Your monthly TANF benefit included Sales Tax Relief money. The Department of Human Services will make sales tax refunds to persons who have continuously received aid to the aged, blind, disabled or Medicaid payment for nursing home care from January 1, 2018 to December 31, 2018. FORM 538-S INSTRUCTIONS

Follow the steps below to determine if you (or your spouse) are eligible to claim the Sales Tax Relief/Credit.

*Definitions for the purpose of this form:

Resident of Oklahoma is defined as a person legally domiciled in this state for the entire tax year.

Household means any house, dwelling or other type of living quarters.

Total gross household income means the total amount of gross income received by ALL persons living in the same household whether the income was taxable or not for income tax purposes. This includes, but is not limited to, public assistance payments, support money (example: child support), workers' compensation, school grants or scholarships, veterans disability compensation, loss-of-time insurance payments and all of the types of income shown on the front of this form. General Information

Individual taxpayers can deduct qualifying gains receiving capital gain treatment which are included in Federal adjusted gross income. "Qualifying gains receiving capital treatment" means the amount of net capital gains, as defined under Internal Revenue Code Section 1222(11). The qualifying gain must result from:

1. the sale of real or tangible personal property located within Oklahoma that has been owned for at least five uninterrupted years prior to the date of the transaction that gave rise to the capital gain;

2018 Form 561 - Page 3

OKLAHOMA CAPITAL GAIN DEDUCTION FOR RESIDENTS FILING FORM 511 68 OS Sec. 2358 and Rule 710:50-15-48 General Information - continued

- 2. the sale of stock or an ownership interest in an Oklahoma company, limited liability company, or partnership where such stock or ownership interest has been owned for at least two uninterrupted years prior to the date of the transaction that gave rise to the capital gain; or
- 3. the sale of real property, tangible personal property or intangible personal property located within Oklahoma as part of the sale of all or substantially all of the assets of an Oklahoma company, limited liability company, or partnership or an Oklahoma proprietorship business enterprise where such property has been owned by such entity or business enterprise or owned by the owners of such entity or business enterprise for a period of at least two uninterrupted years prior to the date of the transaction that gave rise to the capital gain.

An Oklahoma company, limited liability company, partnership or proprietorship business enterprise is an entity whose primary headquarters has been located in Oklahoma for at least three uninterrupted years prior to the date of sale.

A capital loss carryover from qualified property reduces the current year gains from eligible property.

Pass-through entities...

Capital gain from qualifying property, as described above, held by a pass-through entity is eligible for the Oklahoma capital gain deduction, provided the individual has been a member of the pass-through entity for an uninterrupted period of the applicable two or five years and the pass-through entity has held the asset for not less than the applicable two or five uninterrupted years prior to the date of the transaction that created the capital gain. The type of asset sold, as shown in 1-3 above, determines whether the applicable number of uninterrupted years is two or five. The pass-through entity must provide supplemental information to the individual identifying the pass-through of qualifying capital gains.

Installment sales...

Qualifying gains included in an individual taxpayer's Federal adjusted gross income for the current year which are derived from installment sales are eligible for exclusion, provided the appropriate holding periods are met.
