# A NEW WEBSITE

designed with YOU in mind

Our new website makes it easier for you to find and use the information you rely on to get your refund.

#### What's New for 2019?

#### Alimony Received and Paid

Minnesota laws enacted in 2019 have impacted household income. The change affects those that received or paid alimony. If you received alimony but were not required to report it in adjusted gross income, you must include this amount in your household income. If you paid alimony and were not allowed to deduct payments, you are allowed to reduce your household income by the alimony paid. See the instructions for lines 5 and 10 regarding alimony payments.

# New Schedule M1PR-AI, Additions to Income

Use this schedule to report additions to income on line 5 of Form M1PR.

#### CRP, Certificate of Rent Paid Updates

The CRP used to claim the renter's property tax refund has been updated. In prior years, the CRP would provide the amount of rent that represented property taxes by multiplying the rent by 17%. This calculation has moved to line 17 of Form M1PR.

All adults in the rental unit will now receive a CRP with an equal portion of the rent. In prior years, a married couple would receive one CRP with the amount of rent paid for the time they were renters. Adult dependents will also receive a separate CRP. Follow the instructions on line 16 if you received more than one CRP.

Homeowners: Use the **Statement of Property Taxes Payable in 2020** that you receive in March 2020 to complete your 2019 return. Do not use your 2019 tax statement or your Notice of Proposed Taxes to complete your return. Your refund will be delayed if you file using incorrect statements. Do not include your property tax statement when mailing a return.

**Renters:** Your property owner or managing agent must provide you a CRP, *Certificate of Rent Paid*, by January 31, 2020. If you rented more than one unit during 2019, you must have a CRP for each unit. If your property owner or managing agent does not provide a CRP by March 1, 2020, call us at 651-296-3781 or 1-800-652-9094 (toll-free). **Your refund will be delayed if you do not include your CRP(s).** 

# **Getting Started**

## Renters

You must have a CRP, Certificate of Rent Paid, for each rental unit you lived in during 2019. You need this to calculate your refund. Your property owner or managing agent must give you a completed 2019 CRP no later than January 31, 2020. Include it with your completed return.

Property owners and managing agents will provide each adult living in the rental unit a separate CRP. Each CRP will reflect an equal portion of the rent paid. Married couples will receive a separate CRP for each spouse. If you have adult dependents living in the rental unit, they will receive a separate CRP. When completing your return, combine the rent amounts from line 3 of your CRP with the rent of your spouse or adult dependent(s). Include copies of each CRP with your return.

If you do not receive a CRP by March 1, 2020, contact your property owner or managing agent. If they will not provide a copy, call us at 651-296-3781 or 1-800-652-9094 (toll-free).

Your refund will be delayed or denied if you do not include your CRP(s).

## Homeowners and Mobile Home Owners

**Nonhomestead classification.** If the property is not classified as homestead on your property tax statement or you bought your home in 2019, you must apply for homestead status with your county assessor's office and have it approved on or before December 15, 2020. At the time you apply for homestead status, request a signed statement saying that your application was approved. Include it with your Form M1PR.

**Delinquent taxes.** If you owe delinquent property taxes on your home, you cannot file a return unless you pay or make arrangements with the county by August 15, 2021. Include a copy of your receipt or a signed confession of judgment statement from your county auditor or treasurer.

After your homestead application has been approved or you have paid or made arrangements to pay delinquent taxes, include the amount from line 5 of your property tax statement on line 19 of Form M1PR.

#### What if I move after I file?

Change your address by emailing individual.incometax@state.mn.us or calling 651-296-3781 or 1-800-652-9094 (toll-free).

Your refund may be delayed if you do not contact us.

#### Spouses:

If a person who is eligible for a property tax refund died in 2019:

- Use your deceased spouse's income up to the date of death

If the person died in 2020 before applying for the 2019 refund:

If a person died after filing a return but prior to us issuing the check, we may only pay the refund to the surviving spouse or dependent. If we issued the check and it was not cashed prior to death, it is considered part of the estate and we may pay it to the personal representative.

# What if my Property Tax or Income Changes?

File Form M1PRX, Amended Homestead Credit Refund (for Homeowners) and Renter's Property Tax Refund, if any of the following happen after filing your return:

- · Your household income changes
- You receive a corrected CRP from your property owner or managing agent
- · You receive a corrected statement from the county
- You need to correct a mistake on your original return

Generally, you have until October 15, 2023 to file an amended 2019 property tax refund return.

If your amended return reduces your refund, you must pay the difference. You must pay interest on the difference from the date you received your original refund. If your refund increases, you will receive a check for the increase plus applicable interest.

This subtraction does not apply to dependents. Do not enter more than \$4,250. The subtraction amount is the same even if both you and your spouse are over 65 or disabled. Check the appropriate box under line 7.

## **Line 8** — Dependent Subtraction

Enter the number of dependents you claimed on your federal Form 1040 or 1040-SR. If you did not file a federal form, enter the number of persons who qualify as your dependents who are U.S. citizens or residents of Canada or Mexico. **Do not include yourself or your spouse.** 

If the number of dependents is:	Enter on line 8:
0	\$0
1	5,950
2	11,475
3	16,575
4	21,250
5 or more	25,500

Enter your dependents' names and tax identification numbers on the line under line 8. If more than one person may claim the dependent, we follow the federal tie-breaker rules to decide who claims the dependent subtraction. See the federal Form 1040 instructions for details.

#### Line 9 — Retirement Account Subtraction

Enter your contributions to a qualified retirement account (such as a 401(k), 403(b), IRA, Roth IRA, or 457). Do not enter more than \$6,000 (\$12,000 if filing a joint return).

## Line 10 — Alimony Paid

If you paid alimony during 2019, and did not deduct the amount paid on line 18a of federal Schedule 1, enter the amount on line 10.

#### **Line 13**

**Renters:** If line 13 is \$62,340 or more, you do not qualify for the renter's refund. If line 13 is less than \$62,340, and you are not claiming a homeowner's property tax refund, skip lines 14 and 15.

## Line 14 — Co-occupant Income

Renters: Do not complete this line.

**Homeowners**: Use Worksheet 5 on page 31 to determine the total income for each co-occupant living with you. If the total co-occupant income is a negative number, enter the total as a negative. If you had multiple co-occupants, have each of them complete a worksheet. Include the worksheet(s) with your return.

#### **Line 15**

**Homeowners:** If line 15 is \$115,020 or more, you do not qualify for the homeowner's refund. You may be eligible for the special property tax refund. Read the instructions for lines 26 - 38 to see if you qualify.

# Renters Only—Lines 16 through 18

If you did not rent for any part of 2019, skip lines 16 through 18 and continue with line 19.

## Line 16 — Total Rent from CRP(s)

The amount on line 3 of your CRP(s) is not your refund amount.

If you lived in 1 rental unit during 2019: Enter the amount from line 3 of your CRP.

If you lived in more than 1 rental unit during 2019: Follow the directions below to calculate line 16. Do not file a separate property tax refund for each CRP. You may only use the rent amount for the time you actually lived in the rental unit to determine your refund.

- 1. For each CRP, divide line 3 by the number of months you paid rent for the unit.
- 2. Multiply that number by the months you lived in the unit.
- 3. Add the results from step 2 for each CRP. Enter this total on line 16 of Form M1PR.

If you have adult dependents who received a CRP for a portion of the rent you paid, combine the amount on line 3 of their CRP with the amount on line 3 of your CRP. Enter the total on line 16.

You must enclose your CRP(s) when you file Form M1PR.

#### **Line 17**

The percentage on line 17 is used to calculate the amount of your rent that is considered to have been paid for property taxes.

## Line 18 — Renter's Refund Table Amount

Use the amounts from line 13, line 17, and the refund table for renters beginning on page 16 to determine your Renter's Property Tax Refund amount. Enter the amount from the table on line 18.

If you received Supplemental Security Income (SSI), Minnesota Supplemental Aid (MSA), Housing Support (formerly GRH), or Medicaid and were a resident of a nursing home, adult foster care, intermediate care facility, or a group home, use the Worksheet for Line 18 below.

Do not include the property ID number or the county in which your rental facility is located above line 19.

Ma	ke a copy of this page and include it with your paper filed Form M1PR if you use this worksheet.

# Homeowners Only—Lines 19–22

If you did not own and live in your home on January 2, 2020, skip lines 19–22 and continue with line 23.

#### **Line 19**

Enter the property tax amount from line 1 of your Statement of Property Taxes Payable in 2020. Complete the corresponding worksheet on page 30 if any of the following are true:

- · You used part of your home for business
- · You rented part of your home to others
- You are a mobile home owner who paid lot rent

## Line 20 — Special Property Tax Refund for Homeowners

If your net property tax on your homestead increased by more than 12% from 2019 to 2020, and the increase was \$100 or more, you may be eligible for a special refund. You may qualify for the special refund even if you do not qualify for the homeowner's refund (see Homeowner Special Property Tax Refund section on page 2).

If you qualify, complete lines 26 through 38 to determine line 20. Any special refund will be included in the total refund on line 23.

## Line 22 — Homestead Credit Refund Table Amount

Use lines 15 and 21 and the refund table for homeowners beginning on page 20 to determine your Homestead Credit Refund amount. Enter the amount from the table on line 22.

If line 22 is zero or blank, you are not eligible for the Homestead Credit Refund (for Homeowners).

# All Applicants—Lines 23–25

## Line 24 — Nongame Wildlife Fund

You can help preserve Minnesota's nongame wildlife by donating to the Nongame Wildlife Fund. On line 24, enter the amount you wish to give. Your property tax refund will be reduced by the amount you donate.

To make a contribution directly to the Nongame Wildlife Fund online go to www.dnr.state.mn.us/eco/nongame/checkoff.html or send a check payable to: DNR Nongame Wildlife Fund, 500 Lafayette Road, Box 25, St. Paul, MN 55155

## Line 25 — Property Tax Refund

Subtract line 24 from line 23 and enter the result on line 25. This is your property tax refund. Your refund will be delayed or denied if you do not complete line 25.

# Homeowner Special Property Tax Refund—Lines 26—38

You may qualify for a special property tax refund. To determine if you qualify, complete lines 26-38, on the back of the return. For qualifications, see page 2 of these instructions.

The refund is 60 percent of the amount of tax paid that exceeds the 12% increase, up to \$1,000.

You may qualify for this special refund even if you do not qualify for the 2019 Homestead Credit Refund.

If you are filing only for the special property tax refund, complete only lines 1-15, 19, 20, 23-25, and Schedule 1. You must provide the county, property ID, and property taxes payable on line 19.

## Line 27 — New Improvements/Expired Exclusions

If you have new improvements or expired exclusions in the 2020 column of your property tax statement, complete Worksheet 3 on page 30 to determine line 27. You cannot use the increase in your property tax from the value of the new improvements and/or expired exclusions when computing the special refund. The amount listed on your statement for new improvements/expired exclusions may include construction of a new building, an addition, or an improvement to an existing home.

#### Line 30

Enter line 2 (2019 column) of your Statement of Property Taxes Payable in 2020. If there is no amount on line 2, use line 5 (2019 column) of the statement. If there is no amount on line 2 or line 5 (or both lines are zero) **and** you received the Homestead Exclusion for Veterans with a Disability, check the box below line 30 and enter "0" on line 30.

If the box is not checked, you must enter an amount greater than 0 or you do not qualify for the special refund.

#### **Line 31**

Enter the special refund amount from line 12 of your 2018 Form M1PR. If we changed the amount, use the corrected amount. Leave line 31 blank if you did not receive a special refund on your 2018 Form M1PR.

#### **Special Situations**

If you rented out part of your home or used it for business, complete Worksheet 2 on page 30. Compare the percentages you used for 2018 and 2019, and follow these instructions to determine amounts to enter on Schedule 1:

- If you used the same percentage for both years:
  - Line 26: Enter step 3 of Worksheet 2.
  - Line 30: Enter step 3 of Worksheet 2 of the 2018 Form M1PR instructions.
- If in 2019 you used a higher percentage for your home than you did in 2018:
  - Line 26: Multiple line 1 of your 2020 Statement of Property Taxes Payable by the percentage used as your home in 2018 (from step 2 of Worksheet 2 of the 2018 Form M1PR instructions).
  - Line 30: Enter step 3 of Worksheet 2 of the 2018 Form M1PR instructions.
- If in 2019 you used a lower percentage for your home than you did in 2018:
  - Line 26: Enter step 3 of Worksheet 2.
  - Line 30: Multiply line 2 of your 2020 Statement of Property Taxes Payable by the percentage used for your home in 2019 (from step 2 of Worksheet 2).
  - Line 31: Multiply line 12 of your 2018 return by the proportion your 2019 percentage used for your home is to the 2018 percentage used for your home.

# Line 39 — To Request Direct Deposit of Your Refund

Direct deposit is the safest and easiest way to get your tax refund. To have your refund deposited into your checking or savings account, enter the information on line 39.

The **routing number** must have nine digits. The **account number** may contain up to 17 digits (both numbers and letters). Leave out any hyphens, spaces, and symbols. If the routing or account number is incorrect or is not accepted by your financial institution, you will receive your refund as a paper check.

You can find your bank's routing number and account number on the bottom of your check.

Both numbers start after the two dots [] and end with the bar[]

1:09 1 000000 1:

Do not use an account associated with any foreign banks.

You are authorizing us and your financial institution to initiate electronic credit entries and, if necessary, debit entries and adjustments for any credits made in error.

Note: To avoid a delay in your refund, request direct deposit into an account that you do not plan on closing before your refund is issued.

# Sign Your Return

Sign your return at the bottom of the second page of the form. Your spouse must also sign if you file jointly.

#### **Send Your Return to:**

Minnesota Property Tax Refund

- You did not report any income on lines 1-6 (explain how you received the funds to pay your rent)
- (Homeowners only) You received a recalculation of your prior year's taxes based on current year's classification

Enclose the worksheet(s) from pages 30 and 31 if you:

#### Penalties

If you file a fraudulent return, we will assess a penalty equal to 50 percent of the fraudulent refund. You may also be subject to criminal penalties.

#### Interest

We must pay interest on any refunds not issued within the later of 60 days after you file for your refund or:

- August 15, if you are a renter
- September 30, if you are a homeowner

# If You Owe a Debt to a Government Entity or Qualifying Hospital

We will apply your refund to the amount you owe (including penalty and interest). If you participate in the Senior Citizens Property Tax Deferral Program, we will apply it to your deferred property tax total. If your debt is less than your refund, you will receive the difference.

# **Other Property Tax Programs**

# Senior Citizens' Property Tax Deferral Program

The Senior Citizens' Property Tax Deferral Program may allow you to defer a portion of your homestead property taxes and any special assessments.

If you are eligible and wish to participate in the program, pay no more than 3 percent of your household income (as stated on line 6 of the return) toward your property taxes on your homestead each year. The state will loan you the remaining amount—the deferred tax—and will pay it directly to your county.

You must pay the deferred tax plus interest back to the state. If you are due a property tax refund or state income tax refund, we will apply it to your deferred property tax total and notify you when this happens.

If you participate, we will place a tax lien on your property. You or your heirs will need to repay the deferred amount before you can transfer title of the property.

## **Eligibility Requirements**

To participate in the program, you must meet all of the following requirements:

- You must be at least 65 or older. If you're married, one spouse must be at least age 65 and the other spouse at least 62.
- Your total household income must be \$60,000 or less.
- You, or your spouse if you are married, must have owned and occupied your homestead for the last 15 years. The homestead can be
  classified as residential or agricultural, or it may be part of a multi-unit building.
- There must be no state or federal tax liens or judgment liens on your property.
- The total unpaid balance of debts secured by mortgages and other liens against your property cannot exceed 75 percent of your homestead's estimated market value.

If you qualify and wish to participate, you must apply by November 1 to defer a portion of the following year's property tax. Applications are available at www.revenue.state.mn.us or your county auditor's office.

For questions related only to this program, call 651-556-4803.

# Special Homestead Classification for Certain Persons who are Blind or Disabled

The Special Homestead Classification (class 1b) provides a reduced property tax classification rate on the first \$50,000 of market value of a qualifying person's homestead.

# **Eligibility Requirements**

To receive the special classification on the qualifying person's homestead, you must apply to your county assessor by October 1 for taxes payable the next year.

For this property tax classification, a qualifying individual is generally someone who is blind or permanently and totally disabled:

**Blind:** A person is considered blind if an eye doctor has determined their visual acuity does not exceed 20/200 or their field of vision is not more than 20 degrees.

**Disabled:** A person is considered permanently and totally disabled for purposes of this classification if they have a condition that is considered permanent in nature and totally prevents them from working. They must also receive payments from a qualifying agency because of their disability.

For more information, go to www.revenue.state.mn.us and type Class 1b into the Search box or contact your county assessor.
