(FORM IT-140) F West Virginia Purchaser's Use Tax Schedule **2018**

INSTRUCTIONS

Purchaser's Use Tax is a tax on the use of tangible personal property or services in West Virginia where Sales Tax has not been paid. Use Tax applies to the following: internet purchases, magazine subscriptions, mail-order purchases, out-of-state purchases, telephone purchases originating out-of-state, TV shopping networks, and other purchases of taxable items.

For detailed instructions on the Schedule UT, see page 38.

^{*}Visit www.tax.wv.gov for a complete list of West Virginia municipalities that impose a Use Tax.

INSTRUCTIONS

You owe use tax on the total purchase price of taxable tangible personal property or taxable services (hereinafter called property) that you used, stored, or consumed in West Virginia upon which you have not previously paid West Virginia sales or use tax. The use tax applies to the following: internet purchases, magazine subscriptions, mail-order purchases, out-of-state purchases, telephone purchases originating out-of-state, TV shopping networks and other purchases of taxable items. Schedule UT <u>must</u> be filed with IT-140 if the taxpayer is reporting use tax due.

Examples of reasons you may owe use tax:

- You purchased property without paying sales tax from a seller outside of West Virginia. You would have paid sales tax if you purchased the property from a West Virginia seller.
- You purchased property without paying sales tax for resale (to sell to others) or for a nontaxable use. You then used the property in a taxable manner.
- You purchased property without paying sales tax and later gave the property away free to your customers.

PART I. STATE USE TAX CALCULATION (includes purchases or lease of tangible personal property or taxable service made using direct pay permit)

- **Line 1** Enter the total dollar amount of all purchases made during the 2018 tax year that are subject to the 6% use tax rate.
- Line 3 Multiply the amount on line 1 by the use tax rate on line 2.

PART II. MUNICIPAL USE TAX CALCULATION

You owe municipal use tax on the total purchase price of taxable tangible personal property or taxable services that you used, stored, or consumed in a municipality that has imposed sales and use tax upon which you have not previously paid sales or use tax.

For municipal tax paid in another municipality. West Virginia sales and use tax law provides a credit for sales or use taxes that are properly due and paid to another state or municipality on property or services purchased outside of the State or municipality in which you are located and subsequently stored, used or consumed inside the State or municipality. The credit is allowed against the total of West Virginia state and municipal use taxes imposed on the same property or services purchased in the other state or municipality.

Note: When the combined state and municipal taxes paid to the other state/municipality equals or exceeds the combined West Virginia state and municipal use tax, no entry is required on the West Virginia Purchaser's Use Tax Schedule (Schedule UT) to report the purchase or the credit for tax paid to the other state/municipality on the same purchase. Example: You purchase an item subject to tax in Ohio and pay 7% sales tax (6% state tax and 1% local tax). You live in an area in West Virginia that imposes a 1% municipal use tax with the State rate 6%, for a total 7%. You would not report the purchase on the schedule nor on your Personal Income Tax return since the combined rates are the same in Ohio and the city in West Virginia.

The following example includes a situation a person may encounter with respect to West Virginia state, and municipal sales and use taxes, if they purchase items outside West Virginia or from a different municipality and are required to pay sales or use taxes to the other state and/or municipality. The example provides information on how to use the amount of sales tax paid to the other state as a credit against West Virginia state and municipal

use taxes imposed and how to compute and report the West Virginia state and municipal taxes due.

You bring equipment into West Virginia for use in a municipality which imposes municipal sales and use tax. You can determine the West Virginia state and municipal use tax as follows:

USE TAX – STATE	
Purchase price	\$10,000.00
2. 6.0% West Virginia State use tax (\$10,000 x .06)	600.00
3. Less 4.0% sales/use tax paid to State B (\$10,000 x .04)	(400.00)
4. Net use tax due to West Virginia	200.00
5. Measure of tax (\$200 ÷ .06 tax rate)	\$ 3,333.34
You should include the \$3,333.34 in Part I,	line 1 of the

Schedule of Additional Dependents

2018

Use this schedule to continue listing dependents. If space is needed for more than 18 dependents, a copy of this form may be obtained from the West Virginia State Tax Department's website: tax.wv.gov.

First Name	Last Name	Social Security Number	Date of Birth

Form 8949 must be submitted. If withholding is related to WV/NRSR, please indicate in the box provided on line 9 and submit Form NRSR and Schedule D and Form 8949 from your federal return.

FAILURE TO RECEIVE A WITHHOLDING TAX STATEMENT (W-2)

If you fail to receive a withholding tax statement (Form W-2, W-2G, or 1099) from an employer by February 15th, you may file your income tax return using a substitute form. All efforts to obtain a W-2 statement from the payer must be exhausted before a substitute form will be accepted. West Virginia Substitute W-2 (Form WV/IT-102-1) must be completed and retained for your records in the same manner as Form W-2 for a period of not less than three years. This information may be obtained from your pay stub(s). The federal Form 4852 (Substitute for Form W-2) does not provide all the information necessary to process your state return. It WILL NOT be accepted in lieu of Form WV/IT-102-1.

PRIOR YEAR TAX LIABILITIES

Taxpayers who have delinquent tax liabilities, state or federal, may not receive the full amount of their tax refund. If you have an outstanding state or federal tax lien, your refund will be reduced and applied to your past due liability. If a portion of your refund is captured, you will receive a notice and the balance of the refund. Any final unpaid West Virginia personal income tax liabilities may be referred to the United States Treasury Department in order to capture that amount from your federal income tax refund.

IRS Information Exchange

The West Virginia State Tax Department and the Internal Revenue Service share tax information including results of any audits. Differences, other than those allowed under state law, will be identified and may result in the assessment of a negligence penalty. Taxpayers so identified will be subject to further investigation and future audits.

INJURED SPOUSE

You may be considered an injured spouse if you file a joint return and all or part of your refund was, or is expected to be, applied against your

spouse's past due child support payments or a prior year tax liability. You must file an injured spouse allocation form (Form WV-8379) to claim your part of the refund if all three of the following apply:

- You are not required to pay the past due amount;
- You received and reported income (such as wages, taxable interest, etc.) on a joint return; and
- You made and reported payments such as West Virginia tax withheld from your wages or estimated tax payments.

If all of the above apply and you want your share of the overpayment shown on the joint return refund, you must:

- 1. Check the injured spouse box on the front of the return;
- Complete the West Virginia Injured Spouse Allocation Form, WV-8379; and
- Enclose the completed form with your West Virginia personal income tax return.

DO NOT check the injured spouse box unless you qualify as an injured spouse and have enclosed the completed form with your return. This will cause a delay in the processing of your refund.

TAX DEPARTMENT PROCESSING AND PROCEDURES

The Tax Department has implemented a modern tax system that allows us to better serve you. This new system decreases processing time and allows us to contact taxpayers in a timely manner. If a change has been made to your return you will first receive a letter from us explaining the change. If there is an additional amount due the State, you will receive a Statement of Account. If you disagree with the amount shown to be due, return a copy of the statement with your comments and provide any additional schedules to substantiate your claim. You will receive a statement of account on a monthly basis until such time as your outstanding liability is either paid or your account is settled. If you sent us information and receive a second statement of account, it may be a timing issue. Please allow sufficient time for mailing and processing of the additional information before you contact us again.

Residents

Subject to certain limitations, a West Virginia resident may be eligible to claim a credit for income taxes paid to another state. The purpose of this credit is to prevent dual taxation of such income.

Note: Income from "guaranteed payments" shown on a W-2 as wages but taxed as business income on the Ohio income tax return qualifies for the Schedule E credit. See Publication TSD-422 for additional information.

Part-Year Residents

Part-year residents may only claim credit for taxes paid to another state during their period of West Virginia residency.

Nonresidents

Nonresidents are not entitled to a Schedule E credit under any circumstances.

Limitations

The amount of a Schedule E credit is subject to the following limitations:

- The credit cannot exceed the amount of tax payable to the other state on income also subject to West Virginia tax. This is the amount of income tax computed on the nonresident return filed with the other state.
- The credit cannot exceed the percentage of the West Virginia tax determined by dividing the portion of the taxpayer's West Virginia income subject to taxation in another state by the total amount of the taxpayer's West Virginia income.
- The credit cannot reduce the West Virginia tax due to an amount less than what would have been due if the income subject to taxation by the other state was excluded from the taxpayer's West Virginia income.

A separate Schedule E must be completed and attached for each state for which you are claiming a credit.

You must maintain a copy of the other state tax return in your files. This credit is not allowed for income tax imposed by a city, township, borough, or any political subdivision of a state or any other country. Local or municipal fees cannot be claimed. Due to existing reciprocal agreements, West Virginia residents cannot claim the Schedule E credit if the credit claimed is for state income taxes paid on wage and salary or unemployment compensation income earned in Kentucky, Maryland, Ohio, Pennsylvania, or Virginia. However, taxes paid on income derived from sources other than wage and salary or unemployment compensation income is permitted as a Schedule E credit.

You may claim credit on your West Virginia Resident Income Tax Return for state income tax paid, as a nonresident, to ONLY the following states:

FORM IT-210 INSTRUCTIONS

FORM IS ON PAGES 41 & 42

Who Must Pay the Underpayment Penalty?

You may be charged a penalty if you did not have enough West Virginia state income tax withheld from your income or pay enough estimated tax by any of the due dates. This may be true even if you are due a refund when you file your return. The penalty is computed separately for each due date (quarter). You may owe a penalty for an earlier due date (quarter) even if you make large enough payments later to make up the underpayment.

You may owe the penalty if you did not pay at least the smaller of:

- 1. 90% of your 2018 tax liability; or
- 100% of your 2017 tax liability (if you filed a 2017 return that covered a full 12 months).

Exceptions to the Penalty

You will not have to pay any penalty if either of these exceptions apply:

- You had no tax liability for 2017 and meet ALL of the following conditions:
 - your 2017 tax return was (or would have been had you been required to file) for a taxable year of twelve months;
 - you were a citizen or resident of the United States throughout the preceding taxable year;
 - your tax liability for 2018 is less than \$5,000.
- The total tax shown on your 2018 return minus the tax you paid through West Virginia withholding is less than \$600. To determine if you meet this exception, complete lines 1 through 5, PART I. If you meet this exception, you do not have to file Form IT-210.

If you file your tax return and pay any tax due on or before February 1, 2019, no fourth quarter penalty is due. Include the tax paid with your return in column (d) of line 2, PART IV; this will result in no penalty due for the January 15, 2019 installment.

Special Rules for Farmers

If at least two-thirds of your gross income for 2018 was from farming sources, the following special rules apply:

- You are only required to make one payment for the taxable year (due January 15, 2019).
- 2. The amount of estimated tax required to be paid (line 6) is sixty-six and two-thirds percent (66 \(^2\)_3\%) instead of ninety percent (90\%).
- 3. If you fail to pay your estimated tax by January 15, but you file your return and pay the tax due on or before the first day of March, 2019, no penalty is due.

Mark box 10 in PART I and complete PART III or only column (d) of PART IV to figure your penalty. Be sure to use .02190 instead of .05826 when calculating line 6 of PART III. When using PART IV, carry the entire figure shown on line 8 of PART I to column (d), line 1.

Waiver of Penalty

If you are subject to underpayment penalty, all or part of the penalty will be waived if the West Virginia State Tax Department determines that:

- 1. The penalty was caused by reason of casualty or disaster;
- 2. The penalty was caused by unusual circumstances which makes

imposing the penalty unfair or inequitable.

To request a waiver of the penalty, check the box for line 9 in PART I and enclose a signed statement explaining the reasons you believe the penalty should be waived (see page 45 of the return). If you have documentation substantiating your statement, enclose a copy. The Department will notify you if your request for waiver is not approved.

Compare lines 14 and 17 and enter the smaller figure here and on line 1, PART IV of Form IT-210.

PART III - SHORT METHOD

You may use the short method to figure your penalty only if:

- You made no estimated tax payments (or your only payments were West Virginia income tax withheld); or
- You paid estimated tax and the payments were made in four equal installments on the due dates.

NOTE: If any of your payments were made earlier than the due date, you may use the short method to calculate your penalty; however, using the short method may cause you to pay a higher penalty (if the payments were only a few days early, the difference is likely to be very small).

You may NOT use the short method if:

- 1. You made any estimated tax payments late; or
- 2. You checked the box on line 11 PART I, or used PART II (Annualized Income Worksheet).

If you can use the short method, complete lines 1 through 5 to compute your total underpayment for the year and lines 6 through 8 to compute your penalty due. If you checked the box for line 10 in PART I, because you are a farmer, the figure to use on line 6 is .02190 instead of .05826.

PART IV - REGULAR METHOD

Use the regular method to compute your penalty if you are not eligible to use the short method.

Section A - Compute Your Underpayment

LINE 1

Enter in columns (a) through (d) the amount of your required installment for the due date shown in each column heading. For most taxpayers, this is the amount shown on line 8 of PART I divided by four. If you used PART II, enter the amounts from line 19 of the Annualized Income Worksheet in the appropriate columns.

LINE 2

Enter the estimated tax payments you made plus any West Virginia income tax withheld from your income. In column (a), enter the tax payments you made by April 17, 2018, for the 2018 tax year; in column (b), enter payments you made after April 17 and on or before June 15, 2018; in column (c), enter payments you made after June 15, and on or before September 17, 2018; and in column (d), enter payments you made after September 17, and on or before January 15, 2019.

When calculating your payment dates and the amounts to enter on line 2 of each column, apply the following rules:

- 1. For West Virginia income tax withheld, you are considered to have paid one-fourth of these amounts on each payment due date, unless you check the box on line 11 in Part I and show otherwise.
- Include in your estimated tax payments any overpayment from your 2017 West Virginia tax return that you elected to apply to your 2018 estimated tax. If you filed your return by the due date (including extensions), treat the overpayment as a payment made on April 17, 2018
- 3. If you file your return and pay the tax due on or before February 1, 2019, include the tax you pay with your return in column (d) of line 2. In this case, you will not owe a penalty for the payment due January 15, 2019.

LINE 3

Enter any overpayment from the previous column on line 3.

LINE 4

Add lines 2 and 3 in each column and enter the result on line 4.

LINE 5

Add lines 7 and 8 from the previous column and enter the result in each column.

LINE

Subtract line 5 from line 4 in each column and enter the result on line 6. If line 5 is equal to or more than line 4 in any column, enter zero on line 6 in that column.

LINE 7

Subtract line 4 from line 5 for any column where line 5 is more than line 4; otherwise, enter zero.

LINE 8

Subtract line 6 from line 1 for any column where line 1 is more than line 6; otherwise, enter zero. If line 8 is zero for all payment periods, you do not owe a penalty. However, if you checked any box in PART I, you must file Form IT-210 with your return.

LINE 9

Subtract line 1 from line 6 for any column for which line 6 is more than line 1; otherwise, enter zero. Be sure to enter the amount from line 9 on line 3 of the next column.

Section B - Compute Your Penalty

CAUTION: Read the following instructions before completing Section B.

Compute the penalty by applying the appropriate rate against each underpayment on line 8. The penalty is computed for the number of days that the underpayment remains unpaid.

The annual rate is eight and three quarters percent (8.75%) for 2018. The resultant daily rate of 0.000240 is applied to all underpayments.

Use line 10 to compute the number of days the underpayment remains unpaid. Use line 12 to compute the actual penalty amount by applying the daily rate of 0.000240 to the underpayment for the number of days it was unpaid.

Each payment must be applied to the oldest outstanding underpayment. It does not matter if you designate a payment for a later period. For example, if you have an underpayment for April 17 installment period, the payment you make June 15 will first be applied to pay off the April 17

underpayment; any remaining portion of the payment will be applied to the June 15 installment.

Also, apply the following rules:

- Show the West Virginia withholding tax attributable to each installment due date; do not list the withholding attributable on or after January 1, 2019.
- 2. Any balance due paid on or before April 15, 2019 with your personal income tax return is considered a payment and should be listed on line 2, column (d). For the payment date, use the date you file your return, or April 15, 2019, whichever is earlier.

Chart of Total	Days Pei	r Rate l	Period
----------------	----------	----------	--------

Rate Period	Line 10
(a)	363
(b)	304
(c)	210
(d)	90

For example, if you have an underpayment on line 8, column (a), you would enter 365 in column (a) of line 10.

The following line-by-line instructions apply only to column (a) of Section B. If there is an underpayment shown in any other column on line 8, complete lines 10 and 12 in a similar fashion.

LINE 10

Enter in column (a) the total number of days from April 17, 2018 to the date of the first payment. If no payments enter 363.

LINE 11

The daily penalty rate is equal to the annual interest rate applied to tax underpayments divided by 365. The annual interest rate for underpayments is eight and three quarters percent (8.75%) for 2018, resulting in a daily rate of .000240.

LINE 12

Make the computation requested and enter the result. Note that the computation calls for the "underpayment on line 8". The amount to use as the "underpayment" depends on whether or not a payment is listed.

If there is a payment – if the payment is more than the underpayment, apply only an amount equal to the underpayment and apply the remainder to the tax due for the next quarter. If the payment is less than your underpayment, the penalty for the remaining underpayment will require a separate computation. Use a separate sheet of paper to show any additional computations.

If there are no payments – the "underpayment" is the entire amount shown on line 8.

The following conditions determine if additional computations are needed for Column (a):

The first payment was enough to reduce the underpayment to zero. There are no further computations for column (a).

No payments. Only one computation is needed. The penalty for column (a) is line 8 multiplied by the number of days until April 15, 2019 multiplied by line 11.

The payment did not reduce the underpayment to zero. Compute the penalty on the remaining underpayment on a separate sheet of paper. If additional payments apply, reduce the underpayment for each installment and compute the penalty on the remainder of tax due until paid or April 15, 2019, whichever is earlier.

Enter the total penalty calculation on line 12 and proceed to the next column.

Columns (b) through (d)

To complete columns (b) through (d), use the same procedures as for column (a). However, apply only those payments in each column which have not been used in a previous column.

LINE 13

Add all figures from line 12. Enter the sum on line 13 and on the appropriate PENALTY DUE line of your personal income tax return.

SENIOR CITIZENS TAX CREDIT INFORMATION

If you recently received a WV/SCTC-1 in the mail from the West Virginia State Tax Department for the Homestead Exemption program administered at the county level, you may be entitled to claim a refundable state income tax credit.
