2019 Schedule KS Instructions

Shareholder's use of information provided on Schedule KS

Purpose of Schedule KS

Schedule KS is a supplemental schedule provided by the S corporation to its shareholders. The shareholders need this information to complete:

- Form M1, *Minnesota Individual Income Tax Return*
- Form M2, *Minnesota Income Tax Return for Estates and Trusts*
- Form M2SB, *Minnesota Income Tax Computation for S Portion of ESBT*

A shareholder who is a Minnesota resident will be taxed by Minnesota on all of his or her distributive income from the S corporation even if the income is apportioned between Minnesota and other states. A nonresident shareholder will be taxed on the Minnesota distributive income from the S corporation.

These instructions are intended to help you report your share of the S corporation's income, credits and modifications on your Minnesota return.

You must include Schedule KS when you file your Form M1. If you do not include the schedule with your return as required, the department will disallow any credits and assess the tax or reduce your refund.

If you received an amended Schedule KS from the S corporation and your income or deductions have changed, you must file an amended Minnesota return. To amend your return, use Form M1X, *Amended Minnesota Income Tax Return* or Form M2X, *Amended Income Tax Return for Estates and Trusts*.

Line 21 — Enterprise Zone Credit

Include on line 7 of Schedule M1REF. To claim this credit, you *must* include this schedule with Form M1.

Line 26 — Minnesota Source Gross Income

Minnesota source gross income is used to determine if a nonresident is required to file a Minnesota income tax return. Gross income is income before business or rental deductions and does not include losses.

If your 2019 Minnesota source gross income is \$12,200 or more and you did not elect composite filing, you are required to file Form M1 and Schedule M1NR, *Nonresidents/Part-Year Residents*.

If your 2019 Minnesota source gross income is less than \$12,200 and you had Minnesota tax withheld (see line 38), file Form M1 and Schedule M1NR to receive a refund.

Lines 27–36 — Minnesota Portion of Federal Amounts

Lines 27–36 apply to nonresident shareholders. All income of a Minnesota resident is assigned to Minnesota, regardless of the source.

If certain items are not entirely included in your federal adjusted gross income because of passive activity loss limitations, capital loss limitations, section 179 limitations or for other reasons, include only the amounts that you included in your federal adjusted gross income.

Include the amounts from lines 27–36 on the corresponding lines in column B of Schedule M1NR.

Lines 38–40 — Composite Income Tax and Nonresident Withholding

Although Minnesota source gross income (line 26) determines whether you must file a Minnesota return, your Minnesota source distributive income is ultimately taxed.

Lines 38–40 were used to determine your share of the S corporation's Minnesota source distributive income. You may need to refer to these amounts when you file your home state's income tax return.

If you are required to pay Minnesota tax on your Minnesota source distributive income, the S corporation is required to withhold tax, unless you elect to have the S corporation pay composite tax to Minnesota on your behalf. If you elected for the S corporation to pay composite tax, you are not required to file Form M1.

Line 38. Your Minnesota source distributive income is considered your Minnesota taxable income from this S corporation.

If the amount on line 38 for Minnesota income tax was withheld, you must include your Minnesota source distributive income from line 38 on Schedule M1W, line 7, column B.

Line 39. If you elected composite income tax, the amount paid on your behalf equals 9.85 percent of your Minnesota taxable income on line 38, minus your share of any credits on lines 18–21. You are not required to file Form M1.

Line 40. If you did not elect composite income tax, the S corporation may be required to withhold tax from your Minnesota source distributive income. The amount withheld equals 9.85 percent of your Minnesota taxable income on line 38, minus your share of any credits on lines 18–21.

To claim nonresident withholding when you file your Form M1, include the amount from Schedule KS, line 40 on Schedule M1W, line 7, column C. Also include the amount from Schedule KS, line 38 on Schedule M1W, line 7, column B. You must include this schedule when you file your return.
