This information is available in alternate formats.

Before You File

Complete Your Federal Return

Before you complete Form M8, complete federal Form 1120S and supporting schedules. You will need to reference them.

Minnesota Tax ID Number

Your Minnesota tax ID is the seven-digit number you're assigned when you register with the department. Generally, this is the same as your sales and use tax or Minnesota employer's withholding tax number. It's important to include your Minnesota tax ID on your return so that any payments you make are properly credited to your account.

If you don't have a Minnesota tax ID, apply for one online at www.revenue.state.mn.us and type **Business Registration** in the search box or call 651-282-5225 or 1-800-657-3605.

What's New for 2021

For taxpayers affected by federal tax law passed after December 31, 2018

Under current law, definitions used in determining Minnesota taxable income are based on the Internal Revenue Code, as amended through December 31, 2018, with certain exceptions. Since that date, Congress has enacted the following significant acts:

- Taxpayer Certainty and Disaster Tax Relief (TCDTR) Act of 2019
- Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019
- Families First Coronavirus Response Act (FFCRA) of 2020
- Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020
- Taxpayer Certainty and Disaster Tax Relief (TCDTR20) Act of 2020
- COVID-related Tax Relief Act (COVIDTRA) of 2020
- American Rescue Plan Act (ARPA) of 2021

These acts contain changes affecting S corporations for tax year 2021. A bill signed into law on July 1, 2021 conforms Minnesota law to certain provisions from these federal acts. Because Minnesota has not adopted certain federal changes, adjustments are required to correctly determine your Minnesota taxable income. Use Schedule KSNC to calculate nonconformity adjustments relating to the TCDTR, SECURE, FFCRA, CARES Act, TCDTR20, COVIDTRA, and ARPA.

Schedule PTE – Pass-through Entity Tax

Minnesota Schedule PTE, *Pass-Through Entity Tax*, is used by partnerships, S corporations, and limited liability companies (LLC) taxed as a partnership or S corporation to elect to file and pay income tax at the entity level. Qualifying partners and shareholders may claim a refundable tax credit on Schedule KS for their portion of income tax paid by the entity. Certain nonresident partners and shareholders may have their Minnesota filing requirement fulfilled by Schedule PTE. See the Schedule PTE instructions for the election requirements and more details.

Film Production Tax Credit

The new Minnesota film production tax credit is a nonrefundable credit for 25% of eligible production costs. For more information regarding the tax credit and eligibility, go to the Minnesota Department of Employment and Economic Development website at mn.gov/deed/.

Section 179 Expensing Addition

For tax years beginning after December 31, 2019, there is no Minnesota addition required for federal Section 179 expensing claimed on business property that qualifies for federal and Minnesota Section 179 expensing.

For tax year 2021, the Minnesota subtraction for federal Section 179 added back to Minnesota taxable income in a prior year is based off additions made on the entity's returns for tax years 2016, 2017, 2018, and 2019.

Filing Requirements

Corporations doing business in Minnesota that have elected to be taxed as S corporations under IRC section 1362 must file Form M8.

Who Must File

The entire share of an entity's income is taxed to the shareholder, whether or not it is actually distributed. Each shareholder must include their share of income on their tax return. However, the S corporation taxes and minimum fee are paid by the entity.

A C corporation is required to file Form M4, *Minnesota Corporation Franchise Tax*, instead of Form M8.

Minimum Fee

An S corporation is subject to a minimum fee if the sum of its Minnesota source property, payroll and sales or receipts is at least \$1,050,000. S corporations that file as QSSS federally include all factors under one parent company and are subject to only one minimum fee at the parent company level.

Continued

General Information (continued)

The minimum fee is computed on M8A, which is on page 3 of Form M8.

File Electronically

Options are available to electronically prepare and file your S corporation tax return. Electronic filing is a secure, fast and easy way to file. For more information, go to our website at www.revenue.state.mn.us.

Due Date

File your return and pay the taxes payable as soon as possible after the end of the tax year, but no later than the due date for filing your federal income tax return.

Generally, the due date is:

- Calendar year returns: March 15, 2022, or
- Fiscal year returns: the 15th day of the third month after the end of your tax year.

If the due date falls on a weekend or legal holiday, returns and payments electronically made or postmarked on the next business day are considered timely.

Extension of Time to File

All S corporations are granted an automatic six-month extension to file Form M8, if the tax payable for the year is paid by the regular due date.

However, if the IRS grants an extension of time to file your federal return that is longer than the Minnesota automatic six-month extension, your state filing due date is extended to the federal due date.

This is a filing extension only. To avoid penalties, you must make an extension tax payment by the regular due date. (See *Extension Payment* below.)

Payments

There are four types of tax payments an S corporation can make — extension, estimated tax, tax return and amended return payments. You can pay electronically, by credit or debit card or by check. (See *Payment Options* below.)

Note: If you're currently paying electronically using the ACH credit method, continue to call your bank as usual. If you wish to make payments using the ACH credit method, instructions are available on our website at www.revenue.state.mn.us.

Extension Payment

Your tax is due by the regular due date, even if you are filing under an extension. Any tax not paid by the regular due date is subject to penalties and interest (see instructions for lines 18 and 19 on pages 6-7).

If you're filing after the regular due date, you can avoid penalties and interest by making an extension payment by the regular due date. (See *Payment Options* below.) If you're paying by check, go to www.revenue.state.mn.us to create a voucher to print and submit with your check.

Estimated Tax Payments

An S corporation must make quarterly estimated tax payments if the sum of its estimated S corporation taxes, minimum fee, nonresident withholding, pass-through entity tax, and composite income tax for all nonresident shareholders electing to participate in composite income tax, less any credits, is \$500 or more. A S corporation is not required to pay estimated taxes the first year it is subject to tax in Minnesota.

Payment Options

If you're required to pay any Minnesota business tax electronically, you must pay all taxes electronically. A 5% penalty will be assessed if you fail to do so when required.

■ Pay Electronically

Go to www.revenue.state.mn.us and log in. To be timely, you must complete your transaction and receive a confirmation number on or before the due date for that payment. You can cancel a payment up to one business day before the scheduled date, if needed. When paying electronically, you cannot use a foreign bank.

If you're using the system for the first time and need a temporary password, call 651-282-5225 or 1-800-657-3605.

■ Pay by Credit or Debit Card

Go to www.revenue.state.mn.us, and select **Make a Payment**. Select **Credit or Debit Card**. Your payment will be processed by a third-party vendor. The vendor charges a fee for the service.

■ Pay by Check

Go to www.revenue.state.mn.us and select **Make a Payment**. Select **Check**. Use the **Payment Voucher System** to create a voucher. Your check authorizes us to make a one-time electronic fund transfer from your account. You will not receive your canceled check.

General Information (continued)

The required annual payment is the lesser of:

- 90% of the current year's tax liability
- 100% of the prior year's liability.

The required annual payment must be paid in four equal installments unless certain exceptions apply (see the instructions for Schedule EST, *Additional Charge for Underpayment of Estimated Tax*)

Payments are due by the 15th day of the fourth, sixth and ninth months of the tax year and the first month following the end of the tax year. If the due date lands on a weekend or legal holiday, payments electronically made or postmarked the next business day are considered timely.

If estimated tax is required for the S corporation taxes/minimum fee, pass-through entity tax, composite income tax, and/or nonresident withholding, include all in the same quarterly payments.

Installments for a short tax year are due in equal payments on the 15th day of the third, sixth, ninth, and final months of the tax year depending on the number of months in the short tax year. No installments are required for a tax year of fewer than four months.

To make an estimated payment, see *Payment Options* on page 2. If you're paying by check, visit our website to complete and print a payment voucher to send along with your check.

Tax Return Payment

If line 21 of Form M8 shows an amount due, you must make a tax return payment (see *Payment Options* on page 2). If you're not required to pay electronically, you may complete and print a payment voucher on our website to send along with your check.

Penalties and Interest

Late Payment. A late payment penalty is assessed on any tax not paid by the regular due date. The penalty is 6% of the unpaid tax.

If you file your return after the regular due date with a balance due, and you do not pay that balance, an additional 5% penalty will be assessed on the unpaid tax.

Late Filing. There is also a penalty if you file after the extended due date and owe tax. The late filing penalty is 5% of any tax not paid by the regular due date.

Interest. You must also pay interest on the penalty and tax you are sending in late. The interest rate for 2022 is 3%.

Other Penalties. There are also civil and criminal penalties for intentionally failing to file a Minnesota return, evading tax and for filing a frivolous, false or fraudulent return.

Filing Reminders

Accounting Period

You must use the same accounting period for Minnesota as you use for your federal return. If you change your federal accounting period, attach a copy of federal Form 1128, *Application to Adopt, Change or Retain a Tax Year*, to your short-period Minnesota return.

Pass-Through Entity Tax

An S corporation may elect to file and pay income tax, on behalf of its shareholders, based on the entity's income at the entity level. See Schedule PTE, *Pass-through Entity Tax*, for information on the election.

If you are filing and paying PTE tax at the entity level, check the box for the PTE tax on the front of Form M8 and see the line 3 instructions on page 5.

Composite Income Tax

An S corporation, not making a PTE election, may pay composite Minnesota income tax on behalf of its eligible nonresident shareholders who elect to be included in lieu of each shareholder filing their own Minnesota return. The electing individuals must not have any Minnesota source income other than the income from this S corporation and other entities for which they are electing composite filing or are a part of a PTE tax return.

Shareholders who receive a share of gross profit or income from an installment sale reported on line 7a or 7b of Schedule KS are not eligible to elect the S Corporation to pay composite income tax on their behalf.

If you are paying composite income tax for your electing shareholders, check the box for composite income tax on the front of Form M8 and see the line 4 instructions on page 5.

Nonresidents included in the composite income tax are not subject to the nonresident withholding requirements (see the next section).

Nonresident Withholding

S corporations are required to withhold Minnesota income tax for a nonresident shareholder if:

- The shareholder has a legal residence that is not Minnesota
- The shareholder is not included in composite income tax
- The S corporation is not electing to file and pay PTE tax

General Information (continued)

- The shareholder has Minnesota distributive income of \$1,000 or more from this S corporation
- The shareholder has income that was not generated by a transaction related to the termination or liquidation of the S corporation in which no cash or property was distributed in the current or prior taxable year

If the S corporation elected PTE tax, the S corporation is not required to withhold for a nonresident shareholder. The nonresident shareholder may still be required to file an income tax return if they meet the minimum filing requirement (\$12,525 for 2021) and the PTE tax does not satisfy their filing requirement.

If you are required to pay nonresident withholding, see the line 5 instructions on page 6.

Nonresident Entertainers: Compensation paid to a nonresident entertainment entity for performances in Minnesota is not subject to Minnesota income tax. Instead, the compensation is subject to a 2% withholding tax on the gross compensation the entertainment entity receives for performances in Minnesota.

An S corporation is an entertainment entity if it is paid compensation for entertainment provided by entertainers who are shareholders. An entertainer includes, for example, a musician, singer, dancer, comedian, thespian, athlete or public speaker. If you are defined by law as an entertainment entity, file Form ETR, *Nonresident Entertainer Tax Return*, by April 15 of the following year the income was reported. For additional information, see Withholding Fact Sheet 11, *Nonresident Entertainer Tax*.

If you are an entertainment entity that received compensation for performances in Minnesota and have no other type of Minnesota income, you are not required to file Form M8.

Use of Information

All information on this form is private, except for your Minnesota tax ID number, which is public. Private information cannot be given to others except as provided by state law.

The identity and income information of the shareholders are required under state law so the department can determine the shareholder's correct Minnesota taxable income and verify if the shareholder has filed a return and paid the tax. The Social Security numbers of the shareholders are required under M.S. 289A.12, subd. 13.

Assembling Paper Returns

Arrange your Minnesota schedules in the order they were completed and place them behind your Form M8. Schedules KS should be grouped together and sorted with the largest share of Minnesota source income first. Then place your federal return and its schedules behind the Minnesota material. **Do not staple or tape any enclosures to your return.**

Where to File Paper Returns

Mail your Form M8 and all completed Minnesota and federal forms and schedules using a mailing label (below).

If you do not use the label, mail your forms to:

Mail Station 1770
600 N. Robert Street
St. Paul, MN 55145-1770

Reporting Federal Changes

If the Internal Revenue Service (IRS) changes or audits your federal return or you amend your federal return, you must amend your Minnesota return. File your Form M8X, *Amended S Corporate Return*, within 180 days after you were notified by the IRS or after you filed your federal amended return. Enclose a copy of the IRS report or your amended federal return with your amended Minnesota return.

If you amended your 2021 federal return and issued shareholders amended Schedules K-1 solely due to the TCDTR, SECURE, FFCRA, CARES Act, TCDTR20, COVIDTRA, or ARPA, your Minnesota adjustment may offset the change to your federal taxable income. For these amended returns, write "TCDTR", "SECURE", "FFCRA", "CARES Act", "TCDTR20", "COVIDTRA", and/or "ARPA" (all that are applicable) in red at the top of the Minnesota Form M8X and the amended schedules KS you issue to shareholders. For more details, see pages 17 through 20.

If you fail to report changes as required, a 10% penalty will be assessed on any additional tax.

Once you meet the electronic payment threshold, you are required to pay electronically for all future periods.

You must also pay electronically if you're required to pay any Minnesota business tax electronically, such as sales or withholding tax.

M8, Line 19—Interest

You must pay interest on the unpaid tax and penalty from the regular due date until the total is paid. The interest rate for calendar year 2022 is 3%.

M8, Line 24—Refund

If you want to request your refund to be direct deposited into your bank account, complete line 25. Your bank statement will indicate when your refund was deposited to your account. Otherwise, skip line 25 and your refund will be sent to you in the mail.

If the routing or account number is incorrect or is not accepted by your financial institution, your refund will be sent to you in the form of a paper check.

By completing line 25, you are authorizing the department and your financial institution to initiate electronic credit entries, and if necessary, debit entries and adjustments for any credits made in error.

Completing Form M8 (continued)

Signature

The return must be signed by a principal officer of the corporation.

If you paid someone to prepare your return, the preparer must also sign and provide their Preparer Tax Identification Number (PTIN) and phone number.

You may check the box in the signature area to give us your permission to discuss your return with the paid preparer. This authorization remains in effect until you notify the department in writing (either by mail or fax) that the authorization is revoked.

Checking the box does not give your preparer the authority to sign any tax documents on your behalf or to represent you at any audit or appeals conference. For these types of authorities, you must file a power of attorney or Form REV184b, *Business Power of Attorney*, with the department.

Email Address

If the department has questions regarding your return and you want to receive correspondence electronically, indicate the email address below your signature. Check a box to indicate if the email address belongs to an employee of the S corporation, the paid preparer or other contact person.

By providing an email address, you are authorizing the department to correspond with you or the designated person over the Internet and you understand that the entity's nonpublic tax data may be transmitted over the Internet.

You also accept the risk that the data may be accessed by someone other than the intended recipient. The department is not liable for any damages that the entity may incur as a result of an interception.

Completing Form M8A

Complete M8A to determine your Minnesota source income and minimum fee.

Apportionment Factor

Minnesota is a 100% sales apportionment state.

The minimum fee still takes into account your Minnesota portion of property, payroll, and sales.

Petitioning to Use Another Method of Allocation

State law (M.S. 290.20, subd. 1a and Minnesota Rules 8020.0100, subp. 3) allows entities to request permission from the department to allocate all, or any part of, taxable net income in a manner other than the statutory single sales factor formula.

To request permission, complete Form ALT, *Petition to Use Alternative Method of Allocation* (see Revenue Notice 04-07).

Permission will be granted only if you can show that the single-sales factor formula does not properly and fairly reflect your Minnesota income, and that the alternative formula you have chosen does.

Qualified Subchapter S-Subsidiary

The S corporation parent must now calculate and report one minimum fee for all QSSSs. The S corporation parent must also include all assets, liabilities, income, deductions, credits, and apportionment factors including property, payroll, and sales factors, from all QSSSs and federally disregarded QSSS under one M8 return.

Property Factor

Enclose the completed federal Schedule L (Form 1120S) or a copy of the S corporation's balance sheet with your return.

The property factor consists of tangible property which includes land, buildings, machinery, equipment, inventories and other tangible personal property valued at original cost.

Original cost is your cost or original basis when you acquired the property. Depreciation and fair market value are not considered.

M8A, lines 1–3

In column A, lines 1a-1c, enter the total property items for your entire business in Minnesota.

Line 1a. Add the beginning and ending year inventories, divide by two and enter the result on line 1a. This is your average value of inventory.

Line 1b. Add the beginning and ending year values of the buildings, machinery, equipment and other tangible property and divide by two. Enter the result on line 1b.

Line 1c. Add the land's beginning and ending year values and divide by two. Enter the result on line 1c.

Line 2. Capitalized rents are rents paid by you for land, buildings, equipment, etc., during the tax year.

Multiply the rents you paid for property located or used in Minnesota by eight and enter the result in column A. The rents you receive are included in the sales factor.

Payroll Factor

M8A, line 4

- Interest
- Dividends

Determining Minnesota Sales

Real Property

Sales, rents, royalties and other income from real property are attributed to the state in which the property is located.

Completing Form M8A (continued)

Tangible Personal Property

Sales of tangible personal property are attributed to Minnesota if the property is received by a purchaser within Minnesota and the S corporation is taxed in this state, regardless of the f.o.b. point or other conditions of sale, or the ultimate destination of the property.

Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of sale.

Property is received by a purchaser in Minnesota if the recipient is located in this state, even if the property is ordered from outside Minnesota.

Sales of tobacco products, beer, wine and other alcoholic beverages to someone licensed to resell the products only within the state of ultimate destination is a sale in the destination state.

Receipts from leasing or renting tangible personal property, including finance leases and true leases, are attributed to the state in which the property is located. Receipts from the lease or rental of moving property are attributed to Minnesota to the extent the moving property is used in Minnesota.

The extent of use is determined as follows:

- A motor vehicle is used wholly in the state in which it is registered.
- Receipts from rolling stock are assigned to Minnesota in the ratio of miles traveled in Minnesota to total miles traveled.
- Receipts from aircraft are assigned to Minnesota in the ratio of landings in Minnesota to total landings.
- Receipts from vessels, mobile equipment and other mobile property are assigned to Minnesota in the ratio of days the property is in Minnesota to the total days of the tax year.

Intangible Property

Sales of intangible property are attributed to the state in which the property is used by the purchaser.

Royalties, fees and similar income received for the use of or the privilege of using intangible property (such as patents, copyrights, trade names, franchises or similar items) are attributed to the state in which the property is used by the purchaser.

Intangible property is attributed to Minnesota if the purchaser uses the property, or rights in the property, to conduct business within this state, regardless of the location of the purchaser's customers.

If the property is used in more than one state, then the sales or royalties must be apportioned to Minnesota pro rata based on the portion of use within this state.

If you cannot determine the portion of use in Minnesota, then exclude the sales or royalties from both the numerator and denominator of the sales factor.

Personal Services

Receipts from the performance of personal services are attributed to the state in which the services are received.

Receipts from services provided to a corporation, partnership or trust may only be attributed to a state in which it has a fixed place of doing business.

If you can't determine where the service was received, or if it was received in a state where the corporation, partnership or trust doesn't have a fixed place of business, use the location of the office of the customer from which the service was ordered.

If you can't determine the ordering office, use the office location to which the service was billed.

Minimum Fee

M8A, lines 6-9

S corporations are subject to a minimum fee if the sum of its Minnesota source property, payroll and sales or receipts is at least \$1,050,000.

M8A, line 7—Adjustments

The minimum fee is determined by your total Minnesota property, payroll and sales.

In some cases the property and sales used for computing the minimum fee will be different than the amounts reported on lines 1-6. The following adjustments should be made to your Minnesota factors on line 7.

Add: All tangible property owned or rented that is not included on line 6 of M8A. Some examples include construction in progress, idle property, any nonbusiness property or rent expense. The amounts should be determined in the same manner as the amounts on lines 1-5.

Subtract:

- Any amounts included on lines 3, 4 or 5 that represent your share of the factors passed through from partnerships.
- If the tax year is a short tax year, subtract the amount of the average value of tangible property that is excluded because of prorating for a short tax year. The amount excluded for a short year is determined by multiplying M8A, column A, line 1 by the fraction:

- receipts from the performance of services if the services are received in Minnesota

Completing Schedule KS

Purpose

Complete and provide Schedule KS to:

- All nonresident individual, estates, or trust shareholders
- Any Minnesota individual, estate, or trust shareholders who have adjustments to income
- All shareholders if the S corporation is electing PTE Tax

An S corporation must provide each shareholder with enough information for them to complete a Minnesota income tax return and determine their correct Minnesota tax.

Schedule KS is used to provide shareholders with the information they need to file a Minnesota income tax return. The schedule shows each shareholder their specific share of the S corporation's income, credits and modifications. Provide the shareholder a copy of both pages of the completed Schedule KS and the instructions.

You do not have to provide Schedule KS if all the following are true:

- There are no modifications or credits
- The shareholder is a full-year Minnesota resident
- The S corporation did not elect PTE Tax

You must enclose with your Form M8 copies of the Schedules KS and attachments issued to your shareholders and copies of your federal Schedules K and K-1.

If you are required to amend your federal S corporation return or you have been audited by the IRS, you must file Form M8X and Schedules KS, if appropriate. (See *Reporting Federal Changes* on page 4.)

Line Instructions

Enter the name, address and identifying number of the shareholder. A \$50 penalty will be assessed for each incorrect tax ID number used for a shareholder after being notified by the department that the number is incorrect.

4. Add step 2 and step 3
5. Multiply step 4 by apportionment factor from line 47 of Schedule KS
6. Combine lines 37-45 of the shareholder's Schedule KS
7. Add steps 5 and 6

Completing Schedule KS (continued)

 - 9. To the extent allowed by law, enter one-fifth of the federal bonus depreciation that was added back in a year the shareholder elected to be included in composite income tax or nonresident withholding was required
 - 10. Combine lines 15, 16, and 18 of the shareholder’s Schedule KS
 - 11. Add steps 8, 9, and 10
 - 12. Multiply step 11 by the apportionment factor from line 47 of the shareholder’s Schedule KS
 - 13. Enter amount from line 46 of shareholder’s Schedule KS
 - 14. Add Steps 12 and 13
 - 15. Subtract step 14 from step 7
- Enter the result from step 15 on line 48 of the shareholder’s Schedule KS. This amount is the shareholder’s adjusted Minnesota source distributive income.

*Only include an amount from line 6 of Schedule KS if the shareholder is an estate, trust, or electing small business trust (ESBT).

KS, line 49—Composite Income Tax

Nonresident shareholders must pay tax if their Minnesota source gross income is more than the minimum filing requirement for the year (\$12,525 for 2021).

Nonresident shareholders who are included in a PTE tax election should not elect composite income tax.

Shareholders who receive a share of gross profit or income from an installment sale reported on line 7a or 7b of Schedule KS are not eligible to elect the S Corporation to pay composite income tax on their behalf.

Skip this line if the nonresident shareholder did not elect the S corporation to pay composite income tax on their behalf or if the S corporation elected PTE tax.

To determine the amount of composite income tax to pay on behalf of each electing shareholder, follow the steps below:

- 1. Multiply line 48 of Schedule KS by 9.85% (0.0985)
- 2. Add lines 25-29 and 31 of Schedule KS
- 3. Subtract step 2 from step 1

The result in step 3 is the amount you are required to pay on behalf of the electing shareholder. Enter this amount on line 49 of the shareholder’s Schedule KS and check the box to indicate the shareholder’s election to be included.

If the shareholder elects to be included in composite income tax but has zero tax due, enter zero on line 49. Even though the amount may be zero, check the box to indicate the election.

Once you have completed all the Schedules KS for your electing nonresident shareholders, add the amounts on line 49 of all the schedules and enter the total on line 4 of Form M8. This is the amount of composite income tax you are required to pay on behalf of your electing shareholders.

KS, line 50—Nonresident Withholding

Nonresident shareholders who are not included in the composite income tax or PTE tax may be subject to withholding. See *Nonresident Withholding* on pages 3-4 to determine if your nonresident shareholders are subject to Minnesota withholding.

To determine the amount of tax to withhold for each nonresident shareholder, follow the steps below:

- 1. Multiply line 48 of Schedule KS by 9.85% (.0985)
- 2. Add lines 25-29 and 31 of Schedule KS
- 3. Subtract step 2 from step 1

The result in step 3 is the amount you are required to withhold from the nonresident shareholder, unless the individual submits Form AWC, *Alternative Withholding Certificate*.

If the individual submits Form AWC, withhold the amount from line 6 of the certificate. Check the box provided on line 50 of the shareholder’s Schedule KS and also on line 5 of Form M8. Be sure to enclose a copy of the certificate when you file your return.

If the individual submits a false or fraudulent Form AWC, the department may require you to withhold the maximum percentage from that individual in the future, even if an exemption certificate is submitted.

Shareholders must include their Schedule KS when they file their Form M1 to claim the Minnesota withholding. If the schedule is not included, the department will disallow the withholding and assess the tax or reduce their refund.

Nonconformity Adjustment Instructions

For taxpayers affected by federal tax law passed after December 31, 2018.

Purpose of This Schedule

Minnesota defines net income as federal taxable income (FTI) defined by the Internal Revenue Code, as amended through December 31, 2018, with certain exceptions (referred to as “2018 IRC”). Since that date, Congress has enacted the following significant acts:

- Taxpayer Certainty and Disaster Tax Relief (TCDTR) Act of 2019
- Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019
- Families First Coronavirus Response Act (FFCRA) of 2020
- Coronavirus Aid, Relief, and Economic Security (CARES) Act of 2020
- Taxpayer Certainty and Disaster Tax Relief (TCDTR20) Act of 2020
- COVID-related Tax Relief Act (COVIDTRA) of 2020
- American Rescue Plan Act (ARPA) of 2021

These acts contain changes affecting FTI for tax year 2021. A bill signed into law on July 1, 2021 conforms Minnesota law to certain provisions from these federal acts. Because Minnesota has not adopted certain federal changes, adjustments are required to correctly complete Schedules KSNC for your shareholders. Enter the shareholder’s pro rata share of each line adjustment on Schedules KSNC.

Who Must File Schedule KSNC

You must distribute nonconformity adjustments to your shareholders if any of the following federal provisions affect the amount of taxable income reported on your 2021 federal Form 1120S, U.S. Income Tax Return for an S Corporation.

Use these instructions to complete Schedules KSNC for your shareholders’ pro rata share of each adjustment. The adjustment for each line should reflect the change to FTI due to the difference between the item calculated on your 2021 federal return and the item calculated under the 2018 IRC. Each line will also include the net adjustments received from Schedule(s) KPCNC for your pro rata share in a partnership(s).

If the change results in a reduction of your FTI, enter the adjustment as a negative number. If the change results in an increase of your FTI, enter the adjustment as a positive number. For purposes of calculating the adjustment, any regulation, ruling, or other guidance issued by the Internal Revenue Service under 2018 IRC applies.

Save your entire 2021 Minnesota Form M8 and all worksheets you use in determining the adjustments.

Line 1 – Exclusion for Certain Employer Payments of Student Loans (CARES Act Section 2206; TCDTR20 Section 120; ARPA Section 9675)

If you were not allowed to deduct business expenses as a result of this provision on your federal return, include the amount of the disallowed employee student loan payments as a negative number.

Line 2 – Employee Retention Credit (CARES Act Section 2301; TCDTR20 Sections 206 and 207; ARPA Section 9651)

If you were not allowed to deduct wages due to claiming the refundable payroll tax credit on your federal return, include the amount of the disallowed wages as a negative number.

Line 3 – IRC Section 461 Nonbusiness Income

In order for your shareholder to calculate their excess business loss limitation for Minnesota purposes, provide your shareholder the total nonbusiness income amount as it relates to IRC Section 461. Include the amount as a positive number.

Line 4 - IRC Section 461 Nonbusiness Loss

In order for your shareholder to calculate their excess business loss limitation for Minnesota purposes, provide your shareholder the total nonbusiness loss amount as it relates to IRC Section 461. Include the amount as a negative number.

Line 5 – Modification of Business Interest Limitation (CARES Act Section 2306)

The CARES Act created a special rule increasing the amount of business interest that can be deducted for the tax year for federal purposes from 30% to 50%. The Minnesota limitation has not changed. You must calculate a nonconformity adjustment if:

- Your business interest expense deduction exceeds the sum of 30% of your adjusted taxable income, your business interest income, and your floor plan financing interest; or
- You have Minnesota-only excess business interest expense carried forward from your 2019 or 2020 Minnesota return.

Determine the difference between your federal deduction and the deduction allowable using 30% of your adjusted taxable income. Use the federal Form 8990 as a worksheet to recalculate the Minnesota interest expense limitation under 2018 IRC. Write “Minnesota” at the top of this Form 8990 (referred to as Minnesota Form 8990) and include it with your return.

If your interest expense allowable under 2018 IRC is less than your federal interest expense, enter the difference as a positive number on line 5. If your interest expense allowable under 2018 IRC is more than your federal interest expense, enter the difference as a negative number on line 5.

Line 6 – Qualified Improvement Property Technical Fix (CARES Act Section 2307)

If you claimed federal bonus depreciation on qualified leasehold improvement property, qualified restaurant property, or qualified retail

Nonconformity Adjustment Instructions (continued)

improvement property, determine the difference between the federal bonus depreciation you claimed on this property, and the cost recovery deduction or expensing method you would have been able to claim prior to the CARES Act. Include the result as a positive number.
