What's New

STANDARD DEDUCTION—For 2021, the standard deduction is \$2,690.

FAMILY SIZE TAX CREDIT—This credit provides benefits to individuals and families at incomes up to 133 percent of the threshold amount based on the federal poverty level. The 2021 threshold amount is \$12,880 for a family size of one, \$17,420 for a family of two, \$21,960 for a family of three, and \$26,500 for a family of four or more.

INCOME GAP TAX CREDIT—This credit has expired. It was only available for tax years 2019 and 2020.

NEW FORM 2441-K, CHILD AND DEPENDENT CARE CREDIT—Kentucky does not conform to the federal American Rescue Plan (ARP) of 2021, which enhanced the federal child and dependent care credit. The ARP increased the amount of child and dependent care credit, made the credit refundable, increased the percentages of employment-related expenses for qualifying care considered in calculating the credit, and modified the phase-out of the credit for higher income earners. Since Kentucky conforms to the Internal Revenue Code as of December 31, 2018, Kentucky did not adopt these federal changes. A new form 2441-K was created to calculate the allowable Kentucky child and dependent care credit.

KENTUCKY 8863-K, KENTUCKY EDUCATION AND TUITION TAX CREDIT—Kentucky does not conform to the federal Consolidated Appropriations Act of 2021, which (CAA) made changes to the federal lifetime learning credit. The CAA increased the phase out limits when calculating the federal lifetime learning credit. Since Kentucky conforms to the Internal Revenue Code as of December 31, 2018, Kentucky Form 8863-K was updated to add lines 9(a) through 9(e) using the phase out limits in effect as of Kentucky's IRC conformity date for the Kentucky lifetime learning credit.

PPP LOANS AND EIDL GRANTS AND ADVANCES—Expenses paid with proceeds from forgiven Paycheck Protection Program (PPP) loans or Economic Injury Disaster Loans (EIDL) grants and advances are authorized to be deducted for Kentucky income tax purposes and federal income tax purposes. 2021 House Bill 278 updated KRS 141.019 to allow the same treatment afforded by Pub. L. No. 116-260, sec. 276 and sec. 278, related to the tax treatment of forgiven covered loans, deductions attributable to those loans, and tax attributes associated with those loans for taxable years ending on or after March 27, 2020, but before January 1, 2022. Loans forgiven under the CARES Act PPP and EIDL grants and advances that are excluded from gross income for federal income tax purposes are also excluded for Kentucky income tax purposes.

DISASTER RESPONSE EMPLOYEES/BUSINESSES—2021 House Bill 84 provides an exemption for qualified disaster response employees and disaster response businesses from income tax for tax years beginning on or after January 1, 2021 but before January 1, 2025. A disaster response business is exempt from income tax under KRS 141.040 (corporations) and KRS 141.020 (sole proprietorships) if the disaster response business has no presence in Kentucky and conducts no business in Kentucky, except for disaster or emergency-related work during a disaster response period, whose services are requested by a registered business or by a state or local government for purposes of performing disaster or emergency-related work in Kentucky during a disaster period and has no registrations, tax filings or nexus in Kentucky other than disaster or emergency-related work during the calendar year immediately preceding the declared state disaster or emergency. Disaster response employees are exempt from individual income tax if the employee does not work or reside in Kentucky, except for disaster or emergency-related work during the disaster response period. Disaster or emergency-related work means repairing, renovating, installing, building, or rendering services that are essential to the restoration of critical infrastructure that has been damaged, impaired, or destroyed by a declared state disaster or emergency. The disaster or emergency-related work must take place up to 10 days prior and up to 30 days after the declared state disaster or emergency ("the disaster response period"). NOTE: This exemption does not apply to the LLET or to taxes imposed under KRS 141.206 on pass-through entities, such as nonresident withholding.

RENEWABLE CHEMICAL PRODUCTION TAX CREDIT—For taxable years beginning on or after January 1, 2021, and ending on or before December 31, 2024, a nonrefundable and nontransferable credit allowed against the taxes imposed by KRS 141.020 or KRS 141.040 and KRS 141.0401 is available for taxpayers that produce renewable chemicals. Preliminary approval is obtained through the Department of Agriculture. Schedule CHEM is due to the Department of Revenue by March 1 each year. The Department of Revenue will issue the credit certificate (Schedule CHEM) by April 15 each year. The annual biodiesel, renewable diesel, and renewable chemical production tax credit cap is \$10,000,000 annually. There is a carryforward of three (3) years for any unused credit. The credit certificate must be attached to the tax return claiming the credit per KRS 141.4231 and KRS 246.700(8).

HB 563—EDUCATION OPPORTUNITY ACCOUNT PROGRAM—Pursuant to Franklin Circuit Court’s October 8, 2021 Opinion and Order addressing a challenge to the constitutionality of HB 563, which, in part, established a tax credit for a limited pool of Kentuckians to pay for private school tuition, the Department of Revenue was ordered to cease administering the programs established by the bill. Accordingly, the Department of Revenue shall not approve the creation or operation of any Account-Granting Organizations, the establishment of any Educational Opportunity Accounts, or grant any tax credits to fund such organizations and accounts under the legislation enacted in House Bill 563. See KRS 141.500 et seq.

The Department of Revenue will update its website, revenue.ky.gov, to notify the public of any future changes based upon subsequent judicial decisions and/or legislative enactments.

Reminders

INTERNAL REVENUE CODE DATE—Kentucky’s Internal Revenue Code (IRC) reference date is December 31, 2018, exclusive of any amendments made subsequent to that date, other than amendments that extend provisions in effect on December 31, 2018, that would otherwise terminate.

INVENTORY TAX CREDIT—The inventory tax credit increases to 100 percent of the ad valorem taxes timely paid for property described in KRS 132.020(1)(e) or KRS 132.099 for taxable years beginning on or after January 1, 2021.

KY FILE—Kentucky also offers another option for filing your state return electronically, free of charge. If you would like to fill out your Kentucky forms and schedules without software help or assistance you may use the *KY File* website. *KY File* allows you to file current year Kentucky individual income tax returns and is designed to be the simple electronic equivalent of a paper form. It will provide basic mathematical and error checks but unlike most other software it does not ask about or explain tax situations. Your federal forms should be completed before accessing the *KY File* website. You can access the *KY File* website at Filetaxes.ky.gov

General Information

Which form should I file?

File Form 740 if you are a full-year Kentucky resident and meet the filing requirements in the Instructions for Form 740.

File Form 740-NP if you are a nonresident and:

- had income from Kentucky sources.

or are a part-year Kentucky resident and:

- moved into or out of Kentucky during the taxable year.
- had income while a Kentucky resident.
- had income from Kentucky sources while a nonresident.

File Form 740-NPR if you are a resident of a reciprocal state: Illinois, Indiana, Michigan, Ohio, Virginia, West Virginia and Wisconsin and you had Kentucky income tax withheld and had no other income from Kentucky sources.

Computer–Generated Returns and 2–D Barcode

Most software packages produce a 2-D barcode. The Department of Revenue scans the barcode that contains all of the information needed to process your return. The barcode is printed in the upper right-hand corner of the return when you prepare your return using an approved software package. **Last minute changes** should be entered into the program and the **entire** return printed again so that the barcode also contains the correct information. This barcode should not be covered up or marked through. Using the barcode reduces data entry errors for the department and results in a faster refund for you.

Check to be sure your software generates an acceptable form. A list of vendors whose software has been approved is posted on the Internet at revenue.ky.gov, the Department of Revenue's website.

Free Electronic Filing Options

You may visit <https://revenue.ky.gov/Individual/Pages/FreeFileSoftware.aspx> for free electronic filing options. You may qualify to file your federal and Kentucky individual income tax returns for free depending on your income level. Some offers require state and federal returns to be filed at the same time. The Kentucky Department of Revenue does not endorse any specific tax filing product. Each software company is responsible for the accuracy of the software program instructions and calculations. However, all software packages will produce a return which contains the required data fields. The Kentucky Department of Revenue does not offer technical assistance for these software products. You should contact the tax software customer service department if you have issues using any of the software products.

Kentucky also offers another option for filing your state return electronically, free of charge. If you would like to fill out your Kentucky forms and schedules without software help or assistance you may use the *KY File* website.

KY File allows you to file current year Kentucky individual income tax returns and is designed to be the simple electronic equivalent of a paper form. Where to Get Forms

Forms and instructions are available online from the Department of Revenue's website at revenue.ky.gov and at all Kentucky Taxpayer Service Centers. They may also be obtained by writing FORMS, Kentucky Department of Revenue, 501 High Street, Station 23B, Frankfort, KY 40601, or by calling (502) 564-3658.

Address Change

If you move after you file your tax return, please notify the Kentucky Department of Revenue of your new address. This can be done by sending a change of address card (available at your local post office) to: Taxpayer Assistance Section, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181. Notification can also be made to any Kentucky Taxpayer Service Center. A list of locations is included in your packet.

Refund Inquiries

You may check the status of your refund at refund.ky.gov. This system is available 24 hours a day, 7 days a week, and is updated nightly. The following information from your return will be required:

- Your Social Security Number shown on the return.
- The **exact** whole-dollar amount to be refunded to you.

Information about electronically filed returns should be available within 72 hours of receipt. Information about other refund requests filed on paper will be available after the return has completed initial processing (approximately 12 weeks).

Need a Copy of Your Tax Return?

If you need a copy of your tax return, you must send your request in writing to: Taxpayer Assistance Section, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181 or fax to (502) 564-3392. Please include your name(s) as it appeared on your return, Social Security number(s), your complete mailing address, and a photo ID. To ensure confidentiality, all requests must include your signature.

How Long Should Records be Kept?

Keep a copy of your tax return, worksheets and records of all items appearing on it (such as Forms W-2 and 1099 or other receipts) until the statute of limitations runs out for that return. Usually, this is four years from the date the return was due or filed (with extensions), or the date the tax was paid, whichever is later.

You should keep some records longer. For example, keep property records (including those on your home) as long as they are needed to figure the basis of the original or replacement property.

Filing as an Injured Spouse on Your Federal Form 1040?

Kentucky does not recognize the federal injured spouse form. Income tax refunds may be withheld by the department if you owe money to the Kentucky Department of Revenue, another state agency or the Internal Revenue Service.

Kentucky law requires the offset of the entire refund if a joint return is filed. **If spouses want to keep their tax liabilities and/or refunds separate, each must file a separate tax form.** If you choose to file separately on a combined return, for agencies other than the Department of Revenue, the refund will be apportioned between spouses, based on each spouse's income. The indebted spouse's refund will then be paid to the appropriate agency.

Death of a Taxpayer

If a taxpayer died before filing a return for 2021, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator or anyone who is in charge of the deceased taxpayer's property. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund. The person who files the return

should check the applicable deceased box at the top of the return.

If your spouse died in 2021 and you did not remarry in 2021, you can file jointly or separately on a combined return. The return should show your spouse's 2021 income before death and your income for all of 2021. You can also file jointly or separately on a combined return if your spouse died in 2022 before filing a 2021 return. Write "**Filing as surviving spouse**" in the area where you sign the return. If someone else is the personal representative, he or she must also sign.

Death of Military Personnel Killed in Line of Duty

KRS 141.019(k) exempts all income earned by soldiers killed in the line of duty from Kentucky tax for the year during which the death occurred and the year prior to the year during which the death occurred.

The exemption applies to tax years beginning after December 31, 2001. The income exclusion applies to all income from all sources of the decedent, not just military income. The exclusion includes all federal and state death benefits payable to the estate or any beneficiaries.

Amended returns may be filed for the year the soldier was killed in the line of duty and the year prior to the year of death. The amended returns must be filed within the statute of limitations period; four years from the due date, the extended due date or the date the tax was paid, whichever is later.

If a combined return was filed, the exclusion would apply to the income reported in Column A or Column B of the Kentucky return attributable to the military member. If a joint return was filed, the income must be separated accordingly. Refunds will be issued in the names on the original return. Beneficiaries or estates that received death benefits that were included in a Kentucky return may file an amended return to request a refund of taxes paid on the benefit.

The Department of Revenue will use the Veterans Administration definition for "in the line of duty," which states that a soldier is in the line of duty when he or she is in active military service, whether on active duty or authorized leave; unless the death was the result of the person's own willful misconduct.

Income Tax Withholding for 2022

You may elect to increase your withholding by updating your K-4 with your employer. Or if you do not expect to have any tax liability for the current year or you meet the modified gross income requirement, you may be entitled to claim an exemption from withholding of Kentucky income tax.

2022 Estimated Tax Payments

Individuals who can reasonably expect to have income of more than \$5,000 from which no Kentucky income tax will be withheld may be required to make estimated tax payments on Form 740-ES. However, if the amount of estimated tax is \$500 or less, no estimated payments are required. Individuals who do not prepay at least 90% of the tax to be shown on the 2022 tax return, or 100% of the tax shown on the 2021 tax return, may be subject to a penalty for underpayment of estimated tax. For more information on calculating the penalty, please refer to Form 2210-K. Prepayments for 2022 may be made through withholding, a credit forward of a 2021 overpayment or estimated tax installment payments.

Estimated tax installments may now be made electronically at revenue.ky.gov, using Form EPAY, or when electronically filing your return using Form 8879-K, or through mailing a 740-ES with payment.

The instructions for Form 740-ES include a worksheet for calculating the amount of estimated tax due and for making installment payments. These forms may be obtained from the Kentucky Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518, or any Kentucky Taxpayer Service Center, or by calling (502) 564-3658.

Return Adjustments

If the Department of Revenue adjusts your return and you do not understand the adjustment(s), you may write to Taxpayer Assistance, Kentucky Department of Revenue, P.O. Box 181, Station 56, Frankfort, KY 40602-0181, fax your request to Taxpayer Assistance (502) 564-3392, or call (502) 564-4581. Please include your name(s) as it appears on your return, complete Social Security Number(s), notice number(s), and daytime contact information.

If you disagree with an adjustment made to your return, you must appeal the adjustment by submitting a written protest within 60 days of notification.

Amended Returns

If you discover that you omitted deductions or otherwise improperly prepared your return, you may obtain a refund by filing an amended return within four years of the due date of the original return. You are required to file an amended return to report omitted income. For 2017 and later use form 740 and check the box for amended. For 2016 and prior, use Form 740-X. You may obtain these forms by contacting a Kentucky Taxpayer Service Center or writing FORMS, Kentucky Department of Revenue, P. O. Box 518, Frankfort, KY 40602-0518. You may also download forms at revenue.ky.gov the Department of Revenue's website.

Federal Audit Adjustments

Taxpayers who have received a final determination of an Internal Revenue Service audit must submit a copy to the department within 180 days of its conclusion. The information should be submitted to the Individual Governmental Program Section, Kentucky Department of Revenue, P.O. Box 1074, Station 68, Frankfort, KY 40602-1074.

Confidentiality

Kentucky Revised Statute 131.190 requires the Department of Revenue to maintain strict confidentiality of all taxpayer records. No employee of the Department of Revenue may divulge any information regarding the tax returns, schedules or reports required to be filed. However, the Department of Revenue is not prohibited from providing evidence to or testifying in any court of law concerning official tax records. **Also, Department of Revenue employees or any other person authorized to access confidential state information are prohibited from intentionally viewing such information without an official need to view.**

The department may provide official information on a confidential basis to the Internal Revenue Service or to any other governmental agency with which it has an exchange of information agreement whereby the department receives similar or useful information in return.

Extension of Time to File

Taxpayers who are unable to file a return by April 18 may request an extension of time to file their return. Taxpayers may elect to file this request electronically or by mailing the extension to the Department of Revenue on or before the due date of the return. The request must state a reasonable cause for the inability to file. Inability to pay is not an acceptable reason. Acceptable reasons include, but are not limited to, destruction of records by fire or flood and serious illness of the taxpayer. Extensions are limited to six months. **A copy of the Kentucky extension request must be enclosed with your paper return. If you file your return electronically, you must indicate that an extension was filed by checking the appropriate box in the software.**

Individuals who receive a federal extension are not required to request a separate Kentucky extension. They can meet the requirements by enclosing a copy of the application for automatic federal extension to the Kentucky return.

IRS extensions by e-file (by personal computer or a tax professional)— Enclose a copy of Form 4868 with the confirmation number in the lower right-hand corner of the form or a copy of the electronic acknowledgment.

Military Personnel—Kentucky residents who are in the military are often granted extensions for tax filings when serving outside the United States. Any extension granted for federal income tax purposes will be honored for Kentucky income tax purposes.

Combat Zone Extension—Members of the Army, Navy, Marines, Air Force, or Public Health Service of the United States government who serve in an area designated as a combat zone by presidential proclamation shall not be required to file an income tax return and pay the taxes, which would otherwise become due during the period of service, until 12 months after the service is completed. Members of the National Guard or any branch of the Reserves called to active duty to serve in a combat zone are granted the same extension.

Interest and Penalties—Interest at the "tax interest rate" applies to any income tax paid after the original due date of the return. If the amount of tax paid by the original due date is less than 75 percent of the tax due, a **late payment penalty** may be assessed (minimum penalty is \$10).

Interest and penalty charges can be avoided or reduced by sending payment with your extension request by the due date. If you wish to make a payment prior to the due date of your return when using the:

- (1) *Kentucky Extension*—Complete Section II, Kentucky Extension Payment Voucher, of the Application for Extension of Time to File, Form 740EXT, and send with payment. Write "KY Income Tax—2021" and your Social Security number(s) on the face of the check.
- (2) *Federal Automatic Extension*—Make a copy of the lower portion of the federal Application for Automatic Extension, Form 4868, and send with payment. Make check payable to Kentucky State Treasurer, write "KY Income Tax—2021" and your Social Security number on the face of the check. Enclose the check, Federal extension and send to Kentucky Department of Revenue, Frankfort KY 40620-0009.

Personal Property Forms

Kentucky business taxpayers are reminded to report all taxable personal property, except motor vehicles, owned on January 1 to either the property valuation administrator in the county of residence (or location of business) or the Office of Property Valuation in Frankfort.

Tangible personal property is to be reported on the Tangible Personal Property Tax Return, Form 62A500.

The due date for this return is May 15. **Do not mail this return with your income tax return; use a separate envelope.**

Kentucky State Treasury—Unclaimed Property

Individuals—The Kentucky State Treasury may be holding unclaimed property for you or your family. The Treasury holds hundreds of millions of dollars from bank accounts, payroll checks, life insurance, utility deposits, and other types of property that have been unclaimed by the owners. Please visit treasury.ky.gov or www.missingmoney.com for more information on how to locate and claim any funds that may belong to you.

Businesses—Kentucky businesses are required to comply with the Kentucky Revised Uniform Unclaimed Property Act, codified as KRS Chapter 393A. If you have uncashed vendor checks, payroll checks, unclaimed customer deposits or refunds, or other types of property belonging to third-parties, you may be required to turn the property over to the Kentucky State Treasury. Please review KRS Chapter 393A, or visit treasury.ky.gov for more information.

INSTRUCTIONS FOR 2021 KENTUCKY FORM 740-NP NONRESIDENT OR PART-YEAR RESIDENT INCOME TAX RETURN

WHO MUST FILE FORM 740-NP—Form 740-NP must be used by full-year nonresidents who had income from Kentucky sources and by part-year residents who had income while a Kentucky resident or from Kentucky sources while a nonresident. These persons must file Form 740-NP if they had (1) **any gross income** from Kentucky sources **and gross income from all sources** in excess of modified gross income for their family size, or (2) Kentucky gross receipts from self-employment in excess of modified gross income for their family size. See Chart A on page 10.

Individuals who maintain a permanent residence in Kentucky (i.e., are domiciled in Kentucky) for the entire tax year are considered full-year residents and must use Form 740. Persons not domiciled in Kentucky but who live in Kentucky for more than 183 days during the tax year are also considered residents; however, since they are not full-year residents they must use Form 740-NP. Individuals who established or abandoned Kentucky residency are considered part-year residents.

Persons moving into Kentucky must report income received from Kentucky sources prior to becoming residents and income received from all sources after becoming Kentucky residents.

Residents moving out of Kentucky during the year must report income from all sources while a resident and from Kentucky sources while a nonresident.

Full-year nonresidents must report all income from Kentucky sources (including distributive share income, Schedule K-1), from activities carried on in Kentucky or from the performance of services in Kentucky, and from property located in Kentucky.

Reciprocal States—Kentucky has reciprocal agreements with specific states. These agreements provide for taxpayers to be taxed by their state of residence, and not the state where income is earned. **Reciprocity does not apply to persons who live in Kentucky for more than 183 days during the tax year.** The states and types of exemptions are as follows:

Illinois, West Virginia—wages and salaries

Indiana—wages, salaries and commissions

Michigan, Wisconsin—income from personal services (including salaries and wages)

Ohio—wages and salaries. **Note:** Wages which an S corporation pays to a shareholder-employee if the shareholder-employee is a “twenty (20) percent or greater” direct or indirect equity investor in the S corporation shall not be exempt under the reciprocity agreement.

Virginia—commuting daily, salaries and wages

Taxpayers who qualify for this exemption and have no other Kentucky taxable income should file Form 740-NP-R, Kentucky Income Tax Return, Nonresident-Reciprocal State, to obtain a refund. Also, nonresidents who qualify for the exemption should file Form 42A809, Certificate of Nonresidence, with their employer to exempt their future wages from Kentucky withholding.

Gambling income and distributive share income (Schedule K-1) are not exempt under reciprocal agreements. This income is fully taxable. A complete return must be filed if filing requirements are met.

Military Personnel—Nonresident military personnel with civilian jobs in Kentucky are required to report this income on Form 740-NP except residents of reciprocal states (see

reciprocal states above). Any income from nonmilitary Kentucky sources is also taxable.

Military Pay Exclusion—Effective for taxable years beginning on or after January 1, 2010, all military pay received by active duty members of the Armed Forces of the United States, members of reserve components of the Armed Forces of the United States, and members of the National Guard will be exempt from Kentucky income tax. (KRS 141.019(l))

Soldiers will claim the exemption by excluding military pay when filing a Kentucky individual income tax return starting with the 2010 return. Provided the military member has no income other than military pay, he or she would not be required to file a Kentucky income tax return. The military pay exemption applies to all Kentucky military members regardless of where the member is stationed. Kentucky income tax should no longer be withheld from checks received for military pay, beginning January 1, 2010. If Kentucky income tax is incorrectly withheld from a soldier’s military pay in 2010 and after, the Department of Revenue will refund the tax withheld.

Military Spouse—Effective for tax years beginning 2018 and after, the Veterans Benefits and Transition Act allows the same tax benefits, permitted to military personnel under the Servicemembers Civil Relief Act (SCRA) to also apply to a military spouse’s nonmilitary service income under certain circumstances. This new law expands those rights originally granted to military spouses beginning tax year 2009 under the Military Spouse Residency Relief Act (MSRRA), by now allowing military spouses to choose the same state of legal residence as their servicemember for tax purposes, regardless of whether the military spouse has ever lived in that state.

A military spouse’s income is not taxable to Kentucky if all of these requirements are met:

- the active duty servicemember is present in Kentucky in compliance with military orders;
- the military spouse is in Kentucky solely to be with the active duty servicemember; and
- the active duty servicemember maintains legal residence in a state other than Kentucky and the military spouse chooses to claim that same state as his/her state of legal residence, too.

If the servicemember’s spouse qualifies for military spouse relief but his or her employer withholds income tax, he or she should file Form 740-NP Kentucky Individual Income Tax Nonresident or Part-Year Resident Return to request a refund of Kentucky income tax withheld. Please check the box labeled “Military Spouse”. Your income will not be reported as taxable on the Kentucky income tax return. A military spouse who meets all of the requirements for his/her income to not be taxable to Kentucky should file a new Form K-4 with his or her employer to claim the exemption from withholding of Kentucky income tax for future years.

Military Personnel Eligible for Combat Zone Extension—Members of the Army, Navy, Marines, Air Force, or Public Health Service of the United States government who serve in an area designated as a combat zone by presidential proclamation shall not be required to file an income tax return and pay the taxes, which would otherwise become due during the period of service, until 12 months after the service is completed. Members of the National Guard or any branch of the Reserves called to active duty to serve in a combat zone are granted the same extension.

DETERMINING YOUR INCOME

SECTION B—INCOME/ADJUSTMENTS TO INCOME

A copy of your federal income tax return and all supporting schedules must be filed with Kentucky Form 740-NP. Please clearly identify as "Copy."

INSTRUCTIONS FOR COLUMN A

All entries in Column A should be amounts reported for federal income tax purposes.

Depreciation—Assets Purchased After September 10, 2001

Effective for taxable years ending after September 10, 2001, an individual that for federal income tax purposes elects to utilize the 30 percent or the 50 percent special depreciation allowance or the increased 179 deduction will have a different depreciation and Section 179 deduction for Kentucky purposes than for federal purposes. The differences will continue through the life of the assets. There will be recapture and basis differences for Kentucky and federal income tax purposes until the assets are sold or fully depreciated.

INSTRUCTIONS FOR COLUMN B

Depreciation, Section 179 Deduction and Gains/Losses From Disposition of Assets—Important: Follow the instructions for Reporting Depreciation and Section 179 Deduction Differences if you have elected for federal income tax purposes to take the 30 percent or the 50 percent special depreciation allowance or the increased Section 179 deduction for property placed in service after September 10, 2001. A copy of the federal Form 4562 if filed for federal income tax purposes must be submitted with Form 740-NP to verify that no adjustments are required.

Reporting Depreciation and Section 179 Deduction Differences for property placed in service after September 10, 2001—Create a Kentucky Form 4562 by entering Kentucky at the top center of a federal Form 4562 above Depreciation and Amortization. For property placed into service from September 10, 2001 through December 31, 2019: In Part I, Line 1 enter the Kentucky limit of \$25,000 and in Part I, Line 3 enter the Kentucky phaseout amount of \$200,000. For property placed into service on or after January 1, 2020: in Part I, line 1, enter the Kentucky limit of \$100,000 and the phaseout threshold does not apply for purposes of determining Kentucky depreciation. For property placed into service between September 10, 2001 and December 31, 2019, the maximum allowable IRC §179 deduction for Kentucky purposes is reduced dollar-for-dollar by the amount by which the cost of qualifying IRC §179 property placed in service during the year exceeds the threshold. In determining the IRC §179 deduction for Kentucky for property placed into service between September 10, 2001 and December 31, 2019, the income limitation on Line 11 should be determined by using Kentucky net income before the IRC §179 deduction instead of federal taxable income. In Part II, strikethrough and ignore Line 14, Special depreciation allowance for qualified property placed in service during the tax year. Use the created Kentucky Form 4562 to compute Kentucky depreciation and Section 179 deduction in accordance with the IRC in effect on December 31, 2001. For property placed into service from September 10, 2001 through December 31, 2019, or the IRC in effect on December 31, 2003 for property placed into service on or after January 1, 2020.

Note: In determining the Section 179 deduction for Kentucky, the income limitation on line 11 is Kentucky net income before the Section 179 deduction, instead of federal taxable income. Adjust federal Schedules C, E and F for the difference in allowable depreciation and report in Column B the Kentucky income (loss) from business, farming or rental property. **Enclose Kentucky Form 4562 and, if filed, federal Form 4562.**

Line 1, Wages, Salaries, Tips, etc.—Enter all wages, salaries, tips, bonuses, commissions or other compensation received for personal services from Kentucky sources while a nonresident and from all sources while a resident of Kentucky. These payments may be included in box 1 as wages or shown separately on the wage and tax statements. Persons who were residents of Kentucky for only part of the year are required to report as income only part of the total reimbursement they received. The amount which must be reported to Kentucky as income is based on the percentage of Kentucky earned income to total earned income. Earned income is income you received for services you provided. It includes wages, salaries, tips, etc. It also includes income earned from self-employment (Schedules C, C-EZ and F and partnerships). Use the following worksheet to calculate the taxable percentage of your reimbursement.

Shareholders and partners should multiply their distributive share items by the taxable percentage from Schedule K-1, Form PTE, Line B(2).

Part-year residents not receiving a Kentucky Schedule K-1, but receiving a federal K-1 from a partnership, estate, trust or S corporation, must report the same amount of distributive income, gains or losses, etc., as reported for federal income tax purposes from entities whose taxable years end during their period of residence.

Line 27, Kentucky Use Tax—If, while a Kentucky resident, you made any out-of-state purchases of tangible personal property, digital property and extended warranties for use in Kentucky on which sales tax was not charged, you must report Kentucky use tax on those purchases, pursuant to KRS 139.330. **For example, if you order from catalogs, make purchases through the Internet, or shop outside Kentucky** for items such as clothing, shoes, jewelry, cleaning supplies, furniture, computer equipment, pre-written computer software, office supplies, books, souvenirs, exercise equipment or subscribe to magazines, you may owe use tax to Kentucky.

For your convenience, the Use Tax Calculation Worksheet and Optional Use Tax Table are provided in these instructions. The Optional Use Tax Table is designed for those purchases of less than \$1,000. If you made **untaxed** out-of-state purchases in amounts under \$1,000, but do not have records readily available that show the amount of those purchases, you may use the Optional Use Tax Table below to estimate the compensating use tax based on your Kentucky Adjusted Gross Income (KYAGI). All **untaxed** purchases in the amount of \$1,000 or greater must be accounted for on an actual basis using the Use Tax Calculation Worksheet. Failure to timely report may result in assessment of penalty and interest in addition to the tax amount due.

Optional Use Tax Table

2. Purchases of \$1,000 or more x 6 percent (.06)	\$
3. Total Use Tax Due (add lines 1 and 2)	\$
Report this amount on Form 740 or 740-NP, line 27.	

Note: The items reported for use tax on Form 740-NP should be those purchased strictly for personal use. Any use tax liabilities accruing to a business such as mail-order office supplies must be reported on the sales and use tax return or the consumer's use tax return. The Department of Revenue routinely conducts compliance programs with other states regarding out-of-state purchases. Persons not reporting applicable use tax will be liable for the tax plus interest and penalties.

Credit Against the Kentucky Use Tax Due

You may reduce or eliminate the amount of Kentucky use tax due by the amount of state sales tax paid to the out-of-state seller on the same transaction. The reduction may not exceed the amount of Kentucky use tax due on the purchase. For example, if Georgia state sales tax of 4 percent is paid, only the additional 2 percent is due to Kentucky, or if Illinois state sales tax of 6.25 percent is paid, no additional Kentucky use tax is due. Sales tax paid to a city, county or another country cannot be used as a credit against Kentucky use tax due.

Line 29, Amended returns only—Enter any overpayment received from your original return.

The request for the extension must be submitted in writing to the Department of Revenue on or before the due date of the return. The request must state a reasonable cause for the inability to file. If the amount of tax paid by the original due date is less than 75 percent of the tax due, a late payment penalty may be assessed (minimum penalty is \$10). Interest and late payment penalty charges can be avoided by remitting payment with the Extension Payment Voucher by the due date.

If you wish to make a payment prior to the due date of your tax return, complete Section II of the Application for Extension of Time to File, Form 740-EXT, and remit with payment. Write "KY Income Tax—2021" and your Social Security number on the face of the check.

KRS 141.438 was created to allow a nonrefundable income tax and limited liability entity tax credit of 20 percent of the value of the endowment gift, not to exceed \$10,000. You may need to reduce your Schedule A contribution by the amount of the ENDOW credit. See instructions for Schedule A.

A taxpayer shall enclose a copy of the approved Schedule ENDOW to the tax return each year to claim the tax credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401.

A partner, member, or shareholder of a pass-through entity shall enclose a copy of Schedule K-1, Form PTE to the partner's, member's, or shareholder's tax return each year to claim the tax credit.

Unused credit may be carried forward for use in a subsequent taxable year, for a period not to exceed five years.

Line 19, New Markets Development Program Tax Credit—A taxpayer that makes a qualified equity investment in a qualified community development entity may be eligible for a credit that may be taken against the corporation income tax, individual income tax, insurance premiums taxes and limited liability entity tax. The qualified community development entity must first submit an application to the Department of Revenue for approval. The person or entity actually making the loan or making the equity investment will be able to claim a credit, subject to a \$10 million credit cap each fiscal year, by completing Form 8874(K)-A.

Line 20, Food Donation Credit—Enter any unused credit from a prior year.

Line 21, Distilled Spirits Credit—Nonrefundable and nontransferable distilled spirits ad valorem tax credit may be claimed by income taxpayers who pay Kentucky property tax on distilled spirits. If the taxpayer is a pass-through entity, such as a partnership or limited liability company classified as a partnership for Kentucky income tax purposes, the taxpayer may apply the credit against the LLET and pass the credit through to its members, partners, or shareholders in the same proportion as the distributive share of income or loss is passed through. For taxable years beginning on or after January 1, 2019, the distilled spirits credit is equal to one hundred percent (100%) of the tax assessed under KRS 132.160 and paid under KRS 132.180 on a timely basis. For more information, see KRS 141.389.

Line 22, Angel Investor Credit—Effective for taxable years beginning on or after January 1, 2015, a nonrefundable personal income tax credit is available under the Kentucky angel investment credit program to individuals who invest a minimum of \$10,000 in certain Kentucky small businesses with high-growth potential that are engaged in knowledge-based activities, such as bioscience, environmental and energy technology, health and human development, information technology and communications, and materials science and advanced manufacturing, that will further the establishment or expansion of small businesses, create additional jobs, and foster the development of new products and technologies.

The maximum amount of credit that may be claimed by a taxpayer in any taxable year shall not exceed fifty percent (50%) of the total amount of credit awarded or transferred to the taxpayer.

Any amount of credit that a taxpayer is unable to utilize during a taxable year may be carried forward for use in a succeeding taxable year for a period not to exceed fifteen (15) years. Any amount of credit not used within fifteen (15) years shall be lost. No amount of credit may be carried back by any taxpayer. For more information, see KRS 141.396.

Line 23, Film Industry Tax Credit—For applications approved on or after April 27, 2018, a nonrefundable and nontransferable credit against the taxes imposed by KRS 141.020 or 141.040 and 141.0401 is available for taxpayers who have received notification from the film office that the approved company

has satisfied all requirements of KRS 148.542 to 148.546. KRS 141.383

Line 24, Inventory Tax Credit—For taxable years beginning on or after January 1, 2018, a nonrefundable and nontransferable income tax credit is allowed against the taxes imposed by KRS 141.020 or 141.040 and 141.0401 for ad valorem (property) taxes timely paid on inventory. This credit is phased in as follows: 25% in 2018; 50% in 2019; 75% in 2020; 100% on 2021 and thereafter. KRS 141.408

Preliminary approval is obtained through the Department of Agriculture. Schedule CHEM is due to the Department of Revenue by March 1 each year. The Department of Revenue will issue the credit certificate (Schedule CHEM) by April 15 each year. The annual biodiesel, renewable diesel, and renewable chemical production tax credit cap is \$10,000,000 annually. There is a carryforward of three (3) years for any unused credit. The credit certificate must be attached to the tax return claiming the credit per KRS 141.4231 and KRS 246.700(8).

Family Size—Consists of yourself, your spouse if married and living in the same household and qualifying children.

FAMILY SIZE TAX CREDIT TABLE

Once you have determined your family size and your Modified Gross Income, you will use the Family Size Tax Credit Table located on the Schedule ITC to determine your family size credit percentage.

Example 1: A taxpayer is filing single, has one qualifying dependent child and their Modified Gross Income is \$21,450. This taxpayer has a family size of two and would be entitled to a family size tax credit of 40% (.40).

Example 2: A taxpayer and spouse are filing married, filing a joint return and they have two qualifying dependent children and their modified gross income is \$27,000. They would have a family size of four and would be entitled to a family size tax credit of 90% (.90).

**INSTRUCTIONS FOR SCHEDULE A
FORM 740-NP**

You may itemize your deductions for Kentucky even if you do not itemize for federal purposes. Amounts entered on Schedule A should be total deductions for the taxable period. These amounts are prorated on Form 740-NP, page 1. If you do not itemize, you may elect to take a standard deduction of \$2,690 and it does not have to be prorated.

Special Rules for Married Couples—If one spouse itemizes deductions, the other must itemize. Married couples filing a joint federal return and who wish to file separate returns for Kentucky may: (a) file separate Schedules A showing the specific deductions claimed by each; (b) file a joint Schedule A, divide the total deductions between them based on the percentage of each spouse's income to total income, and enclose a copy with each return; or (c) each spouse may claim the standard deduction of \$2,690.

Lines 1 through 6—Interest Expense

You may deduct interest that you have paid during the taxable year on a home mortgage. You may not deduct interest paid on credit or charge card accounts, a life insurance loan, an automobile or other consumer loan, delinquent taxes or on a personal note held by a bank or individual.

Interest paid on business debts should be deducted as a business expense on the appropriate business income schedule.

You may not deduct interest on an indebtedness of another person when you are not legally liable for payment of the interest. Nor may you deduct interest paid on a gambling debt or any other nonenforceable obligation. Interest paid on money borrowed to buy tax-exempt securities or single premium life insurance is not deductible.

Line 1—List the interest and points (including "seller-paid points") paid on your home mortgage to financial institutions and reported to you on federal Form 1098.

Line 2—List other interest paid on your home mortgage and not reported to you on federal Form 1098. Show name and address.

Line 3—List points (including "seller-paid points") not reported to you on federal Form 1098. Points (including loan origination fees) charged only for the use of money and paid with funds other than those obtained from the lender are deductible over the life of the mortgage. However, points may be deducted in the year paid if all three of the following

apply: (1) the loan was used to **buy, build or improve your main home**, and was secured by that home, (2) the points did not exceed the points usually charged in the area where the loan was made, and were figured as a percentage of the loan amount, and (3) if the loan was used to **buy or build** the home, you must have provided funds (see below) at least equal to the points charged. If the loan was used to **improve** the home, you must have paid the points with funds other than those obtained from the lender.

Funds provided by you include down payments, escrow deposits, earnest money applied at closing, and other amounts actually paid at closing. They do not include amounts you borrowed as part of the overall transaction.

Seller-Paid Points—If you are the buyer, you may be able to deduct points the seller paid in 2021. You can do this if the loan was used to buy your main home and the points meet item 2 above. You must reduce your basis in the home by those points, even if you do not deduct them.

The seller cannot deduct these points as interest. However, they are a selling expense that reduces the amount realized by the seller. See federal Publication 523 for information on selling your home.

This generally does not apply to points paid to refinance your mortgage. Federal rules apply. See federal Publication 936 for more information.

Line 4—Qualified Mortgage Insurance Premiums—Premiums that you pay or accrue for "qualified mortgage insurance" during 2021 in connection with home acquisition debt on your qualified home are deductible as home mortgage insurance premiums. Qualified mortgage insurance is mortgage insurance provided by the Veterans Administration, the Federal Housing Administration, or the Rural Housing Administration, and private mortgage insurance. Mortgage insurance premiums you paid or accrued on any mortgage insurance contract issued before January 1, 2007, are not deductible.

Limit on amount you can deduct. You cannot deduct your mortgage insurance premiums if the amount on Form 740-NP, line 9, is more than \$109,000 (\$54,500 if married filing separate returns). If the amount on Form 740-NP, line 9, is more than \$100,000 (\$50,000 if married filing separate returns), your deduction is limited and you must use the worksheet below to figure your deduction.

Qualified Mortgage Insurance Premiums Deduction Worksheet

See the instructions for Line 4 above to see if you must use this worksheet to figure your deduction.

1. Enter the total premiums you paid in 2021 for qualified mortgage insurance for a contract entered into on or after January 1, 2007	1. _____
2. Enter the amount from Form 740-NP, page 1, Line 9	2. _____
3. Enter \$100,000 (\$50,000 if married filing separate returns).....	3. _____
4. Is the amount on Line 2 more than the amount on Line 3? <input type="checkbox"/> No. Your deduction is not limited. Enter the amount from Line 1 above on Schedule A, Line 4. <input type="checkbox"/> Yes. Subtract Line 3 from Line 2. If the result is not a multiple of \$1,000 (\$500 if married filing separate returns), increase it to the next multiple of \$1,000 (\$500 if married filing separate returns). For example, increase \$425 to \$1,000, increase \$2,025 to \$3,000; or if married filing separate returns, increase \$425 to \$500, increase \$2,025 to \$2,500, etc.	4. _____
5. Divide Line 4 by \$10,000 (\$5,000 if married filing separate returns). Enter the result as a decimal. If the result is 1.0 or more, enter 1.0.....	5. _____
6. Multiply Line 1 by Line 5.....	6. _____
7. Qualified mortgage insurance premiums deduction. Subtract Line 6 from Line 1. Enter the result here and on Schedule A, Line 4.....	7. _____

Line 5, Interest on Investment Property—Investment interest is interest paid on money you borrowed that is allocable to property held for investment. It does not include any interest allocable to a passive activity or to securities that generate tax-exempt income.

Complete and enclose federal Form 4952, Investment Interest Expense Deduction, to figure your deduction.

Exception. You do not have to file federal Form 4952 if all three of the following apply

- (a) Your investment interest is not more than your investment income from interest and ordinary dividends
- (b) You have no other deductible investment expenses and
- (c) You have no disallowed investment expense from 2020

Lines 7 through 10—Contributions

You may deduct what you actually gave to organizations that are religious, charitable, educational, scientific or literary in purpose. You may also deduct what you gave to organizations that work to prevent cruelty to children or animals. In general, contributions deductible for federal income tax purposes are also deductible for Kentucky.

Examples of qualifying organizations are:

Churches, temples, synagogues, Salvation Army, Red Cross, CARE, Goodwill Industries, United Way, Boy Scouts, Girl Scouts, Boys and Girls Clubs of America, etc.

Fraternal orders if the gifts will be used for the purposes listed above.

Veterans’ and certain cultural groups.

Nonprofit schools, nonprofit hospitals and medical research organizations.

Federal, state and local governments if the gifts are solely for public purposes.

If you contributed to a qualifying charitable organization and also received a benefit from it, you may deduct only the amount that is more than the value of the benefit you received.

Contributions You MAY Deduct

Contributions may be in cash, property or out-of-pocket expenses you paid to do volunteer work for the kinds of organizations described above. If you drove to and from the volunteer work, you may take 14 cents a mile or the actual cost of gas and oil. Add parking and tolls to the amount you claim under either method. (Do not deduct any amounts that were repaid to you.)

Note: You are required to maintain receipts, cancelled checks or other reliable written documentation showing the name of the organization and the date and amount given to support claimed deductions for charitable contributions.

Separate contributions of \$250 or more require written substantiation from the donee organization in addition to your proof of payment. It is your responsibility to secure substantiation. A letter or other documentation from the qualifying charitable organization that acknowledges receipt of the contribution and shows the date and amount constitutes a receipt. **This substantiation should be kept in your files. Do not send it with your return.**

See federal Publication 526 for special rules that apply if:

your total contributions exceed 60 percent of Kentucky Adjusted Gross Income,

If a Kentucky Net Operating Loss Deduction (KNOLD) is present, you must figure your Kentucky Adjusted Gross Income without the KNOLD before applying the 60% limitation. 740, line 7 less Schedule M, line 15 equals your Kentucky Adjusted Gross Income without KNOLD.

your total deduction for gifts of property is over \$500,

you gave less than your entire interest in the property,

your cash contributions or contributions of ordinary income property are more than 30 percent of your Kentucky Adjusted Gross Income,

your gifts of capital gain property to certain organizations are more than 20 percent of your Kentucky Adjusted Gross Income, or

you gave gifts of property that increased in value, made bargain sales to charity, or gave gifts of the use of property,

you expect to receive any state or local tax credit for a contribution made.

You MAY NOT Deduct as Contributions

Travel expenses (including meals and lodging) while away from home unless there was no significant element of personal pleasure, recreation or vacation in the travel.

Political contributions.

Dues, fees or bills paid to country clubs, lodges, fraternal orders or similar groups.

Value of any benefit, such as food, entertainment or merchandise that you received in connection with a contribution to a charitable organization.

Cost of raffle, bingo or lottery tickets.

Cost of tuition.

Value of your time or service.

Value of blood given to a blood bank.

The transfer of a future interest in tangible personal property (generally, until the entire interest has been transferred).

Gifts to:

Individuals.

Foreign organizations.

Groups that are run for personal profit.

Groups whose purpose is to lobby for changes in the laws.

Civic leagues, social and sports clubs, labor unions, and chambers of commerce.

Contributions for which you receive any state or local tax credit of more than 15% of the contribution.

Line 7—Enter all of your contributions paid by cash or check (including out-of-pocket expenses).

Line 8—Enter your contributions of property. If you gave used items, such as clothing or furniture, deduct their fair market value at the time you gave them. Fair market value is what a willing buyer would pay a willing seller when neither

has to buy or sell and both are aware of the conditions of the sale. If your total deduction for gifts of property is more than \$500, you must complete and enclose federal Form 8283, Noncash Charitable Contributions. If your total deduction is over \$5,000, you may also have to obtain appraisals of the values of the donated property. See federal Form 8283 and its instructions for details.

Also include the value of a leasehold interest property contributed to a charitable organization to provide temporary housing for the homeless. Enclose Schedule HH.

Recordkeeping—If you gave property, you should keep a receipt or written statement from the organization you gave the property to, or a reliable written record, that shows the organization's name and address, the date and location of the gift and a description of the property. You should also keep reliable written records for each gift of property that include the following information:

- How you figured the property's value at the time you gave it. (If the value was determined by an appraisal, you should also keep a signed copy of the appraisal.)
- The cost or other basis of the property if you must reduce it by any ordinary income or capital gain that would have resulted if the property had been sold at its fair market value.
- How you figured your deduction if you chose to reduce your deduction for gifts of capital gain property.
- Any conditions attached to the gift.
- If the gift was a "qualified conservation contribution" under IRC Section 170(h), the fair market value of the underlying property before and after the gift, the type of legal interest donated and the conservation purpose furthered by the gift.

Line 9—Enter any carryover of contributions that you were not able to deduct in an earlier year because they exceeded your adjusted gross income limit. See federal Publication 526 for details on how to figure your carryover.

Line 11—Gambling Losses—You may deduct gambling losses to the extent of your winnings reported on Form 1040 or 1040-SR, Schedule 1, line 8(b).

Line 12—Other Miscellaneous Deductions

Use this line to report miscellaneous deductions. Only the expenses listed below can be deducted on line 12.

Federal estate tax on income in respect of a decedent.

Amortizable bond premium on bonds acquired before October 23, 1986.

Deduction for repayment of amounts under a claim of right if more than \$3,000. See federal Publication 525.

Unrecovered investment in a pension.

List the type and amount of each expense. Enter one total on line 12. For more information on these expenses, see federal Publication 529.

Line 14—Total Itemized Deductions

Dividing Deductions Between Spouses—Married taxpayers combining itemized deductions must divide the itemized deductions if filing separate Kentucky returns or if one spouse is not filing a Kentucky return. Complete lines 15 through 18, Schedule A.

Instructions for Form 2210-K

General Instructions

Purpose of Form—To determine if you owe an underpayment of estimated tax penalty.

Who Must File Form 2210-K—In general, you may owe a penalty for 2021 if you owe more than \$500 and if the total of your withholding and timely estimated tax payments didn't equal at least the smaller of:

1. 90% of your 2021 tax, or
2. 100% of your 2020 tax. Your 2020 tax return must cover a 12-month period.

Part I—Exceptions to the Penalty—You may not owe a penalty if one of the exceptions below are met. If you meet one or more of the exceptions, check the appropriate box(es), complete the lines associated with the exception and check the "Form 2210-K attached" box on form 740, line 34(a) (Form 740-NP, line 34(a)). If none of the exceptions apply, go to Part II.

Exceptions:

- You had no liability for 2020, you were a U.S. Citizen or resident alien for the entire year (or an estate of a domestic decedent or a domestic trust), and your 2020 tax return (or would have been required to file) was for a full 12 months.
- The tax shown on the 2021 return minus the amount of tax you paid through withholding, estimated payments, and refundable credits is less than \$500.
- Your gross income from farming or fishing is at least two-thirds of your annual gross income from all sources for 2020 or 2021 and you paid the entire tax due by March 1, 2022.
- You're filing a decedent's estate return for any tax year ending before the date that is two years after the decedent's death.
- You're filing a trust return for a trust that was owned by a decedent for any tax year ending before the date that is two years after the decedent's death.

Part II—Required Annual Payment

Lines 1–8—This section is used to calculate your required annual payment. The required annual payment is used to calculate the amount of payment that you should have made each quarter. The required annual payment is the lesser of: (1) 90% of your income tax liability after refundable credits are applied or (2) 100% of the tax shown on your 2020 tax return (2020 Form 740 or Form 740-NP, page 1, line 26 or Form 741, line 20).

Line 9—Multiply line 8 by 25 percent (.25) and enter in columns A through D, or if you used the annualized income installment method in Part III, enter the amount from Part III, line 20 into the appropriate columns. To use the annualized income installment method complete Part III.

Line 10—Enter the sum of estimated tax payments made and Kentucky withholding for each quarter. If you have Kentucky income tax withheld, multiply the total by 25 percent (.25) and enter in columns A through D. If you had a credit forward from a prior year return, enter the total amount in Column A only.

Note: Complete lines 11 through 18 for Column A before going to Column B, etc.

Line 11—Enter amount from line 18 of the previous column. This amount should be the overpayment if any from the previous column.

Line 13—Enter amount from line 17 of the previous column. This amount should be the underpayment amount from the previous column that will be carried over to each column until the payment is made.

Line 17—This is the underpayment amount for that column and any underpayment from the previous columns. The underpayment will continue to carryover to the next column until the payment is made or the due date, whichever is earlier.

Figuring the Penalty—The penalty will be calculated on each underpayment in each column from the payment due date written above line 9 to the date on line 19 or the date the payment was made, whichever is earlier. The underpayments will carryover to the next column and be added to that column's underpayment to calculate the penalty on that balance.

Line 19—Use this date to calculate the number of days that the current interest amount will be based upon, unless the underpayment was paid prior to this date.

Line 20—This is the number of days from the payment due date shown above line 9 to the date the amount on line 17 was paid or the date shown on line 19 for the column in which you are calculating penalty.

For example, if your underpayment on line 17 for column A is \$1,000, you would calculate the penalty from 4-15-21 to 6-15-21 and enter 61 days on line 20. If this \$1,000 remains unpaid, it will be added to any underpayment in column B and you would calculate interest from 6-15-21 until 9-15-21 which would be 92 days for that period, etc.

Line 21—The annual percentage rate is established by the Department of Revenue for each calendar year. The percentage rate for calendar years 2021 and 2022 is 5 percent. The penalty calculation for the required third installment payment may be calculated using two different rates.

Part III—Annualized Income Installment Method

If your income varied during the year you may be able to lower or eliminate the amount of one or more required installments by using the annualized income installment method. For example, you operated your business on a seasonal basis or you had a large capital gain late in the year. Note: If you use Part III for any payment due dates, you must use it for all payment due dates.

Line 1—For each period (column), figure your total income minus your adjustments to income. Include your share of partnership or S corporation income or loss items for the period.

Line 2—Estates and trusts don't use the amounts shown in columns (a) through (d). See Federal instructions.

Line 6—If you itemized deductions, multiply line 4 of each column by line 5 and enter the result on line 6.

Line 7—Enter the standard deduction amount of \$2,690.

Line 10—Form 740 or 740-NP filers, enter -0- in each column. Estates and trusts see federal instructions.

Instructions for Form 8863-K

Purpose of Form—Use Form 8863-K to calculate and claim your 2021 education tuition tax credits. The education credits are: the American Opportunity Credit and the Lifetime Learning Credit. These credits are based on qualified undergraduate education expenses paid to an eligible postsecondary educational institution located in Kentucky. If you elected to claim the education credit for federal purposes rather than the tuition and fees deduction, you must make that same election for Kentucky purposes.

Part I, Qualifications—All questions in Part I must be answered “Yes” to be eligible to claim the Kentucky education tuition tax credit.

Qualified Education Expenses—See the federal instructions to determine the qualified expenses for the American Opportunity Credit and the Lifetime Learning Credit. The allowable expenses may be different for each credit.

Eligible Educational Institution located in Kentucky—An eligible educational institution is generally any accredited public, nonprofit, or private college, university, vocational school, or other postsecondary institution. The institution must be eligible to participate in a student aid program administered by the Department of Education. **The institution attended must be physically located in Kentucky to qualify.**

Part II, American Opportunity Credit—You must enter the student’s name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. **For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum amount allowed of \$625 for each qualifying student.**

Part III, Lifetime Learning Credit—You must enter the student’s name and Social Security number, the name and address of the Kentucky institution, and the qualified expenses. Use the federal instructions to determine if each student meets the qualifications. **For Kentucky, the credit is limited to 25% of the allowable federal credit with a maximum allowed of \$500 per return.**

Part IV, Allowable Education Credits—

Line 12—Multiply line 11 by 25% (.25). This is your tentative Kentucky allowable credit.

Line 13—Enter the tentative tax from Form 740 or Form 740-NP, line 22.

Line 14—Enter the amount from page 3, Part V, line 34. This is the allowable credit carryforward from prior year(s). If there is no carryforward, enter zero.

Line 15—Subtract line 14 from line 13.

Line 16—Enter the smaller of line 15 or line 12.

Line 17—Add lines 14 and 16. **Enter here and on Form 740 or Form 740-NP, line 23.** This is your allowable 2021 education credit.

Line 18—If line 15 is smaller than line 12, subtract line 15 from line 12. This is the amount of unused credit carryforward from 2021 to 2022. Maintain records for following years.

Part V, Credit Carryforward from Prior Years—The Kentucky education tuition tax credit can be carried forward for up to 5 years if unused during the preceding tax year(s). You must have completed Form 8863-K for any prior year(s) in which you are claiming a credit carryforward.

YOUR RIGHTS AS A KENTUCKY TAXPAYER

As part of the Finance and Administration Cabinet, the mission of the Kentucky Department of Revenue (DOR) is to administer tax laws, collect revenue, and provide services in a fair, courteous, and efficient manner for the benefit of the Commonwealth and its citizens.

As a Kentucky taxpayer, you have the right to expect the DOR to honor its mission and uphold your rights every time you contact or are contacted by the DOR.

Some Kentucky taxpayer rights are very specific, such as when and how to protest a Notice of Tax Due or the denial of a refund. Others are more general.

The following is a summary of your rights and the DOR's responsibilities to you as a Kentucky taxpayer.

RIGHTS OF TAXPAYER

Privacy

You have the right to privacy with regard to information you provide pertaining to returns, reports, or the affairs of your business.

Assistance

You have the right to advice and assistance from the DOR in complying with state tax laws.

Explanation

You have the right to a clear and concise explanation of:

- ✓ basis of assessment of additional taxes, interest and penalties, or the denial or reduction of any refund or credit claim;
- ✓ procedure for protest and appeal of a Notice of Tax Due, a reduction or denial of a refund, or a denial of a request for additional time to file a supporting statement; and
- ✓ tax laws and changes in tax laws so that you can comply with the law.

Protest and Appeal

You have the right to file a protest with the DOR if you disagree with a Notice of Tax Due, a reduction or denial of a refund, or a denial of a request for additional time to file a supporting statement. If you file a timely protest, you have a right to a conference to discuss the matter. If you are not satisfied with the Department's final ruling following your protest, you may appeal the final ruling to the Kentucky Board of Tax Appeals, pursuant to KRS 131.110(5) and KRS 49.220 et. seq. (See reverse for procedure to file a protest.)

Representation

You have the right to representation by your authorized agent (attorney, accountant, or other person) in any hearing or conference with the DOR. You have the right to be informed of this right prior to the conference or hearing. If you intend for your representative to attend the conference or hearing in your place, you will be required to give your representative a power of attorney before the DOR can discuss tax matters with your authorized agent. See Form 20A100.

Recordings

You have the right to make an audio recording of any meeting, conference, or hearing with the DOR. The DOR has the right to make an audio recording, if you are notified in writing in advance or if you make a recording. You have the right to receive a copy of the recording.

Consideration

You have the right to consideration of:

- ✓ waiver of penalties or collection fees if "reasonable cause" for reduction or waiver is given ("reasonable cause" is defined in KRS 131.010(9) as: "an event, happening, or circumstance entirely beyond the knowledge or control of a taxpayer who has exercised due care and prudence in the filing of a return or report or the payment of monies due the department pursuant to law or administrative regulation");
- ✓ installment payments of delinquent taxes, interest, and penalties;
- ✓ waiver of interest and penalties, but not taxes, resulting from incorrect written advice from the DOR if all facts were given and the law did not change or the courts did not issue a ruling to the contrary;
- ✓ extension of time for filing reports or returns; and
- ✓ payment of charges incurred resulting from an erroneous filing of a lien or levy by the DOR.

Guarantee

You have the right to a guarantee that DOR employees are not paid, evaluated, or promoted based on taxes assessed or collected, or a tax assessment or collection quota or goal imposed or suggested.

Damages

You have the right to file a claim for actual and direct monetary damages with the Kentucky Board of Tax Appeals if a DOR employee willfully, recklessly, and intentionally disregards your rights as a Kentucky taxpayer.

Interest

You may have the right to receive interest on an overpayment of tax.

DEPARTMENT OF REVENUE RESPONSIBILITIES

The DOR has the responsibility to:

- ✓ perform audits and conduct conferences and hearings with you at reasonable times and places;
- ✓ authorize, require, or conduct an investigation or surveillance of you only if it relates to a tax matter;
- ✓ make a written request for payment of delinquent taxes which are due and payable at least 30 days prior to seizure and sale of your assets;
- ✓ conduct educational and informational programs to help you understand and comply with the laws;
- ✓ publish clear and simple statements to explain tax procedures, remedies, your rights and obligations, and the rights and obligations of the DOR;
- ✓ notify you in writing when an erroneous lien or levy is released and, if requested, notify major credit reporting companies in counties where lien was filed;

- ✓ advise you of procedures, remedies, and your rights and obligations with an original notice of audit or when an original Notice of Tax Due is issued, a refund or credit is denied or reduced, or whenever a license or permit is denied, revoked, or canceled;
- ✓ notify you in writing prior to termination or modification of a payment agreement;
- ✓ furnish copies of the agent's audit workpapers and a written narrative explaining the reason(s) for the assessment;
- ✓ resolve tax controversies on a fair and equitable basis at the administrative level whenever possible;
- ✓ notify you in writing at your last known address at least 60 days prior to publishing your name on a list of delinquent taxpayers for which a tax or judgment lien has been filed; and
- ✓ notify you by certified mail 20 days prior to submitting your name to the relevant agency for the revocation or denial of professional license, driver's license, or motor vehicle registration.

PROTEST AND APPEAL PROCEDURE

Protest

If you receive a Notice of Tax Due, or if the DOR notifies you that a tax refund has been reduced or denied, or the DOR denies your request for additional time to file a supporting statement, you have the right to protest. To do so:

- ✓ submit a written protest within 60 days from the original notice date (or 45 days if the original notice date is prior to 07/01/2018); notice of refund reduction or denial, or denial of a request for additional time to file a supporting statement;
- ✓ identify the type of tax involved and give the account number, Social Security number, or other identification number and attach a copy of the DOR Notice of Tax Due or refund denial to support that your protest is timely;
- ✓ explain why you disagree;
- ✓ attach any proof or documentation available to support your protest or request additional time to support your protest;
- ✓ sign your statement, include your daytime telephone number and mailing address; and
- ✓ mail to the Kentucky Department of Revenue, Frankfort, Kentucky 40620.

Conference

You have the right to request a conference to discuss the issue.

Final Ruling

If you do not want to have a conference or if the conference did not resolve your protest, you have the right to request a final ruling of the DOR so that you can appeal your case further.

Appeal

If you do not agree with the DOR's final ruling, you can file a written appeal with the Kentucky Board of Tax Appeals. If you do not agree with the decision of the Kentucky Board of Tax Appeals, you have the right to appeal their ruling to the Kentucky courts (first to the circuit court in your home county or in Franklin County, then to the Kentucky Court of Appeals, and finally to the Kentucky Supreme Court).

NOTE: The above protest and appeal procedures do not apply for real property which is valued by the local property valuation administrator (PVA). Contact the local PVA for information about how to appeal the valuation of real property.

TAXPAYER OMBUDSMAN

The DOR has a Taxpayer Ombudsman whose job is to serve as an advocate for taxpayers' rights. One of the main functions of the Ombudsman is to ensure that your rights as a Kentucky taxpayer are protected.

Also, an important function of the Taxpayer Ombudsman is to confer with DOR employees when you have a problem or conflict that you have been unable to resolve. However, it is not the role of the Ombudsman to intercede in an audit,

handle a protest, waive taxes, penalty or interest, or answer technical tax questions. To file a protest, see PROTEST AND APPEAL PROCEDURE. Please do not mail your protest to the Ombudsman.

The Taxpayer Ombudsman is your advocate and is there to make sure your rights are protected. If you think you are not being treated fairly or if you have a problem or complaint, please contact the Ombudsman for assistance.

The Taxpayer Ombudsman may be contacted by telephone at 502-564-7822 (between 8:00 a.m. and 5:00 p.m. weekdays). The mailing address is: Department of Revenue, Taxpayer Ombudsman, 501 High Street, Station 1, Frankfort, Kentucky 40601.
