SMALL BUSINESS GUARANTY FEE CREDIT

CREDIT AVAILABLE FOR BANKS AND CREDIT UNIONS

68 OS Sec. 2370.1

There shall be a credit against the tax imposed by 68 OS Sec. 2370 for any state banking association, national banking association and credit union organized under the laws of this state for the amount of the guaranty fee paid by the banking association or credit union to the United States Small Business Administration (SBA) pursuant to the "7(a)" loan guaranty program.

No credit may be claimed pursuant to this section if, pursuant to the agreement between the banking association or credit union and the entity to which proceeds are made available, the banking association or credit union adds the amount of the SBA 7(a) loan guaranty fee to the amount financed by the borrower or in any other way recovers the guaranty fee from the borrower.

If the credit exceeds the amount of income taxes due or if there are no state income taxes due on the income of the taxpayer, the amount of the credit not used may be carried forward as a credit against subsequent income tax liability for a period not to exceed five years.

A bank or credit union making a Federal Subchapter "S" election is not subject to the "in lieu" tax and therefore not eligible for this credit.

Pursuant to 62 OS Sec. 46A, there shall be a measurable goal of retaining and/or creating 2,000 jobs per year in Oklahoma for the credit against tax imposed by 68 OS Sec. 2370.

CREDIT AVAILABLE FOR SMALL BUSINESS

68 OS Sec. 2357.30

A Small Business Guaranty Fee Credit that was established by a small business in a prior year but not used due to the limitations provided may be carried over. The unused credit may be carried over for a period not to exceed five years.

The credit shall only be claimed against the tax liability resulting from income generated by the small business. If an income tax return upon which this credit is claimed includes taxable income from sources other than the small business, the credit shall only be allowed to be claimed upon a percentage of the income tax liability which does not exceed the percentage of income generated by the small business as compared to the total Oklahoma adjusted gross income for individuals or Oklahoma taxable income for corporations and fiduciaries.

NOTICE

Tax credits transferred or allocated must be reported on Oklahoma Tax Commission (OTC) Form 569. Failure to file Form 569 will result in the affected credits being denied by the OTC pursuant to 68 OS Sec. 2357.1A-2.
