Schedule J Corporation Allocation Schedule

A partnership that is not a qualified investment partnership, investment club, and that is not listed on a United States National Stock Exchange but has a nonresident noncorporate or nonresident corporate partner should complete Schedule J. This schedule should be omitted if the taxpayer does not have receipts outside New Jersey; the allocation factor will be 100% (1.000000). Schedule J is not required for a partnership that meets hedge fund status if its only nonresident partners are individuals, estates, or trusts. Schedule J is required if the partnership includes nonresident partners who do not have physical nexus to New Jersey and the partnership wishes to allocate the filing fee.

Part I All Allocating Companies Must Answer the Following:

(a) Explain in detail internal controls used in distribution of receipts in and out of New Jersey, as shown in Part II _____

(b) State the location of the actual seat of management or control of the partnership _____

Part II Computation of Allocation Factor

	Amounts (omit cents)	
1. Receipts:		Complete by carrying the fraction to six (6) decimal places. Do not express as a percent. Example: $\frac{123,456}{1,000,000} = .123456$
(a) From sales of tangible personal property shipped to points within New Jersey.		
(b) From services if the benefit of the service is received in New Jersey.		
(c) From rentals of property situated in New Jersey.		
(d) From royalties for the use in New Jersey of patents, copyrights, and trademarks.		
(e) All other business receipts earned in New Jersey.		
(f) Total New Jersey receipts (Total of lines 1a to 1e, inclusive).		
(g) Total receipts from all sales, services, rentals, royalties, and other business transactions everywhere.		
(h) Allocation Factor (Percentage in New Jersey) (Line 1f divided by line 1g). Enter result in line 1h and carry to line 1 of the Partners Directory on page 3 of Form NJ-1065.	<input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/> <input style="width: 20px; height: 20px;" type="text"/>	

Schedule J Instructions

General Instructions

Schedule J can be omitted if the taxpayer does not have activity outside New Jersey.

In calculating the allocation factor, division must be carried to six decimal places, e.g., .123456. Only receipts attributable to the partnership entity are to be used in calculating the allocation factor denominators.

Part II – Computation of Allocation Factor

Lines 1a–1d

Receipts Fraction. Receipts from sales of tangible personal property are allocated to New Jersey if the goods are shipped to points within New Jersey.

Receipts from the sale of goods are allocable to New Jersey if shipped to a New Jersey or a non-New Jersey customer where possession is transferred in New Jersey. Receipts from the sale of goods shipped to a taxpayer from outside New Jersey to a New Jersey customer by a common carrier are allocable to New Jersey. Receipts from the sale of goods shipped from outside New Jersey

to a New Jersey location where the goods are picked up by a common carrier and transported to a customer outside New Jersey are not allocable to New Jersey.

Receipts from the following are allocable to New Jersey: services performed if the benefit of the service is received in New Jersey; rentals from property situated in New Jersey; royalties from the use in New Jersey of patents, copyrights, and trademarks; all other business receipts earned in New Jersey.

Lines 1e and 1g

Receipts From Sales of Capital Assets. Receipts from sales of capital assets (property not held by the taxpayer for sale to customers in the regular course of business), either within or outside New Jersey, should be included in the numerator and the denominator based on the net gain recognized and not on gross selling prices. Where the taxpayer’s business is the buying and selling of real estate or the buying and selling of securities for trading purposes, gross receipts from the sales of such assets should be included in the numerator and the denominator of the receipts fraction.

A “regular place of business” is any bona fide office (other than a statutory office), factory, warehouse, or other space of the partner that is regularly **main-
tained, occupied, and used** by the partner in carrying on its business and in which one or more regular employees are in attendance. 3. Does not relieve the partnership of the requirement to remit tax to the Division on the corporate partner’s behalf if, for any reason, the corporate partner does not meet the criteria of being an exempt corporation or maintaining a regular place of business in New Jersey; and
4. Requires the corporate partner to notify the partnership and the Division of Taxation immediately in writing if the corporate partner submitted this form to the partnership in error.

Under penalties of perjury, I declare that I have examined this statement, and to the best of my knowledge and belief, it is true and correct and that I am properly authorized to sign and make this consent on behalf of:
