Instructions for PA-20S/PA-65 Schedule M

Reconciliation of Federal-Taxable Income (Loss)
to PA-Taxable Income (Loss)

PA-20S/PA-65 M IN (PT) 08-19

GENERAL INFORMATION

PURPOSE OF SCHEDULE

The purpose of Schedule M is to determine the proper classification of federal income for Pennsylvania purposes and to determine the Pennsylvania business net income (loss) and/or rental/royalty income (loss) according to Pennsylvania personal income tax rules and regulations. All entities file PA-20S/PA-65 Schedule M whether there are adjustments to federal income (loss) amounts or not.

PA-20S/PA-65 SCHEDULE M, PART I

Part I must be used to classify taxable income (loss) as shown on federal Form 1120S or federal Form 1065 for Pennsylvania personal income tax purposes. The entity must classify federal amounts using Pennsylvania personal income tax rules. Refer to the PA Personal Income Tax Guide - Pass Through Entities, Classifying Federal Schedule K Lines for Pennsylvania Personal Income Tax Purposes.

PA-20S/PA-65 SCHEDULE M, PART II

Part II must be used:

- To reconcile the entity's federal business income (loss) and rental/royalty income (loss) to Pennsylvania income (loss). If the entity is separately allocating income, keeps separate books and records for financial statement purposes, and there are no business transactions between multiple businesses, the "Pennsylvania-Allocated Income (Loss)" column and the "Total Rental Income (Loss) or Total Business Income (Loss) Before Apportionment" column will be completed. If the entity is apportioning its income, complete only the "Total Rental Income (Loss) or Total Business Income (Loss) Before Apportionment" column.
- Rental income must be allocated between inside Pennsylvania and outside Pennsylvania. Apportionment is not allowed.
- The Pennsylvania business activity net income (loss) must be determined on a separate PA-20S/PA-65 Schedule M, Part II from the entity's rental/royalty activity net income (loss).
- The entity should complete the appropriate PA-20S/PA-65 Schedules A, B and D to adjust the federal income to Pennsylvania income. Each of these classes of income represent interest, dividend and gain (loss) on the sale, exchange or disposition of property. Using PA-20S/PA-65 Schedule M, Part II for the other income classes results in the improper classification of income and reporting errors.

LINE INSTRUCTIONS

PART I

CLASSIFYING FEDERAL INCOME (LOSS) FOR PENNSYLVANIA PERSONAL INCOME TAX PURPOSES

Classify, without adjustment for Pennsylvania personal income tax rules, the federal income (loss) from federal Form 1120S, Schedule K or federal Form 1065, Schedule K. The entity must classify the amounts from the federal categories to the reportable Pennsylvania personal income tax classes of income. The total of the specific federal line items should equal the total of the federal schedule.

Refer to the PA Personal Income Tax Guide - Pass Through Entities, Classifying Federal Schedule K Lines for Pennsylvania Personal Income Tax Purposes.

For each line in Column (a), Federal Income (loss), analyze the components of the federal amounts. Then classify the federal amounts to the applicable Pennsylvania income class in its entirety or the appropriate portion of each amount, without adjustment for Pennsylvania personal income tax rules. If the entity does not have to classify an income (loss) amount, place that amount in the appropriate column for the Pennsylvania income class. The PA S corporation or partnership will reflect federal and state differences from Column (c) through (e) on the corresponding Pennsylvania schedules. Columns (b) and (f) are reported on PA-20S/PA-65 Schedule M, Part II for further adjustment as required.

LINE INSTRUCTIONS

PART II

Specific instructions for most of the lines are provided. Lines that are not discussed are self-explanatory.

DETERMINING PENNSYLVANIA-REPORTABLE INCOME (LOSS) BY CLASSIFICATION

Use PA-20S/PA-65, Schedule M, Part II to reconcile the entity's federal business income (loss) and/or rental/royalty income (loss) to Pennsylvania income (loss). If the entity is

separately allocating income, keeps separate books and records for financial statement purposes, and there are no business transactions between multiple businesses, the "PA-Allocated Income (Loss)" Column and the "Total Rental Income (Loss) or Total Business Income (Loss) Before Apportionment" Column will be completed.

For the business class of income if the entity is apportioning its income, complete only the "Total Rental Income (Loss) or Total Business Income (Loss) Before Apportionment" Column.

SECTION I

FEDERAL CLASSIFICATION INCOME (LOSS)

Enter the Pennsylvania-classified net income (loss) from Part I, Column (b), or enter the Pennsylvania-classified net rental income (loss) from Part I, Column (f). The Pennsylvania business activity net income (loss) must be determined on a separate PA-20S/PA-65 Schedule M, Part II from the entity's rental/royalty activity net income (loss).

 **IMPORTANT:** Part II, Section I, Box 2 must show total worldwide rental income. Rental income cannot be apportioned.

SECTION II

ITEMIZE INCOME ADJUSTMENTS THAT INCREASE PENNSYLVANIA- REPORTABLE INCOME (REDUCE THE LOSS FROM THE FEDERAL FORM)

LINE a

DEFERRED INCOME RELATING TO ADVANCE PAYMENTS FOR GOODS AND SERVICES

Pennsylvania personal income tax requires income to be taxed in the year of receipt. Pennsylvania does not allow the deferral of income related to advanced payments for goods and services as allowed under IRC §451 and Internal Revenue Procedure 2004-34. Items reported on this line must be reversed in Section III, Line d the following tax year.

LINE b

DIFFERENCE IN QUALIFIED GAIN (LOSS) FOR EACH BUSINESS SALE OF PROPERTY

A qualified gain (loss) for each business sale of property is when the entity reinvests the proceeds from the sale of the assets in like-kind property in the same line of business within the same entity. "Line of business" is defined by the North American Industry Classification (NAICS) code.

The amount reported on this line is when Pennsylvania gain is higher than the federal gain or the Pennsylvania loss is less than the federal loss.

LINE c

GAIN FROM BUSINESS LIKE-KIND EXCHANGES

A "like-kind exchange" refers to property that has been exchanged for similar property. For example: a taxpayer exchanged land in Pennsylvania for land in Florida. Under the Internal Revenue Code (IRC) a gain (loss) is not recognized and is deferred until the like-kind property is sold.

Pennsylvania tax law contains no such provision, the difference between the basis of the old property and the current

market value of the property received in exchange is the taxable gain and reported on this line.

LINE d

RESERVED FOR FUTURE USE

LINE e

INCOME FROM CANCELLATION OF DEBT THAT PENNSYLVANIA TREATS DIFFERENTLY FROM FEDERAL RULES

The department published several bulletins which discuss the taxability of cancellation of debt. To determine taxability, refer to PIT Bulletins 2009-04, 2009-05 and 2009-06 on the department's website.

LINE f

INCREASES IN INCOME IN THE YEAR OF CHANGE RESULTING FROM SPREAD IN THE YEAR OF CHANGE ASSOCIATED WITH IRC SECTION 481(A) ADJUSTMENT

Accounting change must be taken in the year it is adjusted.

LINE g

INCOME FROM OBLIGATIONS OF OTHER STATES AND ORGANIZATIONS THAT IS NOT EXEMPT FOR PA PURPOSES

Interest on obligations of other states and territories, their political subdivisions and instrumentalities is taxable for Pennsylvania personal income tax purposes.

LINE h

OTHER TAXABLE INCOME FOR PENNSYLVANIA PURPOSES THE ENTITY DOES NOT REPORT FOR FEDERAL PURPOSES. SUBMIT STATEMENT

Include other kinds of income that are taxable for Pennsylvania purposes but the entity does not report for federal purposes. Include passive or at-risk-loss carryover amounts deducted on federal Form 8825. Pennsylvania does not allow carryover of losses. Loss from a pass through entity is included on this line in determining net profits for personal income tax purposes. The pass through loss should be added to business income and reported on PA-20S/PA-65 Information Return, Section I, Line 1b. Submit an itemized statement describing each income.

SECTION II

TOTAL

Total Lines a through h as follows:

PENNSYLVANIA ALLOCATED INCOME (LOSS) COLUMN

Add Boxes 1, 3, 5, 9, 11, 13 and 15. Enter the result in Part II, Section II, Box 17.

TOTAL RENTAL INCOME (LOSS) OR TOTAL BUSINESS INCOME (LOSS) BEFORE APPORTIONMENT COLUMN

Add Boxes 2, 4, 6, 10, 12, 14 and 16. Enter the result in Part II, Section II, Box 18.

SECTION III**ITEMIZE INCOME ADJUSTMENTS THAT DECREASE THE PENNSYLVANIA REPORTABLE INCOME. (INCREASE THE LOSS FROM THE FEDERAL FORM)****LINE a****DIFFERENCE IN QUALIFIED GAIN (LOSS) FOR EACH BUSINESS SALE**

A qualified gain (loss) for each business sale of property is when the entity reinvests the proceeds from the sale of the assets in like-kind property in the same line of business within the same entity. "Line of business" is defined by the North American Industry Classification (NAICS) code.

This line represents a decrease in reportable income as the Pennsylvania gain is less than the federal gain or the Pennsylvania loss is higher than the federal loss.

LINE b**INCOME FROM OBLIGATIONS OF THE U.S. GOVERNMENT AND OTHER ORGANIZATIONS THAT IS NOT TAXABLE FOR PA PURPOSES**

Interest on obligations issued by or on behalf of the U.S. government is not subject to Pennsylvania personal income tax.

LINE c**DECREASES FOR PREVIOUSLY REPORTED INCOME IN PRIOR YEAR RESULTING FROM SPREAD ASSOCIATED WITH IRC SECTION 481(A)**

The amount reported on this line is the federal spread from the IRC Section 481 adjustment. The entire amount should be reported in the year of the change for Pennsylvania purposes. If you did not report the entire adjustment in the year of the change for Pennsylvania purposes, **do not** decrease Pennsylvania reportable income.

LINE d**OTHER PENNSYLVANIA NONTAXABLE INCOME THE ENTITY REPORTED FOR FEDERAL PURPOSES. SUBMIT STATEMENT**

Include other kinds of income that are not taxable for Pennsylvania purposes but the entity had to report for federal purposes.

Income from a pass through entity is included on this line to determine net profits for personal income tax purposes.

Pass through income should be deducted from business income and reported on PA-20S/PA-65 Information Return, Section I, Line 1b. If an itemized statement is not submitted describing each income item, the income item may be denied.

These adjustments increase Pennsylvania reportable income (reduce the loss from the federal form). The entity should refer to the PA Personal Income Tax Guide - Deductions and Credits for Pennsylvania rules governing the expenses it may deduct for federal purposes, but may not deduct to determine its income (loss) for Pennsylvania.

LINE a**TAXES PAID ON INCOME SUBMIT REV-1190**

The Philadelphia Business Income and Receipts Tax includes two components:

DIFFERENCES IN DEPRECIATION/AMORTIZATION TAKEN FOR PENNSYLVANIA AND FEDERAL PURPOSES

Include amount in years where there is a federal bonus depreciation expense. Pennsylvania does not allow bonus depreciation.

Act 52 of 2013, allows a taxpayer to amortize the intangible drilling and development costs it incurs. The election must be taken by the person (entity) that incurs the costs. Include in the amount of the adjustment the amortization the entity incurs for intangible drilling costs.

For tax years beginning on or after January 1, 2014, Pennsylvania allows the option of amortizing IDCs over a ten-year period or taking up to one-third of the cost in the first year and amortizing the remainder over ten years beginning in the tax year the costs are incurred.

LINE c

LINE d

Please refer to the PA Personal Income Tax Guide - Pass Through Entities.

LINE e

DIFFERENCES IN DEPRECIATION FOR BONUS DEPRECIATION

Pennsylvania law does not allow bonus depreciation. Therefore, reduce the entity's depreciation expense by the difference after subtracting the allowable Pennsylvania depreciation expense using the generally accepted method the entity elected from its federal bonus depreciation. Alternatively, subtract the entire amount of bonus depreciation and claim the Pennsylvania-allowable depreciation expense Section VI, Line c.

LINE f

EXPENSE ADJUSTMENTS TO QUALIFY FOR THE PENNSYLVANIA CREDITS CLAIMED IN SECTION V OF THE PA-20S/PA-65

Pennsylvania does not allow the deduction of certain expenses used to qualify for the Neighborhood Assistance

Program and the Educational Improvement tax credits. If the expenses were deducted in calculating federal-taxable income, the amount should be reported as a reduction in expenses on line f. Do not reduce Pennsylvania-taxable income by amounts paid to qualify for the credit.

LINE g

Include other kinds of expenses that are not deductible for Pennsylvania purposes but the entity had to report for federal purposes. Submit an itemized statement describing each income item.

The entity should refer to the PA Personal Income Tax Guide - Pass Through Entities for instructions for the Pennsylvania rules governing the expenses it may not deduct for federal purposes, but can deduct in determining its income (loss) for Pennsylvania.

LINE a

BUSINESS MEALS AND ENTERTAINMENT EXPENSES THAT THE ENTITY COULD NOT DEDUCT

Pennsylvania allows 100 percent of customary and reasonable amounts expensed on business meals and entertainment.

The amount disallowed for federal purposes is taken as an expense on PA-20S/PA-65, Schedule M, Part II, Section VI, Line a. This adjustment decreases Pennsylvania-reportable income.

LINE b

SALES TAX ON DEPRECIABLE ASSETS

Pennsylvania allows the immediate expensing of sales tax paid on depreciable assets.

Federal law requires the sales tax to be added to the basis of the depreciable asset. If the sales tax is deducted on this line, **do not** add it to depreciable basis for Pennsylvania personal income tax purposes.

LINE c

DIFFERENCES IN DEPRECIATION/AMORTIZATION TAKEN FOR PENNSYLVANIA AND FEDERAL PURPOSES

Include amount when Pennsylvania depreciation expense is greater than federal depreciation expense due to allowances of federal bonus depreciation expenses and excess IRC §179 deductions in previous years.

Act 52 of 2013, allows a taxpayer to amortize the intangible drilling costs it incurs. The election must be taken by the person (entity) that incurs the costs. Include in the amount of the adjustment the amortization the entity incurs for intangible drilling and development costs.

For tax years beginning on or after January 1, 2014, Pennsylvania permits the option of amortizing IDCs over a ten-year period or taking up to one-third of the cost in the initial year and amortizing the remainder over ten years beginning in the tax year the costs are incurred. In addition to the amount of depreciation expense reported as a result of any bonus depreciation or excess IRC §179 deductions for federal purposes, enter the total amount reported from Schedule I, Section III, Line 8.

The Pennsylvania deduction is taken when federal Form 1065, Schedule K, Line 1 is transferred to PA-20S/PA-65 Schedule M, Part II, Section I.  **NOTE:** Pennsylvania personal income tax law allows IRC §179 property deduction on a limited basis. The maximum expense that Pennsylvania personal income tax law permits using IRC §179 is \$25,000. The \$25,000 limit applies to the entity as well as each owner. The IRC §179 expense is phased out when purchases exceed \$200,000. Federal increases in dollar limits after 1997 do not apply.

 **TIP** You do not need to expense assets using IRC §179 on your federal return in order to claim the expense on your PA return.

LINE e

EXPENSES FOR EMPLOYEES INCLUDING PA S CORPORATION SHAREHOLDER-EMPLOYEES

Include federal nondeductible expenses that are deductible for Pennsylvania such as health insurance for PA S corporation shareholder-employees.

If shareholder health insurance expense is included on Schedule M, Part I, Line 1 a (federal income (loss)) then it cannot be deducted on Schedule M, Part II, Section VI, Line e.

Also, for Pennsylvania personal income tax purposes, if the health plan is non-discriminatory, regardless of the percentage of the shareholder, it is not included in the shareholder wages and is deductible for the S corporation.

For Pennsylvania personal income tax purposes, if the health plan is discriminatory, regardless of the percentage of the shareholder, it is included in the shareholder wages and is deductible for the S corporation.

Non-discriminatory plans include all employees.

Discriminatory plans include only some employees and the health package is enhanced.

LINE f

LIFE INSURANCE PREMIUMS

(PA S CORPORATION OR PARTNERSHIP AS BENEFICIARY)

Pennsylvania allows the deductions of premiums. However, if the entity is deducting life insurance premiums for which it is a beneficiary for Pennsylvania purposes, the proceeds are taxable for Pennsylvania personal income tax purposes.

Pennsylvania does not allow an expense deduction for life insurance premiums if the life insurance proceeds are to be used to fund a buy or sell arrangement or merely free up funds to buy out a decedent's interest. The proceeds are not taxable at the owner's level.

If the exclusive purpose of the policy is to keep the business going, including insurance policies to secure business loans, the insurance premiums are deductible and the proceeds are taxable.

Include the proceeds in ordinary income when determining net income or loss from the operation of the activities of the entity.

LINE g
