

This page is only to be signed by the owner of a residential property who does not own a wind or solar energy system after it is installed on the residential property. LAC 61:1.1907(E)(10)(j) provides that “when a system is installed by a third party owner, a complete and signed fourth page of Form R-1086” is required. This page should be included with Form R-1086 by the third party owner of the energy system who is claiming the credit.

PLEASE PRINT OR TYPE.
