2019 Form 140 - Standard Deduction Increase for Charitable Contributions

You must complete this worksheet if you are taking an increased standard deduction for charitable contributions. Include the completed worksheet with your tax return, when filed. If you do not include the completed worksheet, your standard deduction will not be increased.

For taxable years beginning from and after December 31, 2018, certain taxpayers electing to take the Standard Deduction may *increase* the standard deduction amount by 25% (.25) of the total amount of the taxpayer's charitable deductions that would have been allowed if the taxpayer elected to claim itemized deductions on the Arizona return.

Charitable contributions (lines C1, C2, and C3) are those gifts allowed on federal 1040 Schedule A (Gifts to Charity) that you would have claimed had you elected to take itemized deductions on your federal return.

Complete the worksheet to determine the increased amount allowed in addition to your standard deduction.
