Form STC-06 — Instructions Request for Copies of Idaho Tax Returns

Idaho law prohibits giving any information about a tax return to anyone other than the taxpayer, unless the taxpayer gives written authorization. Copies of tax returns determined to be fraudulent or that the Idaho State Tax Commission received as the result of identity theft aren't considered taxpayer information and won't be released.

To make sure we can process your request, follow the instructions below.

Individuals

You must fill in all the fields. We'll disallow incomplete requests.

Individual Business Owners

Use the business section and enter your SSN in the FEIN box if you're an individual business owner requesting permit-related tax information and the IRS didn't require you to get an FEIN.

Businesses

You can only request business information for one FEIN per form. You must fill in all the fields. We'll deny incomplete requests.

Requested Documents

Types of Documents

Income tax for individuals and businesses:

- Income tax returns that you've filed
- W-2s and 1099s that employers or investment companies sent us
- Payment transcripts and more

Permit taxes

You can use this form to request copies of paper-filed payments or returns.

TAP user: If you've filed or paid on TAP, you can access the records on your TAP account.

Select Delivery Method

Select a box with the delivery method you prefer, and complete the item next to it. We won't send your requested documents by email or fax.

Pick up from this office: The list of offices, their locations, hours open to the public, and contact phone numbers are on our website at tax.idaho.gov/visit.

My representative will pick up from this local office: You can have a representative pick up or receive your documents by mail. To authorize this, you must sign in the Delivery Method area and the Authorized Signature area. Your representative must have a photo ID for in-office pick up.

Authorized Signatures

Individuals

Sign the form and provide verification of your identity. See the Proof of Identity document list on page two of the form.

Note: Certain situations might require both spouses' signatures and identity verification. *Example:* If both spouses are requesting their W-2s, they both must sign to receive copies of their own W-2s.

Business

The authorized person must sign the form and provide verification of identity. See the Proof of Identity document list on page two of the form.

Power of Attorney

To sign as an authorized person here, include a Power of Attorney form or other accepted tax-related authorization. If we disallowed your Power of Attorney form, this form also is invalid when the only signature is in the Power of Attorney signature box. You can find our Power of Attorney form at tax.idaho.gov.

Processing Information

We can't provide transcripts of an income tax return. We can provide copies of the filed return and any letters we sent explaining changes we made.

We now scan returns and don't keep the paper copies. We might be able to reproduce a return we received after 2005. If we can't provide a copy of what you requested, we'll send you a letter.
