2019 Form M-2210 Instructions

General Information

Who should use this form. If you are an individual, or a taxpayer taxed as an individual, you should use Form M-2210 to determine if your estimated and/or withholding tax payments were sufficient. If they were not, an underpayment penalty will be imposed, unless you qualify for one of the exceptions or waivers explained below.

Filing estimated tax vouchers. You are required to file estimated tax vouchers if you reasonably expect to pay more than \$400 in Massachusetts income tax on income which is not covered by withholding. For further information regarding estimated taxes, see the instructions for Form 1-ES Payment Vouchers or the publication *Should You Be Paying Estimated Taxes?*

Exceptions which avoid the penalty. No underpayment penalty will be imposed if:

- Your 2019 tax due after credits and withholding is \$400 or less.
- You were a qualified farmer or fisherman who filed and paid in full with your return by March 1, 2019. To qualify, your gross income from farming or fishing must be at least two-thirds of the annual gross income shown on your 2018 or 2019 return.
- You were a resident of Massachusetts for the full 12 months of the previous taxable year and were not liable for taxes.
- Your 2019 estimated payments and withholding (line 8) made on or before each installment due date in the taxable year equal or exceed the tax shown on your 2018 return divided among the four installment due dates provided that such return was for a full 12-month period.

If you qualify for an exception, do not complete lines 14 through 24. Instead, check the appropriate box on the front of this form and fill in the "EX" oval on the back of Form 1 or Form 1-NR/PY. Enclose this form with your return. If you qualify for the first exception (your 2018 tax due after credits and withholding is \$400 or less) you do not need to complete this form.

Waiver of underpayment penalty. A waiver of underpayment penalty for one or more installments may be granted if:

- Your underpayment was by reason of casualty, disaster or unusual circumstance; or
- You retired in 2018 or 2019 after reaching age 62, or you became disabled and your underpayment was due to reasonable cause and not willful neglect.

If you qualify for the waiver, complete lines 7 through 13 for the installment for which you are claiming a waiver, and write "WAIVER" in the appropriate box in line 14. Fill in the "EX" oval on the back of Form 1 or Form 1-NR/PY. Enclose this form and an explanation of your reasons for claiming the waiver with your return.

Line-by-Line Instructions

Figuring your underpayment & penalty. To determine the underpayment amount, complete lines 1 through 13, in order of installment due dates, taking care to complete all four columns for lines 7 through 13.

Line 5

- If you filed a return for 2018 and it was for a full 12 months, enter your 2018 tax liability after credits.
- If you were a resident of Massachusetts for 12 months in 2018 and you were not liable for taxes, enter 0.
- If you did not file a return for 2018, or if your 2018 tax year was less than 12 months, do not complete line 5. Instead, enter the amount from line 4 in line 6.

Line 9

If more than one payment is made for a given installment, attach a separate penalty computation for each payment.

If you had any taxes withheld during the year, you may apply an equal part of those taxes as payment on each required installment. If you can establish the actual dates and amounts of your withholding, you may consider those amounts as payments on the dates they were actually withheld.

Line 12

If line 12 shows an overpayment, that overpayment may be used as payment of any existing underpayment amount. Overpayments used as payments of prior underpayment amounts do not decrease the actual underpayment amount but serve to reduce instead the period of underpayment subject to penalty. If there are no existing underpayment amounts, the overpayment is applied as a credit against the next installment.

Line 13

If line 13 shows an underpayment, see the General Information section to determine whether you qualify for an exception to, or waiver of, the underpayment penalty. If you do not qualify, continue on through line 24 to determine your underpayment penalty.

Part 4. Annualized income installment method. If you do not receive taxable income evenly throughout the year, you may wish to annualize your income to adjust your required installment amount. Enter any adjusted installment amount in the appropriate column in line 8 and calculate any underpayment penalty from those figures. Write "ANNUALIZED" under the column in line 24.

Fiscal year taxpayers. If you file on a fiscal year basis and are subject to an underpayment penalty, attach a separate statement to calculate the penalty due based on the interest rate in effect for the period of the underpayment.
