ If the settlement is requested on grounds A or B, an “Application for Settlement of Tax Liability” must be accompanied by (1) the appropriate “Statement(s) of Financial Condition for Individuals and/or Businesses”, (2) a “Worksheet for Computation of Collection Potential”, and (3) all documentation required to support the facts and figures on those forms. If the Total Collection Potential is greater than the total liability, the applicant may be considered to have financial resources sufficient to pay in full and should not apply for settlement.
- ◆ For individual taxpayers that apply for settlement on grounds A or B, proof of employment, income, commissions, fees, pensions, etc., must be provided for the taxpayer, spouse and dependants. Although the taxpayer may be the only person liable for the tax, this information is needed for equitable distribution of cost of living expenses.
- ◆ When Settlement is requested by a business, “Statements of Financial Condition for Individuals” may also be required of corporate officers or business partners.
- ◆ Applications submitted by individuals who are self employed or are business owners must include “Statements of Financial Condition” for both individuals and businesses.
- ◆ If the settlement is requested exclusively on grounds C or D, no “Statements of Financial Condition” or “Worksheet for Computation of Collection Potential” are required. Additional documentation in support of the taxpayer’s claim may be requested based on individual circumstances.
- ◆ Power of Attorney must be submitted in all cases where the taxpayers designate another individual to submit their application.
- ◆ The applicant may submit the “Collection Information Statements” from the IRS Offer in Compromise if the financial data on those forms are for the three most current periods. Computations of the proposed settlement amount must use Form OTC-600-C “Worksheet to Calculate Collection Potential”.
- ◆ Taxpayers must provide an extensive explanation of their exceptional circumstances if they wish to offer an amount different than the collection potential calculated on Form OTC-600-C.
- ◆ The Account Maintenance Division will evaluate the application and make a recommendation to the Commission to accept or reject the offer. The Division may request additional documentation to verify financial or other information concerning the application. The financial investigation may require verification of financial data by visual inspection of records and personal interview. The Division may determine that a larger settlement amount is necessary to justify acceptance. The applicant will have the opportunity to amend the application if indicated.
- ◆ The Commission may consider additional circumstances when determining whether to enter a settlement agreement. These circumstances may include, but are not limited to: whether the taxpayer has made efforts in good faith to comply with the tax laws of Oklahoma; whether the taxpayer has benefited from nonpayment of the tax; and involvement of the taxpayer in economic activity from which the liability originated.

MAKING AN OFFER FOR SETTLEMENT OF TAX LIABILITY CONTINUED...

IF THE SETTLEMENT AGREEMENT IS ACCEPTED

The Division will notify the applicant by mail if the agreement is accepted. Payment of the accepted settlement offer must be made by the payment due date as indicated on the acceptance letter. Any issued and recorded tax lien subject to the accepted settlement amount will be released and mailed upon full payment of the settlement amount. Payment of the settlement amount by cash, cashier's check, money order, or charge to an approved credit card will assure faster release of the lien. Compliance with all terms and conditions of the settlement agreement is required.

In the event the amount abated exceeds \$10,000.00, the settlement agreement must be approved by Oklahoma County District Court. In cases that require district court approval, lien releases will not be issued until the taxpayer fulfills all requirements of the agreement, and provides the Division with a certified copy of the Oklahoma County District Court's order approving the agreement.

IF THE SETTLEMENT IS DECLINED

The Division will notify the applicant by mail if the application is declined. The applicant should immediately contact the Oklahoma Tax Commission to arrange payment of the entire liability. If immediate payment of the entire liability is not possible, the applicant may request an installment payment arrangement through the Collections Division of the Oklahoma Tax Commission. Oklahoma law makes no provision for appeal of a declined application.

THE COMMISSION MAY REJECT THE APPLICATION AS NOT PROCESSABLE FOR ANY OF THE FOLLOWING REASONS:

- (1) The applicant is not adequately identified (name, address, ID#, etc.) or required signatures are not provided.
- (2) The settlement offer includes an amount already collected or subject to refund.
- (3) The tax liability is not adequately identified.
- (4) The settlement agreement application does not include a statement supporting the reason for the settlement.
- (5) Financial statements or other documentation have not been included or are incomplete.
- (6) The Commission's records indicate noncompliance with filing of required returns.
- (7) The applicant is currently under bankruptcy court jurisdiction.
- (8) Power of Attorney Form BT-129, if required, has not been included.

OTHER INFORMATION CONCERNING SETTLEMENT OF TAX LIABILITY

- ◆ The Commission may suspend the enforcement of collection while a settlement offer is being considered. However, suspension of collection activity will not be considered if it is determined that the settlement agreement was filed for the purpose of delaying collection or otherwise jeopardizing the Commission's ability to collect the tax debt. Any installment payment arrangement already in effect will be continued while the settlement offer is considered. Interest and penalty will continue to accrue on any unpaid tax debt while the settlement offer is being considered.
- ◆ Any payment made with the "Application for Settlement of Tax Liability" will be applied to the outstanding liability. Payments will not be refunded if the "Settlement Agreement" is declined or withdrawn.
- ◆ All information and statements provided by the applicant are subject to verification, and are submitted under oath.
- ◆ Any collection by the Commission prior to the "Settlement Agreement" or any refund to which the Commission is entitled cannot be considered part of the settlement amount.
- ◆ Timely filing of all tax returns is required while the application is pending and during any pay-out period allowed.
- ◆ Tax liens will be released only after an application for a settlement agreement is accepted and the amount offered is paid in full.
- ◆ "Acceptance of an Offer in Compromise" by the Internal Revenue Service does not automatically guarantee acceptance by the State. An application for settlement agreement tendered to the Commission will be reviewed and evaluated on its own merits.
- ◆ No information written in this application shall be construed as granting any legal right to any taxpayer for the settlement of any tax liability. The decision of the Commission in denying a settlement offer shall be final and no right of appeal to any court may be taken from such decision.

Worksheet for Calculation of Collection Potential

This worksheet is used to assist in calculating collection potential, and may be used as a basis for the settlement amount offered in Section Four of the Application For Settlement of Tax Liability. Statement(s) of financial condition, Form OTC-600-A for individuals and Form OTC-600-B for businesses, should be completed before calculating the amount of collection potential.

Before calculating collection potential, deduct monthly state tax payment amounts from expenses used to determine disposable income, and deduct the amount of the state tax debt from liabilities used to determine net worth.

If the settlement will be paid within 90 days, use the totals from Column A.

If the settlement will be paid in more than 90 days but less than two years, use the totals from Column B.

For Individuals

A

B

1) Net Monthly Household Disposable Income	\$	\$
2) Multiply line 1 by:	x48	x60
3) Income Potential	=	=
4) Net Worth	+	+
5) Total Collection Potential (line 3 plus 4)	=	=

Note: Use \$0.00 on Line 1 if the net income calculated on Form OTC-600-A is a negative amount. Use \$0.00 on Line 4 if the net worth calculated on Form OTC-600-A is a negative amount.

For Businesses

6) Average Monthly Net Business Income	\$	\$
7) Multiply line 1 by:	x48	x60
8) Income Potential	=	=
9) Net Worth	+	+
10) Total Collection Potential (line 8 plus 9)	=	=

Note: Use \$0.00 on Line 6 if the net income calculated on Form OTC-600-B is a negative amount. Use \$0.00 on Line 9 if the net worth calculated on Form OTC-600-B is a negative amount.

For Self-Employed Individuals and Business Owners

(Amounts may need to be adjusted to avoid duplication of asset and income values.)

11) Total Value for Individuals (line 5 above)		
12) Total Value for Businesses (line 10 above)	+	+
13) Total Collection Potential (line 11 plus 12)	=	=

If the Total Collection Potential is greater than the total liability, the applicant is considered to have financial resources sufficient to pay in full.
