SD RE - Amended SD 100 Filing Tips

10211411

If your amended SD 100 results in tax due, you should **always** include an SD 40XP payment voucher with your payment. Do **not** use the SD 40P payment voucher.

When amending due to changes to my federal return, should I file my amended Ohio return(s) at the same time I file my amended federal return with the IRS?

Refund: You should wait to file your amended Ohio IT 1040 and/or SD 100 until the IRS has approved the changes to your amended federal return. When filing your amended returns, you must include:

Option #1

- A copy of your federal amended return (1040X), AND
- A copy of the IRS acceptance letter -or- refund check.

Option #2

- A copy of your updated IRS account transcript reflecting the changes to your federal return.

Tax Due: To reduce the amount of interest you will owe, you should file your amended SD 100 and pay any tax due as soon as possible.

What documentation should I include when amending to show a change in my school district residency status?

Submit any and all relevant information you believe supports your change in residency status from one school district to another. Provide as many relevant documents as possible. Relevant documents include, but are not limited to, the following: property records, utility bills, vehicle registration, driver's licenses or state IDs, and voter registration.

When should I NOT file an amended return?

Some common mistakes may not require an amended return. Instead, the Department of Taxation will either make the corrections or contact you to request documentation. For example, the following mistakes generally do **not** require an amended return:

- Math errors;
- Missing return pages;
- Unclaimed estimated and/or extension payments;*
- Demographic errors (such as name, address or SSN corrections);
- Unclaimed withholding.**

*Generally, unclaimed estimated and/or extension payments will automatically be added to your original return when filed.

**If you have unclaimed withholding, please submit a detailed explanation along with legible copies of all income statements (W-2s and 1099s) showing the school district withholding amounts instead of filing an amended return.
