Disclosure notification

Upon written request from the chairman of a North Dakota legislative standing committee or Legislative Management, the law requires the Office of State Tax Commissioner to disclose the amount of any deduction or credit claimed on a tax return. Any other confidential information, such as a taxpayer's name or social security number, may not be disclosed.

Property tax clearance

North Dakota Century Code (N.D.C.C.) § 57-01-15.1 provides that, before certain state tax incentives may be claimed, a taxpayer must obtain a property tax clearance record from each North Dakota county in which the taxpayer holds a 50% or more ownership interest in real property.

The property tax clearance record(s) must be attached to the North Dakota tax return on which the incentive is claimed. The deductions on lines 1 and 2 of this schedule are subject to this requirement.

If you are claiming the deduction on line 1 or line 2 of this schedule, you must complete the property tax clearance section at the top of the schedule. If you are required to attach a property tax clearance record from a county, obtain one by using the form Property Tax Clearance Record available on the Office of State Tax Commissioner's website.

Line 1 - Renaissance zone income exemption

If you qualified for the business or investment income exemption under the North Dakota renaissance zone program, enter the sum of the amounts from Schedule RZ, Part 7, line 1c. **Attach Schedule RZ.**

Line 2 - New or expanding business income exemption

If you operate a business as a sole proprietorship and were granted a new or expanding business income exemption under N.D.C.C. ch. 40-57.1, enter the portion of your net business income that is eligible for the exemption. For more information on how to calculate the amount of the exempt income, see North Dakota Administrative Code § 81-03-01.1-06. Include on this line a new or expanding business income exemption from a North Dakota Schedule K-1.

Line 3 - Organ donor deduction

If you or your dependent, while living, donates part or all of a liver, pancreas, kidney, intestine, lung, or bone marrow for transplantation into another human being, you may deduct up to \$10,000 of qualified expenses related to the donation that you incurred during the tax year.

Qualified expenses means:

- Lost wages not compensated for by sick pay.
- Unreimbursed medical expenses (as defined for federal income tax purposes) that you did not deduct in calculating your federal taxable income.

The expenses are deductible in the tax year in which they are incurred. They are incurred when the medical care is actually provided, and not when the expenses are billed or paid.

Enter on this line qualified expenses incurred during the tax year.

Line 4 - Employee workforce recruitment exclusion

If you receive a statement from your employer verifying that your employer qualified for the North Dakota workforce recruitment income tax credit based on your employment, enter on this line the amount of the signing bonus, moving expense payment, or non-typical fringe benefit payment shown on the statement, but only to the extent it is included in your federal taxable income for the tax year.

Attach a copy of the statement received from your employer.

Line 5 - Stillborn child deduction

You are allowed a deduction if you meet all of the following conditions:

- You are the parent of a child who was stillborn in 2020.
- You received or obtained a certified copy of a Fetal Death Record (Certification of Fetal Death) from the North Dakota Department of Health, Division of Vital Records. This deduction is allowed only if a Fetal Death Record was filed with the North Dakota Division of Vital Records.
- You would have been eligible to claim the child as a dependent on your 2020 federal income tax return if the child had been born alive. For information on who is entitled to a federal dependency exemption, see IRS Publication 501.

If eligible, enter \$4,267 on line 5a and complete lines 5b and 5c.

Line 6 - National Guard or reserve member exclusion

If you were a member of the North Dakota National Guard or the U.S. armed forces reserve, and you were mobilized or activated for federal active duty service under Title 10, United States Code, enter the compensation received for that service. Do not enter compensation exempted from federal income tax, nor compensation received for attending annual training, basic military training, or professional military education. Attach a copy of your Title 10 orders.

Line 7 - College expense reimbursement deduction

You are allowed to deduct the amount of a payment received from your employer as reimbursement for eligible education expenses if all of the following conditions are met:

- The payment is a reimbursement of expenses you incurred which are directly related to the attainment of higher education or career and technical education.
- Your employer included the payment in your taxable wages reported in box 1 of your Form W-2.

The deduction is equal to the amount of the payment included in your federal taxable income. If you deduct or exclude any portion of the payment from your federal taxable income, you may not claim a deduction for that portion of the payment.
