Instructions for the D-30

Who must file Form D-30?

Generally, an unincorporated business, with gross income (Line 11) more than \$12,000 from District sources, must file a D-30 (whether or not it has net income). This includes any business carrying on and/or engaging in any trade, business, or commercial activity in DC with income from DC sources.

- To determine if you need to file, please note that gross income includes revenue from all DC sources after deducting the cost of goods sold, but before taking expenses and other deductions allowed when calculating net income.
- The act of carrying on or engaging in a trade or business in DC is determined by the nature and extent of the unincorporated business' activities in DC conducted by: its owners; members; or through employees, consultants, agents or other representatives.

An unincorporated business with gross income in DC of over \$12,000 from any of (but not limited to) the activities listed below, must also file a D-30 return:

- Rental of real or tangible personal property; or
- Leasing of real or tangible personal property; or
- Any other similar arrangement.

If a business is terminated as the result of the sale of its assets, even if there is no tax due, the business is required to file a final D-30.

If the sale of a business' assets results in termination of the business – the owner(s) must report gain/loss on their individual return. (There may also be depreciation recapture to report on a D-30.)

NOTE: The term "unincorporated business" does not include a trade or business that arises solely by reason of the purchase, holding, or sale of, or the entering, maintaining, or terminating of positions in, stocks, securities, or commodities for the taxpayer's own account.

An unincorporated business with gross income of \$12,000 or less is not subject to franchise tax or minimum tax even if it files a D-30 return for the purpose of obtaining a Certificate of Clean Hands.

You may have to file other DC returns if you have other business activities with gross income of \$12,000 or less and you operated as:

- A partnership, you must file a Form D-65;
- A DC resident sole proprietor, you must file a Form D-40; or
- A DC resident trust, you must file a Form D-41.

Multiple businesses

If an individual or group of individuals carries on two or more distinct unincorporated businesses in DC (none of which are exempt), they must be reported on one return. Include all income and expenses on that one return. You may provide separate computations to show the net income or loss of each business.

Taxicab/Limo Drivers

Any non-resident taxicab/limo driver who operates a motor vehicle for hire in the District must file a Form D-30. The filing of the D-30 is a requirement for operating or continuing to operate a motor vehicle for hire in the District by a non-resident.

Minimum Tax

The minimum tax is \$250 if DC gross receipts are \$1M or less. Minimum tax is \$1,000 if DC gross receipts are greater than \$1M. DC Gross receipts for purposes of minimum tax includes District gross receipts that are derived from any activity such as sales, rents, services, commissions, etc., from any source within the District. Gross receipts are determined without deduction of any expenses.

NOTE: Each member of a combined group must use the Minimum Tax Liability Gross Receipts (MTLGR) worksheet for the purposes of determining a minimum tax liability of a member whose computed tax is less than the minimum tax.

See Minimum Tax Liability Gross Receipts Worksheet (MTLGR) below. You must complete Schedule F even if your operation is 100% in the District.

	Minimum Tax Liability Gross Receipts (MTLGR) Worksheet						
	DC gross receipts for minimum tax due and only for minimum tax due is computed as follows

Minimum Tax

The minimum tax is \$250.00 if the amount on Line 4 above is \$1,000,000 or less.

The minimum tax is \$1,000.00 if the amount on Line 4 above is greater than \$1,000,000.

Who does not have to file Form D-30?

You do not have to file if -

- Total gross income (Line 11) is \$12,000 or less; or
- The trade or business is by law, custom or ethics, unable to incorporate; or
- The trade or business is licensed by DC to a blind person, for operating a stand in a federal building; or
- It is a trade, business or professional organization where:
 - more than 80 percent of its gross income is derived from personal services actually rendered by owners or members of the business; and
 - Capital is not a material income-producing factor; or
- You are:
 - An organization recognized as exempt from DC taxes unless you have unrelated business taxable income, as defined in Internal Revenue Code (IRC) §512; or
 - A professional corporation, incorporated under the DC Professional Corporation Act and, therefore, file a Form D-20.
 - A Qualified High Technology Company (QHTC) business that is not incorporated. A QHTC business that is not a corporation is exempt from the unincorporated business franchise tax. However, you must file a D-65 Partnership Return, or a D-40 Individual Income Tax Return with a copy of Federal Schedule C attached.

Personal services include any activity performed in the fields of accounting, actuarial science, architecture, consulting, engineering, health (including veterinary services), law, and the performing arts.

NOTE: If an individual or group of individuals is engaged in two or more separate and distinct businesses during the tax year, each business is separate when determining tax-exempt status.

Which other DC forms or schedules may unincorporated businesses need to file?

To download DC tax forms, visit MyTax.DC.gov.

Business Nonrefundable and Refundable Credits, Schedule UB The various nonrefundable and refundable credits available to unincorporated businesses have been consolidated on Schedule UB. The total nonrefundable credits from Schedule UB, Line 20 are reported on Line 38 of the D-30. The total refundable credits from Schedule UB, Line 22 are reported on Line 41(d).

FR-130, Extension of Time to File a DC Unincorporated Business Franchise Tax Return

You may request an extension of time to file your return by filing DC Form FR-130 (copy included in this booklet) no later than the return due date. An extension of time to file is not an extension of time to pay. You must pay any tax liability with the extension request, otherwise the request will be denied. Do not use the federal extension form for DC tax purposes. For combined report filers, the designated agent shall file.

D-30ES, Declaration of Estimated Franchise Tax for Unincorporated Business

An unincorporated business must file a declaration of estimated franchise tax if it expects its DC unincorporated business franchise tax liability to exceed \$1000 for the taxable year. See Form D-30ES and the Declaration of Estimated Franchise Tax for Unincorporated

Businesses booklet for payment vouchers and details. You will automatically be assessed a penalty for any underpayment of DC estimated tax.

Note: Electronic payment required. If the amount of the payment due for a period exceeds \$5,000, you must pay electronically. Visit MyTax.DC.gov.

D-2220, Underpayment of Estimated Tax Installments

You will be charged interest of 10 percent per year, compounded daily, on underpayments of estimated franchise tax installment payments. The charge is computed from the installment payment due date to the date the tax is paid. It is in addition to the penalty imposed for false statements. Interest will be assessed automatically by OTR's integrated tax system. For additional information, see Form D-2220, Underpayment of Estimated Franchise Tax by Businesses. Attach a completed Form D-2220 with your D-30.

FR-1500 Ballpark Fee

If you have \$5 million or more in annual DC Gross Receipts, you must file and pay the ballpark fee, with Form FR-1500, electronically. For details, visit MyTax.DC.gov. Note: Each member of a combined group is responsible for filing and paying its own ballpark fee.

Combined Reporting

The District of Columbia no longer permits consolidated filing for tax years beginning after December 31, 2010. For tax years beginning after December 31, 2010, a corporation or unincorporated business entity subject to tax in the District of Columbia, engaged in a unitary business with one or more corporations or unincorporated business entities, is required to file a combined report pursuant to DC Official Code §47-1805.02a.

Combined reporting is a tax reporting method where all of the members of unitary group are required to determine their net income based on the activities of the unitary group as a whole. Unitary group members will calculate their taxable net income derived from the unitary business as its apportioned share of the income or loss of the combined group engaged in the unitary business.

A "Unitary business" means a single economic enterprise that is made up either of separate parts of a single business entity or of a commonly owned or controlled group of business entities that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide synergy and mutual benefit that produces a sharing or exchange of value among them and significant flow of value to the separate parts.

If you are filing a combined report, enter the designated agent information and shade the "fill in if Combined Report" oval on page 1 of the return. Complete and submit Combined Reporting Schedules 1A, 1B, 2A, and 2B, along with the Combined Group Members' Schedule, and the Worldwide Combined Reporting Election Form, if applicable. In addition, attach Federal Schedules J, M, M-3, Federal UTP, if applicable, and Federal Forms 851, 5471, 5472, 8833, 8868, 8886, and 8975 (including Schedule A), if applicable.

The combined reporting regulations are contained in DC Municipal Regulations (DCMR) Title 9, Taxation and Assessments, §§156 through 176. Instructions and Schedules for combined reporting are located on our website at MyTax.DC.gov.

When are your taxes due?

If you are a calendar year filer, file your return and pay any tax due by April 15th. If you are a fiscal year filer, file your return and pay by the fifteenth day of the fourth month after your tax year closes. If the due date falls on a Saturday, Sunday, or legal holiday, the return is due the next business day.

Taxable year

Enter your tax period ending date on page 1 of the D-30. It may be either a calendar year or fiscal year. You must receive OTR approval to change your taxable year. Combined report filers shall use the designated agent's tax year.

NOTE: The District has decoupled from the section of the American Recovery and Reinvestment Act of 2009 which allows an exclusion and deferral from gross income of a discharge of indebtedness. For District tax purposes, a discharge of indebtedness results in income that is includible in gross income. However small business loans awarded due to section 1106 of the Coronavirus Aid, Relief and Economic Security Act are excluded from gross income.

Filing your return

By Modernized e-File (MeF)

MeF offers most DC Corporate taxpayers a full federal/state electronic filing program. There are three ways in which taxpayers can file their federal and District returns together electronically:

- 1. Through an authorized software provider listed on the Internal Revenue Service (IRS) website;
- 2. Through a tax practitioner who is an authorized e-File provider; or
- 3. Through a commercial online filing service. This allows taxpayers to transmit their DC and federal returns from their PC for a fee.

Note: An Unincorporated business must have an FEIN to file through MeF.

Substitute forms

You may file your DC Unincorporated Business Franchise Tax Return using a computer-generated substitute form, provided the form is approved in advance by the Office of Tax and Revenue (OTR). The fact that a software package is available for retail purchase does not mean that the substitute form has been approved for use. Call or check with the software developer to determine if its form is approved by DC OTR.

By mail

If mailing a return with a <u>payment</u>, make the check or money order (US dollars) payable to the DC Treasurer. Write your Taxpayer Identification Number (TIN), 'D-30', and the tax year on the payment. Staple your payment to the voucher Form D-30P. Do not attach the D-30P and payment to the D-30 return. Send your return and payment to:

Office of Tax and Revenue PO Box 96165 Washington, DC 20090-6165

 If mailing a <u>no payment due or refund</u> return, send the return to:

> Office of Tax and Revenue PO Box 96193 Washington, DC 20090-6193

Mail labels for these two post office boxes are on the back flap of the return envelopes included in this booklet.

Send in your original DC return with any schedules, not a copy. Fold your return once. Be sure to keep a copy for your records.

Payment Options

Refer to the Electronic Funds Transfer (EFT) Payment Guide available on the DC website at MyTax.DC.gov for instructions for electronic payments.

Payment options are as follows:

- ACH Debit. There is no fee. Taxpayers' bank routing and account numbers are stored within their online account. This account can be used to pay any existing liability. The taxpayer gives OTR the right to debit the money from their bank account. The use of foreign bank accounts for business ACH Debit is not allowed.
- Credit/Debit Card. The taxpayer may pay the amount owed using Visa®, MasterCard®, Discover® or American Express®. You will be charged a fee equal to 2.5% of the tax payment. The fee is paid directly to the District's credit card service provider. Payment is effective on the day it is charged.
- ACH Credit. ACH credit is for business taxpayers only. There is no fee charged by OTR, but the taxpayer's bank may charge a fee. The taxpayer directly credits OTR's bank account.

Note: When making ACH Credit payments through your bank, please use the correct tax type code (00260) and tax period ending date (YYMMDD).

 Check or money order. Include a check or money order, (US dollars) payable to the DC Treasurer, with your completed return. Write your Federal Employer Identification Number (FEIN), daytime telephone number, '2020', and 'D-30' on the check or money order. Attach your payment to the Form D-30P Payment Voucher provided in this booklet. Mail the D-30P with, but not attached to the D-30 tax return to:

> Office of Tax and Revenue PO Box 96165 Washington, DC 20090-6165

Note: <u>International ACH Transaction (IAT)</u>. Your payment cannot be drawn on a foreign account. Pay by money order (US dollars) or credit card instead.

Dishonored Payments

Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

Penalties and interest

OTR will charge -

- A penalty of 5% per month if you fail to file a return or pay any tax due on time. It is computed on the unpaid tax for each month, or fraction of a month, that the return is not filed or the tax is not paid. It may not exceed an additional amount equal to 25% of the tax due;
- A 20% penalty on the portion of an underpayment of taxes if attributable to negligence. Negligence is a failure to make a reasonable attempt to comply with the law or to exercise ordinary and reasonable care in preparing tax returns without the intent to defraud. One indication of negligence is failure to keep adequate books and records;

- Interest of 10% per year, compounded daily, on a late payment;
- A one-time fee to cover internal collection efforts on any unpaid balance. The collection fee assessed is 10% of the tax balance due after 90 days. Payments received by OTR on accounts subject to the collection fee are first applied to the collection fee, then to penalty, interest and tax owed;
- A civil fraud penalty of 75% of the underpayment which is attributable to fraud (see DC Code §47-4212).

Special circumstances

Special rules on depreciation and §179 property

For federal tax purposes, businesses are allowed to deduct bonus depreciation and additional Internal Revenue Code (IRC) §179 expenses. However, for DC tax purposes, you may not claim the 30, 50, or 100 percent federal bonus depreciation or additional expenses allowed under IRC §179. Similarly, DC does not allow the acceleration of depreciation deductions currently allowed under the 2008 Economic Stimulus Act.

Office of Tax and Revenue (OTR) rulings

All rulings issued prior to December 31, 2002 were revoked. Tax-payers cannot rely on these rulings unless they were re-submitted to the OTR for review, and if approved, reissued. Direct any ruling questions to OTR, General Counsel at (202) 442-6500.

If you want to authorize your paid preparer, enter 'preparer' in the 'third party designee' block.

- · Give OTR any information missing from your return;
- Contact OTR for information about processing your return and the status of any refund or payment; and
- Request, receive and/or respond to OTR notices related to your return.

The authorization does not:

- · Otherwise represent you before OTR.

This authorization automatically ends on April 15, 2022 (without regard to extensions).

Explanation of terms

Business income

Income from transactions and activities in the regular course of the taxpayer's trade or business is business income. This includes income from tangible and intangible property if the acquisition, management and disposition of the property are part of the taxpayer's regular trade or business operations. Income of any type — manufacturing income, compensation for services, sales income, interest, dividends, rents, royalties, gains, operating and non-operating income from any class or from any source — is business income if it arises from transactions and activities occurring in the regular course of a trade or business. Whether income is business or non-business depends on the underlying transactions and activities which are the elements of a particular trade or business. In general, transactions and activities that depend on or contribute to the operation of your enterprise constitute your trade or business.

Commercial domicile

The principal place from which you direct or manage your trade or business.

Compensation

Wages, salaries, commissions and other forms of remuneration paid or accrued to employees for personal services.

Non-business income

All income except business income.

Transportation company

Any business engaged in transporting persons, goods or property of others for hire.

Sales

All gross receipts, including dividends, interest and royalties, considered to be business income which are not required to be allocated.

Taxable in another state

For purposes of allocating and apportioning income among DC and another jurisdiction, you must be subject in that jurisdiction to:

- a net income tax,
- a franchise tax measured by net income,
- a franchise tax for the privilege of doing business,
- a corporate stock tax in that state, or
- that state has the jurisdiction to subject the taxpayer to an income tax regardless of whether, in fact, the state does or does not.

Specific Instructions

Negative amounts

If you enter a negative amount on a line, fill in the oval to the left of the entry where it states "Fill in if minus". Do not enter a minus sign or parenthesis. Also, do not enter a negative number on a line that does not have a "Fill in if minus" indicator.

Allocation and apportionment of income

You must complete Schedule F even if your operation is 100% in the

District. Any unincorporated business carrying on a trade or business in DC and other jurisdictions must apportion its business income among DC and the other jurisdictions. Apportion the net income from trade or business activities using the appropriate apportionment factor. See Schedule F, page 4 of the D-30. You must allocate your non-business income.

Note: When using the D-30 to file a combined report, do not use or fill out Schedule F on page 4 to derive the apportionment factor for the combined group. Leave Schedule F blank. Use Combined Reporting Schedule 2A instead. Likewise, when each individual member derives its individual apportionment factor, do not use Schedule F. Individual members should use Combined Reporting Schedule 2B instead to derive their apportionment factor.

Non-business income allocation

Allocate items of non-business income to DC. The following gains and losses from sales or other dispositions of property are allocated to DC:

- Real property located in DC (other than realty used in the trade or business whether held for sale or otherwise);
- Tangible personal property (other than any tangible personal property used in the trade or business whether held for sale or otherwise) if:
 - The property had a situs in DC at the time of sale or other disposition; or
 - Your principal place of business is in DC and you are not taxable in the situs state.

All other non-business income from DC sources is allocable to DC.

Where income is allocable among DC and other jurisdictions, you must allocate all expenses, losses and other deductions incurred in the production of the income in the same way. Losses incurred in the production of non-business income are allowable if any profit from the transaction would have been taxable.

Other Form D-30 schedules

Schedule F - DC apportionment factor

All unincorporated businesses engaging in a trade or business both in and outside DC must use the single sales factor formula to apportion its business income. Unincorporated businesses domiciled in DC and not subject to tax elsewhere must report 100 percent of their net business income and allocate 100 percent of their non-business income to DC. Unincorporated businesses carrying on a trade or business in DC and in other jurisdictions must apportion trade or business income to DC. Multiply the total income by a fraction. The numerator is the taxpayer's total sales in DC during the tax year. The denominator is the taxpayer's total sales everywhere during the tax year. Sales other than sales of tangible personal property shall be apportioned to the District by using the market-based sourcing rules.

Sales factor

The sales factor, except for transportation companies, is a fraction. The numerator is the taxpayer's total sales in DC during the tax year. The denominator is the taxpayer's total sales everywhere during the tax year.

Transportation companies – the sales factor is a fraction. The numerator is the total revenue units the company first received as originating or connecting traffic at a point in DC. Add to this the total revenue units the company discharged or unloaded at a point in DC, at the termination of the transportation movement or for transfer to a connecting carrier. The denominator is twice the total revenue units originated everywhere during the tax year. One ton of freight equals one revenue unit; ten passengers equal one revenue unit. If the company's revenue is predominantly from transportation of passengers, you may use the number of passengers loaded and discharged, in place of originating and terminating tonnage.

Tangible personal property sales, including sales to the United States Government, are considered to occur in DC, no matter where title is transferred, F.O.B. point, or other sales conditions, if the property:

- is delivered or shipped to a purchaser in DC; or
- has an ultimate destination in DC, after all transportation (including any by the purchaser) is completed; or
- is delivered or shipped from an office, store, warehouse, factory, or other storage place in DC to a destination outside DC – and is not taxable in the state to which the property is shipped or delivered.

Except for transportation companies – non-tangible personal property sales are considered as occurring in DC if the income-producing activity or service is performed:

- in DC; or
- the proportion of the income-producing activity or service performed in DC is greater than that performed in any other jurisdiction.

General

If using the income allocation and apportionment rules results in a tax that does not fairly represent the tax liability arising from your trade or business in DC or from non-business sources in DC, you may petition for, or OTR may require, if reasonable:

- a separate accounting, unless the entity is conducting a unitary business;
- exclusion of one or more of the factors;
- inclusion of one or more additional factors that fairly reflect the extent of your trade or business in DC; or
- use of any other method to effect a fair allocation and apportionment of your income.

New Markets Tax Credit

DC taxable income does not include the gross income of a qualified community development entity as defined in IRC section 45D(c)(1) that has received an allocation or suballocation of new markets tax credits from the federal government under IRC section 45D(f). This exclusion applies to the extent the gross income is derived from one or more qualified low-income community investments as defined in IRC section 45D(d)(1). Complete Schedule G and enter on Line 23, Other allowable deductions.

Under provisions of DC Code §47-1805.01(a), you must enter the TIN of each of the owners. The TIN is necessary for the proper identification of an owner's tax account with DC and will be used only for tax administration purposes. Any additional names, TINs, etc. may be listed on an attachment filed with the return.

The **Organ and Bone Marrow Donor Act of 2006** provides a credit to an employer who allows up to 30 days paid leave to an employee who donates an organ and up to 7 days paid leave for donating bone marrow.

This is a non-refundable credit equal to 25% of the regular salary paid to the donor-employee during the leave period. This credit may not be used to reduce the \$250 or \$1,000 minimum tax. An employer claiming this credit may not also deduct the salary paid the donor-employee for the same leave period.

This credit is not available if the employee is eligible for leave under the Family and Medical Leave Act of 1993.

The 2011 Budget Support Act of 2010 authorized funds for the **Job Growth Incentive Act** tax credits. The credit must be approved by the Mayor in advance of starting the project. The process for applying for the credit is found in DC Official Code §47-1807.54.

The approval will provide the amount of the allowable credit and the periods for which the credit can be claimed if the employer continues to qualify. The allowable approved amount of the credit can be claimed on Schedule UB, Business Credits, Line 4 for D-20 filers or Line 15 for D-30 filers.

In order to apply for the credit, the employer must be planning a project that:

- Will bring a net job growth to DC of at least 10 new jobs with an average yearly wage of at least 120% of the average yearly wage of DC residents;
- Will increase income tax and payroll revenue for the DC;
- Will result in a retention of any new positions for at least one year; and
- Would not have occurred but for the job growth tax credit.

Beginning in 2014, through the taxable year ending December 31, 2026, there are 2 non-refundable credits allowed against DC Unincorporated Business Franchise Tax for: (1) alternative fuel infrastructure installation; and, (2) alternative fuel vehicle conversion. (See DC Code §47-1808.10 and §47-1808.11)

The **alternative fuel infrastructure credit** is a credit in the amount of 50% of the equipment and labor costs attributable to the purchase and installation of alternative fuel storage and dispensing or charging equipment on a qualified alternative fuel vehicle refueling property. The credit is limited to \$10,000 per qualified alternative fuel vehicle refueling property or per vehicle-charging station. The equipment and labor costs for which this tax credit may be claimed may not include costs associated with the purchase of land, access to land, the purchase of an existing qualified alternative fuel vehicle refueling property, or construction or purchase of any structure.

If the amount of this tax credit exceeds the tax otherwise due, the amount of the credit not used may be carried forward for up to 2 tax years. If the alternative fuel storage and dispensing equipment or charging equipment on a qualified alternative fuel vehicle refueling property is no longer used to dispense or sell alternative fuel to the public, any unused tax credit is forfeited and the taxpayer may not claim a tax credit for the portion of the tax year after the date on which the alternative fuel storage and dispensing equipment was no longer used to dispense or sell alternative fuel to the public.

The **alternative fuel vehicle conversion credit** is a credit in the amount of 50% of the equipment and labor costs attributable to the cost of converting a motor vehicle licensed in the District that operates on petroleum diesel or petroleum derived gasoline to a motor vehicle that operates on an alternative fuel.

The term "alternative fuel" means a fuel used to power a motor vehicle that consists of one or more of the following:

"New homebuyer" means an employee (and, if married or in a registered domestic partnership, the employee's spouse or registered domestic partner) who did not own a principal place of residence in the District during the previous 12 months. To claim the credit, the employer shall attach to its tax return a statement certifying, for each person for whom the employer is claiming the credit: (i) the person is an eligible employee of the employer; (ii) the employer provided homeownership assistance to the employee under a certified employer-assisted home purchase program; (iii) the amount of homeownership assistance provided to the employee; (iv) the employee used the homeownership assistance to purchase qualified residential property; (v) the household size and household income of the employee; (vi) the address of the qualified residential real property; and (vii), the employee intends to reside in the property for at least 5 years. A worksheet for computation of the credit is on the reverse side of Schedule UB.

Small Retailer Property Tax Relief Credit. For taxable years starting January 1, 2018, a business that has less than \$2.5 million in federal gross receipts or sales, may claim a credit against corporate or unincorporated business franchise tax equal to the total class 2 real property taxes paid by the business for a retail owned location in the District not to exceed \$5,000; or 10% of the rent paid by the business for rental retail location not to exceed \$5,000. The Small Retailer Property Tax Relief Credit does not apply if the business is exempt from or receives any tax credits towards its real property tax; or the rental retail location or the owned retail location is otherwise exempt from real property tax.

To be eligible for the credit, the business must own or lease a building or part of a building in the District that: is classified, in whole or in part as Class 2 Property as defined in DC Code §47-813; is the primary place of the retail business; has a Certificate of Occupancy for commercial use; and is a retail establishment from which the business of selling tangible personal property is conducted, or in or from which any retail sales are made. District of Columbia Opportunity Zone Tax Benefits

The Tax Cuts and Jobs Act of 2017 included a provision called 'Opportunity Zones' which established certain tax benefits for federal taxpayers with capital gains who invest those gains into a Qualified Opportunity Fund (QOF). A QOF is an investment vehicle that files either a partnership or corporation federal income tax return and is organized for the purpose of investing in Qualified Opportunity Zone property. Pursuant to the "Aligning Opportunity Zone Tax Benefits with DC Community Priorities Emergency Act of 2020", the District of Columbia has also acted to establish certain tax benefits for DC taxpayers with capital gains who invest those gains into an approved DC QOF.

The District of Columbia Opportunity Zone Tax Benefits available to a DC taxpayer, if the taxpayer meets certain criteria, are:

(1) a deferral of a capital gains tax payment for investing in a QOF; (2) a reduction of capital gains tax liability through a 10% step-up in basis, if invested in a QOF for 5 years prior to December 31, 2026, and an additional 5% step-up in basis, if invested in a QOF for 7 years prior to December 31, 2026; and (3) an abatement of capital gains tax on an investment of capital gains in a QOF for at least 10 years before December 31, 2047.

DC taxpayers seeking the capital gains tax deferral, reduction or abatement at the District level must invest in a QOF that:

(1) is a QOF approved by the District of Columbia Government; and (2) has invested at least the value of the taxpayer's investment in the QOF in eligible Qualified Opportunity Zones Businesses (QOZBs) or Qualified Opportunity Zones Business Property (QOZBP) in the District of Columbia.

The District taxpayer investor will need to submit a DC QOF Approval letter issued by the Office of the Deputy Mayor for Planning and Economic Development (DMPED) with their tax returns, along with IRS Forms 8996 and 8997 for the tax year for which the taxpayer is seeking the benefits. The taxpayer must also submit other relating federal forms, if applicable, such as federal forms 8949, 4797, and federal Schedules K-1 and Schedule D, including any other information that OTR may require to administer the benefits.

If an unincorporated business taxpayer investor has capital gain deferred on its federal return due to an investment in a Federal Qualified Opportunity Fund, add back the amount of the federal deferment on Line 9 of the D-30 return.

If an unincorporated business taxpayer investor has capital gain deferred due to an investment in a DC approved DC Qualified Opportunity Fund, enter the amount of the DC deferment on Line 22 of the D-30 return.

See DC Code §§ 47-1801.04(39)(A), (39)(B), (39)(C), (39)(D); and 47-1803.03(a)(20). For more information about the Qualified Opportunity Funds approval process and eligible investments, contact DMPED at DCQOF@dc.gov or (202) 727-6365. Instructions for Schedule SR Small Retailer Property Tax Relief Credit

For taxable years beginning after December 31, 2017, a qualified corporation, or qualified unincorporated business, may claim a credit against corporate or unincorporated business franchise tax as follows:

- (1) a tax credit equal to 10% of the total rent paid by the corporation/unincorporated business for a qualified rental retail location during the taxable year not to exceed \$5,000: or
- (2) a tax credit equal to the total Class 2 real property taxes paid by the qualified corporation/unincorporated qualified business for a qualified retail owned location during the taxable year not to exceed the lesser of the real property tax paid during the taxable year or \$5,000.

The credit in any one taxable year may exceed the qualified corporation/qualified unincorporated business's franchise tax liability, including any minimum tax due for that taxable year and is refundable to the qualified corporation/qualified unincorporated business claiming the credit.

The credit shall not apply if the qualified corporation/qualified unincorporated business is exempt from or receives any tax credits towards its real property tax or the qualified rental retail location or qualified owned retail location is otherwise exempt from real property tax.

Instructions for Underpayment of Estimated Tax by D-20 or D-30 Filers

Estimated Tax Interest

DC law requires any business that expects its DC franchise tax liability to exceed \$1000 for the tax year to file a declaration of estimated franchise tax using the payment youchers in:

- D-20ES Declaration of Estimated Franchise Tax for Corporations; or
- D-30ES Declaration of Estimated Franchise Tax for Unincorporated Businesses.

The law states that any business required to file and pay estimated tax that fails to pay the amount required by the due date is subject to interest on the underpayment of estimated franchise tax.

When is interest assessed for Underpayment of Estimated Franchise Tax?

A 10% interest, compounded daily, is assessed if your total DC estimated franchise tax payments compared to your DC franchise tax liability do not equal at least the smaller of:

- 90% of the tax due on your 2020 DC franchise tax return; or
- 110% of the tax due on your 2019 DC franchise tax return (consisting of 12 months).

You must have filed a 2019 DC franchise tax return to use the 110% exception.

A penalty will be assessed if any statement made on an estimated tax payment voucher is not true and accurate to the best of the signatory's knowledge.

Are there any exceptions?

You are not subject to interest for underpayment of estimated franchise tax if:

- You had no DC franchise tax liability for the tax year 2019 and in that year, you did business in DC for the entire 12 months;
- The franchise tax due for 2020, minus any estimated tax payments, is less than \$1001:
- Your total DC estimated franchise tax payments are equal to or greater than 110% of your 2019 DC franchise tax liability for the entire year; or
- Your remaining tax due after totaling all credits and estimated tax payments is less than 10% of your total DC franchise tax liability for the year.

When do you use this form?

- You may use this form to calculate your underpayment interest. If you
 do, attach it to your tax return and enter the underpayment interest
 on Line 44 of Forms D-20 or D-30. Fill in the oval if the D-2220 is
 attached. If you do not wish to calculate the interest, OTR will do it
 when your return is processed and will notify you of the amount due.
- You may also complete this form if you believe the interest amount assessed by OTR for underpayment of estimated franchise tax is incorrect.

How do you file this form?

Attach it to your return if you complete the form <u>before</u> filing your tax return. If you complete the D-2220 <u>after</u> filing and receiving a notice of interest assessment, send it to:

Office of Tax and Revenue 1101 4th St SW, 2nd Floor Washington DC 20024

Completing this form

Line 1

Enter the amount from your 2020 D-20 or D-30.

Line 2

Multiply the amount on Line 1 by 90% (.90). Your estimated franchise tax payments must be equal to or greater than this amount.

Line 3

Enter 110% of the amount from your 2019 DC Forms D-20 or D-30. If your 2019 return was amended or corrected, multiply 110% times the corrected amount.

Line 4

Enter the lesser of the amounts on Line 2 and Line 3. If you did not file a DC franchise tax return for 2019, you may only use Line 2. This is your minimum estimated franchise tax payment for 2020.

Line 5

Multiply the amount on Line 4 by 25% (.25). This gives you an even distribution of your tax liability over the four periods of the tax year.

Line 6

Enter the amount required from Line 5 under each of the payment columns. For example, if Line 5 is \$2000, you would enter \$2000 for the 1^{st} period, \$4000 for the 2^{nd} period, \$6,000 for the 3^{rd} period and \$8,000 for the 4^{th} period.

Annualized income method: If your income was different for each period, determine the percentage for each period (divide the period income by the full year's income). Multiply Line 4 by each period's percentage and enter the amounts earned by period on Line 6. Accumulate the periodic amounts as shown above. Check the "Annualized Income" box.

Line 7

Enter the amount of estimated franchise tax payments made in each period. Include the amounts from the previous period with the 2^{nd} , 3^{rd} and 4^{th} periods. For example, if your estimated payment amount is \$1,000 in each period, you would enter \$1,000 in the 1^{st} period, \$2,000 in the 2^{nd} period, \$3,000 in the 3^{rd} period and \$4,000 in the 4^{th} period.

Line 8 Underpayment each period

For each column, subtract Line 7 from Line 6. If Line 7 exceeds Line 6, you have no underpayment interest. If there is an amount remaining, this is your periodic underpayment amount.

Line 9 Underpayment Interest Factors

These are the underpayment interest factors by period.

Line 10

For each period, multiply the amount on Line 8 by the factor on Line 9. This is your underpayment interest amount by period.

Line 11 Underpayment Interest

Add the amounts on Line 10 for each period. This is your total underpayment of estimated franchise tax penalty.

- If you are filing the D-2220 with your D-20 or D-30 return, enter the amount on Line 44 and pay the total amount with the return. Fill in the oval on Line 44 and attach the D-2220 to the return.
- If you are filing the D-2220 form separately, pay the amount you owe and attach to the D-30P Payment Voucher, using the applicable mailing address.

Make the check or money order payable to the **DC Treasurer.** Make sure your check or electronic payment will clear. You will be charged a \$65 fee if your check or electronic payment is not honored by your financial institution and returned to OTR.

15 DAY NOTICE OF BULK SALE REQUIREMENT

Pursuant to DC Code §47-4461, the purchaser, transferee, or assignee of all or a part of the inventory, furnishings, equipment, materials, or supplies ("property") of a business, must, at least 15 days before taking possession of or paying for the property, notify the Office of Tax and Revenue by registered or certified mail. The notice must identify the price, terms, and conditions of the sale, including a description of the property being sold, its location, and the identity of the seller, transferor, or assignor ("seller"). The notice is required whether or not the seller has represented to, or informed, the purchaser that it owes tax to the District of Columbia, or whether taxes are in fact owing.

If the purchaser fails to give the required notice, or OTR informs the purchaser that a possible claim for tax exists: (1) The money or other consideration which the purchaser is required to pay for the sale will be subject to a first priority right and lien for the taxes determined to be due from the seller to the District of Columbia; and (2) The purchaser shall not pay the seller any money or other consideration to the extent of the amount of the lien. A purchaser who fails to comply with the Notice of Bulk Sale requirement will be personally liable for the payment to the District of Columbia of the taxes determined to be due from the seller to the extent of the fair market value of the assets transferred.

The required Notice of Bulk Sale must be sent by certified or registered mail to:

Office of Tax and Revenue
Marc Aronin, Chief of Collection Division,
Compliance Administration
1101 4th Street, SW, Washington, DC 20024
