Example: \$2.01 to \$2.49 - round down to \$2.00

RESIDENT DEFINED

Resident...

An Oklahoma resident is a person domiciled in this state for the entire tax year. "Domicile" is the place established as a person's true, fixed, and permanent home. It is the place you intend to return to whenever you are away (as on vacation abroad, business assignment, educational leave or military assignment). A domicile, once established, remains until a new one is adopted.

Part-Year Resident...

A part-year resident is an individual whose domicile was in Oklahoma for a period of less than 12 months during the tax year.

Nonresident...

A nonresident is an individual whose domicile was not in Oklahoma for any portion of the tax year.

Members of the Armed Forces...

Residency is established according to military domicile as established by the Servicemembers' Civil Relief Act of 2003 (SCRA), formerly known as the Soldiers' and Sailors' Civil Relief Act of 1940 (SSCRA).

If you were an Oklahoma resident at the time you entered military service, assignment to duty outside Oklahoma does not of itself change your state of residence. You must file your return as a resident of Oklahoma until such time as you establish a permanent residence in another state and change your military records (as evidenced by the military's Form DD2058). See the specific instructions for Schedule 511-C, line C1 - Military Pay Exclusion.

When the spouse of a military member is a civilian and has the same legal residency as the military member, the spouse may retain such legal residency. They file a joint resident tax return in the military members' State of Legal Residency (if required) and are taxed jointly under nonresident rules as they move from state to state. If the non-military spouse does not have the same legal residency as the military member, the same residency rules apply as would apply to any other civilian. The spouse would then comply with all residency rules where living.

An Oklahoma resident filing a joint federal return with a nonresident spouse may have options on how to file the Oklahoma return(s). See "Filing Status" in the "Top of Form Instructions" on page 8 for further information.

WHAT IS "RESIDENT INCOME"?

An Oklahoma resident individual is taxed on all income reported on the federal return, except income from real and tangible personal property located in another state, income from business activities in another state, or the gains/losses from the sales or exchange of real property in another state.

Note: Residents are taxed on all income from non-business interest and dividends, salaries, commissions and other pay for personal services regardless of where earned. Wages earned outside of Oklahoma must be included in your Oklahoma return, and credit for taxes paid to/in other states claimed on Oklahoma Form 511-TX. (See Form 511, line 17.)

DUE DATE

Generally, your Oklahoma income tax return is due April 15th, the same day as your federal return. However:

- If you file your return electronically (through a preparer or the internet), your due date is extended to April 20th. Any payment of taxes due on April 20th must be remitted electronically in order to be considered timely paid. If the balance due on an electronically filed return is not remitted electronically, penalty and interest will accrue from the original due date.
- If the Internal Revenue Code (IRC) of the IRS provides for a later due date, your return may be filed by the later due date and will be considered timely filed. You should write the appropriate "disaster designation" as determined by the IRS at the top of the return, if applicable. If a bill is received for delinquent penalty and interest, you should contact the Oklahoma Tax Commission (OTC) at the number on the bill.
- If the due date falls on a weekend or legal holiday when OTC offices are closed, your return is due the next business day. Your return must be postmarked by the due date to be considered timely filed.

WHAT IS AN "EXTENSION"?

A valid extension of time in which to file your federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the federal extension must be provided with your Oklahoma return. If your federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504-I.

90% of the tax liability must be paid by the original due date of the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.

WHO MUST FILE?

Resident...

Every resident individual whose gross income from both within and outside of Oklahoma exceeds the standard deduction plus personal exemption is required to file an Oklahoma income tax return. If you are uncertain about your filing requirement, see the charts on pages 4-5.

Resident individuals not required to file a federal income tax return must attach a completed federal income tax return to the Oklahoma income tax return to show how adjusted gross income (AGI) and deductions were determined, if their gross income is more than their AGI.

If you do not have a filing requirement, but had Oklahoma tax withheld, made estimated tax payments, qualify for the Natural Disaster Tax Credit or claim other refundable credits, you should file a return to get your refund.

Part-Year Resident...

Every part-year resident, during the period of residency, has the same filing requirements as a resident. During the period of nonresidency, an Oklahoma return is also required if the Oklahoma part-year resident has gross income from Oklahoma sources of \$1,000 or more. Use Form 511-NR.

Nonresident...

Except as otherwise provided for in the Pass-Through Entity Tax Equity Act of 2019, every nonresident with gross income from Oklahoma sources of \$1,000 or more is required to file an Oklahoma income tax return. Use Form 511NR.

DETERMINING YOUR FILING REQUIREMENT

If you do not meet the Oklahoma filing requirement as shown in either Chart A or Chart B, you are not required to file an Oklahoma tax return. If you have withholding, made estimated tax payments or qualify for a refundable credit, you should file a return to get your refund.

Chart A: Oklahoma Filing Requirements - You must file a return if your gross income exceeds the amount shown.

Filing Status	Gross Income
Single	\$7,350
Married Filing Joint	\$14,700
Married Filing Separate	\$7,350
Head of Household	\$10,350
Qualifying Widow(er) with a Dependent Child	\$13,700

DETERMINING YOUR FILING REQUIREMENT (continued)

Chart B: Oklahoma Filing Requirements for Children and Other Dependents

If your parent (or someone else) can claim you as a dependent, use this chart to see if you must file an Oklahoma return. You must file a return if your gross income exceeds the amount shown.

Marital Status	Gross Income
Single Dependents	\$6,350
Married Dependents	\$6,350

ESTIMATED INCOME TAX

You must make equal* quarterly estimated tax payments if you can reasonably expect your tax liability to exceed your withholding by \$500 or more **and** you expect your withholding to be less than the smaller of:

- 1. 70% of your current year's tax liability, or
- 2. The tax liability shown on your return for the preceding taxable year of 12 months.

Taxpayers who fail to make timely estimated tax payments may be subject to interest on underpayment. Form OW-8-ES, for filing estimated tax payments, will be supplied on request. If at least 66.67% (or two-thirds) of your gross income for this year or last year is from farming, estimated payments are not required. If claiming this exception, see instructions for line 23.

Estimated payments can be made online through **oktap.tax.ok.gov**.

* For purposes of determining the amount of tax due on any of the respective dates, taxpayers may compute the tax by placing taxable income on an annualized basis. See Form OW-8-ES-SUP.

NET OPERATING LOSS

The loss year return must be filed to establish the Oklahoma Net Operating Loss (NOL). Oklahoma NOL shall be separately determined by reference to IRC Section 172 as modified by the Oklahoma Income Tax Act and shall be allowed without regard to the existence of a federal NOL. For tax years 2009 and subsequent, the years to which an NOL may be carried shall be determined solely by reference to IRC Section 172. Provide a detailed schedule showing the origin and NOL computation. Residents use Oklahoma 511-NOL Schedules. Also provide a copy of the federal NOL computation.

A NOL resulting from a farming loss may be carried back in accordance with and to the extent of IRC Section 172(b)(G). However, the amount of the NOL carryback shall not exceed the lesser of \$60,000, or the loss properly shown on the Federal Schedule F reduced by half of the income from all other sources other than reflected on Schedule F.

An election may be made to forego the carryback period. <u>A written statement of the election must be part of the original timely filed Oklahoma loss year return</u>. However, if you filed your return on time without making the election, you may still make the election on an amended return filed within six months of the due date of the return (excluding extensions). Attach the election to the amended return. <u>Once made, the election is irrevocable.</u>

The Oklahoma NOL(s) shall be subtracted on Schedule 511-A, line 9. There is also a space provided to enter the loss year(s).

The federal NOL(s) shall be added on Schedule 511-B, line 4.

ALL ABOUT REFUNDS

Taxpayers have two quick, convenient ways to check the status of their refund without speaking to an OTC representative.

- Visit **oktap.tax.ok.gov** and click on the "Where's My Refund?" link under "Individuals". You will be required to enter the last seven digits of the primary filer's social security number, the exact dollar amount of the refund for which you are searching and the ZIP code on the return.
- Call 405.521.3160 and enter the same information as prompted by our interactive automated phone system.

Note: If your return was e-filed, you can generally begin checking on your refund about four days after the return was accepted by the OTC. If your return was paper filed, you should allow four to six weeks to begin checking on your refund. Once processed, allow five business days for the deposit to be made to a bank account. For debit card refunds, allow five to seven business days for delivery.

Important: If you do not choose to have your refund deposited directly into your bank account, you will receive a debit card. See pages 40 and 41 for information on debit cards and page 42 for more information on direct deposit.

A debit card or direct deposit are not your only options to receive your refund. If timely filing, you may have any amount of overpayment applied to your next year's estimated tax. Refunds applied to the following year's Oklahoma estimated income tax (at the taxpayer's request) may not be adjusted after the original due date of the return.

AMENDED RETURNS

WHEN TO FILE AN AMENDED RETURN

Generally, to claim a refund, your amended return must be filed within three years from the date that tax, penalty and interest were paid. For most taxpayers, the three-year period begins on the original due date of the Oklahoma tax return. Estimated tax and withholdings are deemed paid on the original due date (excluding extensions).

If your federal return for any year is changed, an amended Oklahoma return shall be filed within one year. If you amend your federal return, it is recommended you obtain confirmation the IRS approved your federal amendment before filing your amended Oklahoma return. Filing an amended Oklahoma return without such IRS confirmation may delay the processing of your return; however, this may be necessary to avoid the expiration of the statute of limitations.

File a separate amended return for each year you are amending. No amended return may encompass more than one single year. Mail each year's amended return in a separate envelope. Do not provide amendments from different years in the same envelope.

If you discover you have made an error only on your Oklahoma return, we may be able to help you correct the form instead of filing an amended return. For additional information, contact our Taxpayer Resource Center at 405.521.3160.

HOW TO COMPLETE AN AMENDED RETURN

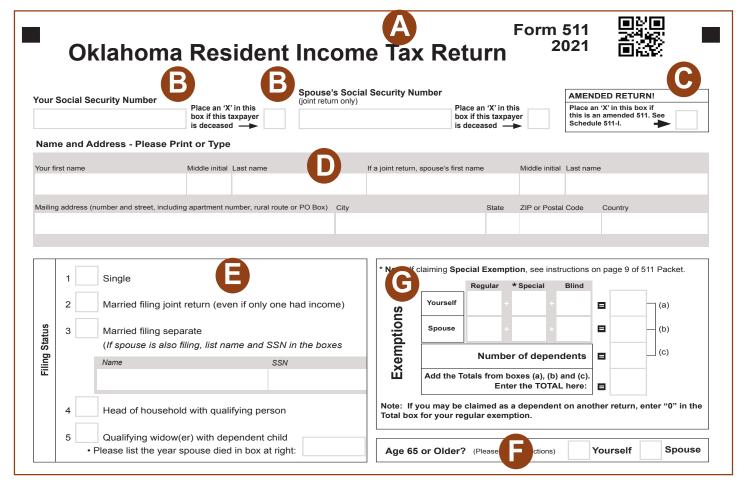

Place an "X" in the Amended Return checkbox at the top of Form 511, page 1. Complete the amended return. Enter any amount(s) paid with the original return plus any amount(s) paid after it was filed on line 29. Enter any refund previously received or overpayment applied on line 31. Complete Schedule 511-I "Amended Return Information" on Form 511, page 7.

WHEN YOU ARE FINISHED

Provide a copy of the following supporting documents, if applicable. Failure to provide the supporting documents may delay the processing of the return.

- Form 1040X (Amended Federal Income Tax Return) or Form 1045 (Application for Federal Tentative Return),
- Proof that IRS has approved the claim, such as the statement of adjustment, IRS tax account transcript, any correspondence from IRS, or the deposit slip of your federal refund,
- Revenue Agent Report (RAR), CP2000 or other notification of an assessment or a change made by the IRS,
- Additional Forms W-2 or 1099 not furnished with original return, and
- Forms, schedules or other documentation to substantiate any change made on the amended return.

TOP OF FORM INSTRUCTIONS

The filing status for Oklahoma purposes is the same as on the federal income tax return, with one exception. This exception applies to married taxpayers who file a joint federal return where one spouse is a full-year Oklahoma resident (either civilian or military), and the other is a full-year nonresident civilian (non-military). In this case, the taxpayers must either:

1. File as Oklahoma married filing separate. The Oklahoma resident, filing a joint federal return with a nonresident civilian spouse, may file an Oklahoma return as married filing separate. The resident will file on Form 511 using the married filing separate rates and reporting only his/her income and deductions. If the nonresident civilian also has an Oklahoma filing requirement, he/she will file on Form 511-NR, using married filing separate rates and reporting his/her income and deductions. Form 574 "Allocation of Income and Deductions" must be filed with the return(s). You can obtain this form from our website at tax.ok.gov.

-OR-

2. File as if both the resident and the nonresident civilian were Oklahoma residents on Form 511. Use the "married filing joint" filing status, and report <u>all</u> income. A tax credit (Form 511-TX) may be claimed for taxes paid to another state, if applicable. A statement should be attached to the return stating the nonresident is filing as a resident for tax purposes only.

If an Oklahoma resident (either civilian or military) files a joint federal return with a nonresident **military** spouse, they shall use the same filing status as on the federal return. If they file a joint federal return, they shall complete Form 511-NR and include in the Oklahoma amount column, all Oklahoma source income of both the resident and the nonresident.

SIXTY-FIVE OR OLDER

Place an 'X' in the box(es) if your age, or your spouse's age is 65 or older on or before December 31, 2021. If you turned age 65 on January 1, 2022, you are considered to be age 65 at the end of 2021.

EXEMPTIONS

To the right of the word "Yourself" place a number "1" in all the boxes that apply to you. Next total the boxes. Then do the same for your spouse, if applicable.

20 Oklahoma Use Tax

Every state with a sales tax has a companion tax for purchases made outside the state. In Oklahoma, that tax is called "use tax". If you have purchased items for use in Oklahoma from retailers who do not collect Oklahoma sales tax whether by mail order, catalog, television shopping networks, radio, internet, phone or in person, you owe Oklahoma use tax on those items. Use tax is paid by the buyer when the Oklahoma sales tax has not been collected by the seller. Individuals in Oklahoma are responsible for paying use tax on their out-of-state purchases.

Examples of items that are subject to sales tax include books, compact discs, computer equipment, computer software, electronics, clothing, appliances, furniture, sporting goods and jewelry. When an out-of-state retailer does not collect Oklahoma sales tax, the responsibility of paying the tax falls on the purchaser.

Use tax is calculated at the same rate as sales tax, which varies by city and county. The state sales tax rate is 4.5% (.045) plus the applicable city and/or county rates. If you do not know the exact amount of Oklahoma use tax you owe based on your city and county sales tax rate, you can either:

- Use the tax table on page 14 or multiply your AGI from line 1 by 0.056% (.00056),
 OR-
- 2. Use one of the worksheets below to calculate your Oklahoma use tax. Complete Worksheet One if you kept records of all of your out-of-state purchases. Complete Worksheet Two if you did not keep records of all of your out-of-state purchases.

Worksheet Two has two parts. The first part is a calculation of the amount due on items that cost less than \$1,000 each, and the second part is a calculation of the amount due on items that cost \$1,000 or more each. The first calculation is based on a Use Tax Table that reflects the estimated amount of use tax due by taxpayers with varying amounts of Federal AGI. The estimated amount is 0.056% (.00056) of Federal AGI. If you believe that estimate from the table is too high for your out-of-state purchases, you may estimate what you think you owe.

If you paid another state's sales or use tax on any purchase, that amount may be credited against the Oklahoma use tax due on that purchase.

Note: Your use tax worksheets may be reviewed. If it is determined that you owe more use tax than what is shown on your return, you may be subject to an assessment for the additional use tax.

23 Oklahoma Estimated Tax Payments

Enter any payments you made on your estimated Oklahoma income tax for 2021. Include any overpayment from your 2020 return you applied to your 2021 estimated tax.

If at least 66.67% (or two-thirds) of your gross income this year or last year is from farming, estimated payments are not required. If claiming this exception, you must mark the box on this line and **provide** a complete copy of your federal return.

For information regarding who is required to make estimated tax payments, refer to page 5, "Estimated Income Tax".

24 Payment with Extension

If you filed Oklahoma extension Form 504-I for 2021, enter any amount you paid with that form.

25 Credit for Property Tax Relief

Any person 65 years of age or older or any totally disabled person who is head of a household, a resident of and domiciled in this state during the entire preceding calendar year, and whose gross household income for such year does not exceed \$12,000, may file a claim for property tax relief on the amount of property taxes paid on the household they occupied during the preceding calendar year. The credit may not exceed \$200. Claim must be made on Form 538-H.

26 Sales Tax Relief/Credit

If you are required to file an Oklahoma income tax return, your return must be filed by April 15th. An extension of time to file your return, including the April 20th due date for electronically filed returns, does apply to this credit.

To file for sales tax relief, you must be an Oklahoma resident for the entire year. Your total gross household income cannot exceed \$20,000 unless one of the following applies:

- · You can claim an exemption for your dependent, or
- You are 65 years of age or older by 12/31/2021, or
- You have a physical disability constituting a substantial handicap to employment (provide proof, see Form 538-S).

If any one of the above three items pertains to you, your total gross household income limit is increased to \$50,000. Fill out and **provide** Form 538-S if you qualify for this credit. The Form 538-S is included in this packet.

The Oklahoma Department of Human Services will make the sales tax refund to persons who have continuously received aid to the aged, legally blind, disabled or Medicaid payments for nursing home care from January 1, 2021, to December 31, 2021. Persons who have received temporary assistance for needy families (TANF) for any month in the year of 2021 are not eligible for the sales tax refund.

A person convicted of a felony shall not be permitted to file a claim for sales tax relief for any year for which that person is an inmate in the custody of the Department of Corrections for any part of that year.

27 Natural Disaster Tax Credit

This credit is for owners of residential real property whose primary residence was damaged or destroyed in a natural disaster for which a Presidential Major Disaster Declaration was issued. The amount of the credit is the difference between the ad valorem property tax paid on such property in the tax year prior to the damage or destruction and the tax paid the first year after the property is rebuilt or repaired. The primary residence must be repaired or rebuilt and used as the primary residence no later than 36 months after any natural disaster. To claim this credit, **provide** Form 576 with your return.

Place an "X" in the box(es) to report any credit from Form 577 or Form 578.

If claiming the **Refundable Coal Credit**, **provide** Form 577. Any credits earned, but not used, based upon activity occurring during the tax year will be refunded at 85% of the face amount of the credits. For any credit calculated, the credit allowed is equal to 75% of the amount otherwise provided. A pass-through entity (PTE) that does not file a claim for a direct refund will allocate the credit to one or more of its shareholders, partners or members.

If claiming the **Refundable Credit for Electricity Generated by Zero-Emission Facilities**, **provide** Form 578. Any credits earned, but not used, based on electricity generated during the tax year may be refunded to the taxpayer at 85% of the face amount of the credits. A PTE that does not file a claim for a direct refund may allocate the credit to one or more of its shareholders, partners or members.

35 Donations (Original return only)

Schedule 511-H provides you with the opportunity to make a financial gift from your refund to a variety of Oklahoma organizations. Note that this reduces your refund if you choose to donate. The donation will be forwarded to the appropriate agency. Information regarding each organization, including the address to mail a donation if you are not receiving a refund, is found under 'Schedule 511-H' on pages 25 and 26.

Place the line number of the organization from Schedule 511-H in the box. If giving to more than one organization, put a "99" in the box and attach the Schedule 511-H showing how you wish the donation to be divided.

37 Amount to be Refunded

If you do not choose direct deposit or the direct deposit fails to process, you will be issued a debit card. See "All About Refunds" on page 6 for more information.

39 Support the Public School Classroom Support Fund (Original return only)

A donation to this Fund may be made on a tax due return. For information regarding this Fund, see Schedule 511-H on page 26.

Underpayment of Estimated Tax Interest

Estimated tax payments were required during the year if your income tax liability exceeded your withholding by \$500 or more. To avoid the 20% Underpayment of Estimated Tax Interest, timely filed quarterly estimated tax payments and withholding are required to be the smaller of:

- 70% of the current year tax liability, or
- 100% of your prior year tax liability.

The income tax liability is the Oklahoma income tax due less all credits except amounts paid on withholding, estimated tax and extension payments.

Note: No Underpayment of Estimated Tax Interest shall be imposed if the income tax liability shown on the return is less than \$1,000.

If you do not meet one of the above exceptions, you may complete Form OW-8-P or the OTC will figure the interest for you and send you a bill.

If you owe underpayment of estimated tax interest and you have an overpayment (line 33), enter the amount of underpayment of estimated tax interest on this line (line 40) and reduce the amount you are applying to estimated tax (line 34) or your refund (line 37) by that same amount (but not less than zero). You will be using your overpayment to pay your underpayment of estimated tax interest. Check the box if using the annualized installment method. Do not provide a payment unless you still have a balance due after applying all of your overpayment.

If an amended return is filed before the due date for filing the original return, including any extensions, the tax shown on the amended return is used to determine the amount of underpayment. If the amended return is filed after the due date, including extension, the tax shown on the amended return will not be used to compute the amount of underpayment.

Delinquent Penalty and Interest

After the original due date of the return, compute 5% penalty on the income tax due (line 38 minus line 20). Compute interest on the income tax due at 1.25% per month from the original due date of the return. An extension does not extend the date for payment of tax.

Note: If you have a valid extension of time to file your return, delinguent penalty is not due if 90% of your income tax was paid by the original due date of the return. Delinquent interest is due on any income tax not paid by the original due date of the return.

Title 68, Oklahoma Statutes, provides that any term used in this Act shall have the same meaning as when used in a comparable context in the IRC, except when specifically provided for in the Oklahoma Statutes or rules.

SCHEDULE 511-A

If the income is from a mutual fund that invests in U.S. Government obligations, provide documentation from the mutual fund to substantiate the percentage of income derived from obligations exempt from Oklahoma tax. Interest from entities such as FNMA and GNMA does not qualify.

DEBIT CARD INFORMATION

OTC's statement regarding refund debit cards.

Please be aware that if you do not choose direct deposit, you will receive a debit card for your income tax refund. The OTC does not offer paper checks as a refund option. Your options for receiving your refund are:

- 1. **Providing direct deposit information**. Make sure the information entered is correct, or a debit card will be issued.
- 2. **Debit card**. State law requires disbursements from the State Treasury to be in electronic form. If direct deposit information is not provided, or is incorrect, a debit card will be issued. Once you receive and activate your card, the balance can be transferred to your bank account or used anywhere MasterCard is accepted. After a debit card has been issued, the OTC cannot convert the card into a direct deposit or a credit to the taxpayer account.

Should you choose to receive a debit card, it can be used at your favorite stores and ATMs that accept MasterCard debit cards. In some cases a fee may apply at ATMs.

The disclosure below is provided by the debit card company, Conduent, to all Oklahoma state agencies using Comerica debit cards.
