The CARES Act of 2020: In response to the COVID-19 pandemic, the United States Congress passed the Coronavirus Aid, Relief, and Economic Security Act, also known as the CARES Act. The Act temporarily altered several tax provisions enacted under the Tax Cuts and Jobs Act (TCJA) intended to increase cash flow and reduce the income tax burden on corporations, partnerships, and individuals. Relief includes: the temporary and retroactive reinstatement of Net Operating Loss (NOL) carryback provisions for tax years 2018, 2019, and 2020 previously repealed under the TCJA in Internal Revenue Code (IRC) § 172; a decreased limitation on business interest expenses subject to deduction in tax years 2019 and 2020 under IRC § 163(j); and the elimination of loss limitations imposed on non-corporate taxpayers by the TCJA under IRC § 461(l) for tax years 2018, 2019, and 2020. The CARES Act also provided a technical correction giving qualified business improvements (QIP) a 15-year recovery period, thereby making those assets eligible for 100% bonus depreciation under IRC § 168. For more information on Maryland's conformity to the CARES Act, see the Tax Alert issued July 24, 2020 at www.marylandtaxes.gov.

House Bill 1510, Acts of 2020: This bill adds as a subtraction of the value of a subsidy for rental expenses received by a resident of Howard County under the "Live Where You Work" program of the Downtown Columbia Plan.

Privacy act information

The Tax-General Article of the Annotated Code of Maryland authorizes the Comptroller of Maryland to request information on tax returns to administer the income tax laws of Maryland, including determination and collection of correct taxes. Code Section 10-804 provides that you must include your Social Security Number on the return you file. This is so we know who you are and can process your return and papers. If you fail to provide all or part of the requested information, then exemptions, exclusions, credits, deductions or adjustments may be disallowed and you may owe more tax. In addition, the law provides penalties for failing to supply information required by law or regulations.

You may look at any records held by the Comptroller of Maryland which contain personal information about you. You may inspect such records, and you have certain rights to amend or correct them.

As authorized by law, information furnished to the Comptroller of Maryland may be given to the United States Internal Revenue Service, a proper official of any state that exchanges tax information with Maryland and to an officer of this State having a right to the information in that officer's official capacity. The information may be obtained in accordance with a proper legislative or judicial order.

For additional information or to see a list of Approved Software Vendors for Maryland Substitute forms visit www.marylandtaxes.gov.

PENALTIES

There are severe penalties for failing to file a tax return, failing to pay any tax when due, filing a false or fraudulent return, or making a false certification. The penalties include criminal fines, imprisonment, and a penalty on your taxes. In addition, interest is charged on amounts not paid.

To collect unpaid taxes, the Comptroller is directed to enter liens against the salary, wages or property of delinquent taxpayers.

1 What Form to file?

IF YOU ARE A:	YOU SHOULD FILE:
Taxpayer whose permanent home (domicile) is a state other than Maryland unless you are a statutory resident .	Form 505 Nonresident Return
Taxpayer who maintains a place of abode (that is, a place to live) for more than six (6) months of the tax year in Maryland and you are physically present in Maryland for 183 days or more, you are a statutory resident .	Form 502 Resident Return
Taxpayer who began or ended legal residence in Maryland during the tax year, you must file as a resident for that portion of the year during which you maintained Maryland residence, even if less than six (6) months.	Form 502 Resident Return
Nonresident of Maryland but received salary, wages or other compensation for personal services performed in any Maryland county or Baltimore City and you lived in a jurisdiction that imposes a local or earnings tax on Maryland residents. NOTE: If you have other income subject to Maryland tax, you must also file Form 505. (For further information and forms, call 410-260-7980.)	Form 515 Nonresident Local Tax Return
Taxpayer who moved into or out of Maryland during the tax year and received income from Maryland sources while you were a nonresident of Maryland.	Form 505 Nonresident Return and Form 502 Resident Return

2 Nonresident, resident and part-year resident.

You are a nonresident if you are not a resident under any of the conditions listed below:

You are a resident if your permanent home is in Maryland (the law refers to this as your domicile) or your home is outside Maryland but you maintained a place of abode (that is a place to live) in Maryland for more than six (6) months (183 days) of the tax year and you are physically present in Maryland for 183 days or more (you are a statutory resident).

You are a part-year resident if you established or abandoned legal residence during the tax year.

If you are an active duty military member, see Instruction 27.

3 What income is taxable or reportable?

A nonresident individual is subject to tax on that portion of the federal adjusted gross income that is derived from tangible property, real or personal, permanently located in Maryland (whether received directly or from a fiduciary) and on income from a business, trade, profession or occupation carried on in Maryland and on all gambling winnings derived from Maryland sources. Adjustments to federal gross income and losses not allocable to Maryland may not be used to reduce Maryland income. You are required to file even if the net Maryland income is a loss.

4 Who must file?

In general, you must file this return if:

- You are a nonresident of Maryland,
- AND, you are required to file a federal return based upon the income levels in Table 1 or 2,
- AND, you received income from sources within Maryland.

Remember, if your federal gross income is more than the federal minimum filing requirement for your filing status, you are required to file a Maryland return, even if the income attributable to Maryland is less than the federal filing requirement.

TO DETERMINE IF YOU ARE REQUIRED TO FILE A MARYLAND RETURN

- a. Add up all of your federal **gross** income to determine your total income. Gross income is defined in the Internal Revenue Code and, in general, consists of all income from any source. It includes wages and other compensation for services, **gross** income derived from business, gains (not losses) derived from dealings in property, interest, rents, royalties, dividends, alimony, annuities, pensions, income from partnerships or fiduciaries, etc. If any modification or deduction reduces your gross income below the minimum filing level, you are still required to file. IRS Publication 525 provides additional information on taxable and nontaxable income.
- b. Do not include Social Security or railroad retirement benefits in your total income.
- c. Add to your total income any Maryland additions to income. Do not include any additions related to non-Maryland income or loss. (See Instruction 12.) **This is your Maryland gross income.**
- d. If you are a dependent taxpayer, add to your total income any Maryland additions and subtract any Maryland subtractions and non-Maryland Income. (See Instructions 12 and 13.) **This is your Maryland gross income.**
- e. You must file a Maryland return if your Maryland gross income equals or exceeds the income levels in Table 1.
- f. If you or your spouse is 65 or over, use Table 2, "Minimum Filing Levels for Taxpayers 65 or over."

IF YOU ARE A NONRESIDENT, YOU ARE NOT REQUIRED TO FILE A MARYLAND RETURN IF:

- Your Maryland gross income is less than the minimum filing level for your filing status; OR
- You had no income from Maryland sources; OR
- You reside in the District of Columbia, Virginia or West Virginia and had only wages from Maryland. See Instruction 11 for additional information; OR
- You reside in a local jurisdiction in Pennsylvania, which does not impose an income or earnings tax against Maryland residents, and had only wages from Maryland. See Instruction 11 for additional information.

MARYLAND TAX WITHHELD IN ERROR

If Maryland tax was withheld from your income, you must file to obtain a refund of the withholding. Complete all of the information at the top of the form through the filing status, residence information and exemption areas. Check the box provided to the right of the residence information for you to indicate your withholding was withheld in error. Enter your federal adjusted gross income on line 17 in both columns 1 and 3 and line 24. Then complete lines 43-47, 49 and 51.

Sign the return and attach withholding statements (Forms W-2

and/or 1099) showing the Maryland tax withheld equal to the refund you are claiming.

Your return is then complete. You must file within three years of the original due date to receive any refund.

5 Use of federal return.

First complete your 2020 federal income tax return and schedules.

You will need the information from your federal return in order to complete your Maryland return. Therefore, complete your federal return before you continue beyond this point. Maryland law requires that your income and deductions be entered on your Maryland return exactly as they were reported on your federal return. If you use a federal Form 1040NR, visit <https://www.marylandtaxes.gov/individual/income/filing/index.php>. All items reported on your Maryland return are subject to verification, audit and revision by the Maryland State Comptroller's Office.

6 Name, address, county, city, town information.

Complete the name and address lines at the top of Form 505.

Name: Be sure to use your full legal name. This should match the name that appears on your Social Security card.

Current Address: Enter your current address using the spaces provided. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1.

On Current Mailing Address Line 2, if applicable, enter the floor, suite, or apartment number for your current mailing address. If using a PO Box address, leave Current Mailing Address Line 2 blank.

Enter City or Town, State and ZIP Code +4. **If using a foreign address, enter the city or town and state or province and ZIP Code +4 or postal code on the Current Mailing Address Line 2. Enter the name of the country on the "City or Town" line. Leave the "State" line and "ZIP Code +4" line blank.**

Fill in the area for MARYLAND COUNTY and CITY, TOWN OR TAXING AREA based on where in Maryland you were employed on the last day of the tax period if you earned wages in Maryland (December 31, 2020 for calendar year taxpayers).

IF YOU WORKED IN BALTIMORE CITY:

Leave the MARYLAND COUNTY line blank. Write "Baltimore City" on the CITY, TOWN OR TAXING AREA line.

IF YOU WORKED IN A MARYLAND COUNTY (NOT BALTIMORE CITY):

- 1. Write the name of the county on the MARYLAND COUNTY line.
- 2. If you worked in one of the taxing areas in a Maryland county, write its name on the CITY, TOWN OR TAXING AREA line.
- 3. If you did not work in one of the taxing areas within a Maryland county, leave the CITY, TOWN OR TAXING AREA blank.

For a list of the localities within Maryland, see the **LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND.**

7 Social Security Number(s) (SSN).

It is important that you enter each Social Security Number in the space provided at the top of your tax return. You

must enter each SSN legibly because we validate each number. If the SSN is not correct and legible, it will effect the processing of your return. Your name must match the name on your current social security card to ensure you get credit for your personal exemption. If not, contact SSA at 800-772- 1213 or visit www.ssa.gov.

The SSN must be a valid number issued by the Social Security Administration of the United States Government. If you or your spouse or dependent(s) do not have a SSN and you are not eligible to get a SSN, **you must apply for an Individual Tax Identification Number (ITIN) with the IRS and you should wait until you have received it before you file. Enter it wherever your SSN is requested on the return.**

A missing or incorrect SSN or ITIN could result in the disallowance of any credits or exemptions you may be entitled to and result in a balance due.

A valid SSN or ITIN is required for any claim or exemption for a dependent. If you have a dependent who was placed with you for legal adoption and you do not know his or her SSN, you must get an Adoption Taxpayer Identification Number (ATIN) for the dependent from the IRS.

If your child was born and died in this tax year and you do not have a SSN for the child, complete just the name and relationship of the dependent and enter code **322**, in one of

the code number boxes located on page 3 of the form; attach a copy of the child's death certificate to your return.

8 Filing status.

Check the filing status box that matches the filing status you used on your federal return unless you are a dependent taxpayer.

A **dependent taxpayer** is one who can be claimed as a dependent on another person's tax return. If married, the dependent taxpayer and spouse must file separate returns. A dependent taxpayer may not claim a personal exemption. Check the box for filing status 6.

Generally, if you filed a joint federal return for 2020, you must file a joint Maryland return. Married couples who file joint federal returns may file separate Maryland returns when one spouse is a resident of Maryland and the other spouse is a nonresident of Maryland.

If you and your spouse filed separate federal returns you must file separate Maryland Returns.

9 Residence information.

Enter the appropriate two-letter code from the table in the space provided for your state of legal residence. Also list the County and City, Borough or Township (or other local taxing jurisdiction) in which you live.

Your state of legal residence is your domicile or permanent home. It is the place you intend to return to after temporary absences. You do not change or abandon a domicile until you establish a new domicile in another state. Military personnel retain their states of legal residence as shown in their records until they take specific action to change the state. Duty assignments alone do not affect legal residence. 10 Exemptions.

Determine what exemptions you are entitled to and complete the appropriate area on the form, including the Social Security Numbers for children and other dependents on Form 502B.

EXEMPTIONS ALLOWED

You are entitled to claim qualified exemptions on the Maryland return. The amount of your Maryland exemption may be limited by the amount of your federal adjusted gross income. See Exemption Amount Chart.

You and your spouse are permitted to claim exemptions for being age 65 or over or for blindness. These additional exemptions are in the amount of \$1,000 each.

If any other dependent claimed is 65 or over, you also receive an extra exemption of up to \$3,200. Make sure you check both boxes.

Enter the number of exemptions in the appropriate boxes based upon your entries in parts A, B, and C of the exemption area of the form. Enter the total number of exemptions in Part D. **For Form 505, the number of exemptions for Part C is from Total Dependent Exemptions, Line 3 of Form 502B.**

NOTE: Form 502B must be completed and attached to Form 505 if you are claiming dependents.

EXEMPTION AMOUNT CHART (10A)

The personal exemption is \$3,200. This exemption is reduced once the taxpayer's federal adjusted gross income exceeds \$100,000 (\$150,000 if filing Joint, Head of Household, or Qualifying Widow(er) with Dependent Child). This reduction applies to the additional dependency exemptions as well; however it does not apply to the taxpayer's age or blindness exemption of \$1,000. Use the chart to determine the allowable exemption amount based upon the filing status. **NOTE:** For certain taxpayers with interest from U.S. obligations see Instruction 13, line 23, code hh for applicable exemption adjustment.

PART-YEAR RETURNS

If you are required to file both a resident and nonresident return for tax year 2020, each exemption is limited to a total of \$3,200. Your exemptions must be prorated on the resident return and nonresident return based on Maryland income. For more information, see Instruction 28.

11 Income and adjustments.

Complete lines 1 through 17 of the Federal Income column using the figures from your federal return.

Enter in the Maryland Income column all income or loss that was derived from Maryland sources and enter in the Non-Maryland Income column all income or loss derived from non-Maryland sources. Refunds of state or local income taxes, pensions, annuities, IRA distributions, unemployment compensation and Social Security or Railroad Retirement benefits are not considered to be from Maryland sources for income tax purposes when these items are received by a nonresident of Maryland. Adjustments to federal gross income are not generally applicable to Maryland unless they pertain to business carried on in Maryland or services performed in Maryland.

Special instructions for residents of the following states:

The **District of Columbia, Pennsylvania or Virginia:** If you **did not** maintain a place of abode in Maryland for more than six months (183 days or more) of 2020, you are exempt from Maryland tax on your Maryland wage and salary income. mentioned jurisdictions, and you have Maryland source income from sources other than salaries and wages, you are required to file a Maryland tax return if your gross income is more than the amounts listed in the tables in Instruction 4. EXEMPTION ADJUSTMENT WORKSHEET (13A)

- Line 1: **Enter** the exemption amount to be reported on line 28 of Form 505, using the chart in Instruction 10. . \$ _____
- Line 2: **Enter** your federal adjusted gross income as reported in Column 1 of line 17 of your Form 505 \$ _____

- Line 5: **Recalculate** your exemption amount using the chart in Instruction 10 using the income from line 4. Remember to add your \$1,000 exemptions for age and blindness, if applicable \$ _____
- Line 6: **Subtract** the exemption amount calculated in line 1 from the exemption amount calculated in line 5. If the amount is less than zero (0), enter zero (0). If the amount is zero (0), you have already received the maximum exemption that you are entitled to claim on Form 505. \$ _____

If the amount is greater than zero (0), enter this amount as a subtraction on line hh of Form 505SU.

Example:

Pat and Chris Jones had a federal adjusted gross income of \$180,000. They also had \$40,000 in interest from U.S. Savings Bonds and had a dependent son whom they claimed on the Maryland tax return. Using Instruction 10, they found that

the exemption amount on their Maryland return (based upon \$180,000 of income) was \$2,400 (\$800 for three exemptions). If it were not for the \$40,000 of U.S. Savings Bonds, their federal adjusted gross income would have been \$140,000 and their exemption amount would have been \$9,600 (\$3,200 for three exemptions). Therefore, Pat and Chris Jones are entitled to claim a subtraction of \$7,200 (\$9,600 - \$2,400) on line hh of Form 505SU.

Complete Form 505NR to figure your tax. The instructions are on Page 2 of the form.

The 2020 Maryland tax rate schedules are shown so you can see the tax rate that applies to all levels of income; however, do not use them to figure your tax. Instead use the tax tables if your income is under \$50,000; otherwise, use the appropriate row in the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES (19A) at the end of the tax tables to figure your tax. The tax tables and the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES I AND II have been based on these tax rate schedules.

23 Overpayment or balance due.

Calculate the Balance Due (line 48) or Overpayment (line 49). Read the instructions for UNDERPAYMENT

OF ESTIMATED TAX and then go to BALANCE DUE or OVERPAYMENT.

UNDERPAYMENT OF ESTIMATED TAX

If you had income that did not have tax withheld or did not have enough tax withheld during the year, you may have owed an estimated tax. All taxpayers should refer to Form 502UP to determine if they owe interest because they underpaid estimated tax during the year.

If you owe interest, then complete Form 502UP and write the amount of interest (line 18 of Form 502UP) on line 52 in the appropriate box. Attach Form 502UP.

Generally, you do not owe interest if:

- a. You owe less than \$500 tax on income that is not subject to withholding;
- b. Each current year payment, made quarterly as required, is equal to or more than one-fourth of 110% of last year's tax; OR
- c. You made quarterly payments during the year that equal 90% of this year's tax.

Special rules apply if your gross income from farming or fishing is at least two-thirds of your total estimated gross income. See Form 502UP for additional information and instructions for claiming this exemption from interest.

INTEREST FOR LATE FILING

Interest is due at the rate of 10% annually or 0.8333% per month for any month or part of a month that a tax is paid after the original due date of the 2020 return but before January 1, 2022. For assistance in calculating interest for tax paid on or after January 1, 2022, visit www.marylandtaxes.gov. Enter any interest due in the appropriate box on line 52 of Form 505.

TOTAL INTEREST

Enter the total of interest for underpayment of estimated tax and interest for late filing on line 52 of Form 505.

BALANCE DUE

If you have a balance due on line 48, add this amount to any amount on line 52. Enter the total on line 53.

OVERPAYMENT

If you have an overpayment on line 49, the Revenue Administration Division will refund any amount of \$1.00 or more. If you want part or all of your overpayment credited to your 2021 estimated tax, then write the amount you want credited on line 50. Overpayments may first be applied to previous year's tax liabilities or other debts as required by federal or state law. If you must pay interest for underpayment of estimated tax, enter the amount of interest from line 18 of Form 502UP on line 52. Subtract lines 50 and 52 from your overpayment (line 49). This is the amount of your refund. Write this amount on line 51. No refunds of less than \$1.00 will be sent.

If the amount of interest charges from Form 502UP on line 52 is more than the overpayment on line 49 of Form 505, enter zero (0) on lines 50 and 51. Then subtract line 52 from line 49 and enter the result on line 53.

DIRECT DEPOSIT OF REFUND

To comply with banking and **National Automated Clearing House Association (NACHA)** rules, we ask you to indicate by checking the appropriate box on your return if the state refund is going to an account outside the United States. If you indicate that this is the case, **STOP!** do not enter your routing and account numbers, as the direct deposit option is not available to you. We will send you a paper check.

By choosing direct deposit of your refund and checking the appropriate box, you authorize the State of Maryland to disclose to your bank and NACHA any tax return information necessary to make the deposit, such as your name and the name(s) as it appears on the bank account. Complete lines 54a, b, c, and d of Form 505 if you want us to deposit your refund directly into

your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) in the United States.

Check with your financial institution to make sure your direct deposit will be accepted and to get the correct routing and account numbers. **If you enter incorrect account or omit any required information, the State of Maryland will not be responsible for recovering that refund and/or for making direct deposit payment electronically.**

Line 54a: Check the appropriate box to identify the type of account that will be used (checking or savings). You must check one box only, or a refund check will be mailed.

Line 54b: The routing number must be nine digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check sent instead.

If you are not sure of the correct routing number or if your check states that it is payable through a financial institution different from the one at which you have your checking account, contact your financial institution for the correct routing number.

Line 54c: The account number can be up to 17 characters (both numbers and letters). Omit spaces, hyphens and other special symbols. Enter the number from left to right and leave any unused spaces blank.

Line 54d: Indicate the name(s) as it appears on the bank account.

If we are notified by the financial institution that the direct deposit is not successful, a refund check will be mailed to you.

Have a bank statement for the deposit account available if you contact us concerning the direct deposit of your refund.

DISCLOSURE

By requesting a direct deposit of your Maryland tax refund and entering your bank account number, routing number, account type, and name(s) as it appears on your bank account and on your income tax return, **you authorize** the Comptroller's Office to disclose this information regarding your refund amount to the Maryland State Treasurer's Office (who performs banking services for the Comptroller's Office).

SPLITTING YOUR DIRECT DEPOSIT

If you would like to deposit portions of your refund (Form 505, line 54) to multiple accounts, do not complete any direct deposit information on your income tax return (Form 505). Instead, you must enter code number **588** in one of the code number lines on page 3 of your return, and complete and attach Form 588.

NOTE: You may not use Form 588 if you are filing Form 502INJ, Maryland Injured Spouse Claim Form, or if you plan to deposit your refund in a bank outside the United States.

Individual taxpayers have the option to use all or part of their Maryland income tax refund to purchase U.S. Series I Savings Bonds. See Form 588 for additional details.

24 Telephone numbers, code numbers, signatures and attachments.

Sign and date your return, and enter your telephone numbers. Be sure to attach all required forms, schedules and statements.

CODE NUMBERS

If special circumstances apply, you may not owe the interest for underpayment of estimated tax. Refer to Form 502UP for additional information. Enter the applicable code number in one of the code number lines on page 3 of your return. Enter code **300** if you are a farmer or fisherman or **301** if your income was received unevenly throughout the year. Attach your completed Form 502UP if you have entered code **301**.

TAX PREPARERS

If another person prepared your return, that person must also print name, sign the return and enter their Preparer's Tax Identification Number (PTIN). The preparer declares, under the penalties of perjury, that the return is based on all information required to be reported of which the preparer has knowledge. Income tax preparers who, for compensation, completed 100 or more original Maryland individual income tax returns (paper and electronic forms) for Tax Year 2019 are required to file all original individual income tax returns electronically for Tax Year 2020, except when a taxpayer specifically requests a preparer to file by paper or when a preparer has received a valid written waiver from the Comptroller.

Penalties may be imposed for tax preparers who fail to sign the tax return and provide their PTIN or who failed to file electronically when required.

At the bottom of the return at the signature area, we have provided a check box for you to authorize your preparer to discuss your return with us. Another check box is provided for you to authorize your preparer to not file your return electronically.

SIGNATURES

You must sign your return. Your signature(s) signifies that your return, including all attachments, is, to the best of your knowledge and belief, true, correct and complete, under the penalties of perjury.

Both spouses must sign a joint return. If your spouse cannot sign because of injury or disease and tells you to sign, you can sign your spouse's name in the proper space on the return followed by the words "By (your name), spouse." Be sure to also sign in the space provided for your signature.

If a power of attorney is necessary, complete Form 548 and attach to your return.

ATTACHMENTS

For returns with payment by check or money order, attach the payment to the Form PV. The Form PV and payment are placed before the Form 505 for mailing purposes. **The Form PV and payment are not attached to the Form 505.**

Be sure to attach wage and tax statements (Form W-2, W-2G and 1099) to the front of your Form 505 **if Maryland tax was withheld**. Also attach all other forms (except Form PV), K-1s, schedules and statements required by these instructions. These documents should be attached and placed after page 4 of the Form 505.

25 ELECTRONIC FILING, MAILING, AND PAYMENT INSTRUCTIONS AND DEADLINES.

ELECTRONICALLY FILING YOUR RETURN

If you request direct deposit on your electronic return your refund should be in your bank account within 72 hours of acknowledgement from the Revenue Administration Division. **You may request electronic funds withdrawal (direct debit) payments on your electronic return.** If you both file and pay electronically, your return is due April 15th. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. **However, you will have until April 30th to make your electronic payment. Note: An online payment where the bank mails the Comptroller of Maryland a paper check is not considered an electronic payment.** You may file your return electronically through your personal computer. **Do not send** a paper copy of the return you electronically filed. For more information, visit www.marylandtaxes.gov.

ELECTRONIC PAYMENT OF BALANCE DUE

If your paper or electronic tax return has a balance due, you may pay electronically at www.marylandtaxes.gov by selecting

Your check or money order should be attached to the completed Form PV. Do not attach the check or money order to your return.

ALTERNATIVE PAYMENT METHODS

ELECTRONIC 1099G

At the bottom of the return in the signature area, we have provided a check-box just above the signature for you to indicate that you agree to receive your statement of refund (Form 1099G) electronically. Visit www.marylandtaxes.gov to print an electronic form 1099G or to request form 1099G in paper form.

If you have requested an electronic 1099G, we will notify you by email in January that your 1099G is available to be viewed and printed at our website if you are a registered user.

Note: We can only honor your request on an electronically-filed return or through your registered request on our website. If you are filing a tax form by paper, we do not capture this request and therefore cannot honor your request to send you an electronic Form 1099G under current IRS regulations.

MAILING YOUR RETURN

Returns must be mailed by April 15, 2021, for calendar year taxpayers. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. Persons filing on a fiscal year basis should see Instruction 26.

EXTENSION OF TIME TO FILE

Follow the instructions for Form PV found on the **PVW** to request an automatic extension of the time to file your 2020 return. Filing this form extends the time to file your return, but does not extend the time to pay your taxes. Payment of the expected tax due is required with Form PV by April 15th. If any due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day. You can file and pay by credit card or electronic funds withdrawal (direct debit) on our website. If no tax is due and you requested a federal extension, you do not need to file Form PV or take any other action to obtain an automatic **six-month extension**. If no tax is due and you did not request a federal extension, file your extension online at **www.marylandtaxes.gov** or by phone at 410-260-7829. Only submit Form PV if tax is due.

COMBAT ZONE EXTENSION

Maryland allows the same six-month extension for filing **and paying** personal income taxes for military and support personnel serving in a designated combat zone or qualified hazardous duty area and their spouses as allowed by the IRS. For more detailed information visit **www.irs.gov**. If you are affected by the extension enter **912** in one of the code number lines on page 3.

26 Fiscal year.

You must file your Maryland return using the same tax year and the same basis (cash or accrual) as you used on your federal return.

To file a fiscal year return, complete the fiscal year information at the top of Form 505, and print "FY" in bold letters in the upper left hand corner of the form. Whenever the term "tax year" appears in these instructions, fiscal year taxpayers should understand the term to mean "fiscal year." Use the 2020 forms for fiscal years which begin during calendar year 2020.

Fiscal year returns are due on the 15th day of the 4th month following the close of the fiscal year.

27 Special instructions for military taxpayers.

Instructions and worksheets referenced are in the resident booklet. For more information, see Administrative Release 1.

MILITARY PERSONNEL WHO ARE LEGAL RESIDENTS OF MARYLAND	
1 - Without overseas pay	Must file a resident return (Form 502) and report all income from all sources, wherever earned. You must calculate the local portion of the tax regardless of whether you were stationed in Maryland or not. The location of your legal residence determines which county should be entered on your return. See Instructions 6 and 19. If you filed a joint federal return, see Instruction 7.
2 - With overseas pay	Same as above, may subtract up to \$15,000 in military pay earned outside U.S. boundaries or possessions, depending upon total military income. If you filed a joint federal return, see Instruction 7.

MILITARY PERSONNEL WHO ARE LEGAL RESIDENTS OF ANOTHER STATE	
1 - With military income only.	Not required to file a Maryland return.
2 - With military income and other income outside Maryland.	Not required to file a Maryland return.
3 - With military and other income earned in Maryland, single or with an unemployed civilian spouse.	Must file a nonresident return (Form 505) reporting total income and subtracting military pay; and Form 505NR, subtracting unearned and non-Maryland income, then computing the Maryland taxable net income. Deductions and exemptions must be adjusted. The State of Maryland does not tax the military pay, and does not use the military pay to increase the tax liability imposed on other income earned in Maryland.
4 - With military income with or without other income earned in Maryland, and civilian spouse employed in Maryland.	See Administrative Release 1 for guidance and application of the Military Spouses Residency Relief Act, amending the Servicemembers Civil Relief Act.
5 - Both spouses in the military and not domiciled in Maryland and one or both have Maryland income.	Must file a joint nonresident return. Exemptions and deductions must be adjusted.
Military personnel should be aware that there may be provisions for tax credits granted either by Maryland or another state when the same income is subject to tax by both states; however, military income is subject to tax only by the state of domicile. See Form 502CR and instructions. Read carefully the instructions provided by the state of legal residence for any possible credits allowed by that state.	

28 Part-year residents.

If you moved into or out of Maryland during 2020 AND received taxable Maryland income both while you were a resident and while you were a nonresident AND you are required to file a federal return, you are required to file two returns with the State of Maryland.

Complete your resident return (Form 502) using the instructions for part-year residents. Complete your nonresident return (Form 505) using the instructions in this booklet with the following exceptions:

INCOME AND ADJUSTMENTS

Treat your Maryland **resident** income as non-Maryland income. **This amount is included as a subtraction on line 6b of Form 505NR.** You will be taxed on this income on your resident return.

STANDARD DEDUCTION

Your combined total standard deduction may not exceed the maximum amount for your filing status.

EXEMPTIONS

Each exemption is limited to a maximum of \$3,200 and is subject to further reduction using the chart in Instruction 10. Your exemption must be prorated on the resident and nonresident

returns based on Maryland income.

POVERTY LEVEL CREDITS

You must prorate your poverty level credits based on Maryland income.

WITHHOLDING AND ESTIMATED TAX PAYMENTS

You must allocate your total payments between your two returns.

29 Pass-through entities (PTE) may file a composite income tax return (Form 510C) on behalf of nonresident individual members.

Note: A single member entity cannot file Form 510C.

Nonresident members other than individuals may not participate in the composite return. The Maryland tax of each nonresident individual member is calculated using the rate of 5.75% plus the 2.25% special nonresident tax.

Nonresident individual members of a PTE doing business in the State who meet the composite return requirements contained in Administrative Release 6 and elect to be included in a composite return may not be required to file Maryland nonresident individual returns. Instead, the PTE doing business in the State may file a composite return on behalf of such nonresident individual members using Form 510C.

For more information, see Administrative Release 6 at www.marylandtaxes.gov.

30 Filing return of deceased taxpayer.

Enter code 321 in one of the code number lines on page 3. Use the following special instructions:

FILING THE RETURN

If an individual required to file an income tax return dies, the final income tax return shall be filed:

- By the personal representative of the individual's estate;
- If there is no personal representative, by the decedent's surviving spouse; or
- Jointly by the personal representatives of each if both spouses are deceased.

JOINT RETURN

If the spouse of the deceased taxpayer filed a joint federal return with the decedent, generally a joint Maryland return must be filed.

The word "DECEASED" and the date of death should be written after the decedent's name at the top of the form. The name and title of any person, other than the surviving spouse, filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration or, if the return is filed solely by the surviving spouse, attach a death certificate.

ALL OTHER RETURNS

If the return is filed by the personal representative, write the words "ESTATE OF" before the decedent's first name and the date of death after the last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration.

If there is no personal representative, write the word "DECEASED" and the date of death after the decedent's last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of federal Form 1310 if applicable.

KILLED IN ACTION

Maryland will abate the tax liability for an individual who is a member of the U.S. Armed Forces at death, and dies while in active service in a combat zone or at any place from wounds,

disease, or injury incurred while in active service in a combat zone. To obtain an abatement, a return must be filed. The abatement will apply to the tax year in which death occurred, and any earlier tax year ending on or after the first day the member served in a combat zone in active service.

Maryland also will abate the tax liability of an individual who dies while a military or civilian employee of the United States, if such death occurs as a result of wounds or injury incurred outside the United States in a terrorist or military action.

In the case of a joint return, Maryland applies the same rules for these taxpayers as does the IRS. For more information on filing a return, see Publication 3 Armed Forces Tax Guide available at www.irs.gov. Place code number **915** on one of the lines marked "code numbers" if you are filing a return for a taxpayer who was killed in action meeting the above criteria.

31 Amended returns.

If you need to change a return that you have already filed, or if the IRS changes your return, you must file an amended return and include Form 505NR using the amended figures.

FILING AN AMENDED RETURN

You must file an amended return to make certain changes on your original return. These include changes in income, filing status, amount of deductions, the number of exemptions and the amount of additions to income and subtractions from income.

Note: Changes made as part of an amended return are subject to audit for up to three years from the date the amended return is filed.

Use Form 505X and Form 505NR to file an amended return and include a copy of your federal return. To obtain forms and instructions visit www.marylandtaxes.gov or email TAXFORMS@marylandtaxes.gov. You may also call 1-800-638-2937 or from Central Maryland 410-260-7951.

CHANGES TO YOUR FEDERAL RETURN

If the IRS makes any changes to your federal return, you must notify the State of Maryland. Send notification to the Maryland Revenue Administration Division within 90 days of the final determination of the changes by the IRS.

If you file an amended federal return that changes your Maryland return, you must file an amended Maryland return.

IF YOUR ORIGINAL RETURN SHOWED A REFUND

If you expect a refund from your original return, do not file an amended return until you have received your refund check. Cash the check; do not return it. If your amended return shows a smaller refund, send a check for the difference with the amended return. If your amended return shows a larger refund, the Revenue Administration Division will issue an additional refund check.

ADDITIONAL INFORMATION

Do not file an amended return until sufficient time has passed to allow the original return to be processed. For current year returns, allow at least six weeks.

Generally, a claim for a refund or overpayment credit must be filed within three years from the date the original return was filed or within two years from the date the tax was paid, whichever is later. A return filed early is considered filed on the date it was due. If a claim is filed within three years after the date the return was filed, the credit or refund may not be more than that part of the tax paid within the three years, plus any extension of time for filing the return, prior to the filing of the claim. If a claim is filed after the three-year period, but within two years from the time the tax was paid, the refund or credit may not be more than the tax paid within two years immediately before filing the claim for a refund or credit.

A claim for refund based on a federal net operating loss carryback must be filed within three years from the due date of the return for the year of the net operating loss.

If the claim for refund resulted from a federal adjustment or final decision of a federal court which is more than two years from the time the tax was paid, a claim for refund must be filed within one year from the date of the adjustment or final decision.

If the claim for refund or credit for overpayment resulted from a final determination made by an administrative board or an appeal of a decision of an administrative board, that is more than three years from the date of filing the return or more than two years from the time the tax was paid, the claim for refund must be filed within one year of the date of the final decision of the administrative board or final decision of the highest court to which an appeal of the administrative board is taken.

No refund for less than \$1.00 will be issued. No payment of less than \$1.00 is required.
