Procedure for Dissolution, Cancellation, or Withdrawal

Step 1

Corporations ending business in New Jersey can dissolve, cancel, or withdraw online. Go to njportal.com/dor/annualreports and select "Close a Business." Businesses that choose to complete a paper application must submit all of the following:

- Appropriate [dissolution/withdrawal/cancellation](#) form. The corporate structure determines the proper form; and
- Application for Tax Clearance Certificate ([Form A-5088-TC](#)); and
- Payment of \$120 (\$95 dissolution fee and \$25 tax clearance certificate application fee); and
- Estimated Summary Tax Return ([Form A-5052-TC](#)) with schedules completed on an estimated basis for the current period, along with the required affidavit and a separate payment for any taxes due (see Estimated Summary Tax Return below).

Corporations filing by paper have the following options for submitting documents and payments:

By mail: New Jersey Division of Revenue and Enterprise Services
Business Liquidations
PO Box 308
Trenton, NJ 08625-0308

Over-the-counter or by courier:

Trenton, NJ 08608
Attn: Business Liquidations

Estimated Summary Tax Return ([Form A-5052-TC](#)). For Schedule I of the Estimated Summary Tax Return, estimate entire net income from the day following the last accounting period for which the return is required to be filed to the proposed date dissolution, cancellation, or withdrawal will be completed. Include all profits from the sale or exchange of capital or other assets if required to be reported for federal income tax purposes. If certain gains or income are not recognized for federal income tax purposes, submit proof of compliance with federal requirements. Submit copies of federal Forms 966, 1120, and any other required schedule or data. In addition, provide a copy of corporate minutes authorizing dissolution with liquidation and distribution of assets or a copy of the plan of liquidation if not included in the corporate minutes.

The Estimated Summary Tax Return must be accompanied by a deposit payment unless the application is submitted with an Assumption of Tax Liability for all taxes due. The Assumption of Tax Liability must be executed by a domestic corporation or a foreign corporation authorized to do business in New Jersey that meets one or more of the following requirements:

1. A corporation that owns 50% or more of the applicant's outstanding shares of capital stock; or
2. A corporation that has purchased or is about to purchase all, or substantially all, of the applicant's assets; or
3. A corporation that has a net worth not less than 10 times the amount of all taxes paid by the applicant corporation during the last complete year in which it filed tax returns with the State of New Jersey. The assuming corporation must attach to the assumption a balance sheet as of the end of its last accounting period along with a notarized statement that there has been no subsequent decrease in the assuming corporation's net worth.

NOTE: The assumption of liability by a corporation qualifying under 1 or 2 above must be accompanied by an opinion by an attorney-at-law of the State of New Jersey, who states they are familiar with the facts of the transaction and that the requirements for the exception have been met.

Step 2

The corporation must file returns for all years and/or periods for all its taxes (Corporation Business Tax, Sales and Use Tax, Gross Income Tax withheld, etc.) for which returns were due but not filed, and pay any amounts due.

Step 3

If all tax obligations have been satisfied, the Division of Taxation issues a Tax Clearance Certificate for the corporation to the Division of Revenue and Enterprise Services. The effective date of the dissolution is the date the Division of Revenue and Enterprise Services receives the Tax Clearance Certificate.

Step 4

Final returns (Corporation Business Tax, Sales and Use Tax, Gross Income Tax withheld, etc.) must be filed within 30 days of the date of dissolution or withdrawal. The returns will show actual figures and cover the current accounting and/or reporting periods to the legal date of dissolution or withdrawal.

FAILURE TO COMPLY WITH THE ABOVE WILL RESULT IN FORFEITURE OF ALL FEES.
