Purpose of Form Maryland law provides for an extension of time to file the pass-through entity income tax return (Form 510), but not to pay the tax due. Use Form 510E to remit any tax that may be due. Also use Form 510E if this is the first filing of the entity, even if no tax is due.

Note: Do not use this form for:

- Corporations (except S corporations);
- Entities filing a Composite Return; or,
- Employer withholding tax.

General Requirements Extensions are allowable for up to seven months from the original due date for S corporations and up to six months from the original due date for all other pass-through entities. An automatic extension will be granted if Form 510E is filed by the original due date.

- **If no tax is due** - File the extension online or telefile. You must use Form 510E if this is the first filing of the entity.
- **If tax is due** - Make full payment by using Form 510E.

Do not mail the Form 510E if, after completing the Tax Payment Worksheet, no additional tax is due. Instead, you may telefile or file on our website unless this is the first filing of the pass-through entity. However, if an unpaid liability is disclosed when the return is filed, penalty and interest charges may be due in addition to the tax.
