A MESSAGE FROM COMPTROLLER PETER FRANCHOT

Dear Maryland Taxpayers:

Since I first took office as your Comptroller 11 years ago, my agency has become a national model for its efficiency, effectiveness and customer service delivery. I remain committed to investing in technological resources and human capital to ensure that we continue to deliver first class customer service, while tackling emerging threats such as tax fraud and identity theft.

My 1,100-person team is committed to fulfilling our pledge to treat Maryland taxpayers with Respect, Responsiveness and Results. Last year, we were able to disburse 2.9 billion refunds, with most electronic refunds issued in less than 3 business days. We continue to see an upward trend in the usage of our safe and secure e-File system, with more than 2.6 million Marylanders submitting their returns electronically.

My agency's state-of-the-art fraud detection system has been widely lauded, and in conjunction with the new prosecutorial and investigative powers granted to my office via the 2017 Taxpayer Protection Act, we are keeping Marylanders safe from scurrilous felons engaging in identity theft and tax fraud. Since 2014, my office has suspended the returns of more than 176 preparers. In total under my stewardship, more than 98,000 fraudulent returns have been blocked worth more than \$200 million.

As Comptroller, I also understand that while we emphasize the importance of consistency and predictability in the tax code, each year there are small changes that occur. Below are a few legislative changes to our tax code enacted during the 2018 Legislative Session:

- SB996, Hometown Heroes Act, increases the subtraction modification for Military Veterans Ages 55 and over from \$10,000 to \$15,000 for eligible retirement income. It also expanded eligibility of the pension exclusion available to certain retired law enforcement individuals ages 55 to 64 by expanding eligibility to correctional officers.
- HB570, increased the Maryland Standard Deduction for an individual, Head of Household or Surviving Spouse, and Married filing jointly to a maximum of \$2,250, \$4,500, and \$4,500 respectively.
- SB1090, Single Sales Factor Apportionment, changes the calculation from three factors to one for Maryland-based businesses, to be phased in by 2022.
- SB989, an economic development tax credit for manufacturing companies that create jobs in high unemployment areas, resulting in tax credits for each job created.
- HB593, revised the existing Student Loan Debt Relief Tax Credit to include graduate school in addition to undergraduate loans in the tax credit, taking effect July 1, 2018.

Also please keep in mind that the Federal Tax Cuts and Jobs Act has increased the Standard Federal Deduction beginning with the 2018 tax year, providing an attractive alternative to itemized deductions. Unfortunately once a Maryland taxpayer claims a standard deduction on their Federal return, they must also claim a standard deduction on their Maryland return. Despite the increase in the Maryland standard deduction, this may result in the taxpayer owing Maryland tax instead of getting a refund for a small percentage of Marylanders.

So as we begin the 2019 Tax Filing Season with these additional tax changes in effect, I pledge to continue my agency's efforts to provide you with the level of service that you expect and deserve, and I'll continue to promote policies that benefit the long-term fiscal health of the State of Maryland.

Sincerely,

A handwritten signature in black ink that reads "Peter Franchot". The signature is written in a cursive, flowing style.

Peter Franchot
Comptroller

COMPLETING THE RETURN

You must write legibly using blue or black ink when completing your return.

DO NOT use pencil or red ink. Submit the original return, not a photocopy. If no entry is needed for a specific line, leave blank. Do not enter words such as "none" or "zero" and do not draw a line to indicate no entry. Failure to follow these instructions may delay the processing of your return.

PENALTIES

There are severe penalties for failing to file a tax return, failing to pay any tax when due, filing a false or fraudulent return, or making a false certification. The penalties include criminal fines, imprisonment and a penalty on your taxes. In addition, interest is charged on amounts not paid.

To collect unpaid taxes, the Comptroller is directed to enter liens against the salary, wages or property of delinquent taxpayers.

1 DO I HAVE TO FILE?

This booklet and forms are for residents of Maryland. In general, you must file a Maryland return if you are or were a resident of Maryland AND you are required to file a federal return. Information in this section will allow you to determine if you must file a return and pay taxes as a resident of Maryland. If you are not a resident but had Maryland tax withheld or had income from sources in Maryland, you must use Form 505 or 515, Nonresident Tax return.

WHO IS A RESIDENT?

You are a resident of Maryland if:

- a. Your permanent home is or was in Maryland (the law refers to this as your domicile).

OR

- b. Your permanent home is outside of Maryland, but you maintained a place of abode (a place to live) in Maryland for more than six months of the tax year. If this applies to you and you were physically present in the state for 183 days or more, you must file a full-year resident return.

PART-YEAR RESIDENTS

If you began or ended residence in Maryland during the tax year, you must file a Maryland resident income tax return. See Instruction 26.

MILITARY AND OTHERS WORKING OUTSIDE OF MARYLAND

Military and other individuals whose domicile is in Maryland, but who are stationed or work outside of Maryland, including overseas, retain their Maryland legal residence. Maryland residence is not lost because of duty assignments outside of the State; see Administrative Release 37. Military personnel and their spouses should see Instruction 29.

TO DETERMINE IF YOU ARE REQUIRED TO FILE A MARYLAND RETURN

- a. Add up all of your federal gross income to determine your total federal income. Gross income is defined in the Internal Revenue Code and, in general, consists of all income regardless of source. It includes wages and other compensation for services, gross income derived from business, gains (not losses) derived from dealings in property, interest, rents, royalties, dividends, alimony, annuities, pensions, income from partnerships or fiduciaries, etc. If modifications or deductions reduce your gross income below the minimum filing level, you are still required to file. IRS Publication 525 provides additional information on taxable and nontaxable income.
- b. Do not include Social Security or railroad retirement benefits in your total federal income.
- c. Add to your total federal income any Maryland additions to income. Do not include any additions related to periods of nonresidence. See Instruction 12. **This is your Maryland gross income.**

IF YOU ARE NOT REQUIRED TO FILE A MARYLAND RETURN BUT HAD MARYLAND TAXES WITHHELD

To get a refund of Maryland income taxes withheld, you must file a Maryland return.

Taxpayers who are filing for refund only should complete all of the information at the top of Form 502 and the following lines:

- 1-16
- 22*, 29*
- 35-44
- 46, 48

*Enter a zero unless: (i) you claim an earned income credit on your federal return, or (ii) you do not meet the minimum age requirement under the federal credit, but are otherwise eligible for the federal credit, for those without a qualifying child.

Sign the form and attach withholding statements (all W-2 and 1099 forms) showing Maryland and local tax withheld equal to the withholding you are claiming. Your form is then complete.

2 USE OF FEDERAL RETURN.

First complete your 2018 federal income tax return.

You will need information from your federal return to complete your Maryland return. Complete your federal return before you continue beyond this point. Maryland law requires that your income and deductions be entered on your Maryland return exactly as they were reported on your federal return. If you use federal Form 1040NR, visit our Web page at www.marylandtaxes.gov for further information. All items reported on your Maryland return are subject to verification, audit and revision by the Maryland State Comptroller's Office.

3 FORM 502.

Form 503 is no longer available.

All taxpayers must use Form 502.

Note: You must file Form 502 electronically if you are claiming **business income tax credits** on Form 500CR.

4 NAME AND ADDRESS.

Print using blue or black ink.

Enter your name exactly as entered on your federal tax return. If you changed your name because of marriage, divorce, etc., be sure to report the change to the Social Security Administration before filing your return. This will prevent delays in the processing of your return.

Enter your current address using the spaces provided. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1. On Current Mailing Address Line 2, if applicable, enter the floor, suite, or apartment number for your current mailing address. If using a PO Box address, leave Current Mailing Address Line 2 blank.

Enter City or Town, State and ZIP Code + 4. **If using a foreign address, enter the city or town and state or province and ZIP Code or postal code on the Current Mailing Address Line 2. Enter the name of the country on the "City or Town" line. Leave the "State" line and "ZIP Code + 4"**

line blank.

5 SOCIAL SECURITY NUMBER(S) (SSN).

It is important that you enter each Social Security Number in the space provided. You must enter each SSN legibly because we validate each number. If not correct and legible, it will affect the processing of your return.

The Social Security Number(s) (SSN) must be a valid number issued by the Social Security Administration of the United States Government. If you or your spouse or dependent(s) do not have a SSN and you are not eligible to get a SSN, **you must apply for an Individual Tax Identification Number (ITIN) with the IRS and you should wait until you have received it before you file; and enter it wherever your SSN is requested on the return.**

A missing or incorrect SSN or ITIN could result in the disallowance of any credits or exemptions you may be entitled to and result in a balance due.

A valid SSN or ITIN is required for any claim or exemption for a dependent. If you have a dependent who was placed with you for legal adoption and you do not know his or her SSN, you must get an Adoption Taxpayer Identification Number (ATIN) for the dependent from the IRS.

If your child was born and died in this tax year and you do not have a SSN for the child, complete just the name and relationship of the dependent and enter code **322**, on one of the code number lines located to the right of the telephone number area on page 3 of the form; attach a copy of the child's death certificate to your return.

6 MARYLAND POLITICAL SUBDIVISION INFORMATION (REQUIRED).

Fill in the lines for your Maryland physical address, including political subdivision lines, based on your residence on the last day of the taxable period. Part-year residents fill in the lines for your Maryland physical address, including political subdivision lines, based on your last day of residence in Maryland in the taxable period. Military personnel who are legal residents of Maryland should fill in the lines for your Maryland physical address, including political subdivision lines, based on the Maryland physical address that is used for claiming Maryland as your Home of Record on file with the Defense Finance and Accounting Service for tax year 2018.

1. Find your 4 Digit Political Subdivision Code in the LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND and enter this number on the 4 DIGIT POLITICAL SUBDIVISION CODE line.

When selecting the 4 Digit Political Subdivision Code, be sure that you have selected the proper political subdivision from the LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND. Do not rely on your ZIP Code + 4 to identify the proper political subdivision. For example, most residents within the ZIP Code of Upper Marlboro do not reside in the political subdivision of the Town of Upper Marlboro. Therefore, entering the Town of Upper Marlboro on the 4 DIGIT POLITICAL SUBDIVISION CODE line for those with a ZIP Code in Upper Marlboro may not be correct. Also, some political subdivisions have similar names such as Bel Air in Allegany County and Town of Bel Air in Harford County or Town of Chevy Chase and Town of Chevy Chase View. You may contact your county seat for further information relating to the incorporated boundaries of incorporated cities, towns and taxing areas in your county.

2. If you lived within the incorporated tax boundaries of one of the areas listed under your county as found in the LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND, write the name of the city, town or taxing area on the MARYLAND POLITICAL SUBDIVISION line. If you did not live within the incorporated tax boundaries of one of the areas listed

under your county as found in the LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND, write the name of your county on the MARYLAND POLITICAL SUBDIVISION line. If you lived in Baltimore City, enter "Baltimore City" on the MARYLAND POLITICAL SUBDIVISION line. For additional information on your Maryland political subdivision, contact your locality or the Maryland Department of Planning.

3. Enter your street number and street name on MARYLAND PHYSICAL ADDRESS LINE 1. DO NOT ENTER A PO BOX NUMBER.
4. If applicable, enter the floor, suite, or apartment number on MARYLAND PHYSICAL ADDRESS LINE 2. DO NOT ENTER A PO BOX NUMBER.
5. Enter the city or town in which you resided on the CITY line.
6. Enter the ZIP Code + 4 in which you resided on the ZIP Code + 4 line.
7. Enter the name of your county on the MARYLAND COUNTY line. If you lived in Baltimore City, leave the MARYLAND COUNTY line blank.

7 FILING STATUS.

Use the FILING STATUS chart (on page 4) to determine your filing status. Check the correct FILING STATUS box on the return.

8 SPECIAL INSTRUCTIONS FOR MARRIED PERSONS FILING SEPARATELY.

If you and your spouse file a joint federal return but are filing separate Maryland returns according to Instruction 7, follow the instructions below.

If you and your spouse file a joint federal return but are filing separate Maryland returns according to Instruction 7, you should report the income you would have reported had you filed a separate federal return. The income from jointly held securities, property, etc., must be divided evenly between spouses.

If you itemized your deductions on the joint federal return, one spouse may use the standard deduction and the other spouse may claim those deductions on the federal return that are "attributable exclusively" to that spouse, plus a prorated amount of the remaining deductions. If it is not possible to determine these deductions, the deduction must be allocated proportionately based on your share of the income.

"Attributable exclusively" means that the individual is solely responsible for the payment of an expense claimed as an itemized deduction, including compliance with a valid court order or separation agreement; or the individual jointly responsible for the payment of an expense claimed as an itemized deduction can demonstrate payment of the full amount of the deduction with funds that are not attributable in whole or in part, to the other jointly responsible individual.

If both spouses choose to itemize on their separate Maryland returns, then each spouse must determine which deductions are attributable exclusively to him or her and prorate the remaining deductions using the Maryland Income Factor. See Instruction 26(k). If it is not possible to determine deductions in this manner, they must be allocated proportionately based on their respective shares of the income. The total amount of itemized deductions for both spouses cannot exceed the itemized deductions on the federal return.

If you choose to use the standard deduction method, use STANDARD DEDUCTION WORKSHEET (16A) in Instruction 16. Each spouse must claim his or her own personal exemption. Each spouse may allocate the dependent exemptions in any manner they choose. A dependent may not be claimed twice. The total number of dependents claimed may not exceed the overall number of dependents.

Complete the remainder of the form using the instructions for each line. Each spouse should claim his or her own withholding and other credits. Joint estimated tax paid may be divided between the spouses in any manner provided the total claimed does not exceed the total estimated tax paid.

This reduction applies to the additional dependency exemptions as well; however it does not apply to the taxpayer's age or blindness exemption of \$1,000. Use the chart to determine the allowable exemption amount based upon the filing status. **NOTE:** For certain taxpayers with interest from U.S. obligations see Instruction 13, line 13, code hh for applicable exemption adjustment.

Line 10a. PENSION EXCLUSION. You may be able to subtract some of your taxable pension and retirement annuity income. This subtraction applies only if:

PENSION EXCLUSION COMPUTATION WORKSHEET (13A)

Review carefully the age and disability requirements in the instructions before completing this worksheet. Use the separate RETIRED CORRECTIONAL OFFICERS, LAW ENFORCEMENT OFFICER, OR FIRE, RESCUE, OR EMERGENCY SERVICES PERSONNEL PENSION EXCLUSION COMPUTATION WORKSHEET (13E) if applicable.

	You	Spouse

2. Maximum allowable exclusion.	\$30,600	\$30,600
3. Total benefits you received from Social Security and/or Railroad Retirement (Tier I and Tier II)		
4. Tentative exclusion (Subtract line 3 from line 2.) (If less than 0, enter 0).		
5. Pension Exclusion (Enter the smaller of line 1 or 4 here and on line 10a, Form 502.) If you and your spouse both qualify for the pension exclusion, combine your allowable exclusions and enter the total amount on line 10a, Form 502.		

SPECIFIC INSTRUCTIONS

NOTE: When both you and your spouse qualify for the pension exclusion, a separate column must be completed for each spouse.

Line 1. Enter your qualifying pension and retirement annuity included in your federal adjusted gross income. **Do not include any amount subtracted for military retirement income. See code letter u in Instruction 13. Do not include Social Security and/or Railroad Retirement income on this line.**

Line 2. The maximum allowable exclusion is \$30,600.

Line 3. Enter your total Social Security and/or Railroad Retirement benefits. Include all Social Security and/or Railroad Retirement benefits whether or not you included any portion of these amounts in your federal adjusted gross income. Include both Tier I and Tier II Railroad Retirement benefits. If you are filing a joint return and both spouses received Social Security and/or Railroad Retirement benefits but only one spouse received a pension, enter only the Social Security and/or Railroad Retirement benefits of the spouse receiving the pension on the worksheet. If your total Social Security and/or Railroad Retirement income is greater than the Maximum Pension Exclusion \$30,600, the pension exclusion will be zero (0).

Line 4. Subtract line 3 from line 2 to determine your tentative exclusion.

Line 5. Your pension exclusion is the smaller of your net taxable pension (line 1) or the tentative exclusion (line 4). Enter the smaller amount on this line.

separate column in the PENSION EXCLUSION COMPUTATION WORKSHEET (13A) for each spouse. Combine your allowable exclusion and enter the total amount on line 10a, Form 502. On line 10a, Form 502 check the applicable box(es) for yourself and/or spouse.

To be considered totally disabled, you must have a mental or physical impairment which prevents you from engaging in substantial gainful activity. You must expect the impairment to be of long, continued or indefinite duration or to result in your death. You must attach to your return a certification from a qualified physician stating the nature of your impairment and that you are totally disabled. If you have previously submitted a physician's certification, attach your own statement that you are still totally disabled and that a physician's certification was submitted before.

If you are a part-year resident, complete PENSION EXCLUSION COMPUTATION WORKSHEET (13A) using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on line 5 by the number of months of Maryland residence divided by 12.

However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received.

For example, Pat Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Pat would prorate his pension by 10/11. Note that, in either case, the proration factor may not exceed 1.

Complete the PENSION EXCLUSION COMPUTATION WORKSHEET (13A). Copy the amount from line 5 of the worksheet onto line 10a, Form 502. On line 10a, Form 502 check the applicable box(es) for yourself and/or spouse.

Note: You must complete and attach Form 502R to the Form 502 if you or your spouse are claiming a pension exclusion on line 10a of the Maryland Form 502. See the Form 502R for additional information.

10b. PENSION EXCLUSION FOR RETIRED CORRECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, OR FIRE, RESCUE, OR EMERGENCY SERVICES PERSONNEL. An individual taxpayer may not claim BOTH the standard Pension Exclusion and the Pension Exclusion for Retired Correctional Officer, Law Enforcement Officer, or Fire, Rescue, or Emergency Services Personnel. If you are 65 or older on the last day of the calendar year, you are totally disabled, or your spouse is totally disabled, and you have received qualified pension income, you should complete the PENSION EXCLUSION COMPUTATION WORKSHEET (13A) regardless of your prior work history. It is permissible for one spouse to claim the standard Pension Exclusion and the other spouse to claim the Pension Exclusion for Retired Correctional Officer, Law Enforcement Officer, or Fire, Rescue, or Emergency Services Personnel if each spouse meets the applicable required criteria.

If you meet the following criteria, use the RETIRED CORRECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, OR FIRE, RESCUE, OR EMERGENCY SERVICES PERSONNEL PENSION EXCLUSION COMPUTATION WORKSHEET (13E) to calculate your eligible pension exclusion:

- a. You were 55 or over on the last day of the tax year, AND
- b. You were not 65 or older, or totally disabled, or have a spouse who is totally disabled, AND
- c. You included on your federal return taxable income received as a pension, annuity or endowment from an "employee retirement system" qualified under Section 401(a), 403 or 457(b) of the Internal Revenue Code, AND
- d. The retirement income is attributable to your service as a correctional officer, law enforcement officer, or fire, rescue, or emergency services personnel of the United States, the State of Maryland, or a political subdivision

of Maryland.

Each spouse who meets the above requirements may be entitled to the exclusion. If each spouse is eligible, complete a separate column on the RETIRED CORRECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, OR FIRE, RESCUE, OR EMERGENCY SERVICES PERSONNEL PENSION EXCLUSION COMPUTATION WORKSHEET (13E). Combine your allowable exclusions from line 8 of the worksheet and enter the total amount on line 10b, Form 502. On line 10b, Form 502 check the applicable box(es) for yourself and/or spouse.

If you are a part-year resident, complete the RETIRED CORRECTIONAL OFFICER, LAW ENFORCEMENT OFFICER, OR FIRE, RESCUE, OR EMERGENCY SERVICES PERSONNEL PENSION EXCLUSION COMPUTATION WORKSHEET (13E) using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on line 8 by the number of months of Maryland residence divided by 12. However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received. Copy the prorated amount from line 8 of the worksheet onto line 10b, Form 502.

For example, Pat Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Pat would prorate his pension by 10/11. Please note that, in either case, the proration factor may not exceed 1.

Note: You must complete and attach Form 502R to the Form 502 if you or your spouse are claiming a pension exclusion on line 10b of the Maryland Form 502. See the Form 502R for additional information.

Line 11. FEDERALLY TAXED SOCIAL SECURITY AND RAILROAD RETIREMENT BENEFITS. 14 ITEMIZED DEDUCTIONS.

If you figure your tax by the ITEMIZED DEDUCTION METHOD, complete line 17a and b on Maryland Form 502. (See Instruction 16 to see if you will use the ITEMIZED DEDUCTION METHOD.)

Copy the amount from federal Form 1040, Schedule A, line 17, Total Itemized Deductions, on line 17a of Form 502. Certain items of federal itemized deductions are not eligible for State purposes and must be subtracted from line 17a. State and local **income** taxes used as a deduction for federal purposes must be entered on line 17b. Also, any amounts deducted as contributions of Preservation or Conservation Easements for

which a credit is claimed must be added to line 17b.

You are not required to itemize deductions on your Maryland return because you have itemized deductions on your federal return. Figure your tax each way to determine which method is best for you.

If your unreimbursed business expenses include depreciation to which an adjustment is required for Maryland purposes, complete Form 500DM to calculate the addition modification "I" or subtraction modification "bb."

15 FIGURE YOUR MARYLAND ADJUSTED GROSS INCOME.

Complete lines 1–16 on Form 502. Line 16 is your Maryland adjusted gross income.

16 FIGURE YOUR MARYLAND TAXABLE NET INCOME.

To find your taxable income you must subtract either the standard deduction from the worksheet or the itemized deductions you have entered on line 17 of Form 502. The ITEMIZED DEDUCTION METHOD will lower your taxes if you have enough deductions. If you are not certain about which method to use, figure your tax both ways to determine which method is best for you. Check the box on line 17 of Form 502 to show which method you will use.

STANDARD DEDUCTION METHOD

(Check the box on line 17 of Form 502)

The STANDARD DEDUCTION METHOD gives you a standard deduction of 15% of Maryland adjusted gross income (line 16) with minimums of \$1,500 and \$3,000 and maximums of \$2,250 and \$4,500, depending on your filing status. Use STANDARD DEDUCTION WORKSHEET (16A) for your filing status to figure your standard deduction. Write the result on line 17 of Form 502. Then follow the instructions for EXEMPTIONS.

ITEMIZED DEDUCTION METHOD

(Check the box on line 17 of Form 502)

You may itemize your deductions only if you itemized deductions on your federal return. See Instruction 14 for completing lines 17a and b of Form 502. Enter the result on line 17b. You are not required to itemize deductions on your Maryland return simply because you itemized on your federal return. Figure your tax each way to determine which method is best for you.

EXEMPTIONS

After completing the EXEMPTIONS area on your return, enter the total exemption amount on line 19 of Form 502.

PART-YEAR RESIDENTS AND NONRESIDENT MILITARY TAXPAYERS

You must adjust your standard or itemized deductions and exemptions. If you are a part-year resident, see Instruction 26. If you are a nonresident military member filing a joint return with your civilian spouse, see Administrative Release 1.

17 FIGURE YOUR MARYLAND TAX.

You must use the tax tables if your taxable income is less than \$100,000.

The 2018 Maryland tax rate schedules are shown so you can see the tax rate that applies to all levels of income; however, do not use them to figure your tax. Instead, use the tax tables if your income is under \$100,000; otherwise, use the appropriate row in the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES (17A) at the end of the tax tables to figure your tax. The tax tables and the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES I AND II have been based on these tax rate schedules.

Find the income range in the tax table that applies to the amount on line 20 of Form 502. Find the Maryland tax corresponding to your income range. Enter the tax amount on line 21 of Form 502. If your taxable income is \$100,000 or more, use the MARYLAND TAX COMPUTATION WORKSHEET (17A) at the end of the tax table.

For assistance in calculating interest for tax paid on or after January 1, 2020, see the Comptroller's website. Enter any interest due on the appropriate line of your tax return.

If you want part or all of your overpayment applied to your 2019 estimated tax, then write the amount you want applied on line 47. DIRECT DEPOSIT OF REFUND

To comply with banking rules, we ask you to indicate on your return if the state refund is going to an account outside the United States. If you indicate that this is the case, do not enter your routing and account numbers, as the direct deposit option is not available to you. We will send you a paper check. Complete lines 51a, b and c of Form 502 if you want us to deposit your refund directly into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) in the United States.

Check with your financial institution to make sure your direct deposit will be accepted and to get the correct routing and account numbers. **If you enter incorrect account information, the State of Maryland will not be responsible for recovering that refund.**

Line 51a of Form 502.

Check the appropriate box to identify the type of account that will be used (checking or savings). You must check one box only or a refund check will be mailed.

Line 51b of Form 502.

The routing number must be **nine** digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be mailed.

If you are not sure of the correct routing number or if your check states that it is payable through a financial institution different from the one at which you have your checking account, contact your financial institution for the correct routing number.

Line 51c of Form 502.

The account number can be up to 17 characters (both numbers and letters). Omit spaces, hyphens and special symbols. Enter the number from left to right. If we are notified by the financial institution that the direct deposit is not successful, a refund check will be mailed to you. Have a bank statement for the deposit account available if you contact us concerning the direct deposit of your refund.

DISCLOSURE Entering your bank account routing number, account number and account type in the area provided on your Maryland income tax return to request a direct deposit of your income tax refund authorizes the Comptroller's Office to disclose this information and your refund amount to the Maryland State Treasurer's Office who performs banking services for the Comptroller's Office.

SPLITTING YOUR DIRECT DEPOSIT

If you would like to deposit portions of your refund (Form 502, line 48) to multiple accounts, do not complete any direct deposit information on your income tax return. Instead, you must enter code number **588** on one of the code number lines located to the right of the telephone number area on your return; complete, and attach Form 588. See our Web site at www.marylandtaxes.gov to obtain a Form 588.

NOTE: You may not use Form 588 if you are filing Form 502INJ, Maryland Injured Spouse Claim Form, or if you plan to deposit your refund in a bank outside the United States.

Individual taxpayers now have the option to use all or part of their Maryland income tax refund to purchase U.S. Series I Savings Bonds. See Maryland Form 588 for additional details.

23 TELEPHONE NUMBERS, CODE NUMBERS, SIGNATURES AND ATTACHMENTS.

Income tax preparers who, for compensation, completed 100 or more original Maryland individual income tax returns (paper and electronic forms) for Tax Year 2017 are required to file all original individual income tax returns electronically for Tax Year 2018, except when a taxpayer specifically requests a preparer to file by paper or when a preparer has received a valid written waiver from the Comptroller.

At the bottom of the return at the signature area, we have provided a check box for you to authorize your preparer to discuss your return with us. Another check box is provided for you to authorize your preparer not to file your return electronically.

Penalties may be imposed for tax preparers who fail to sign the tax return and provide their PTIN, or who failed to file electronically when required.

Your signature(s) signifies that your return, including all attachments, is, to the best of your knowledge and belief, true, correct and complete, under penalties of perjury. If you request direct deposit on your electronic return, your refund should be in your bank account within 72 hours of acknowledgment from the Revenue Administration Division. **You may request electronic funds withdrawal (direct debit) payments on**

your electronic return. If you both file and pay electronically, your return is due April 15th. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. **However, you will have until April 30th to make your electronic payment. Note: An online payment where the bank mails the Comptroller of Maryland a paper check is not considered an electronic payment.** You may file your return electronically through your personal computer. **Do not send a paper copy of the return you electronically filed.** For more information, visit www.marylandtaxes.gov.

ELECTRONIC PAYMENT OF BALANCE DUE

If your paper or electronic tax return has a balance due, you may pay electronically at www.marylandtaxes.gov by selecting Bill Pay. The amount that you designate will be debited from your bank or financial institution on the date that you choose.

PAYMENT BY CHECK OR MONEY ORDER

Make your check or money order payable to "Comptroller of Maryland." Use blue or black ink. Do not use red ink or pencil. Write the type of tax and year of tax being paid on your check. It is recommended that you include your Social Security number on the check. **DO NOT SEND CASH.**

Your check or money order should be attached to the completed Form PV. Do not attach the check or money order to your return.

ALTERNATIVE PAYMENT METHODS

For alternative methods of payment, such as a credit card, visit our website at www.marylandtaxes.gov.

NOTE: Credit card payments are considered electronic payments for the purpose of the April 30th extended due date if you filed your return electronically by April 15th. If the due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day.

ELECTRONIC 1099G

At the bottom of the return in the signature area, we have provided a check-box just above the signature for you to indicate that you agree to receive your statement of refund (Form 1099G) electronically. DUE DATE

Returns must be mailed by April 15th, 2019, for calendar year taxpayers. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. Persons filing on a fiscal year basis should see Instruction 25.

EXTENSION OF TIME TO FILE

Follow the instructions on Form PV found on the PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW) to request an automatic extension of the time to file your 2018 return. Filing Form PV extends the time to file your return, but does not extend the time to pay your taxes. Payment of the expected tax due is required with Form PV by April 15th, 2019. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. You can file and pay by credit card or electronic funds withdrawal (direct debit) on our Web site. If no tax is due and you requested a federal extension, you do not need to file Form PV or take any other action to obtain an automatic **six-month extension**. If no tax is due and you did not request a federal extension, file your extension online at www.marylandtaxes.gov or by phone at 410-260-7829. Only submit Form PV if tax is due.

COMBAT ZONE EXTENSION

Maryland allows the same six-month extension for filing **and paying** personal income taxes for military and support personnel serving in a designated combat zone or qualified hazardous duty area and their spouses as allowed by the IRS. For more detailed information visit www.irs.gov. If you are affected by the extension enter **912** on one of the code number lines to the right of the telephone number area.

25 FISCAL YEAR.

You must file your Maryland return using the same tax year and the same basis (cash or accrual) as you used on your federal return.

To file a fiscal year return, complete the fiscal year information at the top of Form 502, and print "FY" in bold letters in the upper left hand corner of the form. Whenever the term "tax year" appears in these instructions, fiscal year taxpayers should understand the term to mean "fiscal year." Use the 2018 forms for fiscal years which begin during calendar year 2018.

Fiscal year returns are due on the 15th day of the 4th month following the close of the fiscal year.

26 SPECIAL INSTRUCTIONS FOR PART-YEAR RESIDENTS.

Your return must show all income reported on your federal return, regardless of when or where earned. However, you are permitted to subtract income received when not a resident of Maryland. The following instructions describe the adjustments which must be made for a part-year resident return and returns filed by certain military taxpayers (see Instruction 29) and married couples who file a joint return when one spouse is not a resident of Maryland.

- You must file Form 502.
- Whenever the term "tax year" is used in these instructions, it means that portion of the year in which you were a resident of Maryland. If you began residence in Maryland in 2018, the last day of the "tax year" was December 31, 2018. If

you ended residence in Maryland in 2018, the last day of the "tax year" was the day before you established residence in another state.

- c. Complete the name and address information at the top of Form 502. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1. On Current Mailing Address Line 2, if applicable enter the floor, suite, or apartment number for your current mailing address. If using a PO Box address, leave Current Mailing Address Line 2 blank.
- d. Complete the Maryland political subdivision information using Instruction 6. The Maryland political subdivision information includes the 4 DIGIT POLITICAL SUBDIVISION CODE, MARYLAND POLITICAL SUBDIVISION, MARYLAND PHYSICAL ADDRESS LINE 1, MARYLAND PHYSICAL ADDRESS LINE 2, CITY, ZIP CODE + 4, and MARYLAND COUNTY fields. Use the county, city, town or taxing area of which you were a resident on the last day of your Maryland residence.
- e. Complete the filing status area using the same filing status that you used on your federal return. Married couples who file joint federal returns may file separate Maryland returns under certain circumstances. See Instruction 7. If you are a dependent taxpayer, use filing status 6.
- f. Complete the EXEMPTIONS area. Additional exemptions are allowed for age and blindness for Maryland purposes which will be computed in this area.
- g. Complete the Part-year/MILITARY area on the front of Form 502. Place a "P" in the box and show the dates of residence in Maryland. Certain military taxpayers following these instructions should place an "M" in the box and enter the non-Maryland military income. If you are both part-year and military, place a "P" and "M" in the box. Married taxpayers with different tax periods filing a joint Maryland return should enter a "D" in the box, follow the remainder of this instruction and write "different tax periods" in the dates of residence area. Married taxpayers who file a joint return when one spouse is not a resident of Maryland should place a "P" in the part year resident box and enter the name and the other state of residence of the nonresident spouse.
- h. Enter on line 1 the adjusted gross income from your federal return for the entire year regardless of your length of residence.
- i. Complete the ADDITIONS TO INCOME area using Instruction 12. If you had losses or adjustments to income on your federal return, write on line 5 those loss or adjustment items that were realized or paid when you **were not** a resident of Maryland.
- j. Complete the SUBTRACTIONS FROM INCOME area using Instruction 13. **You may include only subtractions from income that apply to income subject to Maryland tax.** Include on line 12 any income received during the part of the year when you were **not** a resident of Maryland.
- k. You must adjust your standard or itemized deductions and exemptions based on the percentage of your income subject to Maryland tax. Complete the MARYLAND INCOME FACTOR WORKSHEET (26A) to figure the percentage of Maryland income to total income.
- l. If you itemize deductions, complete lines 17a and b. Prorate the itemized deductions using the following formula:

$$\begin{array}{rcccl} \text{NET} & & \text{MARYLAND} & & \text{MARYLAND} \\ \text{ITEMIZED} & \times & \text{INCOME} & = & \text{ITEMIZED} \\ \text{DEDUCTIONS} & & \text{FACTOR} & & \text{DEDUCTIONS} \end{array}$$

Enter the prorated amount on line 17 of Form 502 and check the ITEMIZED DEDUCTION METHOD box. Another method of allocating itemized deductions may be allowed. Send your written request along with your completed Maryland return, a copy of your federal return including federal Schedule A and a copy of the other state's return. If the other state does not have an income tax, then submit a schedule showing the allocation of income and itemized deductions among the

states. The Maryland return must be completed in accordance with the alternative method requested. This request should be sent to the Revenue Administration Division, Taxpayer Accounting Section (Special Allocations), P.O. Box 1829, Annapolis, MD 21404-1829.

- m. If you are not itemizing deductions, you must use the standard deduction. The standard deduction must be prorated using the Maryland income factor. Calculate the standard deduction using a worksheet in Instruction 16. Prorate the standard deduction using the following formula:

$$\begin{array}{rcccl} & & \text{MARYLAND} & & \text{PRORATED} \\ \text{STANDARD} & \times & \text{INCOME} & = & \text{STANDARD} \\ \text{DEDUCTION} & & \text{FACTOR} & & \text{DEDUCTION} \end{array}$$

Enter the prorated amount on line 17 of Form 502 and check the Standard Deduction Method box.

- n. The value of your exemptions (line 19) must be prorated using the Maryland income factor. Prorate the exemption amount using the following formula:

$$\begin{array}{rcccl} \text{TOTAL} & & \text{MARYLAND} & & \text{PRORATED} \\ \text{EXEMPTION} & \times & \text{INCOME} & = & \text{EXEMPTION} \\ \text{AMOUNT} & & \text{FACTOR} & & \text{AMOUNT} \end{array}$$

Enter the prorated exemption amount on line 19 of Form 502.

- o. You must prorate your earned income, poverty level and refundable earned income credits using the Maryland income factor.

27 FILING RETURN OF DECEASED TAXPAYER.

Enter code 321 on one of the code number lines located to the right of the telephone number area on page 3 of Form 502. Use the following special instructions:

FILING THE RETURN

If an individual required to file an income tax return dies, the final income tax return shall be filed:

- a. By the personal representative of the individual's estate;
- b. If there is no personal representative, by the decedent's surviving spouse; or,
- c. Jointly by the personal representatives of each if both spouses are deceased.

JOINT RETURN

If the spouse of the deceased taxpayer filed a joint federal return with the decedent, generally a joint Maryland return must be filed. (See Instruction 7.)

The word "DECEASED" and the date of death should be written after the decedent's name at the top of the form. The name and title of any person, other than the surviving spouse, filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration or, if the return is filed solely by the surviving spouse, attach a death certificate.

ALL OTHER RETURNS

If the return is filed by the personal representative, write the words "Estate of" before the decedent's first name and the date of death after the last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration.

If there is no personal representative, write the word "deceased" and the date of death after the decedent's last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of federal Form 1310 if applicable.

KILLED IN ACTION

Maryland will abate the tax liability for an individual who is a member of the U.S. Armed Forces at death, and dies while in active service in a combat zone or at any place from wounds, disease, or injury incurred while in active service in a combat zone. To obtain an abatement, a return must be filed. The abatement will apply to the tax year in which death occurred, and any earlier tax year ending on or after the first day the member served in a combat zone in active service.

Maryland will also abate the tax liability of an individual who dies while a military or civilian employee of the United States, if such death occurs as a result of wounds or injury incurred outside the United States in a terrorist or military action. In the case of a joint return, Maryland applies the same rules for these taxpayers as does the IRS. For more information on filing a return, see Publication 3 Armed Forces Tax Guide available at www.irs.gov. Place code number **915** on one of the lines marked "code numbers" to the right of the telephone number area, if you are filing a return for a taxpayer who was killed in action meeting the above criteria.

28 AMENDED RETURNS.

If you need to change a return that you have already filed, or if the IRS changes your return, you must file an amended return.

FILING AN AMENDED RETURN

You must file an amended return to make certain changes to your original return. These include changes in income, filing status, amount of deductions, the number of exemptions, and the amount of additions to income and subtractions from income.

Note: Changes made as part of an amended return are subject to audit for up to three years from the date the amended return is filed.

Use Form 502X to file an amended return and include a copy of your federal return. Form 502X and instructions may be obtained by visiting www.marylandtaxes.gov or by calling 410-260-7951.

CHANGES TO YOUR FEDERAL RETURN

If the IRS makes any changes to your federal return, you must notify the State of Maryland. Send notification to the Maryland Revenue Administration Division within 90 days of the final determination of the changes by the IRS. If you file an amended federal return that changes your Maryland return, you must file an amended Maryland return.

IF YOUR ORIGINAL RETURN SHOWED A REFUND

If you expect a refund from your original return, do not file an amended return until you have received your refund check. Then cash the check; do not return it. If your amended return shows a smaller refund, send a check for the difference with the amended return. If your amended return shows a larger refund, the Revenue Administration Division will issue an additional refund check.

ADDITIONAL INFORMATION

Do not file an amended return until sufficient time has passed to allow the original return to be processed. For current year returns, allow at least six weeks.

Generally, a claim for a refund or overpayment credit must be filed within three years from the date the original return was filed or within two years from the date the tax was paid, whichever is later. A return filed early is considered filed on the date it was due. If a claim is filed within three years after the date the return was filed, the credit or refund may not be more than that part of the tax paid within three years, plus extension of time for filing the return, prior to the filing of the claim. If a claim is filed after the three year period, but within two years from the time the tax was paid, the refund or credit may not be more than the tax paid within two years immediately before filing the claim for a refund or credit.

A claim for refund based on a federal net operating loss carryback must be filed within three years from the due date of the return for the tax year of the net operating loss.

If the claim for refund resulted from a federal adjustment or final decision of a federal court which is more than three years from the date of filing the return or more than two years from the time the tax was paid, a claim for refund must be filed within one year from the date of the adjustment or final decision.

If the claim for refund resulted from a notification received from another state for income taxes due which is more than three years from the date of filing the Maryland return or more than two years from the time the tax was paid, a claim for refund resulting from a credit for taxes paid to that state must be filed within one year of the date of the notification that the other state's tax was due.

If the claim for refund or credit for overpayment resulted from a final determination made by an administrative board or an appeal of a decision of an administrative board, that is more than three years from the date of filing the return or more than two years from the time the tax was paid, the claim for refund must be filed within one year of the date of the final decision of the administrative board or final decision of the highest court to which an appeal of the administrative board is taken.

No refund for less than \$1.00 will be issued. No payment of less than \$1.00 is required.

PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW)

Estimated Tax Worksheet Instructions

Purpose of declaration The filing of a declaration of estimated Maryland income tax is a part of the pay-as-you-go plan of income tax collection adopted by the State. If you have any income such as pensions, business income, lottery, capital gains, interest, dividends, etc., from which no tax is withheld, or wages from which not enough Maryland tax is withheld, you may have to pay estimated taxes. The law is similar to the federal law.

Who must file a declaration You must file a declaration of estimated tax if you are required to file a Maryland income tax return and your gross income would be expected to develop a tax of more than \$500 in excess of your Maryland withholding.

You must file a declaration with payment in full within 60 days of receiving \$500 or more of income from awards, prizes, lotteries or raffles, whether paid in cash or property if Maryland tax has not been withheld. A married couple may file a joint declaration. If you are filing a joint declaration, both Social Security numbers must be entered. If filing on behalf of a minor, the name and Social Security number of the minor must be entered.

When to file a declaration You must pay at least one-fourth of the total estimated tax on line 15 of this form on or before **April 15, 2019**. The remaining quarterly payments are due **June 15, 2019, September 15, 2019** and **January 15, 2020**. You may pay the total estimated tax with your first payment, if you wish. If you are filing on a fiscal year basis, each payment is due by the 15th day of the 4th, 6th, 9th and 13th months following the beginning of the fiscal year.

Overpayment of tax If you overpaid your 2018 income tax (Form 502 or 505), you may apply all or part of the overpayment to your 2019 estimated tax. If the overpayment applied equals or exceeds the estimated tax liability for the first quarterly payment, you are not required to file the declaration. If the overpayment applied is less than the estimated tax liability, you should file the declaration and pay the balance of the first installment.

How to estimate your 2019 tax The worksheet is designed to develop an estimate of your 2019 Maryland and local income tax. Be as accurate as you can in forecasting your 2019 income. You may use your 2018 income tax as a guide, but if you will receive more income than you did in 2018, you must pay at least 110% of your prior year tax to avoid interest for underpayment of estimated tax. For the purpose of estimating, rounding all amounts to the nearest dollar is recommended.

Nonresidents who want to estimate 2019 Maryland taxes may use the Nonresident Estimate Tax Calculator at www.marylandtaxes.gov.

Specific Instructions:

Line 1. Total income expected in 2019 is your estimated federal adjusted gross income.

Line 2. Net modifications. You must add certain items to your federal adjusted gross income. See Instruction 12 of the tax instructions. You may subtract certain items from federal adjusted gross income. See Instruction 13 of the tax instructions. Enter on this line the net result of additions and subtractions.

Line 4. Deductions. You may compute your tax using the standard deduction method or the itemized deduction method.

Standard deduction. Compute 15% of line 3.

If Filing Status 1, 3, 6: If the amount computed is less than \$1,500, enter \$1,500; if the amount is between \$1,500 and \$2,250, enter that amount; if the amount is more than \$2,250, enter \$2,250.

If Filing Status 2, 4, 5: If the amount computed is less than \$3,000, enter \$3,000; if the amount is between \$3,000 and \$4,500, enter that amount; if the amount is more than \$4,500, enter \$4,500.

Itemized deductions. Enter the total of federal itemized deductions less state and local income taxes.

Line 6. Personal exemptions. If your FAGI will be \$100,000 or less, you are allowed:

- a. \$3,200 each for taxpayer and spouse.
- b. \$1,000 each for taxpayer and spouse if age 65 or over and/or blind.
- c. \$3,200 for each allowable dependent, other than taxpayer and spouse. The amount is doubled for allowable dependents age 65 or over.

If your FAGI will be more than \$100,000, see chart below to determine the amount of exemption you can claim for items a and c above.

If Your federal AGI is		If you will file your tax return

Filing a return instead of fourth payment Instead of making the fourth declaration payment on or before **January 15, 2020**, you may file your 2019 personal income tax return, provided you file it on or before **January 31, 2020** and pay in full with the return any balance of tax due.

Farmers and fishermen If your estimated gross income from farming or fishing is at least two-thirds of your total estimated gross income for the year, special provisions may apply. Your 2019 declaration and full payment of the estimated tax are due on or before **January 15, 2020**. You do not have to file the declaration if you file your complete tax return (Form 502 or 505) and pay the full amount of tax due on or before **March 1, 2020**.

Changes in income or exemptions Your situation may not require you to file a declaration on **April 15, 2019**. However, a large increase in income after that date may require you to file a declaration. If at any time during the year you need to amend your original declaration, simply increase or decrease the remaining payments.

PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW)

Extension Worksheet Instructions

Who must file for an extension?

If you cannot complete and file your Form 502, 505, 510C or 515 by the due date, you should complete the Tax Payment Worksheet to determine if you must file for an extension. If line 6 of the worksheet shows you owe tax, you must file Form PV and pay the full amount due by April 15, 2019, (or the 15th day of the fourth month following the close of the tax year). If the due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day.

NOTE: Filing an extension does not extend the time for paying your taxes.

Do not file for an extension if, after completing the PVW, you find that you do not owe additional tax. However, please be aware that if an unpaid liability is disclosed when you file your return, you may owe penalty and interest charges in addition to the tax. See **"Will I owe penalties and interest?"**.

Automatic Maryland six-month extension

If you filed a federal extension and expect to owe zero tax to Maryland we grant you an automatic six-month extension of time to file your Form 502, 505, 510C or 515. **You are not required to file for an extension in order to obtain this automatic extension.** However, you should use Form PV to pay any tax due in order to avoid any late-payment penalty and interest on tax not paid by April 15, 2019.

Requesting a Maryland extension when not requesting a federal extension:

- (1) Request your extension by telefile at 410-260-7829 from Central Maryland or 1-800-260-3664 from elsewhere; or,
- (2) Request your extension at www.marylandtaxes.gov.

When should I mail Form PV without a payment?

Never.

When requesting an extension beyond six months, how should I file?

No extension request will be granted for more than six months, except in the case of individuals who are out of the United States. Even when an individual is out of the U.S. an extension will not be granted for more than one year. An extension request for beyond six months without a payment should be filed by telefile or on our Web site. See telefile and Web site information.

When should I file?

If you owe any tax, file Form PV along with your payment on or before April 15, 2019. If you are filing on a fiscal year basis, file by the regular due date of your return.

Where should I file?

You may request your extension at www.marylandtaxes.gov and use electronic funds withdrawal (direct debit) from your savings or checking account. If you want to pay by credit card see below; otherwise, make your check or money order payable to: **COMPROLLER OF MARYLAND.**

It is recommended that you include your Social Security number on check using blue or black ink and attach to Form PV.

Mail to: **Payment Processing
PO Box 8888
Annapolis, MD 21401-8888**

Will I owe penalties and interest?

You will owe interest on tax not paid by the regular due date of your return. The interest will accrue until you pay the tax. Even if you had a good reason for not paying on time, you will still owe interest.

If tax and interest are not paid promptly, a penalty will be assessed on the tax.

Should I attach a copy of the extension form to my Form 502, 505, 510C or 515?

No, Form PV has replaced the extension Form 502E.

What if I want to pay by direct debit?

You may pay by direct debit by visiting our Web site at www.marylandtaxes.gov and look for **ONLINE SERVICES.**

STATE DEPARTMENT OF ASSESSMENTS AND TAXATION INFORMATION REGARDING PROPERTY TAX CREDITS AND EXEMPTIONS

Under Maryland law, you may be eligible for a substantial credit on the property tax bill issued on your home, based upon your gross household income. This program is available to homeowners of all ages and the credit is calculated solely on the basis of gross income. The application form is not provided in this income tax booklet because the credits are issued as a deduction from the homeowner's July property tax bill. The property tax credit application forms are processed separately by the State Department of Assessments and Taxation.

Use the chart printed below to see if it would be worthwhile for you to submit a Homeowners' Tax Credit application. If the actual property taxes on your home (based on no more than \$300,000 of assessed value) exceed the "Tax Limit" amount shown on the table below for your household income level, you may be eligible for a credit and are urged to file an application. The table is printed for illustrative purposes, and therefore, the income amounts are listed in increments of \$1,000. For purposes of this program, the applicant must report total income, which means the combined gross household income before any deductions are taken. Nontaxable income, such as Social Security, Railroad Retirement or Veterans' benefits, also must be reported as income for the tax credit program.

2018 COMBINED GROSS HOUSEHOLD INCOME		2018 COMBINED GROSS HOUSEHOLD INCOME		2018 COMBINED GROSS HOUSEHOLD INCOME	
BEFORE DEDUCTIONS	TAX LIMIT	BEFORE DEDUCTIONS	TAX LIMIT	BEFORE DEDUCTIONS	TAX LIMIT

12,000	160	21,000	870	30,000	1,680
13,000	225	22,000	960	and up to a maximum	*
14,000	290	23,000	1,050	of \$60,000	
15,000	355	24,000	1,140		
16,000	420	25,000	1,230		

* For each additional \$1,000 of Income add \$90 to \$1,680 to find the amount that your tax must exceed.

If you think you might qualify on the basis of your household income, there are certain other legal requirements which must be met. Due to space restrictions, all of the other special limitations cannot be listed in this notice. The purpose of this notice is simply to advise you of the availability of the program and to suggest that you inquire further if you think you qualify on the basis of the income chart provided above. **To obtain a Homeowners' Tax Credit application form or to receive further information about your eligibility for the program, you should telephone 410-767-4433 in the Baltimore metropolitan area or 1-800-944-7403 (toll free) for those living elsewhere in Maryland.** Applications can also be found on the SDAT website at www.dat.maryland.gov. The deadline for filing a Homeowners' Tax Credit application is generally September 1, 2019.

RENTERS' TAX CREDIT PROGRAM

The State of Maryland also makes available a Renters' Tax Credit of up to \$1000 a year for renters age 60 and over or those 100% disabled if they qualify on the basis of income. Renters under age 60 who have a dependent child may be eligible for a credit if certain separate income requirements are met. **To obtain a Renters' Tax Credit application form or to receive further information about the program, you may telephone 410-767-4433 in the Baltimore metropolitan area or 1-800-944-7403 (toll free) for those living elsewhere in Maryland.** Applications can also be found on the SDAT website at www.dat.maryland.gov. The filing deadline for the Renter's Program is September 1, 2019.

REAL PROPERTY TAX EXEMPTIONS FOR 100% DISABLED VETERANS AND BLIND PERSONS

There is a complete exemption from real property taxes on the dwelling house owned by disabled veterans with a 100% service connected permanent disability or by their surviving spouses. The State also allows an exemption on the first \$15,000 of valuation on the dwelling house owned by legally blind persons. **For further information about either exemption, please telephone 410-767-4433 in the Baltimore area or 1-800-944-7403 (toll free) in other areas of Maryland.**
