What's New and Other Important Information for 2018

Voluntary Contributions – You may contribute to the following new funds:

- Organ and Tissue Donor Registry Voluntary Tax Contribution Fund
- National Alliance on Mental Illness California Voluntary Tax Contribution Fund
- Schools Not Prisons Voluntary Tax Contribution Fund

Federal Tax Reform – The Tax Cuts and Jobs Act (TCJA) signed into law on December 22, 2017, made changes to the Internal Revenue Code (IRC). In general, California Revenue and Taxation Code (R&TC) **does not** conform to the changes. California taxpayers continue to follow the IRC as of the specified date of January 1, 2015, with modifications.

California Earned Income Tax Credit (EITC) – For taxable years beginning on or after January 1, 2018, the age limit for an eligible individual without a qualifying child is revised to 18 years or older. For more information, go to ftb.ca.gov and search for **EITC** or get form FTB 3514, California Earned Income Tax Credit.

For taxable years beginning on or after January 1, 2017, California conforms to federal law to include in the definition of earned income net earnings from self employment. If you have self-employment income, you cannot use Form 540 2EZ. Get Form 540 at ftb.ca.gov/forms or **e-file**.

Earned income thresholds have also increased. You may now qualify for the refundable EITC if you have earned income of less than \$24,951.

Schedule X, California Explanation of Amended Return Changes – For taxable years beginning on or after January 1, 2017, use Schedule X to determine any additional amount you owe or refund due to you, and to provide reason(s) for amending your previous filed income tax return. For additional information, see "Instructions for Filing a 2018 Amended Return" on page 15.

Improper Withholding on Severance Paid to Veterans – The Combat-Injured Veterans Tax Fairness Act of 2016 gives veterans who retired from the Armed Forces for medical reasons additional time to claim a refund if they had taxes improperly withheld from their severance pay. If you filed an amended return with the IRS on this issue, you have two years to file your amended California return.

Electronic Funds Withdrawal (EFW) – Make extension payments using tax preparation software. Check with your software provider to determine if they support EFW for extension payments.

Payments and Credits Applied to Use Tax – For taxable years beginning on or after January 1, 2015, if a taxpayer includes use tax on their personal income tax return, payments and credits will be applied to use tax first, then towards income tax, interest, and penalties. Additional information can be found in the Form 540 2EZ instructions for line 25.

MyFTB

Make tax time less taxing! Check MyFTB for information about your FTB-issued 1099-Gs, 1099-INTs, California wage and withholding data, and more! Go to ftb.ca.gov and login or register for MyFTB.

Direct Deposit Refund

You can request a direct deposit refund on your tax return whether you

e-file or file a paper return. Be sure to fill in the routing and account numbers carefully and double-check the numbers for accuracy.

Direct Deposit for ScholarShare 529 College Savings Plans

If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account.

Mandatory Electronic Payments

You are required to remit all your payments electronically once you make an estimate or extension payment exceeding \$20,000 or you file an original tax return with a total tax liability over \$80,000. Once you meet this threshold, all subsequent payments regardless of amount, tax type, or taxable year must be remitted electronically. The first payment that would trigger the mandatory e-pay requirement does not have to be made electronically. Individuals who do not send the payment electronically will be subject to a 1% noncompliance penalty.

You can request a waiver from mandatory e-pay if one or more of the following is true:

- You have not made an estimated tax or extension payment in excess of \$20,000 during the current or previous taxable year.
- Your total tax liability reported for the previous taxable year did not exceed \$80,000.
- The amount you paid is not representative of your total tax liability.

For more information or to obtain the waiver form, go to ftb.ca.gov/e-pay. Electronic payments can be made using Web Pay on Franchise Tax Board's (FTB's) website, EFW as part of the e-file tax return, or your credit card.

Registered Domestic Partners (RDP)

Under California law, RDPs must file their California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same-sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status.

For purposes of California income tax, references to a spouse, husband, or wife also refer to an RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

Head of Household – For taxable years beginning on or after January 1, 2015, California requires taxpayers who use head of household (HOH) filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the HOH filing status was determined.

Beginning in tax year 2018, if you do not attach a completed form FTB 3532 to your tax return, we will deny your Head of Household filing status. For more information about the Head of Household filing requirements, go to ftb.ca.gov and search for **HOH**.

Steps to Determine Filing Requirements

Step 1: Is your gross income (all income you received in the form of money, goods, property, and services from all sources that are not exempt from tax) more than the amount shown in the California Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, go to Step 2.

Step 2: Is your adjusted gross income (federal adjusted gross income from all sources reduced or increased by all California income adjustments) more than the amount shown in the California Adjusted Gross Income chart below for your filing status, age, and number of dependents? If yes, you have a filing requirement. If no, you do not have a filing requirement. If you do not have a filing requirement, you must file a tax return to claim your withholding. You may be eligible for the federal Earned Income Tax Credit; see page 63 for more information.

2. How can I get help?

Throughout California, more than 1,200 sites provide trained volunteers offering free help during the tax filing season to persons who need to file simple federal and state income tax returns. Many military bases also provide this service for members of the U.S. Armed Forces. Go to ftb.ca.gov and search for **vita** to find a list of participating locations or call the FTB at 800.852.5711 to find a location near you.

3. When do I have to file?

File and pay by April 15, 2019, but if you can't file by that date, you get an automatic paperless extension to file by October 15, 2019. Any tax due must be paid by April 15, 2019, to avoid penalties and interest. See form FTB 3519. You cannot use Form 540 2EZ if you make an extension payment with form FTB 3519. You can CalFile, e-file, or use Form 540, or the Long Form 540NR when you file your tax return.

If you are in the military, you may be entitled to certain extensions. For more information, get FTB Pub. 1032, Tax Information for Military Personnel.

4. I don't have my W-2 s. What do I do?

If all your federal Forms W-2 were not received by January 31, 2019, contact your employer. Only an employer issues or corrects federal Form W-2. California wage and withholding information is available on MyFTB at ftb.ca.gov. For more information, call 800.338.0505, follow the recorded instructions and enter code **204** when instructed.

5. Is direct deposit safe?

Direct deposit is safe and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540 2EZ, Side 4, line 33 and line 34. Fill in the routing and account numbers and indicate the account type.

6. I discovered an error on my tax return. What should I do?

If you discover an error on your California income tax return after you filed it (paper or e-file), file an amended Form 540 2EZ and attach Schedule X, to correct your previously filed tax return. Get Schedule X at ftb.ca.gov/forms or call 800.338.0505, follow the recorded instructions, and enter code **908** when instructed.

7. I owe tax, but don't have the money. What can I do?

If you cannot pay on or before the due date, you may request approval to make monthly installments. You may pay using Web Pay or a credit card. See "Paying Your Taxes," for information on Web Pay, Credit Card, and Request Monthly Installments.

8. How can I find out about the status of my refund?

Go to ftb.ca.gov and search for **refund status** or call 800.338.0505.

9. How long do I keep my tax records?

Generally, keep your California income tax records for at least four years from the due date of the tax return or four years from the date the tax return is filed, whichever is later. However, an extended period may apply for California or federal tax returns related or subject to federal audit.

10. I will be moving after I file my tax return. How do I notify the FTB of my new address?

Go to ftb.ca.gov and login or register for MyFTB or call 800.852.5711 and follow the recorded instructions to report a change of address. You may also use form FTB 3533, Change of Address for Individuals. This form is available at ftb.ca.gov/forms. If you change your address online or by phone, you do not need to file form FTB 3533.

11. The Internal Revenue Service (IRS) made changes to my federal tax return. What should I do?

If your federal income tax return is examined and changed by the IRS and you owe additional tax, report these changes to the FTB within six months of the date of the final federal determination. If the changes the IRS made result in a refund due for California, claim a refund within two years of the date of the final federal determination. Either file an amended Form 540 2EZ to correct your previously filed income tax return or send a copy of the federal changes to:

ATTN RAR/VOL MS F310
FRANCHISE TAX BOARD
PO BOX 1998
RANCHO CORDOVA CA 95741-1998

or Fax the information to 916.843.2269.

If you have a question **relating to the IRS audit adjustment** call 916.845.4028.

For general tax information or questions, please call 800.852.5711.

Regardless of which method you use to notify the FTB, you must include a copy of the final federal determination along with all data and schedules on which the federal adjustment was based. Get FTB Pub. 1008, Federal Tax Adjustments and Your Notification Responsibilities to California, for more information. See "Automated Phone Service."

Things you need to know before you complete Form 540 2EZ

Determine if you qualify to use Form 540 2EZ. See "Qualifying to Use Form 540 2EZ" on page 3.

You cannot use Form 540 2EZ if:

- You file a joint tax return and either spouse/RDP was a nonresident in 2018. Use Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return. These forms are available online at ftb.ca.gov/forms or file online using **e-file**.
- You are married/RDP and file a separate tax return. Get Form 540 online at ftb.ca.gov/forms or file online through **CalFile** or **e-file**.
- You have income from a source outside of California.
- You have income from a source not listed on this form.
- You made estimate payments or have an estimated tax payment transfer from 2017.
- You have Real Estate or Other Withholding from Form 592-B, Resident and Nonresident Withholding Tax Statement, or Form 593, Real Estate Withholding Tax Statement.

Note: The lines on Form 540 2EZ are numbered with gaps in the line number sequence. For example, lines 14 through 15 do not appear on Form 540 2EZ, so the line number that follows line 13 on Form 540 2EZ is line 16.

If you need to amend your California resident income tax return, complete an amended Form 540 2EZ and check the box at the top of Form 540 2EZ indicating AMENDED return. Attach Schedule X, California Explanation of Amended Return Changes, to the amended Form 540 2EZ. For specific instructions, see "Instructions for Filing a 2018 Amended Return" on page 15.

Social security benefits may be taxable for federal tax purposes but are **not** taxable for California tax purposes.

Specific Line Instructions

Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN)

Enter your SSN or ITIN in the spaces provided. If you file a joint tax return, enter the SSN or ITIN in the same order as the names.

If you do not have an SSN because you are a nonresident or a resident alien for federal tax purposes, and the Internal Revenue Service (IRS) issued you an ITIN, enter the ITIN in the space provided for the SSN.

An ITIN is a tax processing number issued by the IRS to foreign nationals and others who have a federal tax filing requirement and do not qualify for an SSN. The ITIN is a nine-digit number that always starts with the number 9.

Date of Birth (DOB)

Enter your DOB (mm/dd/yyyy) in the spaces provided. If your filing status is married/RDP filing jointly or married/RDP filing separately, enter the DOBs in the same order as the names.

Prior Name

If you filed your 2017 tax return under a different last name, write the last name **only** from the 2017 tax return.

Line 1 through Line 5 – Filing Status

Check the box on Form 540 2EZ for the filing status that applies to you.

If your California filing status is different from your federal filing status, check the box above the filing status.

Filing Status Checklist

Choose only one filing status. Your filing status for California must be the same as the filing status you used on your federal income tax return.

Exception:

Registered domestic partners (RDP) who file single for federal must file married/RDP filing jointly or married/RDP filing separately for California. If you are an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

Single

You are single if **any** of the following was true on December 31, 2018:

- You were not married or in an RDP.
- You received a final decree of divorce or legal separation, or your RDP was terminated.
- You were widowed before January 1, 2018, and did not remarry or enter into another RDP in 2018 (see Qualifying Widow[er]).

Married/RDP Filing Jointly

You may file married/RDP filing jointly if **any** of the following is true:

- You were married/RDP as of December 31, 2018, even if you did not live with your spouse/RDP at the end of 2018.
- Your spouse/RDP died in 2018 and you did not remarry or enter into another RDP in 2018.
- Your spouse/RDP died in 2019 before the 2018 tax return was filed.

A married couple or RDPs may file a joint return even if only one had income or if they did not live together all year. However, both must sign the tax return.

Head of Household

For the specific requirements that must be met to qualify for head of household filing status, get FTB Pub. 1540, California Head of Household Filing Status. In general, head of household filing status is for unmarried individuals and certain married individuals or RDPs living apart who provide a home for a specified relative. You may be entitled to use head of household filing status if **all** of the following apply:

- You were unmarried and not in an RDP, or you met the requirements to be considered unmarried or considered not in an RDP on December 31, 2018.
- You paid more than one-half the cost of keeping up your home for the year in 2018.
- For more than half the year, your home was the main home for you and one of the specified relatives who by law can qualify you for head of household filing status.
- The relative who lived with you met the requirements to be a qualifying child or qualifying relative.
- You were not a nonresident alien at any time during the year.

For a child to qualify as your foster child for head of household purposes, the child must be placed with you by an authorized placement agency or by order of a court.

California requires taxpayers who use head of household filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the head of household (HOH) filing status was determined.

Qualifying Widow(er)

You are a qualifying widow(er) if **all** of the items on the next page apply:

- Your spouse/RDP died in 2016 or 2017, and you did not remarry or enter into another RDP in 2018.
- You have a child, stepchild, or adopted child (not a foster child) whom you can claim as a dependent or could claim as a dependent except that, for 2018:
 - The child had gross income of \$4,150 or more;
 - The child filed a joint return, or
 - You could be claimed as a dependent on someone else’s return.
 If the child isn’t claimed as your dependent, enter the child’s name in the entry space under the “Qualifying widow(er)” filing status.
- This child lived in your home for all of 2018. Temporary absences, such as for school, vacation, or medical care, count as time lived in the home.
- You paid over half the cost of keeping up your home for this child.
- You could have filed a joint tax return with your spouse/RDP the year he or she died, even if you actually did not do so.

Enter the year of your spouse’s/RDP’s death on your tax return.

Line 6 – Can you be claimed as a dependent?

If someone else can claim you (or your spouse/RDP) as a dependent on his or her tax return, even if they choose not to, and your total income is less than the following amounts based on your filing status or you have a dependent, you cannot use Form 540 2EZ. Get Form 540 online at ftb.ca.gov/forms or file online through **CalFile** or **e-file**.

Single	\$14,551
Married/RDP filing jointly or Qualifying widow(er)	\$29,152
Head of Household	\$20,652

Note: You cannot use Form 540 2EZ if your total wages are less than the following amounts based on your filing status:

Single	\$4,051
Married/RDP filing jointly, head of household, or qualifying widow(er)	\$8,452

If you can be claimed as a dependent and can use Form 540 2EZ check the box on line 6 and follow the instructions on line 17.

Line 7 – Senior

If you (or if married/RDP, your spouse/RDP) are 65 or older, enter 1; if both are 65 or older, enter 2.

If your (or if married/RDP, your spouse’s/RDP’s) 65th birthday is January 1, 2019, you are considered to be age 65 on December 31, 2018.

Line 8 – Dependents

You must enter the first name, last name, SSN, and relationship of each of the dependents you are allowed to claim. If your dependent child was born and died in 2018 and you do not have an SSN for the child, enter “Died” in the SSN field and include a copy of the child’s birth certificate, death certificate, or hospital records. The document must show the child was born alive. If you claim more than three dependents get Form 540 online at ftb.ca.gov/forms or file online through **CalFile** or **e-file**.

Do you have Child and Dependent Care Expenses? If so, you may qualify for a credit. For more information, get form FTB 3506, Child and Dependent Care Expenses Credit. The easiest way to claim the credit is to **CalFile** or **e-file**. **This credit may not be claimed on Form 540 2EZ.**

Line 9 – Total Wages

Enter the amount from federal Form W-2, box 16. If you have more than one Form W-2, add all amounts shown in box 16.

Generally, federal Form W-2 box 1 and box 16 should contain the same amounts. If they are different because you had income from a source outside California, you cannot file Form 540 2EZ. Get Form 540 or Long/Short Form 540NR at ftb.ca.gov/forms or file online through **CalFile** or **e-file**.

Line 10 – Total Interest Income

Enter interest income shown on Form 1099-INT, Interest Income, box 1.

Do not include amounts shown on Form 1099-INT, box 3, Interest on U.S. Savings Bonds and Treasury Obligations. This interest is not taxed by California.

Line 11 – Total Dividend Income

Generally, the amount of dividend income taxable by California is the same as the amount taxable under federal law. However, there may be federal/state differences in the taxable amount of dividend income, if you received it from any of the following sources:

- Exempt interest dividends from mutual funds.
- Non-cash patronage dividends from farmers’ cooperatives or mutual associations.
- Federal exempt interest dividends from other states or their municipal obligations and/or from mutual funds.
- Controlled foreign corporation dividends in the year distributed.
- Regulated investment company capital gains in the year distributed.
- Distributions of pre-1987 earnings from an S corporation.

If you have a federal/state difference in the taxable amount of dividend income, you cannot file Form 540 2EZ. Get Form 540 at ftb.ca.gov/forms or file online through **CalFile** or **e-file**.

Line 12 – Total Pension Income

Generally, the amount of pension income taxable by California is the same as the amount taxable under federal law. However, there may be federal/state differences in the taxable amount of pension income, if you received it from any of the following sources:

- Tier 2 railroad retirement benefits.
- Partially taxable distributions from a pension plan.
- Retirement annuity between July 1, 1986, and January 1, 1987, and elected to use the three-year rule for California purposes and annuity rules for federal purposes.

For information regarding the federal Pension Protection Act of 2006, go to ftb.ca.gov and search for **conformity**. **If you have a federal/state difference in the taxable amount of pension income, you cannot file Form 540 2EZ.** Get Form 540 at ftb.ca.gov/forms or **e-file**.

Line 13 – Total Capital Gain Distributions from Mutual Funds

Generally, the amount of capital gains taxable by California is the same as the amount taxable under federal law. If you received capital gain distributions from a mutual fund, report them on line 13, if both of the following apply:

- You received Form 1099-DIV with an amount in box 2a.
- The Form 1099-DIV does not have amounts in box 2b, 2c, or 2d.

If you have other capital gains, you cannot use Form 540 2EZ. Get Form 540 at ftb.ca.gov/forms or **e-file**.

Line 17 – Tax

The standard deduction and personal exemption credit are built into the 2EZ Tables and not reported on the tax return.

If you did not check the box on line 6 follow the instructions below.

Use the California 2EZ Table for your filing status to complete line 17. The 2EZ Tables in this booklet give you credit for the standard deduction for your filing status, your personal exemption credit, and dependent exemption credits. There are three different tables. Make sure you use the right one. If your filing status is:

Single	Go to page 39
Married/RDP filing jointly or Qualifying widow(er)	Go to page 45
Head of Household	Go to page 57

If you checked the box on line 6, complete the Dependent Tax Worksheet below.

Dependent Tax Worksheet		
1. Using the amount from Form 540 2EZ, line 16, and your filing status, enter the tax from the 2EZ Table: If your filing status is:		
<ul style="list-style-type: none"> • Single, go to page 39. • Married/RDP filing jointly or Qualifying widow(er), go to page 45. • Head of household, go to page 57 	} 1 _____	
2. If single or head of household, enter \$118	} 2 _____	
<ul style="list-style-type: none"> • If married/RDP and both spouses/RDPs can be claimed as a dependent by another taxpayer, enter \$236 • If married/RDP and only one spouse/RDP can be claimed, enter \$118 • If qualifying widow(er), enter \$236 		
3. Add line 1 and line 2. Enter here and include on Form 540 2EZ, line 17.		3 _____

Line 18 – Senior Exemption

If you entered 1 in the box on line 7, enter \$118. If you entered 2 in the box on line 7, enter \$236.

You cannot claim this exemption credit if someone else can claim you as a dependent on their tax return.

Line 19 – Nonrefundable Renter’s Credit

If you were a resident of California and paid rent on property in California which was your principal residence, you may qualify for a credit that you can use to reduce your tax. Answer the questions on page 11 to see if you qualify.

Line 22 – Total Tax Withheld

Enter the amount from federal Form(s) W-2, box 17, or Form 1099-R, box 12. If you have more than one federal Form W-2, add all amounts shown in box 17. If you have more than one federal Form 1099-R, add all amounts shown in box 12. The FTB verifies all withholding claimed from federal Forms W-2 or 1099-R with the Employment Development Department (EDD).

Line 23 – Earned Income Tax Credit (EITC)

Enter your Earned Income Tax Credit from form FTB 3514, California Earned Income Tax Credit.

Use Tax

Line 25 – Use Tax

You are required to enter a number on this line. If the amount due is zero, you must check the applicable box to indicate that you either owe no use tax, or you paid your use tax obligation directly to the California Department of Tax and Fee Administration.

You may owe use tax if you make purchases from out-of-state retailers (for example, purchases made by telephone, online, by mail, or in person) where California sales or use tax was not paid and you use those items in California.

If you have questions about whether a purchase is taxable, go to the California Department of Tax and Fee Administration’s website at cdtfa.ca.gov, or call its Customer Service Center at 1.800.400.7115 or (TTY) 711 (for hearing and speech disabilities).

Some taxpayers are required to report business purchases subject to use tax directly to the California Department of Tax and Fee Administration. However, they may report certain personal purchases subject to use tax on the FTB income tax return.

You may not report business purchases subject to use tax on your income tax return if you:

- Have or are required to hold a California seller’s permit.
- Receive \$100,000 or more per year in gross receipts from business operations.
- Are otherwise registered or required to be registered with the California Department of Tax and Fee Administration to report use tax.

Note: You may not report use tax on your income tax return for certain types of transactions. These types of transactions are described in detail below in the instructions.

The Use Tax Worksheet and Estimated Use Tax Lookup Table will help you determine how much use tax to report. If you owe use tax but you do not report it on your income tax return, you must report and pay the tax to the California Department of Tax and Fee Administration. For information on how to report use tax directly to the California Department of Tax and Fee Administration, go to their website at cdtfa.ca.gov and type “Find Information About Use Tax” in the search bar.

Failure to report and pay timely may result in the assessment of interest, penalties, and fees.

See page 12 for a general explanation of California use tax.

Use Tax Worksheet

You must use the Use Tax Worksheet to calculate your use tax liability, if any of these apply:

- You prefer to calculate the amount of use tax due based upon your actual purchases subject to use tax, rather than based on an estimate.
- You owe use tax on any item purchased for use in a trade or business and you are not registered or required to be registered with the California Department of Tax and Fee Administration to report sales or use tax.
- You owe use tax on purchases of individual items with a purchase price of \$1,000 or more each.

Example 1: You purchased a television for \$2,000 from an out-of-state retailer that did not collect tax. You must use the Use Tax Worksheet to calculate the tax due on the price of the television, since the price of the television is \$1,000 or more.

Example 2: You purchased a computer monitor for \$300, a rare coin for \$500, and designer clothing for \$250 from out-of-state retailers that did not collect tax. Although the total price of all the items is \$1,050, the price of each item is less than \$1,000. Since none of these individual items are \$1,000 or more, you are not required to use the Use Tax Worksheet and may choose to use the Estimated Use Tax Lookup Table.

If you have a combination of individual non-business items purchased for \$1,000 or more each, and/or items purchased for use in a trade or business in addition to individual, non-business items purchased for less than \$1,000, you may either:

- Use the Use Tax Worksheet to compute use tax due on all purchases, or
- Use the Use Tax Worksheet to compute use tax due on all individual items purchased for \$1,000 or more plus all items purchased for use in a trade or business.
- Use the Estimated Use Tax Lookup Table to estimate the use tax due on individual, non-business items purchased for less than \$1,000, then add the amounts and report the total use tax on Line 25.

Example 3: The total price of the items you purchased from out-of-state retailers that did not collect use tax is \$2,300, which includes a \$1,000 television, a \$900 painting, and a \$400 table for your living room.

- You may choose to calculate the use tax due on the total price of \$2,300 using the Use Tax Worksheet, or

- You may choose to calculate the use tax due on the \$1,000 price of the television using the Use Tax Worksheet and estimate your use tax liability for the painting and table by using the Estimated Use Tax Lookup Table, then add the amounts and report the total use tax on Line 25.

Use Tax Worksheet (See Instructions Below.)	
Use whole dollars only.	
1. Enter purchases from out-of-state sellers made without payment of California sales/use tax. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, only enter purchases of items with a purchase price of \$1,000 or more plus items purchased for use in a trade or business not registered with the California Department of Tax and Fee Administration.	\$ _____00
2. Enter the applicable sales and use tax rate. _____	
3. Multiply Line 1 by the tax rate on Line 2. Enter result here	\$ _____00
4. If you choose to estimate the use tax due on individual, non-business items purchased for less than \$1,000 each, enter the use tax amount due from the Estimated Use Tax Lookup Table. If all of your purchases are included in Line 1, enter -0-	\$ _____00
5. Add Lines 3 and 4. This is your total use tax	\$ _____00
6. Enter any sales or use tax you paid to another state for purchases included on Line 1. See worksheet instructions below	\$ _____00
7. Subtract Line 6 from Line 5. This is the total use tax due. Enter the amount due on Line 25. If the amount is less than zero, enter -0-	\$ _____00

- Mobile homes or commercial coaches that must be registered annually as required by the Health and Safety Code.
- Vessels documented with the U.S. Coast Guard.
- Aircraft.
- Rental receipts from leasing machinery, equipment, vehicles, and other tangible personal property to your customers.
- Cigarettes and tobacco products when the purchaser is registered with the California Department of Tax and Fee Administration as a cigarette and/or tobacco products consumer.

Worksheet, Line 2, Sales and Use Tax Rate

Enter the sales and use tax rate applicable to the place in California where the property was used, stored, consumed, or given away. To find your sales and use tax rate, please go to the California Department of Tax and Fee Administration’s website at cdtfa.ca.gov and type “**City and County Sales and Use Tax Rates**” in the search bar. You may also call their Customer Service Center at 800.400.7115 or (TTY) 711 (for hearing and speech disabilities).

Worksheet, Line 6, Credit for Tax Paid to Another State

This is a credit for tax paid to other states on purchases reported on Line 1. You cannot claim a credit for more than the amount of use tax that is imposed on your use of property in this state. For example, if you paid \$8.00 sales tax to another state for a purchase, and would have paid \$6.00 in California, you can claim a credit of only \$6.00 for that purchase.

Estimated Use Tax Lookup Table

You may use the Estimated Use Tax Lookup Table to estimate and report the use tax due on individual non-business items you purchased for less than \$1,000 each. This option is only available if you are permitted to report use tax on your income tax return and you are not required to use the Use Tax Worksheet to calculate the use tax owed on all your purchases. Simply include the use tax liability that corresponds to your California Adjusted Gross Income (found on Line 16) and enter it on Line 25. You will not be assessed additional use tax on the individual non business items you purchased for less than \$1,000 each.

You may not use the Estimated Use Tax Lookup Table to estimate and report the use tax due on purchases of items for use in your business or on purchases of individual non-business items you purchased for \$1,000 or more each. See the instructions for the Use Tax Worksheet if you have a combination of purchases of individual non-business items for less than \$1,000 each and purchases of individual non-business items for \$1,000 or more.

Worksheet, Line 1, Purchases Subject to Use Tax

Report purchases of items that would have been subject to sales tax if purchased from a California retailer unless your receipt shows that California tax was paid directly to the retailer. For example, generally, you would include purchases of clothing, but not exempt purchases of food products or prescription medicine. For more information on nontaxable and exempt purchases, you may visit the California Department of Tax and Fee Administration’s website at cdtfa.ca.gov.

- Include handling charges.
- Do not include any other state’s sales or use tax paid on the purchases.
- Enter only purchases made during the year that corresponds with the tax return you are filing.
- If you traveled to a foreign country and hand-carried items back to California, generally use tax is due on the purchase price of the goods you listed on your U.S. Customs Declaration less an \$800 per person exemption. For the hand carried items, you should report the amount of purchases in excess of the \$800 per-person exemption. This \$800 exemption does not apply to goods sent or shipped to California by mail or other common carrier. For goods sent or shipped, you should report the entire amount of the purchases.
- If your filing status is “married/RDP filing separately,” you may elect to report one-half of the use tax due or the entire amount on your income tax return. If you elect to report one-half, your spouse/RDP may report the remaining half on his or her income tax return or on the individual use tax return available from the California Department of Tax and Fee Administration.

Note: You cannot report the following types of purchases on your income tax return.

- Vehicles, vessels, and trailers that must be registered with the Department of Motor Vehicles.

\$90,000 to \$99,999	\$44
\$100,000 to \$124,999	\$52
\$125,000 to \$149,999	\$63
\$150,000 to \$174,999	\$75
\$175,000 to \$199,999	\$86
More than \$199,999 – Multiply AGI by 0.046% (x0.00046)	

Enter your use tax liability on Line 4 of the worksheet, or if you are not required to use the worksheet, enter the amount on Line 25 of your income tax return.

Line 29 – Tax Due

If the amount on line 26 is less than the amount on line 21, subtract the amount on line 26 from the amount on line 21. Enter the result on line 29. Your tax is more than your credits and withholdings.

Increasing your withholding could eliminate the need to make a large payment with your tax return. To increase your withholding, complete EDD Form DE 4, Employee's Withholding Allowance Certificate, and give it to your employer's appropriate payroll staff. You can get this form from your employer or by calling the EDD at **888.745.3886**. You can download the DE 4 at edd.ca.gov or go to ftb.ca.gov and search for **de 4**. If you did not pay enough through withholding, you may have an underpayment penalty. The FTB will figure the underpayment penalty for you.

Line 30 – Voluntary Contributions

You can make voluntary contributions to the funds listed on Form 540 2EZ, Side 3. See "Voluntary Contribution Fund Descriptions" for more information.

You may also contribute any amount to the **State Parks Protection Fund/Parks Pass Purchase**. To receive a single annual park pass, your contribution must equal or exceed \$195. When applicable, FTB will forward your name and address from your tax return to the Department of Parks and Recreation (DPR) who will issue a single Vehicle Day Use Annual Pass to you. Only one pass will be provided per tax return. You may contact DPR directly to purchase additional passes. If there is an error on your tax return in the computation of total contributions or if we disallow the contribution you requested because there is no credit available for the tax year, your name and address will not be forwarded to DPR. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. For more information, go to parks.ca.gov/annualpass/ or email info@parks.ca.gov.

Line 31 – Amount You Owe

If you do not have an amount on line 28, add the amount on line 27, line 29, and line 30. Enter the result on line 31.

If you have an amount on line 28 and the amount on line 30 is more than line 28, subtract line 28 from line 30. Enter the difference on line 31.

Paying Your Taxes

You must pay 100% of the amount you owe by April 15, 2019, to avoid interest and underpayment penalties. However, the underpayment penalty will be waived if 90% of the tax shown on the tax return is paid by the original due date of the tax return. There are several ways to pay your tax:

- Electronic funds withdrawal (e-file only)
- Pay online/Web Pay
- Credit card
- Check or money order
- Monthly installments

Electronic Funds Withdrawal

If you CalFile or e-file, instead of paying by check, you can use this convenient option. You can find the routing and account numbers on your check or by contacting your financial institution. Use the check illustration on the next page to find your bank information. Your tax preparation software will offer this option.

Request Monthly Installments

Mail the completed form to the FTB at the address shown on the form.

Line 32 – Refund or No Amount Due

Did you report an amount on line 30?

No Enter the amount from line 28 on line 32. This is your refund amount. If it is less than \$1, attach a written statement to your Form 540 2EZ requesting the refund.

Yes If the amount on line 30 is:

- Less than the amount on line 28, subtract line 30 from line 28 and enter the difference on line 32. This is your refund amount.
- More than the amount on line 28, enter zero on line 32.

Direct Deposit

Direct deposit is fast, safe, and convenient. To have your refund directly deposited into your bank account, fill in the account information on Form 540 2EZ, Side 4, line 33 and line 34. Fill in the routing and account numbers and indicate the account type. Verify routing and account numbers with your financial institution. **Do not** attach a voided check or deposit slip. See the illustration on the following page.

An individual taxpayer may request that his or her refund be electronically deposited into more than one checking or savings account. This allows more options for managing your refund. For example, you can request part of your refund go to your checking account to use now and the rest to your savings account to save for later.

The routing number must be nine digits. The first two digits must be 01 through 12 or 21 through 32. On the sample check, the routing number is 250250025. The account number can be up to 17 characters and can include numbers and letters. Include hyphens, but omit spaces and special symbols. On the sample check, the account number is 202020.

Check the appropriate box for the type of account. **Do not** check more than one box for each line.

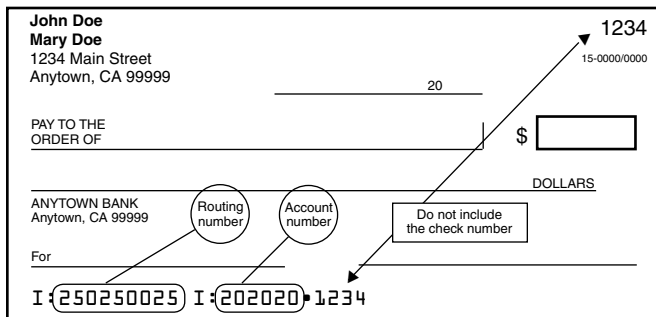

Enter the portion of your refund you want directly deposited into each account. The total of line 33 and line 34 must equal the total amount of your refund. If line 33 and line 34 do not equal line 32, the FTB will issue a paper check.

Adjusted Refunds – If there is a change made to your refund, you will still receive your refund via direct deposit. For more information on direct deposit of adjusted refunds, go to ftb.ca.gov and search for **direct deposit**.

Caution: Check with your financial institution to make sure your deposit will be accepted and to get the correct routing and account numbers. The FTB is not responsible for a lost refund due to incorrect account information entered by you or your representative.

Prior to depositing the refund, FTB may first verify with your financial institution that the name on the account you designated to receive the direct deposit refund matches the name provided on the tax return.

Some financial institutions will not allow a joint refund to be deposited to an individual account. If the direct deposit is rejected, the FTB will issue a paper check.

Direct Deposit for ScholarShare 529 College Savings Plans – If you have a ScholarShare 529 College Savings Plan account maintained by the ScholarShare Investment Board, you may have your refund directly deposited to your ScholarShare account.

Sign Your Tax Return

Sign your tax return on Side 4. If you file a joint tax return, your spouse/RDP must also sign it.

If you file a joint tax return, both you and your spouse/RDP are generally responsible for tax and any interest or penalties due on the tax return. If one spouse/RDP does not pay the tax, the other spouse/RDP may have to. See “Innocent Joint Filer Relief” under Additional Information section for more information.

Include your preferred phone number and email address in case the FTB needs to contact you regarding your tax return. By providing this information the FTB will be able to provide you better customer service.

Paid Preparer’s Information

If you pay a person to prepare your Form 540 2EZ, that person must sign and complete the area at the bottom of Side 4 including an identification number. The IRS requires a paid tax preparer to get and use a preparer tax identification number (PTIN). If the preparer has a federal employer identification number (FEIN), it should be entered only in the space provided. A paid preparer must give you a copy of your tax return to keep for your records.

Third Party Designee

If you want to allow your preparer, a friend, family member, or any other person you choose to discuss your 2018 tax return with the FTB, check the “Yes” box in the signature area of your tax return. Also print the designee’s name and telephone number.

If you check the “Yes” box, you, and your spouse/RDP if filing a joint tax return, are authorizing the FTB to call the designee to answer any questions that may arise during the processing of your tax return. You are also authorizing the designee to:

- Give the FTB any information that is missing from your tax return.
- Call the FTB for information about the processing of your tax return or the status of your refund or payments.
- Receive copies of notices or transcripts related to your tax return, upon request.
- Respond to certain FTB notices about math errors, offsets, and return preparation.

You are not authorizing the designee to receive any refund check, bind you to anything (including any additional tax liability), or otherwise represent you before the FTB. If you want to expand or change the designee’s authorization, go to ftb.ca.gov/poa.

The authorization will automatically end no later than the due date (without regard to extensions) for filing your 2019 tax return. This is April 15, 2020, for most people. To revoke the authorization before it ends, notify us by telephone at 800.852.5711 or in writing at Franchise Tax Board, PO Box 942840, Sacramento CA 94240-0040. Include your name, SSN (or ITIN), and the designee’s name.

Assembling Your Tax Return

Assemble your tax return and mail it to the FTB.

To help with our processing costs, enclose, but **do not** staple, your payment. Attach your federal Form(s) W-2 to the lower front of your tax return.

Do not enclose a copy of your federal tax return or any other document with your Form 540 2EZ. This will help us reduce government processing and storage costs.

Mailing Your Tax Return

Mail your tax return to the following address if your tax return shows an **amount due**:

**FRANCHISE TAX BOARD
PO BOX 942867
SACRAMENTO CA 94267-0001**

California Use Tax General Information

The use tax has been in effect in California since July 1, 1935. It applies to purchases of merchandise for use in California from out-of-state sellers and is similar to the sales tax paid on purchases you make in California. If you have not already paid all use tax due to the California Department of Tax and Fee Administration, you may be able to report and pay the use tax due on your state income tax return. See the information below and the instructions for Line 25 of your income tax return.

In general, you must pay California use tax on purchases of merchandise for use in California made from out-of-state sellers, for example, by telephone, over the Internet, by mail, or in person.

You must pay California use tax on taxable items if:

- The seller does not collect California sales or use tax, and
- You use, gift, store, or consume the item in this state.

Example: You live in California and purchase a dining table from a company in North Carolina. The company ships the table from North Carolina to your home for your use and does not charge California sales or use tax. You owe use tax on the purchase.

However, not all purchases require you to pay use tax. For example, you

would include purchases of clothing, but not exempt purchases of food products or prescription medicine.

For more information on nontaxable and exempt purchases, you may refer to Publication 61, Sales and Use Taxes: Exemptions and Exclusions, on the California Department of Tax and Fee Administration's website at cdtfa.ca.gov.

For information about California use tax, please refer to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov and type "Find Information About Use Tax" in the search bar.

Complete the Use Tax Worksheet or use the Use Tax Lookup Table on page 8, to calculate the amount due.

Extensions to File. If you request an extension to file your income tax return, wait until you file your tax return to report your purchases subject to use tax and make your use tax payment.

Interest, Penalties and Fees. Failure to timely report and pay the use tax due may result in the assessment of interest, penalties, and fees.

Application of Payments. For purchases made during taxable years starting on or after January 1, 2015, payments and credits reported on an income tax return will be applied first to the use tax liability, instead of income tax liabilities, penalties, and interest.

Changes in Use Tax Reported. Do not file an Amended Income Tax Return to revise the use tax previously reported. If you have changes to the amount of use tax previously reported on the original return, contact the California Department of Tax and Fee Administration.

For assistance with your use tax questions, go to the California Department of Tax and Fee Administration's website at cdtfa.ca.gov or call their Customer Service Center at 800.400.7115 or (TTY) 711 (for hearing and speech disabilities). For California income tax information, contact the Franchise Tax Board at ftb.ca.gov.

Voluntary Contribution Fund Descriptions

Make voluntary contributions of \$1 or more in whole dollar amounts to the funds listed below. To contribute to the California Seniors Special Fund, use the instructions for code 400 below. The amount you contribute either reduces your overpaid tax or increases your tax due. For more information, go to ftb.ca.gov and search for **voluntary contributions**.

Code 400, California Seniors Special Fund – If you and/or your spouse/RDP are 65 years of age or older as of January 1, 2019, and claim the Senior Exemption Credit, you may make a combined total contribution of up to \$236 or \$118 per spouse/RDP. Any excess contributions not required by TACC will be distributed to senior citizen service organizations throughout California for meals, adult day care, and transportation.

Code 401, Alzheimer's Disease and Related Dementia Voluntary Tax Contribution Fund – Contributions will be used to provide grants to California scientists to study Alzheimer's disease and related disorders. This research includes basic science, diagnosis, treatment, prevention, behavioral problems, and caregiving. With almost 600,000 Californians living with the disease and another 2 million providing care to a loved one with Alzheimer's, our state is in the early stages of a major public health crisis. Code 408, California Peace Officer Memorial Foundation Fund – Contributions will be used to preserve the memory of California's fallen peace officers and assist the families they left behind. Since statehood, over 1,300 courageous California peace officers have made the ultimate sacrifice while protecting law-abiding citizens. The non-profit charitable organization, California Peace Officers' Memorial Foundation, has accepted the privilege and responsibility of maintaining a memorial for fallen officers on the State Capitol grounds. Each May, the Memorial Foundation conducts a dignified ceremony honoring fallen officers and their surviving families by offering moral support, crisis counseling, and financial support that includes academic scholarships for the children of those officers who have made the supreme sacrifice. On behalf of all of us and the law-abiding citizens of California, thank you for your participation.

Code 410, California Sea Otter Fund – The California Coastal Conservancy and the Department of Fish and Wildlife will each be allocated 50% of the contributions. If a taxpayer's contribution equals or exceeds \$195 the taxpayer will receive a single Vehicle Day Use Annual Pass. Amounts contributed in excess of the parks pass cost may be deducted as a charitable contribution for the year in which the voluntary contribution is made. Any contribution less than \$195 will be treated as a voluntary contribution and may be deducted as a charitable contribution. Use Tax – Do not amend your return to correct a “use tax” error reported on your original tax return. Enter the amount from your original return. The California Department of Tax and Fee Administration’s (CDTFA) (formerly known as the Board of Equalization) administers this tax. Refer all questions or requests relating to use tax to the CDTFA at cdtfa.ca.gov or call **800.400.7115**.

Voluntary Contributions – You cannot amend voluntary contributions. Enter the amount from your original return.

Direct Deposit – You can now use direct deposit on your amended return.

Purpose

Use Form 540 2EZ to amend your original California resident income tax return. Check the box at the top of Form 540 2EZ indicating AMENDED return. Submit the completed amended Form 540 2EZ and Schedule X along with all required schedules and supporting forms.

When to File

Generally, if you filed federal Form 1040X, Amended U.S. Individual Income Tax Return, file an amended California tax return within six months unless the changes do not affect your California tax liability. File an amended return only after you have filed your original or previously filed California tax return.

California Statute of Limitations

Original tax return was filed on or before April 15th:

If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed within the extension period (April 15th – October 15th):

If you are making a claim for refund, file an amended tax return within four years from the date the original tax return was filed or within one year from the date of overpayment, whichever period expires later.

Original tax return was filed after October 15th:

If you are making a claim for refund, file an amended tax return within four years from the original due date of the tax return (April 15th) or within one year from the date of overpayment, whichever period expires later.

If you are filing your amended tax return after the normal statute of limitation period (four years after the due date of the original tax return), attach a statement explaining why the normal statute of limitations does not apply.

If you are filing your amended return in response to a billing notice you received, you will continue to receive billing notices until your amended tax return is accepted. You may file an informal claim for refund even though the full amount due including tax, penalty, and interest has not yet been paid. After the full amount due has been paid, you have the right to appeal to the CDTFA or to file suit in court if your claim for refund is disallowed.

To file an informal claim for refund, check box I for “Informal claim” on Schedule X, Part II, line 1 and mail the claim to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

Financially Disabled Taxpayers

The statute of limitations for filing claims for refunds is suspended during periods when a taxpayer is “financially disabled.” You are considered “financially disabled” when you are unable to manage your financial affairs due to a medically determinable physical or mental impairment that is deemed to be either a terminal impairment or is expected to last for a

continuous period of not less than 12 months. You **are not** considered “financially disabled” during any period that your spouse/RDP or any other person is legally authorized to act on your behalf on financial matters. For more information, get form FTB 1564, Financially Disabled – Suspension of the Statute of Limitations.

Federal Notices

If you were notified of an error on your federal income tax return that changed your AGI, you may need to amend your California income tax return for that year.

If the IRS examines and changes your federal income tax return, and you owe additional tax, report these changes to the FTB within six months. You do not need to inform the FTB if the changes do not increase your California tax liability. If the changes made by the IRS result in a refund due, you must file a claim for refund within two years. Use an amended Form 540 2EZ to make any changes to your California income tax returns previously filed.

Include a copy of the final federal determination, along with all underlying data and schedules that explain or support the federal adjustment. Note: Most penalties assessed by the IRS also apply under California law. If you are including penalties in a payment with your amended tax return, see Schedule X, line 8a instructions.

Children With Investment Income

If your child was required to file form FTB 3800, Tax Computation for Certain Children with Unearned Income, and your taxable income has changed, review your child’s tax return to see if you need to file an amended tax return. Get form FTB 3800 for more information.

Contacting the Franchise Tax Board

If you have not received a refund within six months of filing your amended return, **do not** file a duplicate amended return for the same year. For information on the status of your refund, you may write to:

FRANCHISE TAX BOARD
PO BOX 942840
SACRAMENTO CA 94240-0040

For telephone assistance see General Phone Service on page 63.

Filing Status

Your filing status for California must be the same as the filing status you used on your federal income tax return, unless you are in a RDP. If you are an RDP and file single for federal, you must file married/RDP filing jointly or married/RDP filing separately for California. If you entered into a same-sex marriage for taxable year 2013 and going forward, your filing status for California would generally be the same as the filing status that was used for federal. If you are a same-sex married individual or an RDP and file head of household for federal, you may file head of household for California only if you meet the requirements to be considered unmarried or considered not in a registered domestic partnership.

Changing Your Filing Status – If you changed your filing status on your federal amended tax return, also change your filing status for California.

Married/RDP Filing Jointly to Married/RDP Filing Separately – You cannot change from married/RDP filing jointly to married/RDP filing separately after the due date of the tax return.

Exception: For taxable years 2000 and after, a married couple who meets the “Exception for filing a separate tax return” shown above may change from joint to separate tax returns after the due date of the tax return.

Filing Separate Tax Returns to Married/RDP Filing Jointly – If you or your spouse/RDP (or both of you) filed a separate tax return, you generally can change to a joint tax return any time within four years from the original due date of the separate tax return(s). To change to a joint tax return, you and your spouse/RDP must have been legally married or an RDP on the last day of the taxable year.

To amend from separate tax returns to a joint tax return, follow the Form 540 2EZ instructions to complete only one amended tax return. Both you and your spouse/RDP must sign the amended joint tax return.

2018 Instructions for Form FTB 3514

California Earned Income Tax Credit

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and to the California Revenue and Taxation Code (R&TC).

What's New

Age Limit for Eligible Individuals

For taxable years beginning on or after January 1, 2018, the age limit for an eligible individual without a qualifying child is revised to 18 years or older.

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

Registered Domestic Partners (RDPs)

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified.

When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

The refundable EITC is available to taxpayers who earned wage income subject to California withholding and/or have net earnings from self-employment. This credit is similar to the federal Earned Income Credit (EIC) but with different income limitations. EITC reduces your California tax obligation, or allows a refund if no California tax is due. You do not need a child to qualify, but must file a California tax return to claim the credit and attach a completed form FTB 3514, California Earned Income Tax Credit.

A Purpose

Use form FTB 3514 to determine whether you qualify to claim the credit, provide information about your qualifying children, if applicable, and to figure the amount of your credit.

B Differences in California and Federal Law

The differences between California and federal law are as follows:

- California allows this credit for wage income (wages, salaries, tips and other employee compensation) that is subject to California withholding.
- If you were a nonresident, you must have earned wage income that is subject to California withholding.
- Both your earned income and federal adjusted gross income (AGI) must be less than \$54,884 to qualify for the federal credit, and less than \$24,951 to qualify for the California credit.
- An eligible individual without a qualifying child is 18 years or older for the California credit.
- You may elect to include all of your (and/or all of your spouse's/RDP's if filing jointly) nontaxable military combat pay in earned income for California purposes, whether or not you elect to include it for federal purposes. Get FTB Pub. 1032, Tax Information for Military Personnel, for special rules that apply to military personnel claiming the EITC.

Specific Instructions

If certain requirements are met, you may claim the EITC even if you do not have a qualifying child. The amount of the credit is greater if you have a qualifying child, and increases with each child that qualifies, up to a maximum of three children. Follow Step 1 through Step 7 below to determine if you qualify for the credit and to figure the amount of the credit.

If your EITC was reduced or disallowed for any reason other than a math or clerical error and you now want to take the EITC then answer "Yes" on line 1b within the form and follow Step 1 through Step 7 below to determine if you qualify for the credit.

Attach the completed form FTB 3514 to your Form 540 or 540 2EZ, California Resident Income Tax Return; or Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, if you claim the California EITC.

Step 3 Qualifying Child

Qualifying Child Definition

A qualifying child for the EITC is a child who meets the following conditions:

- Is your son, daughter, stepchild, foster child, brother, sister, stepbrother, stepsister, half brother, half sister, or a descendant of any of them (for example, your grandchild, niece, or nephew).
- Is under age 19 at the end of 2018 and younger than you (or your spouse/RDP, if filing jointly), or under age 24 at the end of 2018, a student, and younger than you (or your spouse/RDP, if filing jointly), or any age and permanently and totally disabled.
- Is not filing a joint return for 2018 or is filing a joint return for 2018 only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596, Earned Income Credit, for examples.
- Lived with you in California for more than half of 2018. If the child did not live with you for the required time, see exceptions in the instructions for line 11.

Note. If the child was married or meets the conditions to be a qualifying child of another person (other than your spouse/RDP if filing a joint return), special rules apply. Get federal Publication 596 for more information.

Qualifying Child Questionnaire

- Do you have at least one child who meets the conditions to be your qualifying child?
Yes Continue.
No Go to Step 4.
- Are you filing a joint return for 2018?
Yes Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.
No Continue.
- Could you be a qualifying child of another person for 2018? (Answer "No" if the other person is not required to file, and is not filing, a 2018 tax return or is filing a 2018 return only to claim a refund of withheld income tax or estimated tax paid. Get federal Publication 596 for examples.)
Yes Stop here, you cannot take the credit.
No Complete form FTB 3514, Part III, line 5 through line 12. Go to Step 5.

Line 7 – SSN

The child must have a valid SSN, as defined below, unless the child was born and died in 2018. If your child was born alive and died in 2018 and did not have an SSN, enter "Died" on this line and attach a copy of the child's birth certificate, death certificate, or hospital medical records or include it according to your software's instructions.

Valid SSN. For the EITC, a valid SSN is a number issued by the Social Security Administration unless "Not Valid for Employment" is printed on the social security card and the number was issued solely to allow the recipient of the SSN to apply for or receive a federally funded benefit. However, if "Valid for Work Only With DHS Authorization" is printed on the social security card, the SSN is valid for EITC purposes only as long as the DHS authorization is still valid.

An Individual Taxpayer Identification Number (ITIN) or Adoption Taxpayer Identification Number (ATIN) cannot be used to claim EITC. If you or your child has an ITIN or ATIN and later gets a SSN that is valid for employment, you may be able to file an amended return.

If you did not have an SSN by the due date of your 2018 return (including extensions), you cannot claim the EITC on either your original or an amended 2018 return, even if you later get an SSN. Also, if a child did not have an SSN by the due date of your return (including extensions), you cannot count that child as a qualifying child in figuring the EITC on either your original or an amended 2018 return, even if that child later gets an SSN.

Use Forms 540, 540 2EZ, or 540NR (Long or Short) amended individual tax returns to correct your return.

Line 9a – Student

A student is a child who during any part of 5 calendar months of 2018 was enrolled as a full-time student at a school, or took a full-time, on-farm training course given by a school or a state, county, or local government agency. A school includes a technical, trade, or mechanical school. It does not include an on-the-job training course, correspondence school, or school offering courses only through the Internet.

Line 9b – Permanently and totally disabled

A person is permanently and totally disabled if, at any time in 2018, the person could not engage in any substantial gainful activity because of a physical or mental condition and a doctor has determined that this condition (a) has lasted or can be expected to last continuously for at least a year, or (b) can be expected to lead to death.

Line 10 – Child's relationship to you

For additional information see qualifying child definition.

Line 11 – Number of days child lived with you

Enter the number of days the child lived with you in California during 2018. To qualify, the child must have the same principal place of residence in California as you for more than half of 2018, defined as 183 days or more. If the child was born or died in 2018 and your home was the child's home for more than half the time he or she was alive during 2018, enter "365." Do not enter more than 365 days. If the child did not live with you for the required time, temporary absences may count as time lived at home. For more information get federal Publication 596.

Line 12 – Child's physical address

Enter the physical address where the child resided during 2018. This should be the address of the principal place of residence in California where the child lived with you for more than half of 2018. If the child lived with you in California for more than half of 2018, but moved within California during this period, this should be the address of the principal place of residence that was shared the longest.

2018 Instructions for Form FTB 3532

Head of Household Filing Status Schedule

References in these instructions are to the Internal Revenue Code (IRC) as of **January 1, 2015**, and to the California Revenue and Taxation Code (R&TC).

General Information

In general, for taxable years beginning on or after January 1, 2015, California law conforms to the Internal Revenue Code (IRC) as of January 1, 2015. However, there are continuing differences between California and federal law. When California conforms to federal tax law changes, we do not always adopt all of the changes made at the federal level. For more information, go to ftb.ca.gov and search for **conformity**. Additional information can be found in FTB Pub. 1001, Supplemental Guidelines to California Adjustments, the instructions for California Schedule CA (540 or 540NR), and the Business Entity tax booklets.

The instructions provided with California tax forms are a summary of California tax law and are only intended to aid taxpayers in preparing their state income tax returns. We include information that is most useful to the greatest number of taxpayers in the limited space available. It is not possible to include all requirements of the California Revenue and Taxation Code (R&TC) in the instructions. Taxpayers should not consider the instructions as authoritative law.

For taxable years beginning on or after January 1, 2015, California requires taxpayers who use head of household (HOH) filing status to file form FTB 3532, Head of Household Filing Status Schedule, to report how the HOH filing status was determined.

Attach the completed form FTB 3532, to your Form 540, California Resident Income Tax Return, Long or Short Form 540NR, California Nonresident or Part-Year Resident Income Tax Return, or Form 540 2EZ, California Resident Income Tax Return, if you claim head of household filing status.

Beginning in tax year 2018, if you do not attach a completed form FTB 3532 to your tax return, we will deny your Head of Household filing status. For more information about the Head of Household filing requirements, go to ftb.ca.gov and search for **HOH**.

Registered Domestic Partners (RDPs) – For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic “partner” and a California registered domestic “partnership,” as applicable. For more information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

A Purpose

Use form FTB 3532 to report how the HOH filing status was determined.

B Qualifications

You may qualify for HOH filing status if all of the following apply.

- You were unmarried and not an RDP, or met the requirements to be considered unmarried or considered not in a registered domestic partnership on the last day of the year.
- You paid more than one-half the costs of keeping up your home for the year.
- Your home was the main home for you and a qualifying person who lived with you for more than half the year.
- The qualifying person was related to you and met the requirements to be a qualifying child or qualifying relative. (For a qualifying relative see the instructions for Part III, line 4, Gross Income.)
- You were entitled to a Dependent Exemption Credit for your qualifying person. However, you do not have to be entitled to a Dependent Exemption Credit for your qualifying child if you were unmarried and not an RDP, and your qualifying child was also unmarried and not an RDP.

- You were not a nonresident alien at any time during the year.
- You paid more than half the cost of a qualifying person's total support.
- Your qualifying person is a citizen or national of the United States, or a resident of the U.S., Canada, or Mexico.

If you, your spouse/RDP, or your qualifying person who lived with you was absent from your home during the year, see the definition for temporary absence in FTB Pub. 1540, California Head of Household Filing Status. If your qualifying person is your father or mother, see the definition for Parent/Stepparent (Father or Mother) in FTB Pub. 1540.

Specific Line Instructions

The law allowing HOH filing status has very specific requirements that the taxpayer must meet. Get FTB Pub. 1540 for more information.

Part I – Marital Status

Line 1

To qualify for HOH filing status, you must be either unmarried or considered unmarried on the last day of the year. You are considered unmarried on the last day of the year if you meet all of the following tests.

Considered Unmarried or Considered Not in a Registered Domestic Partnership

If you were married or an RDP as of the last day of the tax year or if your spouse/RDP died during the tax year, you may be considered unmarried or considered not in a registered domestic partnership for head of household purposes if you meet all of the following requirements:

- Your spouse/RDP did not live in your home at any time during the last six months of the year (see Temporary Absence in FTB Pub. 1540).
- Your qualifying person is your birth child, stepchild, adopted child, or eligible foster child.
- You paid more than one-half the cost of keeping up your home for the year.
- Your home was the main home for you and your birth child, stepchild, adopted child, or eligible foster child for more than half the year.
- You must be entitled to claim a Dependent Exemption Credit for your child; that is, your child must meet the requirements to be either a qualifying child or qualifying relative and meet the joint return and citizenship tests. You cannot claim a Dependent Exemption Credit for your child if you could be claimed as a dependent by another taxpayer. You can still meet this requirement if the only reason you cannot claim a Dependent Exemption Credit for your child is because either of the following applies, as provided in a decree of divorce, legal separation, or termination of registered domestic partnership, or a written separation agreement that applies to the tax year at issue:
 - The noncustodial parent is entitled to the Dependent Exemption Credit for the child.
 - The custodial parent signed a written statement that he or she will not claim the Dependent Exemption Credit for the child. (The custodial parent may sign federal Form 8332, Release/Revocation of Release of Claim to Exemption for Child by Custodial Parent, or a similar statement. The custodial parent can revoke their federal Form 8332 or similar statement by providing written notice to the other parent.) The noncustodial parent must attach a copy of the statement to his or her income tax return.

If either of the above provisions was contained in a pre-1985 decree or agreement, the noncustodial parent must have provided more than \$600 in support for the child during the year.

Part II – Qualifying Person

Line 2

For the purposes of HOH filing status, you must have a qualifying person who is related to you to qualify for head of household filing status. Your qualifying person must meet the requirements to be either a qualifying child or qualifying relative. You must also pay more than half the cost of keeping up your home in which you and the qualifying child or qualifying relative lived for more than half the year. You may not claim yourself, or your spouse/RDP as your qualifying person.

Part III – Qualifying Person Information

Line 3

Enter the qualifying person's name.

Enter the qualifying person's Social Security Number (SSN). Verify that the name and SSN match the qualifying person's social security card to avoid disallowance of your HOH filing status. If the person was born in, and later died in, 2018, and does not have a SSN, enter "Died" and attach a copy of the person's birth and death certificates.

Enter the qualifying person's date of birth (mm/dd/yyyy) in the space provided. Incomplete information could result in a disallowance of your HOH filing status.

Your qualifying child must be under 19 years of age or a full-time student under 24 years of age. The person also meets the age test if he or she is permanently and totally disabled at any time during the calendar year. (If the person does not meet the age test to be a qualifying child, he or she may meet the requirements to be a qualifying relative).

Line 4

Gross Income

Your qualifying relative's gross income must be less than \$4,150. Generally, gross income for head of household purposes only includes income that is taxable for federal income tax purposes. It does not include nontaxable income such as welfare benefits or the nontaxable portion of social security benefits.

If your qualifying relative was married or an RDP, you must consider the qualifying relative's community interest in the spouse's/RDP's income in applying the gross income test. For the federal allowable exemption amount, see the federal instruction booklet for that particular tax year. For more information, go to irs.gov and search for **17** to find Publication 17, Your Federal Income Tax For Individuals.

Line 5

More Than Half the Year

Just because someone lived with you for six months does not mean that the person lived with you for more than half the year. A year has 365 days, and more than half the year is 183 days. (A leap year has 366 days, and more than half a leap year is 184 days.)

To determine how many days your home was your qualifying person's main home follow these guidelines:

- If you were not married and not an RDP at any time during the year, count all of the days that your qualifying person lived with you in your home.
- If you were married or an RDP at any time during the year and received a final decree of divorce, legal separation or your registered domestic partnership was legally terminated by the last day of the year, add together:
 - Half the number of days that you, your spouse/RDP, and your qualifying person lived together in your home.
 - All of the days that you and your qualifying person lived together in your home without your spouse/RDP (ex-spouse/ex-RDP).
- If you were married or an RDP as of the last day of the year, and you did not live with your spouse/RDP at any time during the last six months of the year, add together:
 - Half the number of days that you, your spouse/RDP, and your qualifying person lived together in your home.
 - All of the days that you and your qualifying person lived together in your home without your spouse/RDP.
- If you were married or an RDP as of the last day of the year, and you lived with your spouse/RDP at any time during the last six months of the year, you cannot qualify for the head of household filing status.

When calculating the above, you may include days when your qualifying person was temporarily absent from your home. Temporary absences include vacations, illness, business, school, military service, and incarceration. In the event of a birth or death of your qualifying person during the year, enter 365 days.
