General Information

Who is Eligible

Minnesota pharmacies that purchase qualifying legend drugs can claim the MinnesotaCare Pharmacy Refund if they later deliver or ship the drugs to locations outside of Minnesota.

The refund rate is 1.8%.

Qualifying Legend Drugs

Minnesota pharmacies can only claim a Pharmacy Refund on qualifying legend drugs. Qualifying legend drugs are legend drugs purchased from a wholesale drug distributor subject to MinnesotaCare Wholesale Drug Distributor Tax.

To determine if a wholesale drug distributor is subject to tax, check your purchase invoice for a MinnesotaCare tax expense charge or contact the wholesaler for verification.

Definition of Legend Drugs

Legend drugs are drugs or gases required by federal law to be sold or dispensed in a container labeled with one of the following statements:

- “Caution: Federal law prohibits dispensing without prescription”
- “Rx only”

Legend drugs or gases must be classified by the U.S. Food and Drug Administration (FDA) as a drug and not a device.

Nutritional products, blood, and blood components are not considered legend drugs and cannot be used to claim the refund.

Blood derivatives, however, that are derived from blood, plasma, or serum through a chemical manufacturing process, are considered legend drugs and may be used to claim the refund.

Filing Due Date

Pharmacy Refund Returns are due annually on March 15 for drugs delivered or shipped outside of Minnesota during the previous calendar year.

Your 2021 Pharmacy Refund Return is due March 15, 2022.

The final deadline to claim the 2021 refund is March 15, 2023. Refund claims will not be allowed if they are filed more than one year after the original due date of the return.

If you are required to pay any Minnesota business tax electronically for one year, you must pay all Minnesota business taxes electronically for all future years. We will send you a notice the first year you are required to pay electronically.

A 5% payment method penalty will be assessed on any non-electronic payments if you do not pay electronically when required.

Electronic Payment Options

You can make your payment using our online e-Services system when filing your amended return. You will need your bank routing and account numbers. You cannot use a foreign bank account. If you pay through e-Services, you can view a record of your payments online once they have processed.

Automated Clearing House (ACH) Credit

ACH credit payments are initiated by you through your bank. You authorize your bank to transfer funds to the state's bank account. The bank must use ACH file formats, which are available on our website. Your bank may charge you a fee for these payments.
