IMPORTANT INFORMATION FOR 2017

- The IT-140NRS has been eliminated as a standalone form. The Special Nonresident Income for Reciprocal States is now Part III of IT-140 Schedule A located on page 42. Additional details and instructions can be found on page 15 under General Information and with the instructions for Schedule A on page 26.
- There is clarified information and/or document requirements for certain Schedule M modifications. These include Police and Fireman pensions, Military pay and pension modifications, Railroad Retirement and EZ-Pass modifications. See page 23 for details.
- Additional municipalities are now subject to the **Municipal Use Tax**. Visit www.tax.wv.gov for a complete list of West Virginia municipalities that impose a Use tax.

Returned Payment Charge

The Tax Department will recover a \$15.00 fee associated with returned bank transactions. These bank transactions include but are not limited to the following:

- Direct Debit (payment) transactions returned for insufficient funds.
- Stopped payments.
- Bank refusal to authorize payment for any reason.
- Direct Deposit of refunds to closed accounts.
- Direct Deposit of refunds to accounts containing inaccurate or illegible account information.
- Checks returned for insufficient funds will incur a \$28.00 fee.

The fee charged for returned or rejected payments will be to recover only the amount charged to the State Tax Department by the financial institutions.

Important: There are steps that can be taken to minimize the likelihood of a rejected financial transaction occurring:

- Be sure that you are using the most current bank routing and account information.
- If you have your tax return professionally prepared, the financial information used from a prior year return often carries over to the current return as a step saver. It is important that you verify this information with your tax preparer by reviewing the bank routing and account information from a current check. This will ensure the information is accurate and current in the event that a bank account previously used was closed or changed either by you or the financial institution.
- If you prepare your tax return at home using tax preparation software, the financial information used from a prior year return often carries over to the current return as a step saver. It is important that you verify this information by reviewing the bank routing and account information from a current check. This will ensure the information is accurate and current in the event that a bank account previously used was closed or changed either by you or the financial institution.
- If you prepare your tax return by hand using a paper return form, be sure that all numbers entered when requesting a direct deposit of refund are clear and legible.
- If making a payment using MyTaxes, be sure that the bank routing and account numbers being used are current.
- If scheduling a delayed debit payment for an electronic return filed prior to the due date, make sure that the bank routing and account numbers being used will be active on the scheduled date.
- Be sure that funds are available in your bank account to cover the payment when checks or delayed debit payments are presented for payment.

TIPS ON FILING A PAPER RETURN

The State Tax Department processes E-filed returns more quickly than paper returns. However, if you file a paper return there are several things you can do to speed-up the processing of your return. Faster processing means faster refunds!

- Make sure you have received all W-2s, 1099s, and other tax documents for the 2017 tax year.
- Complete your federal income tax return **first**.
- Do not use prior year forms.

You must submit the IT-140W with your signed tax return, even if you have no withholding.

DO NOT SEND W-2s, 1099s, K-1s or WV/NRW-2s.

Paper returns are electronically scanned. The processing of the return (and any refund) is delayed when information on the return is not clear.

Use BLACK INK. Do not use pencils, colored ink, or markers.

Write your name and address clearly using BLOCK CAPITAL LETTERS as in the following example:

SMITH Last Name	SR Suffix	JASON Your First Name	P MI
 Spouse's Last Name – Only if different from Last Name above	 Suffix	 Spouse's First Name	 MI
2375 N 7TH ST First Line of Address		 Second Line of Address	
ANYWHERE City	WV State	55555 Zip Code	5555

- NEVER USE COMMAS when filling in dollar amounts.
- Round off amounts to WHOLE DOLLARS – NO CENTS.
- Do not use parentheses () for a negative number. Use a dark, bold negative sign: -8300 rather than (8300).
- Print your numbers like this: **0 | 2 3 4 5 6 7 8 9** Do not use: **0 1 4 7**
- Do not add cents in front of the preprinted zeros on entry lines. Numbers should be entered as shown below:

Federal Adjusted Gross Income	20000.00
Additions to Income	.00
Subtractions from Income	8000.00
West Virginia Adjusted Gross Income	12000.00

- Do not write in the margins.
- Always put entries on the lines, not to the side, above or below the line.
- Do not submit photocopies to the Department.
- Lines where no entry is required should be left blank. Do not fill in with zeros.
- Do not use staples.
- Make sure all required forms and schedules are included with the tax return.
- Sign your return.

GENERAL INFORMATION

WHO MUST FILE

You must file a West Virginia income tax return if:

- You were a resident of West Virginia for the entire taxable year.
- You were a resident of West Virginia for a part of the taxable year (Part-Year Resident).
- You were not a resident of West Virginia at any time during 2017, but your federal adjusted gross income includes income from West Virginia sources (nonresident).

You are required to file a West Virginia return even though you may not be required to file a federal return if:

- Your West Virginia adjusted gross income is greater than your allowable deduction for personal exemptions (\$2,000 per exemption, or \$500 if you claim zero exemptions). Your income and number of exemptions are to be determined as if you had been required to file a federal return.
- If you are claiming a SCTC or HEPTC credit you are required to file a WV return in order to receive the credit.
- You are due a refund.

You are not required to file a West Virginia return if you and your spouse are 65 or older and your total income is less than your exemption allowance plus the senior citizen modification. For example, \$2,000 per exemption plus up to \$8,000 of income received by each taxpayer who is 65 or older. However, if you are entitled to a refund you must file a return.

RESIDENCY STATUS

IT-140

Resident

A **resident** is an individual who:

- Spends more than 30 days in West Virginia with the intent of West Virginia becoming his/her permanent residence; or
- Maintains a physical presence in West Virginia for more than 183 days of the taxable year, even though he/she may also be considered a resident of another state.

IT-140

Part-Year Resident

A **part-year resident** is an individual who changes his/her residence either:

- From West Virginia to another state, or
- From another state to West Virginia during the taxable year.

IT-140

Full-Year Nonresident

A **full-year nonresident** is an individual who is:

- A resident of another state who does not maintain a physical presence within West Virginia and does not spend more than 183 days of the taxable year within West Virginia; or
- A resident of West Virginia who spends less than 30 days of the taxable year in West Virginia, and maintains a permanent place of residence outside West Virginia.

IT-140

Special Nonresidents

A **Special Nonresident** is an individual who is:

- A resident of Kentucky, Maryland, Ohio, Pennsylvania, or Virginia for the entire taxable year; **and**

- Your only source of West Virginia income was from wages and salaries.

Mark the nonresident special box on the front of the return and complete Part III of Schedule A.

IT-140NRC Composite Return

Nonresident individuals who are partners in a partnership, shareholders in a S corporation or beneficiaries of an estate or trust that derives income from West Virginia sources may elect to be included on a nonresident composite return. If the election is made, the IT-140NRC is filed by the pass-through entity and eliminates the need for the individual to file a separate nonresident/part-year resident return for income reported on the NRC. A \$50 processing fee is required for each composite return filed.

If a separate individual return is filed, the nonresident must include the West Virginia income derived from the pass-through entity filing the composite return. Credit may be claimed for the share of West Virginia income tax remitted with the composite return.

This form is available on our website at tax.wv.gov.

AMENDED RETURN

Use the version of Form IT-140 that corresponds to the tax year to be amended and check the "Amended Return" box. These forms and corresponding instructions are available on our website at tax.wv.gov.

You must file a West Virginia amended return if any of the following conditions occur:

- To correct a previously filed return; or
- You filed an amended federal income tax return and that change affected your West Virginia tax liability; or
- The Internal Revenue Service made any changes to your federal return (i.e., change in federal adjusted gross income, change in exemptions, etc.).

If a change is made to your federal return, an amended West Virginia return must be filed within ninety (90) days. A copy of your amended federal income tax return must be enclosed with the West Virginia amended return. **Do not enclose a copy of your original return.**

If you are changing your filing status from married filing jointly to married filing separately or from married filing separately to married filing jointly, you must do so in compliance with federal guidelines. If your original return was filed jointly and you are amending to file separately, your spouse must also file an amended separate return.

If the amended return is filed after the due date, interest and penalty for late payment will be charged on any additional tax due. An additional penalty will be assessed if you fail to report any change to your federal return within the prescribed time.

Space is provided on page 44 to explain why you are filing an amended return.

NONRESIDENT/PART-YEAR RESIDENT INFORMATION

A part-year resident is subject to West Virginia tax on the following:

- Taxable income received from ALL sources while a resident of West Virginia;
- West Virginia source income earned during the period of nonresidence; and
- Applicable special accruals.

West Virginia Source Income

The West Virginia source income of a nonresident is derived from the following sources included in your federal adjusted gross income:

- Real or tangible personal property located in West Virginia;
- Employee services performed in West Virginia;
- A business, trade, profession, or occupation conducted in West Virginia;
- A S corporation in which you are a shareholder;
- Your distributive share of West Virginia partnership income or gain;
- Your share of West Virginia estate or trust income or gain and royalty income;
- West Virginia Unemployment Compensation benefits;
- Prizes awarded by the West Virginia State Lottery.

West Virginia source income of a nonresident does not include the following income even if it was included in your federal adjusted gross income:

- Annuities and pensions;
- Interest, dividends or gains from the sale or exchange of intangible personal property unless they are part of the income you received from conducting a business, trade, profession, or occupation in West Virginia.
- Gambling winnings, other than prizes awarded by the West Virginia State Lottery as described above, unless you are engaged in the business of gambling (file a Schedule C related to gambling activity for federal income tax purposes) and you engage in that business, trade, profession, or occupation in West Virginia.

NONRESIDENTS AND PART-YEAR RESIDENTS MUST FIRST COMPLETE LINES 1 THROUGH 7 OF FORM IT-140, THEN COMPLETE SCHEDULE A. Income earned outside of West Virginia may not be claimed on Schedule M as other deductions. Please use Schedule A. To compute tax due, use the calculation worksheet located on page 42. (Line by line instructions for Schedule A can be found on pages 25 and 26.)

Income

In Column A of Schedule A, you must enter the amounts from your federal return. Income received while you were a resident of West Virginia must be reported in Column B. Income received from West Virginia sources while a nonresident of West Virginia must be reported in Column C.

Adjustments

The amounts to be shown in each line of Column B and/or Column C of Schedule A are those items that were actually paid or incurred during your period of residency, or paid or incurred as a result of the West Virginia source income during the period of nonresidence. For example, if you made payments to an Individual Retirement Account during the entire taxable year, you may not claim any payments made while a nonresident unless the payments were made from West Virginia source income. However, you may claim the full amount of any payments made during your period of West Virginia residency.

Special Accruals

In the case of a taxpayer changing from a RESIDENT to a NONRESIDENT status, the return must include all items of income, gain, or loss accrued to the taxpayer up to the time of his change of residence. This includes any amounts not otherwise includible on the return because of an election to report income on an installment basis. The return must be filed on the accrual basis whether or not that is the taxpayer's established method of reporting.

For example, a taxpayer who moves from West Virginia and sells his West Virginia home on an installment plan must report all

income from the sale in the year of the sale, even though federal tax is deferred until the income is actually received.

FILING STATUS

There are five (5) filing status categories for state income tax purposes. Your filing status will determine the rate used to calculate your tax.

1. Single
2. Head of Household
3. Married Filing Jointly. You must have filed a joint federal return to be eligible to file a joint state return. If you filed a joint federal return, you may elect to file your state return as either "Married Filing Jointly" using the state's tax Rate Schedule I or as "Married Filing Separately" using Rate Schedule II.
4. Married Filing Separately. If you are married but filed separate federal returns, you MUST file separate state returns. If you file separate returns you must use the "Married Filing Separately" tax Rate Schedule II to determine your state tax.
5. Widow(er) with a dependent child.

When joint federal but separate state returns are filed, each spouse must report his/her federal adjusted gross income separately as if the federal adjusted gross income of each had been determined on separately filed federal returns.

If one spouse was a resident of West Virginia for the entire taxable year and the other spouse a nonresident for the entire taxable year and they filed a joint federal income tax return, they may choose to file jointly as residents of West Virginia. The total income earned by each spouse for the entire year, regardless of where earned, must be reported on the joint return as taxable to West Virginia. No credit will be allowed for income taxes paid to the other state.

A joint return may not be filed if one spouse changes residence during the taxable year, while the other spouse maintained status as a resident or nonresident during the entire taxable year.

DECEASED TAXPAYER

A return must be filed for a taxpayer who died during the taxable year. Check the box "DECEASED" and enter the date of death on the line provided. If a joint federal return was filed for the deceased and the surviving spouse, the West Virginia return may be filed jointly. The surviving spouse should write on the signature line for the deceased "filing as surviving spouse". If a refund is expected, a completed Schedule F must be enclosed with the return so the refund can be issued to the surviving spouse or to the decedent's estate. Schedule F may be found at tax.wv.gov.

EXEMPTIONS

The West Virginia personal exemption allowance is \$2,000 per allowable exemption or \$500 for zero exemptions. The number of West Virginia personal exemptions that you are allowed to claim are the same number as your federal exemptions. If you claim zero exemptions on your federal return because you are claimed as a dependent on another person's return, you must claim zero on your West Virginia return. If you are a Surviving Spouse, see the surviving spouse section on page 18 for additional instructions regarding exemptions.

ITEMIZED DEDUCTIONS

The State of West Virginia does not recognize itemized deductions for personal income tax purposes. Consequently, itemized deductions claimed on the federal income tax return cannot be carried to the West Virginia return. Gambling losses claimed as itemized deductions on the federal income tax return cannot be deducted on the West Virginia tax return. Consequently, there is no provision in the West Virginia Code to offset gambling winnings with gambling losses.

Property Tax Credits

The Senior Citizen Tax Credit and Homestead Excess Property Tax Credit are available to low-income taxpayers. Some taxpayers may qualify for both. A return must be filed in order to receive either of these refundable credits even if you are not required to file a federal return.

Senior Citizens Tax Credit

Credit eligibility is restricted to taxpayers who participate in the Homestead Exemption program (administered by the county assessor's office), who incur and pay property taxes and whose federal adjusted gross income is less than 150% of federal poverty guidelines.

The maximum federal adjusted gross income level is \$17,820 for a single person household plus an additional \$6,210 for each additional person in the household (e.g., \$24,030 for a two-person household).

You should receive form WV/SCTC-1 by mail if you participate in the Homestead Exemption program. Form WV/SCTC-1 must be included with your return to claim the Senior Citizen Tax Credit.

Additional information can be found on page 30 of this booklet and in Publication TSD-411 which can be found on our website at tax.wv.gov.

Homestead Excess Property Tax Credit

The Homestead Excess Property Tax Credit provides a refundable credit of up to \$1,000 for low-income property owners whose real property tax, less senior citizen tax credit, paid on your OWNER-OCCUPIED home exceeds 4% of your income (gross household income including social security benefits). Low-income is defined as federal adjusted gross income that is 300% or less of the federal poverty guideline, based upon the number of individuals in the family. Eligibility for the Homestead Exemption program is not necessary to qualify for this credit. Schedule HEPTC-1 on page 45 must be completed in its entirety to determine eligibility to claim the credit. A COMPLETED SCHEDULE HEPTC-1 MUST BE FILED WITH YOUR RETURN to claim the Homestead Excess Property Tax Credit.

SPOUSES OF UNITED STATES MILITARY SERVICE

MEMBERS

Effective for taxable year 2009, spouses of military service members may be exempt from West Virginia income tax on wages received from services performed in West Virginia if all three of the following conditions are met:

- The service member is present in West Virginia in compliance with military orders;
- The spouse is in West Virginia solely to be with the service member; and
- The spouse maintains domicile in another state.

It is not a requirement for both spouses to have the same state of domicile, nor in the case of border installations, live in the state where the service member is stationed. Eligible spouses wishing to claim this exemption from income tax may file a revised Form IT-104 with the spouse's employer and must also attach a copy of their "spouse military identification card" when providing this form to their employer.

Any refunds for taxable year 2017 may be claimed on a properly filed IT-140 indicating "Nonresident Military Spouse" above the title on the first page. Military spouses should indicate the amount of their wages included in their federal adjusted gross income as a decreasing modification on line 44 of the West Virginia Schedule M. A copy of their State of Legal Residence Certificate, form DD2058, must be enclosed with their return when it is filed.

Nonresident military service members and their spouses may be liable for West Virginia income tax on other types of West Virginia

income such as business income, interest income, unemployment compensation, etc. These types of income are reported on the Schedule A (see pages 41 & 42).

MEMBERS OF THE ARMED FORCES

If your legal residence was West Virginia at the time you entered military service, assignment to duty outside the state does not change your West Virginia residency status. You must file your return and pay the tax due in the same manner as any other resident individual unless you did not maintain a physical presence in West Virginia for more than 30 days during the taxable year.

If, during 2017, you spent more than 30 days in West Virginia, you are considered to be a West Virginia resident for income tax purposes and must file a resident return and report all of your income to West Virginia.

If there is no West Virginia income tax withheld from your military income, you may find it necessary to make quarterly estimated tax payments using Form IT-140ES.

If, during 2017, you did not spend more than 30 days in West Virginia and had income from a West Virginia source, you may be required to file an income tax return with West Virginia as any other nonresident individual, depending upon the type of income received.

A member of the Armed Forces who is domiciled outside West Virginia is considered to be a nonresident of West Virginia for income tax purposes; therefore, his/her military compensation is not taxable to West Virginia even though he/she is stationed in West Virginia and maintains a permanent place of abode therein.

Combat Pay

Combat pay received during 2017 is not taxable on the federal income tax return. Therefore, it is not taxable on the state return.

Active Duty Military Pay

Military income received while you were a member of the National Guard or Armed Forces Reserves called to duty pursuant to an Executive Order of the President of the United States is not taxable on the West Virginia return. This income is shown on Schedule M, line 44, as a decreasing modification to your federal adjusted gross income. A copy of your military orders must be included with the return when it is filed.

Active Military Separation: If you are a West Virginia resident and were on active duty for at least 30 continuous days and have separated from active military service, your active duty military pay from the armed forces of the United States, the National Guard, or armed forces reserve is an authorized modification reducing your federal adjusted gross income only to the extent the active duty military pay is included in your federal adjusted gross income for the taxable year in which it is received. A copy of your military orders and discharge papers must be included with your return when filed.

CERTAIN STATE AND FEDERAL RETIREMENT SYSTEMS

The modification for pensions and annuities received from the West Virginia Public Employees' Retirement System, the West Virginia Teachers' Retirement System, Military Retirement, and Federal Retirement is limited to a maximum of \$2,000 and entered on Schedule M. The State of West Virginia does not impose income tax on the retirement income received from any West Virginia state or local police, deputy sheriffs' or firemen's retirement system, including any survivorship annuities. See instructions for Schedule M on pages 22, 23 and 24.

ADDITIONAL MILITARY RETIREMENT

There is an additional modification for the first \$20,000 of military

retirement income to the extent it is included in federal adjusted gross income.

US RAILROAD RETIREMENT

The State of West Virginia does not tax this income. All types of United States Railroad Retirement Board benefits, including unemployment compensation, disability and sick pay included on the federal return should be entered on Schedule M, line 48. See instructions on page 23.

AUTISM MODIFICATION

For tax years beginning on or after January 1, 2011 a modification was created reducing federal adjusted gross income in the amount of any qualifying contribution to a qualified trust maintained for the benefit of a child with autism. Any established trust must first be approved by the West Virginia Children with Autism Trust Board. The modification is claimed on line 49 of Schedule M with maximum amounts of \$1,000 per individual filer and persons who are married but filing separately and \$2,000 per year for persons married and filing a joint income tax return.

TAXPAYERS OVER AGE 65 OR DISABLED

An individual, regardless of age, who was certified by a physician as being permanently and totally disabled during the taxable year, or an individual who was 65 before the end of the taxable year may be eligible for certain modifications that will reduce their federal adjusted gross income for West Virginia income tax purposes up to \$8,000. See instructions for Schedule M on pages 22, 23 and 24.

SURVIVING SPOUSE

Regardless of age, a surviving spouse of a decedent may be eligible for a modification reducing his/her income up to \$8,000 provided he/she did not remarry before the end of the taxable year. The modification is claimed on Schedule M. The decedent must have attained the age of 65 prior to his/her death or, regardless of age, must have been certified as permanently and totally disabled. See instructions for line 53 of Schedule M on page 24 to determine if you qualify for this modification. The surviving spouse should write on the signature line for the deceased "filing as surviving spouse".

A surviving spouse who has not remarried at any time before the end of the taxable year for which the return is being filed may claim an additional exemption for the two (2) taxable years following the year of death of his/her spouse.

WV COLLEGE SAVINGS PLAN AND PREPAID TUITION TRUST FUNDS

Taxpayers making payments or contributions to programs of the West Virginia Prepaid Tuition Trust and/or West Virginia Savings Plan Trust, operated under the trade names of SMART529™ or West Virginia Prepaid College Plan, may be eligible for a modification reducing the federal adjusted gross income. This deduction can be claimed in the amount and in the year that the contribution is made or the remainder of the reducing modification may be carried forward for a period not to exceed five taxable years beginning in the tax year in which the payment or contribution was made. For more information regarding participation in this program, contact SMART529™ Service Center at 1-866-574-3542.

FILING REQUIREMENTS FOR CHILDREN UNDER AGE 18 WHO HAVE UNEARNED (INVESTMENT) INCOME

Any child under the age of 18 who has investment income and whose parents qualify and elect to report that income on their return, is not required to file a return with the State of West Virginia. This election is made in accordance with federal guidelines.

Any child under the age of 18 whose income is not reported on his/

her parent's return must file their own West Virginia return and report all of their income. If the child is claimed as an exemption on their parent's return, he/she must claim zero exemptions on the state return and claim a \$500 personal exemption allowance.

REFUND OF OVERPAYMENT

A return must be filed to obtain a refund of any overpayment. In order to receive a refund of an overpayment of \$2 or less, you must enclose a signed statement with your return requesting that the refund be sent to you.

DIRECT DEPOSIT

You may have your refund directly deposited into your bank account. To avoid delay of your direct deposit, verify your routing and account numbers from a check before filing your return. Refunds are issued in the form of United States currency. If you choose to have your refund direct deposited, your depositor must be capable of accepting US currency.

PENALTIES AND INTEREST

Interest must be added to any tax due that is not paid by the due date of the return even if an extension of time for filing has been granted. The rate of interest will be fixed every year to equal the adjusted prime rate charged by banks (as of the first business day of the preceding December) plus three percentage points. Visit www.tax.wv.gov in order to obtain the current interest rate.

Penalties (i.e. Additions to Tax) for late filing can be avoided by sending in your return by the due date. The law provides that a penalty of five percent (5%) of the tax due for each month, or part of a month, may be imposed for the late filing of the return up to a maximum of twenty-five percent (25%) unless reasonable cause can be shown for the delay.

The law provides that an additional penalty may be imposed for not paying your tax when due. This penalty is one-half of one percent (½ of 1%) of the unpaid balance of tax for each month, or part of a month, the tax remains unpaid, up to a maximum of twenty-five percent (25%).

You may access an Interest and Additions to Tax Calculator on our website at tax.wv.gov or you may call (304) 558-3333 or 1-800-982-8297 for assistance.

The West Virginia Tax Crimes and Penalties Act imposes severe penalties for failing to file a return or pay any tax when due, or for making a false return or certification. The mere fact that the figures reported on your state return are taken from your federal return will not relieve you from the imposition of penalties because of negligence or for filing a false or fraudulent return. The statute of limitations for prosecuting these offenses is three years after the offense was committed.

PENALTY FOR UNDERPAYMENT OF ESTIMATED TAX

If your return shows a balance due greater than \$600, you may be subject to a penalty for not prepaying enough personal income tax through withholding and/or quarterly estimated tax payments. The penalty is computed separately for each installment date. Therefore, you may owe the penalty for an earlier due date even if you paid enough tax later to make up the underpayment. This is true even if you are due a refund when you file your tax return. However, you may be able to reduce or eliminate the penalty by using the annualized income installment method. Use Form IT-210 on page 49 to calculate your penalty. Instructions can be found on page 28. If you do not complete form IT-210, the West Virginia State Tax Department will calculate the penalty for you. You will receive a notice for the amount of penalty due.

To avoid future penalties, you should increase your withholding or begin making quarterly estimated payments for tax year 2018.

RETURNED PAYMENT CHARGE

Beginning January 1, 2017, there will be a charge of \$15 for each payment (Check or EFT) that is returned due to insufficient funds. There will be a \$28 fee for returned checks

CREDIT FOR ESTIMATED TAX

You must make quarterly estimated tax payments if your estimated tax liability (your estimated tax reduced by any state tax withheld from your income) is at least \$600, unless that liability is less than ten percent (10%) of your estimated tax. The total estimated tax credit to be claimed on your return is the sum of the payments made with the quarterly installments for taxable year 2017, any overpayments applied from your 2016 personal income tax return and any payments made with your West Virginia Application for Extension of Time to File (Schedule L).

EXTENSION OF TIME

If you obtain an extension of time to file your federal income tax return, you are automatically allowed the same extension of time to file your West Virginia income tax return. Enter on your West Virginia return the date to which the federal extension was granted. If a federal extension was granted electronically, write "Federal Extension Granted" and the confirmation number at the top of the West Virginia return. Enter the extended due date in the appropriate box. A copy of Federal Schedule 4868 must be enclosed with your return. If you need an extension of time for West Virginia purposes but not for federal purposes, or if you expect to owe tax to West Virginia, you must submit a completed West Virginia Application for Extension of Time to File (Schedule L) and pay any tax expected to be due. See page 47. This is not an extension to pay.

SIGNATURE

Your return **MUST** be signed. A joint return must be signed by both spouses. If you and your spouse (if filing a joint return) do not sign the return, it will not be processed. If the return is prepared by an authorized agent of the taxpayer, the agent must also sign on the line provided and enter his/her address and telephone number. If a joint federal return was filed for a deceased taxpayer, the surviving spouse should write on the signature line for the deceased "filing as surviving spouse".

WEST VIRGINIA INCOME TAX WITHHELD

Electronic Filing – It is not necessary to use or submit an IT-140W since this information will transmit electronically once entered within the software. If your withholding is reported on a NRW-2 and the source of the tax payment was a Partnership, be sure that the indicator labeled "From SP" is marked.

Paper Filed Returns – Enter the total amount of West Virginia tax withheld as shown on your Form IT-140W. If you are filing a joint return, be sure to include any withholding for your spouse. A completed IT-140W **must** be enclosed with your paper return. Failure to submit this document will result in the disallowance of the credit claimed. **Note:** Local or municipal fees cannot be claimed as West Virginia income tax withheld. If the withholding source is for a nonresident sale of real estate transaction, a form WV/NRSR must be completed and on file with the State Tax Department prior to submitting a tax return. Additionally, a federal Schedule D and federal Form 8949 must be submitted. If withholding is related to WV/NRSR, please indicate in the box provided on line 11 and submit Form NRSR and Schedule D and Form 8949 from your federal return.

FAILURE TO RECEIVE A WITHHOLDING TAX STATEMENT (W-2)

If you fail to receive a withholding tax statement (Form W-2, W-2G, or 1099) from an employer by February 15th, you may file your income tax return using a substitute form. All efforts to obtain a W-2 statement from the payer must be exhausted before

a substitute form will be accepted. West Virginia Substitute W-2 (Form WV/IT-102-1) must be completed and retained for your records in the same manner as Form W-2 for a period of not less than three years. This information may be obtained from your pay stub(s). The federal Form 4852 (Substitute for Form W-2) does not provide all the information necessary to process your state return. It **WILL NOT** be accepted in lieu of Form WV/IT-102-1.

PRIOR YEAR TAX LIABILITIES

Taxpayers who have delinquent tax liabilities, state or federal, may not receive the full amount of their tax refund. If you have an outstanding state or federal tax lien, your refund will be reduced and applied to your past due liability. If a portion of your refund is captured, you will receive a notice and the balance of the refund. Any final unpaid West Virginia personal income tax liabilities may be referred to the United States Treasury Department in order to capture that amount from your federal income tax refund.

IRS INFORMATION EXCHANGE

The West Virginia State Tax Department and the Internal Revenue Service share tax information including results of any audits. Differences, other than those allowed under state law, will be identified and may result in the assessment of a negligence penalty. Taxpayers so identified will be subject to further investigation and future audits.

THE AMERICAN JOBS CREATION ACT

This Act, in part, is a federal tax benefit that allows a deduction for certain domestic production activities. The deduction is attributable to the qualifying production activities of a partnership or S corporation. West Virginia law does not allow this deduction and any amount deducted under Section 199 Internal Revenue Code must be reported as an increasing modification on Schedule M.

INJURED SPOUSE

You may be considered an injured spouse if you file a joint return and all or part of your refund was, or is expected to be, applied against your spouse's past due child support payments or a prior year tax liability. You must file an injured spouse allocation form (Form WV-8379) to claim your part of the refund if all three of the following apply:

- You are not required to pay the past due amount;
- You received and reported income (such as wages, taxable interest, etc.) on a joint return; and
- You made and reported payments such as West Virginia tax withheld from your wages or estimated tax payments.

If all of the above apply and you want your share of the overpayment shown on the joint return refund, you must:

1. **Check** the injured spouse box on the front of the return;
2. **Complete** the West Virginia Injured Spouse Allocation Form, WV-8379; and
3. **Enclose** the completed form with your West Virginia personal income tax return.

DO NOT check the injured spouse box unless you qualify as an injured spouse and have enclosed the completed form with your return. This will cause a delay in the processing of your refund.

TAX DEPARTMENT PROCESSING AND PROCEDURES

The Tax Department has implemented a modern tax system that allows us to better serve you. This new system decreases processing time and allows us to contact taxpayers in a timely manner. If a change has been made to your return you will first receive a letter from us explaining the change. If there is an additional amount due the State, you will receive a Statement of Account. If you disagree

with the amount shown to be due, return a copy of the statement with your comments and provide any additional schedules to substantiate your claim. You will receive a statement of account on a monthly basis until such time as your outstanding liability is

either paid or your account is settled. If you sent us information and receive a second statement of account, it may be a timing issue. Please allow sufficient time for mailing and processing of the additional information before you contact us again.

EXAMPLE OF SENIOR CITIZEN DEDUCTION CALCULATION

John Doe, age 69, and Mary Doe, age 65, file a joint tax return. They received the following income in 2017.

	John	Mary
West Virginia Police Retirement	7,000	0
IRA Distributions	4,000	1,000
Wages and Salaries	0	10,000
Interest (jointly held)	1,500	1,500
US Savings Bond Interest	500	500
Total Income	13,000	13,000

Their federal adjusted gross income which they report on line 1 of their West Virginia IT-140 is \$26,000. Property which John and Mary hold jointly is split between them according to their percentage of ownership. In this case, each taxpayer owned 50% of the joint income.

1. Mr. Doe's total income is 13,000. However, he reported his police pension on line 40 and his share of their joint savings bond interest on line 39 of Schedule M. Therefore, he reports \$5,500 on line 52(a) of Schedule M (\$13,000 minus \$7,000 minus \$500).
2. Mrs. Doe's total income is also \$13,000. She enters \$12,500 on line 52(a) of Schedule M (\$13,000 less her share of their jointly-held savings bond interest reported [\$500] on line 39).
3. Mr. Doe enters \$7,500 on line 52(c) of Schedule M (\$500 from line 39 plus \$7,000 from line 40). He then subtracts line 52(c) from line 52(b) and enters the result (\$500) on line 52(d).
4. Mrs. Doe enters the \$500 from line 39 on line 52(c). She then subtracts line 52(c) from line 52(b) and enters the result (\$7,500) on line 52(d).
5. Mr. and Mrs. Doe are each allowed the smaller of the amounts shown on line 52(a) and 52(d) as their senior citizen deduction. Therefore, Mr. Doe enters \$500 on line 52 and Mrs. Doe enters \$7,500 on line 52.

	John	Mary
52(a)	5,500	12,500
52(b)	8,000	8,000
52(c)	7,500	500
52(d)	500	7,500

SCHEDULE E INSTRUCTIONS

Form is on Page 43.

Residents

Subject to certain limitations, a West Virginia resident may be eligible to claim a credit for income taxes paid to another state. The purpose of this credit is to prevent dual taxation of such income.

Note: Income from "guaranteed payments" shown on a W-2 as wages but taxed as business income on the Ohio income tax return qualifies for the Schedule E credit. See Publication TSD-422 for additional information.

Part-Year Residents

Part-year residents may only claim credit for taxes paid to another state during their period of West Virginia residency.

Nonresidents

Nonresidents are not entitled to a Schedule E credit under any circumstances.

Limitations

The amount of a Schedule E credit is subject to the following limitations:

- The credit cannot exceed the amount of tax payable to the other state on income also subject to West Virginia tax. This is the amount of income tax computed on the nonresident return filed with the other state.
- The credit cannot exceed the percentage of the West Virginia tax determined by dividing the portion of the taxpayer's West Virginia income subject to taxation in another state by the total amount of the taxpayer's West Virginia income.
- The credit cannot reduce the West Virginia tax due to an amount less than what would have been due if the income subject to taxation by the other state was excluded from the taxpayer's West Virginia income.

A separate Schedule E must be completed and attached for each state for which you are claiming a credit.

You must maintain a copy of the other state tax return in your files. This credit is not allowed for income tax imposed by a city, township, borough, or any political subdivision of a state or any other country. Local or municipal fees cannot be claimed. Due to existing reciprocal agreements, West Virginia residents cannot claim the Schedule E credit if the credit claimed is for state income taxes paid on wage and salary or unemployment compensation income earned in Kentucky, Maryland, Ohio, Pennsylvania, or Virginia. However, taxes paid on income derived from sources other than wage and salary or unemployment compensation income is permitted as a Schedule E credit.

You may claim credit on your West Virginia Resident Income Tax Return for state income tax paid, as a nonresident, to ONLY the following states:

Alabama	Idaho	Mississippi	Oklahoma
Arizona	Illinois	Missouri	Oregon
Arkansas	Indiana	Montana	Rhode Island
California	Iowa	Nebraska	South Carolina

LINE 83 Enter the West Virginia total income tax shown on line 10 of Form IT-140.

Special Instructions for West Virginia Residents Regarding the Following States:

- Kentucky
- Maryland
- Ohio
- Pennsylvania
- Virginia

KENTUCKY, MARYLAND, OR OHIO

If your income during 2017 was from wages and/or salaries only, you may not claim a Schedule E credit. In order to receive a refund of the erroneously withheld tax, you must file a return with the state in which taxes were withheld. If you had income from a source other than wages and/or salaries, you are allowed a credit for income taxes paid by completing Schedule E. You must maintain a copy of the other state tax return in your files.

PENNSYLVANIA OR VIRGINIA

If your income during 2017 was from wages and/or salaries only, you may not claim a Schedule E credit. In order to receive a refund of the erroneously withheld tax, you must file a return with these states. If you spent more than 183 days in one of these states and

are considered an actual resident for tax purposes, or, if you had income from a source other than wages and/or salaries, you are allowed credit for income taxes paid to the Commonwealth of Pennsylvania or Virginia by completing Schedule E. You must

maintain a copy of the other state tax return in your files.

SPECIAL NOTE: You may be relieved from having another state's income tax withheld from your wages. Contact your employer or the other state's taxing authority for additional information.

FORM IT-210 INSTRUCTIONS

FORM IS ON PAGES 49 & 50

Who Must Pay the Underpayment Penalty?

You may be charged a penalty if you did not have enough West Virginia state income tax withheld from your income or pay enough estimated tax by any of the due dates. This may be true even if you are due a refund when you file your return. The penalty is computed separately for each due date (quarter). You may owe a penalty for an earlier due date (quarter) even if you make large enough payments later to make up the underpayment.

You may owe the penalty if you did not pay at least the smaller of:

1. 90% of your 2017 tax liability; or
2. 100% of your 2016 tax liability (if you filed a 2016 return that covered a full 12 months).

Exceptions to the Penalty

You will not have to pay any penalty if either of these exceptions apply:

1. You had no tax liability for 2016 and meet ALL of the following conditions:
 - your 2016 tax return was (or would have been had you been required to file) for a taxable year of twelve months;
 - you were a citizen or resident of the United States throughout the preceding taxable year;
 - your tax liability for 2017 is less than \$5,000.
2. The total tax shown on your 2017 return minus the tax you paid through West Virginia withholding is less than \$600. To determine if you meet this exception, complete lines 1 through 5, PART I. If you meet this exception, you do not have to file Form IT-210.

If you file your tax return and pay any tax due on or before February 1, 2018, no fourth quarter penalty is due. Include the tax paid with your return in column (d) of line 2, PART IV; this will result in no penalty due for the January 15, 2018 installment.

Special Rules for Farmers

If at least two-thirds of your gross income for 2017 was from farming sources, the following special rules apply:

1. You are only required to make one payment for the taxable year (due January 15, 2018).
2. The amount of estimated tax required to be paid (line 6) is sixty-six and two-thirds percent (66 $\frac{2}{3}$ %) instead of ninety percent (90%).
3. If you fail to pay your estimated tax by January 15, but you file your return and pay the tax due on or before the first day of March, 2018, no penalty is due.

Mark box 10 in PART I and complete PART III or only column (d) of PART IV to figure your penalty. Be sure to use .01993 instead of .05344 when calculating line 6 of PART III. When using PART IV, carry the entire figure shown on line 8 of PART I to column (d), line 1.

Waiver of Penalty

If you are subject to underpayment penalty, all or part of the

penalty will be waived if the West Virginia State Tax Department determines that:

1. The penalty was caused by reason of casualty or disaster;
2. The penalty was caused by unusual circumstances which makes imposing the penalty unfair or inequitable.

To request a waiver of the penalty, check the box for line 9 in PART I and enclose a signed statement explaining the reasons you believe the penalty should be waived (see page 44 of the return). If you have documentation substantiating your statement, enclose a copy. The Department will notify you if your request for waiver is not approved.

PART I – FOR ALL FILERS

- LINE 4** Enter the amount of withholding tax shown on line 11 of Form IT-140.

- LINE 6** Multiply line 3 by ninety percent (90%) and enter the result. If you are a qualified farmer, multiply line 3 by sixty-six and two-thirds percent (66 $\frac{2}{3}$ %).

LINE 2 ANNUALIZED INCOME. Multiply the amount on line 1 by the annualization factors on line 2.

LINE 3 WEST VIRGINIA MODIFICATIONS TO INCOME. Enter any modifications to federal adjusted gross income which would be allowed on your 2017 West Virginia Personal Income Tax Return. Be sure to show any negative figures.

LINE 5 **WEST VIRGINIA INCOME.** Combine lines 3 and 4; annualized income plus or minus modifications.

LINE 6 **EXEMPTION ALLOWANCE.** Multiply the number of exemptions you are allowed to claim by \$2,000; if you must claim zero exemptions, enter \$500 on this line.

LINE 7 **ANNUALIZED TAXABLE INCOME.** Subtract line 6 from line 5.

LINE 8 **TAX.** Compute the tax on the taxable income shown on line 7. Use the tax tables or rate schedules to calculate your tax. If you are filing as a nonresident/part-year resident, multiply the tax figure already calculated by the ratio of your West Virginia income to your federal income.

LINE 9 **CREDITS AGAINST TAX.** Show any credits against your West Virginia tax liability except West Virginia income tax withheld and estimated tax payments.

LINE 10 **TAX AFTER CREDITS.** Subtract line 9 from line 8; if line 9 is larger than line 8, enter zero.

COMPLETE LINES 12 THROUGH 19 FOR EACH COLUMN BEFORE MOVING TO THE NEXT COLUMN.

LINE 12 **REQUIRED PAYMENTS.** Multiply the amount on line 10 by the factor on line 11.

LINE 13 **PREVIOUS REQUIRED INSTALLMENTS.** Add the amounts from line 19 of all previous columns and enter the sum.

LINE 14 **ANNUALIZED INSTALLMENT.** Subtract line 13 from line 12. If less than zero, enter zero.

LINE 15 Enter one-fourth of line 8, Part I, of Form IT-210 in each column.

LINE 16 Enter the amount from line 18 of the previous column of this worksheet.

LINE 17 Add lines 15 and 16 and enter the total.

LINE 18 Subtract line 14 from line 17. If less than zero, enter zero.

LINE 19 **REQUIRED INSTALLMENT.** Compare lines 14 and 17 and enter the smaller figure here and on line 1, PART IV of Form IT-210.

PART III – SHORT METHOD

You may use the short method to figure your penalty only if:

1. You made no estimated tax payments (or your only payments were West Virginia income tax withheld); or
2. You paid estimated tax and the payments were made in four equal installments on the due dates.

NOTE: If any of your payments were made earlier than the due date, you may use the short method to calculate your penalty; however, using the short method may cause you to pay a higher penalty (if the payments were only a few days early, the difference is likely to be very small).

You may NOT use the short method if:

1. You made any estimated tax payments late; or
2. You checked the box on line 11 PART I, or used PART II (Annualized Income Worksheet).

If you can use the short method, complete lines 1 through 5 to compute your total underpayment for the year and lines 6 through 8 to compute your penalty due. If you checked the box for line 10 in PART I, because you are a farmer, the figure to use on line 6 is .01993 instead of .05344.

PART IV – REGULAR METHOD

Use the regular method to compute your penalty if you are not eligible to use the short method.

Section A – Compute Your Underpayment

LINE 1 Enter in columns (a) through (d) the amount of your required installment for the due date shown in each column heading. For most taxpayers, this is the amount shown on line 8 of PART I divided by four. If you used PART II, enter the amounts from line 19 of the Annualized Income Worksheet in the appropriate columns.

LINE 2 Enter the estimated tax payments you made plus any West Virginia income tax withheld from your income. In column (a), enter the tax payments you made by April 15, 2017, for the 2017 tax year; in column (b), enter payments you made after April 15 and on or before June 15, 2017; in column (c), enter payments you made after June 15, and on or before September 15, 2017; and in column (d), enter payments you made after September 15, and on or before January 15, 2018.

When calculating your payment dates and the amounts to enter on line 2 of each column, apply the following rules:

1. For West Virginia income tax withheld, you are considered to have paid one-fourth of these amounts on each payment due date, unless you check the box on line 11 in Part I and show otherwise.
2. Include in your estimated tax payments any overpayment from your 2016 West Virginia tax return that you elected to apply to your 2017 estimated tax. If you filed your return by the due date (including extensions), treat the overpayment as a payment made on April 15, 2017.
3. If you file your return and pay the tax due on or before February 1, 2017, include the tax you pay with your return in column (d) of line 2. In this case, you will not owe a penalty for the payment due January 15, 2017.

LINE 3 Enter any overpayment from the previous column on line 3.

LINE 4 Add lines 2 and 3 in each column and enter the result on line 4.

LINE 5 Add lines 7 and 8 from the previous column and enter the result in each column.

LINE 6 Subtract line 5 from line 4 in each column and enter the result on line 6. If line 5 is equal to or more than line 4 in any column, enter zero on line 6 in that column.

LINE 7 Subtract line 4 from line 5 for any column where line 5 is more than line 4; otherwise, enter zero.

LINE 8 Subtract line 6 from line 1 for any column where line 1 is more than line 6; otherwise, enter zero. If line 8 is zero for all payment periods, you do not owe a penalty. However, if you checked any box in PART I, you must file Form IT-210 with

your return.

LINE 9 Subtract line 1 from line 6 for any column for which line 6 is more than line 1; otherwise, enter zero. Be sure to enter the amount from line 9 on line 3 of the next column.

Section B – Compute Your Penalty

CAUTION: Read the following instructions before completing Section B.

Compute the penalty by applying the appropriate rate against each underpayment on line 8. The penalty is computed for the number of days that the underpayment remains unpaid.

The annual rate is eight percent (8%) for 2017. The resultant daily rate of 0.000219 is applied to all underpayments.

Use line 10 to compute the number of days the underpayment remains unpaid. Use line 12 to compute the actual penalty amount by applying the daily rate of 0.000219 to the underpayment for the number of days it was unpaid.

Each payment must be applied to the oldest outstanding underpayment. It does not matter if you designate a payment for a later period. For example, if you have an underpayment for April 15 installment period, the payment you make June 15 will first be applied to pay off the April 15 underpayment; any remaining portion of the payment will be applied to the June 15 installment.

Also, apply the following rules:

1. Show the West Virginia withholding tax attributable to each installment due date; do not list the withholding attributable on or after January 1, 2018.
2. Any balance due paid on or before April 15, 2018 with your personal income tax return is considered a payment and should be listed on line 2, column (d). For the payment date, use the date you file your return, or April 17, 2018, whichever is earlier.

Chart of Total Days Per Rate Period

Rate Period	Line 10
(a)	364
(b)	306
(c)	214
(d)	91

For example, if you have an underpayment on line 8, column (a), you would enter 365 in column (a) of line 10.

The following line-by-line instructions apply only to column (a) of

Section B. If there is an underpayment shown in any other column on line 8, complete lines 10 and 12 in a similar fashion.

LINE 10 Enter in column (a) the total number of days from April 15, 2017 to the date of the first payment. If no payments enter 365.

LINE 11 The daily penalty rate is equal to the annual interest rate applied to tax underpayments divided by 365. The annual interest rate for underpayments is eight percent (8%) for 2017, resulting in a daily rate of .000219.

LINE 12 Make the computation requested and enter the result. Note that the computation calls for the “underpayment on line 8”. The amount to use as the “underpayment” depends on whether or not a payment is listed.

If there is a payment – if the payment is more than the underpayment, apply only an amount equal to the underpayment and apply the remainder to the tax due for the next quarter. If the payment is less than your underpayment, the penalty for the remaining underpayment will require a separate computation. Use a separate sheet of paper to show any additional computations.

If there are no payments – the “underpayment” is the entire amount shown on line 8.

The following conditions determine if additional computations are needed for Column (a):

1. The first payment was enough to reduce the underpayment to zero. There are no further computations for column (a):
2. No payments. Only one computation is needed. The penalty for column (a) is line 8 multiplied by the number of days in the chart on this page multiplied by line 11.
3. The payment did not reduce the underpayment to zero. Compute the penalty on the remaining underpayment on a separate sheet of paper. If additional payments apply, reduce the underpayment for each installment and compute the penalty on the remainder of tax due until paid or April 15, 2018, whichever is earlier.

Enter the total penalty calculation on line 12 and proceed to the next column.

Columns (b) through (d)

To complete columns (b) through (d), use the same procedures as for column (a). However, apply only those payments in each column which have not been used in a previous column.

LINE 13 Add all figures from line 12. Enter the sum on line 13 and on the appropriate PENALTY DUE line of your personal income tax return.

SENIOR CITIZENS TAX CREDIT INFORMATION

If you recently received a WV/SCTC-1 in the mail from the West Virginia State Tax Department for the Homestead Exemption program administered at the county level, you may be entitled to claim a refundable state income tax credit. The credit is based on the amount of ad valorem property taxes paid on the first \$20,000, or portion thereof, of the taxable assessed value over the \$20,000 Homestead Exemption.

The refundable income tax credit eligibility is restricted to those who participate in the Homestead Exemption Program through the County Assessor’s office and meet the following criteria:

1. You must owe and pay a property tax liability on the homestead exemption eligible home (i.e. the assessed value of the eligible home must be greater than \$20,000 prior to the application of the homestead exemption) and;
2. Your household income must meet the low-income test. Complete Part III of Form SCTC-1 to determine your household income for the year.

If you were NOT required to file a federal tax return, do not include social security benefits when calculating your household income.

***Visit www.tax.wv.gov for a complete list of West Virginia municipalities that impose a Use Tax.**

INSTRUCTIONS

You owe use tax on the total purchase price of taxable tangible personal property or taxable services (hereinafter called property) that you used, stored, or consumed in West Virginia upon which you have not previously paid West Virginia sales or use tax. The use tax applies to the following: internet purchases, magazine subscriptions, mail-order purchases, out-of-state purchases, telephone purchases originating out-of-state, TV shopping networks and other purchases of taxable items. **Schedule UT must be filed with IT-140 if the taxpayer is reporting use tax due.**

Examples of reasons you may owe use tax:

1. You purchased property without paying sales tax from a seller outside of West Virginia. You would have paid sales tax if you purchased the property from a West Virginia seller.
2. You purchased property without paying sales tax for resale (to sell to others) or for a nontaxable use. You then used the property in a taxable manner.
3. You purchased property without paying sales tax and later gave the property away free to your customers.

PART I. STATE USE TAX CALCULATION (includes purchases or lease of tangible personal property or taxable service made using direct pay permit)

Line 1 – Enter the total dollar amount of all purchases made during the 2017 tax year that are subject to the 6% use tax rate.

Line 3 – Multiply the amount on line 1 by the use tax rate on line 2.

PART II. MUNICIPAL USE TAX CALCULATION

You owe municipal use tax on the total purchase price of taxable tangible personal property or taxable services that you used, stored, or consumed in a municipality that has imposed sales and use tax upon which you have not previously paid sales or use tax.

For municipal tax paid in another municipality. West Virginia sales and use tax law provides a credit for sales or use taxes that are properly due and paid to another state or municipality on property or services purchased outside of the State or municipality in which you are located and subsequently stored, used or consumed inside the State or municipality. The credit is allowed against the total of West Virginia state and municipal use taxes imposed on the same property or services purchased in the other state or municipality.

Note: When the combined state and municipal taxes paid to the other state/municipality equals or exceeds the combined West Virginia state and municipal use tax, no entry is required on the West Virginia Purchaser's Use Tax Schedule (Schedule UT) to report the purchase or the credit for tax paid to the other state/municipality on the same purchase. Example: You purchase an item subject to tax in Ohio and pay 7% sales tax (6% state tax and 1% local tax). You live in an area in West Virginia that imposes a 1% municipal use tax with the State rate 6%, for a total 7%. You would not report the purchase on the schedule nor on your Personal Income Tax return since the combined rates are the same in Ohio and the city in West Virginia.

The following example includes a situation a person may encounter with respect to West Virginia state, and municipal sales and use taxes, if they purchase items outside West Virginia or from a different municipality and are required to pay sales or use taxes to the other state and/or municipality. The example provides information on how to use the amount of sales tax paid to the other state as a credit against West Virginia state and municipal

use taxes imposed and how to compute and report the West Virginia state and municipal taxes due.

You bring equipment into West Virginia for use in a municipality which imposes municipal sales and use tax. You can determine the West Virginia state and municipal use tax as follows:

USE TAX – STATE	
1. Purchase price	\$10,000.00
2. 6.0% West Virginia State use tax (\$10,000 x .06)	600.00
3. Less 4.0% sales/use tax paid to State B (\$10,000 x .04)	(400.00)
4. Net use tax due to West Virginia	200.00
5. Measure of tax (\$200 ÷ .06 tax rate)	\$ 3,333.34

You should include the \$3,333.34 in Part I, line 1 of the West Virginia Purchaser's Use Tax Schedule.

USE TAX – MUNICIPAL	
1. Purchase price	\$10,000.00
2. 1.0% Municipality A sales/use tax (\$10,000 x .01)	100.00
3. Less .5% sales/use tax paid to Municipality B (\$10,000 x .005)	(50.00)
4. Net use tax due to municipality A	50.00
5. Measure of tax (\$50 ÷ .01 tax rate)	\$ 5,000.00

You should include the \$5,000 in Part II, line 4c-7c under appropriate municipality.

Line 4a – 7a – Enter the name of the municipality.

Line 4b – 7b – Enter total purchases subject to the use tax.

Line 4c – 7c – Enter the tax rate. See www.tax.wv.gov for a complete list of municipalities and rates.

Line 4d – 7d – Multiply total purchases by the tax rate and enter total.

Line 8 – Add lines 4d through 7d and enter total.

PART III. TOTAL AMOUNT DUE

Line 9 – Enter total State Use Tax due (from line 3).

Line 10 – Enter total Municipal Use Tax due (from line 8).

Line 11 – Enter total Use Tax due. Add lines 9 and 10 and enter total here and on line 24 of Form IT 140.

If you calculate an overpayment of your Personal Income Tax on Form IT-140, simply deduct the amount of Use Tax due from the amount of overpayment by following the instructions for Form IT-140. If your overpayment is reduced for any reason, the Use Tax will be billed separately from your Personal Income Tax account.
