Lines not listed are explained on the form.

Do not enter data in boxes filled with Xs.

Amended Returns: To amend a current or prior year annual return, complete the *Insurance Company Amended Return for Corporate Income and Retaliatory Taxes* (Form 4906) that is applicable for that year, and attach a separate sheet explaining the reason for the changes. Complete and file all schedules, all forms and all attachments filed with the original return, even if not amending information on a particular form or schedule. Include a copy of an amended federal return or a signed and dated Internal Revenue Service (IRS) audit document, if applicable. **Do not include a copy of the original return with the amended return.** Find detailed instructions on Form 4906.

Line 1: Enter the complete name and address including the two-digit abbreviation for the country code. See the list of country codes in the *Corporate Income Tax (CIT) Forms and Instructions for Insurance Companies* (Form 4904).

NOTE: Any correspondence regarding the return filed and/or refund will be sent to the address provided on this form. The taxpayer's primary address in Treasury files, identified as the legal address and used for all purposes other than refund and correspondence on a specific CIT return, will not change unless the taxpayer files a *Notice of Change or Discontinuance* (Form 163) with Treasury.

FOREIGN FILERS: Complete the address fields as follows:

Address: Enter the postal address for this taxpayer.

City: Enter the city name for this taxpayer. DO NOT include the country name in this field.

Taxpayers are encouraged to register online at www.michigan.gov/businessstaxes. Taxpayers that register with Treasury online receive their registration confirmation within seven days.

If the taxpayer does not have an FEIN, the taxpayer must obtain an FEIN before filing the CIT. The Web site www.michigan.gov/businessstaxes provides information on obtaining an FEIN.

Returns received without a registered account number will not be processed until such time as a number is provided.

Line 3: Check this box if the company is a foreign insurer. Alien insurers are considered foreign insurers, unless their port of entry is Michigan, in which case the company is considered domestic for the filing of this return.

Retaliatory Instructions

For foreign and alien insurers only; domestic insurers skip lines 26 through 40.

Do not mail this return with the Michigan Annual Financial Statement.

Foreign insurers must pay to Michigan the same type of obligation a similar Michigan insurer is required to pay in the company’s state of domicile. Enter all items that are required of a Michigan insurance company. Some taxes and obligations imposed in other states may have no corresponding requirement in Michigan; however, this does not relieve the foreign insurer from the obligation of computing and paying the correct amount of the tax.

Do not include the following Michigan assessments, or comparable assessments in the company’s state of incorporation, in the retaliatory calculation:

- Michigan Worker’s Compensation Placement Facility
- Michigan Basic Property Insurance Association
- Michigan Automobile Insurance Placement Facility
- Property and Casualty Guaranty Association
- Michigan Life and Health Insurance Guaranty Association
- Catastrophic Claims Association
- Assessment under Health Insurance Claims Assessment Act (HICAA).

Line 26: Enter the tax a Michigan company would pay to the taxpayer’s state of incorporation if it conducted the same amounts and types of business there as the taxpayer is conducting in Michigan. Attach a copy of the state of incorporation’s tax form on which this pro forma tax on the hypothetical Michigan company was calculated.

Lines 28 through 38: In column A, “State of Incorporation,” enter the amounts that would be paid by a hypothetical Michigan insurance company doing the same types and amounts of business in the taxpayer’s home state that the taxpayer is doing in Michigan.

Lines 33 and 35-38: In column B, “Michigan,” enter the actual amounts paid by the taxpayer to Michigan.

Line 38: Attach a detailed schedule of assessments.

Line 40: Subtract line 39, column B, from line 39, column A. If less than zero, enter zero.

PAYMENTS, REFUNDABLE CREDITS, AND TAX DUE

Line 43: Enter the total tax paid with the quarterly estimated tax returns.

Line 45: The Worker’s Disability Supplemental Benefit (WDSB) Credit is available to an insurance company subject to the Worker’s Disability Compensation Act of 1969. The credit is equal to the amount paid during that tax year by the insurance company pursuant to Section 352 of the act, as certified by the director of the Worker’s Compensation Agency,

Department of Licensing and Regulatory Affairs (LARA), during the tax year. The amount of the credit is provided to taxpayers by LARA. For more information on WDSB credit eligibility, contact LARA, Workers’ Compensation Agency, by phone at 1-888-396-5041, by e-mail at wcinfo@michigan.gov, or visit the LARA Web site at www.michigan.gov/wca.

Line 48: If penalty and interest are owed for not filing estimated returns or for underestimating tax, complete the *CIT Penalty and Interest Computation for Underpaid Estimated Tax* (Form 4899), to compute penalty and interest due. If a taxpayer chooses not to file Form 4899, Treasury will compute penalty and interest and bill for payment. (Form 4899 is available on the Web at www.michigan.gov/treasuryforms.)

Line 49: Refer to the “Computing Penalty and Interest” section in Form 4904 to determine the annual return penalty rate and use the following Overdue Tax Penalty worksheets.

WORKSHEET – OVERDUE TAX PENALTY

A. Tax due from Form 4905, line 47		00
B. Late or insufficient payment penalty percentage		%
C. Multiply line A by line B		00

Carry amount from line C to Form 4905, line 49.

Line 50: Use the following worksheet to calculate Overdue Tax Interest.

WORKSHEET – OVERDUE TAX INTEREST

A. Tax due from Form 4905, line 47		00
B. Applicable daily interest percentage ..		%
C. Number of days return was past due ...		
D. Multiply line B by line C		
E. Multiply line A by line D		00

Carry amount from line E to Form 4905, line 50.

NOTE: If the late period spans more than one interest rate period, divide the late period into the number of days in each of the interest rate periods identified under the “Computing Penalty and Interest” section in Form 4904 and apply the calculations in the Overdue Tax Interest worksheet separately to each portion of the late period. Combine these interest subtotals and carry the total to Form 4905, line 50.

Line 52: If the amount of the tax overpayment, less any penalty and interest due on lines 48, 49 and 50, is less than zero, enter the difference (as a positive number) on line 51.

NOTE: If an overpayment exists, a taxpayer must elect a refund of all or a portion of the amount and/or designate all or a portion of the overpayment to be used as an estimate for the next CIT tax year. Complete lines 53 and 54 as applicable.

Line 53: If the taxpayer anticipates a CIT or Retaliatory Tax liability in the filing period subsequent to this return, some or all of any overpayment from line 52 may be credited forward to the next tax year as an estimated payment. Enter the desired amount to use as an estimate for the next CIT tax year.

Reminder: Taxpayers must sign and date returns. Tax preparers must provide a Preparer Taxpayer Identification Number (PTIN), FEIN or Social Security number (SSN), a business name, and a business address and phone number.
